### **Explanatory Note**

On October 27, 2014, Zogenix Inc. (the Company) filed a Current Report on Form 8-K (the Original Form 8-K) to report the completed acquisition of all the outstanding shares of Brabant Pharma Limited, a privately-held company organized under the laws of England and Wales (Brabant) by the Company's wholly-owned subsidiary, Zogenix Europe Limited. This Current Report on Form 8-K/A (this Amendment) amends the Original Form 8-K to provide the previously omitted financial statements and pro forma financial information described under Item 9.01 below, to update the expected timing of the initiation of Phase 3 studies for ZX008 (previously referred to as Brabafen™) and to re-file Exhibit 10.1 in response to comments the Company received from the Securities and Exchange Commission (the SEC) on a confidential treatment request the Company made for certain portions of Exhibit 10.1. Exhibit 10.1, as re-filed, includes certain portions that had previously been redacted pursuant to the Company's request for confidential treatment.

This Amendment should be read in conjunction with the Original Form 8-K and the Company's other filings with the SEC. Except as stated herein, this Amendment does not reflect events occurring after the filing of the Original Form 8-K with the SEC on October 27, 2014 and no attempt has been made in this Amendment to modify or update other disclosures as presented in the Original Form 8-K.

#### **Item 8.01 Other Events.**

The Company has updated the estimated timing with respect to the initiation of Phase 3 studies for ZX0008 (previously referred to as Brabafen™), low dose fenfluramine, for the treatment of Dravet syndrome. The Company expects to initiate Phase 3 studies for ZX008 during the third quarter of 2015 in the United States and Europe.

Zogenix cautions you that statements included in this report that are not a description of historical facts are forward-looking statements. Words such as plans, believes, expects, anticipates, and will, and similar expressions are intended to identify forward-looking statements, and are based on Zogenix's current beliefs and expectations. Such statements include, without limitation, statements regarding the timing of the commencement of Phase 3 clinical trials for ZX0008. You are cautioned not to place undue reliance on these forward-looking statements, which speak only as of the date hereof. Zogenix's actual future results may differ materially from its current expectations due to the risks and uncertainties inherent in its business. These risks include, but are not limited to: risks associated with the acquisition of Brabant and integration of Brabant's operations into Zogenix's business, including an increase in near and long-term expenditures, exposure to unknown liabilities and diversion of Zogenix's management's time and attention; the inherent risks of clinical development of ZX0008, and Zogenix's dependence on third parties in such development; the potential that earlier clinical trials may not be predictive of future results; and other risks detailed under Risk Factors and elsewhere in Zogenix's periodic reports and other filings made with the Securities and Exchange Commission from time to time. All forward-looking statements are qualified in their entirety by this cautionary statement, which is made under the safe harbor provisions of Section 21E of the Private Securities Litigation Reform Act of 1995, and Zogenix undertakes no obligation to revise or update this report to reflect events or circumstances after the date hereof.
