#### ***Beneficial Owners: Shares Registered in the Name of Broker***

## **Table of Contents**

### **What does it mean if I receive more than one Notice?**

If you receive more than one Notice, your shares are probably registered in more than one name or in different accounts. Please sign and return all proxy cards or voting instruction forms you receive to ensure that all of your shares are voted.

### **Can I change my vote after submitting my proxy?**

Yes. You can revoke your proxy at any time before the vote at the Annual Meeting. If you are the record holder of your shares, you may revoke your proxy in any one of three ways:

You may submit another properly completed proxy card with a later date.

You may send a timely written notice that you are revoking your proxy to our Corporate Secretary at 2300 Carillon Point, Kirkland, Washington 98033.

You may attend the Annual Meeting and vote in person. Simply attending the meeting will not, by itself, revoke your proxy. If your shares are held by your Broker, you must follow the instructions provided by your Broker in order to revoke your proxy.

### **How are votes counted?**

Votes will be counted by the inspector of election appointed for the meeting, who will separately count votes as follows: (i) For and Withhold with respect to the election of directors; (ii) For, Against, and Abstain with respect to the advisory (non-binding) resolution on executive compensation; (iii) For, Against, and Abstain with respect to the proposed amendment to our Articles of Incorporation to designate Washington as the exclusive forum for adjudicating certain intra-corporate disputes; (iv) For, Against, and Abstain with respect to the ratification of our Tax Benefits Preservation Plan; and (v) For, Against, and Abstain with respect to the ratification of the selection of our independent registered public accounting firm. Abstentions, withholds and broker non-votes will each be counted as present for purposes of determining the presence of a quorum but will have no effect in the outcome of Proposals 1, 2, 4 and 5 and will have the same effect as a vote against Proposal 3.

### **What if I return a proxy card but do not make specific choices?**

If you are a shareholder of record and you return a signed and dated proxy card without marking any voting selections, your shares will be voted **For** the election of all seven nominees for director, **For** the advisory (non-binding) resolution on executive compensation, **For** the amendment to our Articles of Incorporation to designate Washington as the exclusive forum for adjudicating certain intra-corporate disputes; **For** the ratification of our Tax Benefits Preservation Plan; and **For** the ratification of the selection of our independent registered public accounting firm. If any other matter is properly presented at the meeting, your proxy holder (one of the individuals named on your proxy card) will vote your shares using his best judgment.

**Table of Contents****How many votes are needed to approve each proposal?**

\* This vote is advisory and not binding on us, our Board of Directors or our Compensation Committee. However, the Board and the Compensation Committee have historically reviewed the voting results and taken them into consideration when making future decisions regarding the compensation of our named executive officers (who are identified in the *Summary Compensation Table* below).

### **Shareholder Proposals for 2016 Annual Meeting**

If you want to include a proposal in the Company's proxy statement for our 2016 annual meeting of shareholders, you must (i) be a record or beneficial owner of shares of common stock having a market value of at least \$2,000 (or representing at least 1% of the shares entitled to vote on the proposal), (ii) have owned such shares for at least one year prior to submitting the proposal, (iii) continue to hold the shares through the date on which the meeting is held, and (iv) comply with U.S. Securities and Exchange Commission (SEC) Rule 14a-8 or applicable provisions of our Bylaws. Under SEC Rule 14a-8, we must receive your proposal not less than one hundred twenty (120) days prior to the first anniversary of the date that this proxy statement is released to our shareholders, or, if the date of our 2016 annual meeting of shareholders changes by more than 30 days from the date of the 2015 Annual Meeting, then not less than a reasonable time before we begin to print and mail our 2016 proxy materials. Under our Bylaws, we must receive your notice of intention no later than March 15, 2016, and such proposal must be a proper matter for shareholder action under Washington corporate law. You may obtain a copy of our Bylaws by mailing a written request to our Corporate Secretary at 2300 Carillon Point, Kirkland, Washington 98033 or by visiting the Company's website at [www.pendrell.com](http://www.pendrell.com). Proposals may be mailed to us, to the attention of the Corporate Secretary, Pendrell Corporation, 2300 Carillon Point, Kirkland, Washington 98033.

### **Shareholder Communication with the Board of Directors**

If you wish to communicate with our Board of Directors, or with any individual member of the Board, regarding our business, you may send your communication in writing to the attention of our Corporate Secretary at 2300 Carillon Point, Kirkland, Washington 98033, with a request to forward the communication to the intended recipients. Shareholder communications must confirm that the sender is a Pendrell shareholder, and may be reviewed by our General Counsel, Corporate Secretary, Chief Financial Officer or other officer or employee in order to create an appropriate record of the communication and to ensure director privacy. Communications sent by shareholders to our Board of Directors are not confidential and we may use them for any purpose. Our directors do not entertain communications that do not directly relate to the directors' duties and responsibilities as directors of Pendrell. Such excluded communications include spam, advertisements, mass mailings, form letters and email campaigns that involve unduly large numbers of similar communications, solicitations for goods, services, employment or contributions, surveys, individual product inquiries or complaints, and communications that have no rational relevance to our business or operations. Additionally, communications that appear to be unduly hostile, intimidating, threatening, illegal or similarly inappropriate will not be forwarded to our directors.

### **Householding**

The SEC has adopted rules that permit the Company and intermediaries (e.g., Brokers) to satisfy proxy statement delivery requirements by delivering a single proxy statement to two or more shareholders who share the same address. A single annual report to shareholders and proxy statement will be delivered to multiple shareholders sharing an address unless contrary instructions have been received from the affected shareholders. This process, which is commonly referred to as householding, potentially means extra convenience for shareholders and cost savings for the Company. This year, a number of Brokers will be householding our proxy materials. If you receive notice from your Broker that it will be householding Pendrell's communications to you, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate annual report to shareholders and proxy statement, please notify your Broker. Upon written or oral request, we will promptly deliver a separate copy of the annual report to shareholders and proxy statement to a

**Table of Contents**

shareholder at a shared address to which a single copy of the documents was delivered. Direct your written request to Pendrell Corporation, 2300 Carillon Point, Kirkland, Washington 98033, Attn: Corporate Secretary. Shareholders who currently receive multiple copies of the proxy statement at their addresses and would like to request householding of their communications should contact their Brokers.

**How can I find out the results of the voting at the Annual Meeting?**

Preliminary voting results will be announced at the Annual Meeting. Final voting results will be published in a Current Report on Form 8-K to be filed with the SEC within four business days after the conclusion of the Annual Meeting, or any postponement or adjournment of the Annual Meeting.

**Table of Contents****DIRECTOR COMPENSATION****Overview of Director Compensation Program**

Our Board of Directors Compensation Policy (the Policy ) provides for (i) an annual retainer, paid quarterly, to the Chairman of our Board of Directors and each of our independent directors, and (ii) an additional retainer for committee service, paid quarterly, to each of our independent directors serving on a committee (other than the Chairman of the Board), as follows:

	<b>Annual Retainer</b>
<b>Board of Directors and Committee Service</b>	
Chairman of the Board of Directors	\$ 250,000
Independent Director	\$ 50,000
Audit Committee Chair	\$ 20,000
Compensation Committee Chair	\$ 20,000
Nominating and Governance Committee Chair	\$ 15,000
Audit Committee Member (non-Chair)	\$ 8,000
Compensation Committee Member (non-Chair)	\$ 8,000
Nominating and Governance Committee Member (non-Chair)	\$ 8,000

The annual retainer earned by our Chairman of the Board and each of our independent directors is paid in four equal quarterly installments on or about the first day of July, October, January and April to those directors who served on our Board of Directors through the end of the preceding quarter. Non-employee directors are also reimbursed for reasonable travel and accommodation expenses incurred in connection with Company business.

The Policy also provides for the grant of stock options to our independent directors. At the time of their appointment to the Board of Directors, all independent directors receive an initial option to purchase 75,000 shares of Class A common stock that vests in four equal annual installments. In addition, all independent directors receive an annual option to purchase 60,000 shares of Class A common stock that fully vests on the one-year anniversary of the grant date. All options granted to the independent directors have an exercise price equal to the fair market value of our Class A common stock on the grant date and have a term of ten years.

To further align the interests of our directors with the interests of our shareholders, our non-employee directors may elect to receive all or part of their cash retainer in the form of Class A common stock. The number of shares issued is equal to the amount of the retainer that the director elects to receive in stock divided by the fair market value of a share of Class A common stock (the closing price of our stock as reported on NASDAQ) on the final business day of the quarter for which payment is earned. Only whole numbers of shares of Class A common stock are issued; fractional shares are paid in cash.

**CORPORATE GOVERNANCE**

**Controlled Company**

Eagle River controls approximately 65.1% of the voting power of our outstanding common stock as of April 20, 2015. As a result, we are a controlled company within the meaning of the NASDAQ Stock Market ( Nasdaq ) corporate governance rules and, as such, need not comply with certain Nasdaq corporate governance requirements, including (1) the requirement that a majority of the board of directors consist of independent directors, (2) the requirement that the compensation of officers be determined, or recommended to the board of directors for determination, by a majority of the independent directors or a compensation committee comprised solely of independent directors, and (3) the requirement that director nominees be selected, or recommended for the board of directors selection, by a majority of the independent directors or a nominating committee comprised solely of independent directors with a written charter or board resolution addressing the nomination process. We do not currently rely on any of these exemptions, but reserve the right to do so in the future. If we choose to do so, our shareholders may not have the same protections afforded to shareholders of companies that are subject to all of the Nasdaq corporate governance requirements.

**Identification, Evaluation and Qualification of Director Nominees**

The Nominating and Governance Committee (the Nominating Committee ) reviews director candidates, interviews and evaluates candidates who meet the criteria for serving as directors, and recommends nominees to the Board. Qualifications for nomination to the Board vary according to the composition and needs of the Board at the time of nomination. All directors should possess the background, skills, expertise, and commitment necessary to make a significant contribution to Pendrell. Relevant qualifications for nomination include: (1) exemplary personal and professional ethics and integrity; (2) the ability to engage in objective, fair and forthright deliberations; (3) operating experience at a policy-making level in business(es) relevant to Pendrell s current and future plans; (4) independent judgment; (5) adequate time and personal commitment to provide guidance and insight to Pendrell s management; (6) a commitment to provide long term value to Pendrell s shareholders; (7) sophisticated business skills to enable rigorous and creative analysis of complex issues; and (8) understanding and experience in relevant markets, technology, operations, finance or marketing. The Nominating Committee will evaluate potential nominees by reviewing qualifications and references, conducting interviews and reviewing such other information as Nominating Committee members deem relevant. After the Nominating Committee recommends a candidate, the Board determines whether to ask the shareholders to elect the candidate at Pendrell s annual meeting. While Pendrell does not have a formal policy or guidelines regarding diversity of membership, the Board recognizes the value of having a broad range of skills, expertise, contacts, industry knowledge and diversity of opinion. Therefore, the Board gives consideration to obtaining a diversity of experience and perspective within the Board and solicits directors views on a variety of topics, including whether directors as a whole have the appropriate mix of characteristics, attributes, business experience and background to effectively serve on the Board. For the Annual Meeting, the Nominating Committee recommended that the Board nominate the seven individuals designated as director nominees in Proposal 1 above.

**Shareholder Nominations and Recommendations for Director Candidates**

*Shareholder Nominations for Director*

Pursuant to Pendrell s Bylaws, shareholders who wish to nominate one or more candidates for election as directors at an annual meeting of shareholders must give timely notice of the nomination in writing to Pendrell s Corporate Secretary. Consistent with SEC Rule 14a-8, the notice must be received no earlier than the close of business on the 120th day prior to the date of the annual meeting and no later than the close of business on the later of the 90th day prior to the date of such annual meeting, or if the first public announcement of the date of such annual meeting is less than 100 days prior to the date of such annual meeting, not later than the close of

business on the 10th day following the day on which notice of the date of the upcoming annual meeting is publicly disclosed. To be effective, the notice must satisfy certain requirements specified in the Company's Bylaws, a copy of which will be sent to any shareholder upon written request to Pendrell's Corporate Secretary. A shareholder making a nomination must also comply with all applicable requirements of the Exchange Act, including providing a nominee's consent to being named in a proxy statement and to serve as a director if elected. No shareholder has presented a timely notice of a proposal to nominate a director this year. Accordingly, the only directors nominated for election at the Annual Meeting are the individuals named in Proposal 1, Election of Directors. No other nominations are before, or may be brought at, the Annual Meeting.

### *Shareholder Recommendations for Director*

In addition to the general nomination rights of shareholders described above, the Nominating Committee will evaluate Board candidates who are recommended by shareholders in writing in accordance with the procedures described above under the caption "Shareholder Communication with the Board of Directors." Any Board candidate recommended by a shareholder must be independent of the recommending shareholder in all respects (e.g., free of material personal, professional, financial or business relationships from the proposing shareholder), as determined by the Nominating Committee or applicable law. Any Board candidate recommended by a shareholder must also qualify as an independent director under applicable Nasdaq rules. Any such recommendation must include the recommending shareholder's name, business address and contact information and all other information that would be required to be disclosed in a proxy statement or other filings required to be made in connection with the solicitation of proxies for election of directors pursuant to Section 14 of the Exchange Act. With respect to the proposed Board candidate, the following information must be provided:

name, age, business and residence addresses;

principal occupation or employment;

number of shares of Pendrell stock beneficially owned (if any);

a written resume of personal and professional experiences;

a statement from the recommending shareholder in support of the candidate, references for the candidate, and an indication of the candidate's willingness to serve, if elected;

all other information relating to the proposed Board candidate that would be required to be disclosed in a proxy statement or other filings required to be made in connection with the solicitation of proxies for election of directors pursuant to Section 14 of the Exchange Act; and

information, documents or affidavits demonstrating to what extent the proposed Board candidate meets the required minimum criteria set forth above under the caption *Identification, Evaluation and Qualification of Director Nominees*.

The recommendation must also include the signature of each proposed Board candidate and of each shareholder submitting the recommendation, together with a written statement that the recommending shareholder and the proposed Board candidate will make available to the Nominating Committee all information reasonably requested in furtherance of the Nominating Committee's evaluation. Shareholders may make recommendations at any time, but recommendations for consideration of nominees for election at an annual meeting of shareholders must be received by the date described in Pendrell's proxy statement released to shareholders in conjunction with the previous year's annual meeting. Except as may be required by applicable law, rule or regulation, the Nominating Committee will have no obligation to acknowledge receipt of the recommendation or otherwise communicate with the shareholder who submitted the recommendation.

### **Independence of the Board of Directors**

## Edgar Filing: Pendrell Corp - Form DEF 14A

The Board has determined that Messrs. Emerson, Kauser, Sloan and Thompson are independent directors within the meaning of the Nasdaq listing standards. As such, a majority of our directors are currently independent, as are all members of the Audit Committee, Compensation Committee and Nominating Committee.

## **Table of Contents**

Members of the Audit Committee also satisfy a separate independence requirement pursuant to the Exchange Act which requires that they may not accept directly or indirectly any consulting, advisory or other compensatory fee from us or any of our subsidiaries other than their compensation for service as a director, or be an affiliated person of ours or any of our subsidiaries.

Each year, our directors are obligated to complete a questionnaire which requires them to disclose any transactions with us in which the director or any member of his immediate family might have a direct or potential conflict of interest. Based on its analysis of the responses, the Board determined that all directors, except for Mr. Mikles due to his position as an executive officer of the Company, Mr. Salemme due to his recent employment history with the Company, and Mr. McCaw due to his ownership of Eagle River, are independent under its guidelines and free from any relationship that would interfere with the exercise of their independent judgment.

## **Board Leadership Structure**

Currently, the positions of Interim Chief Executive Officer and Chairman of the Board are held by two different individuals. Mr. Mikles serves as our President and Interim Chief Executive Officer. Mr. McCaw serves as Executive Chairman of the Board and as the principal representative of the Board. He also presides at meetings of the Board. The Board has determined that the separation of these positions allows Mr. Mikles to devote his time to the Company's day-to-day operations and key strategic objectives while Mr. McCaw provides oversight of Board activities. The Board believes that this leadership structure adheres to the Company's commitment to monitor and oversee the Company's compliance with sound principles of corporate governance, consistent with applicable laws and best practices.

## **Code of Conduct and Ethics**

The Company has adopted a Code of Conduct and Ethics that applies to all officers, directors and employees. The Code of Conduct and Ethics is available on the Company's website located at [www.pendrell.com](http://www.pendrell.com), by clicking on Investors and then Corporate Governance. If the Company makes any substantive amendments to the Code of Conduct and Ethics or grants any waiver from a provision of the Code of Conduct and Ethics to any executive officer or director, the Company will promptly disclose the nature of the amendment or waiver on its website.

## **Role in Risk Oversight**

The Board plays an active role, as a whole and also at the committee level, in formulating risk management policies and risk oversight policies and in overseeing management of the Company's risks. The Board regularly reviews information regarding the Company's liquidity and operations, as well as the risks associated with each. The Compensation Committee oversees the management of risks related to the Company's compensation plans and arrangements. The Audit Committee oversees the management of financial risks and enterprise risks. The chairpersons of these committees regularly inform the Board of the conclusions and results of such risk management functions. Our management team is charged with implementing risk management policies that are established by our Board and with managing our risk profile on a daily basis.

## **Policy Regarding Director Attendance at Annual Meetings of Shareholders**

At least one member of our Board will attend each annual meeting of shareholders, and all directors are invited to attend such meetings. We will reimburse directors for reasonable expenses incurred in attending annual meetings of shareholders. One director attended the annual meeting of shareholders held on June 13, 2014.

## **Meetings of the Board**

The Board meets on a regularly scheduled basis during the year to review significant developments affecting Pendrell and to act on matters requiring Board approval. It also holds special meetings when important matters

require Board action between regularly scheduled meetings. During fiscal year 2014, the Board met six times and took action by unanimous written consent on three other occasions. The independent members of the Board regularly met in executive session without management present. **PROPOSAL 2**

**APPROVAL OF AN ADVISORY (NON-BINDING) RESOLUTION ON EXECUTIVE COMPENSATION**

Under the Dodd-Frank Wall Street Reform and Consumer Protection Act, we are required to periodically conduct a non-binding advisory vote on the compensation of our named executive officers. This proposal, commonly known as a "say-on-pay" proposal, gives shareholders the opportunity to endorse or not endorse the compensation of our named executive officers. At our 2011 annual meeting of shareholders, our shareholders voted on the frequency of future advisory "say on pay" votes and agreed with our recommendation that such "say on pay" votes be conducted annually. At the Annual Meeting, an advisory (non-binding) shareholder resolution to approve the compensation of our named executive officers as disclosed in this proxy statement will be presented to our shareholders for consideration as follows:

RESOLVED, that the shareholders of the Company approve, on an advisory (non-binding) basis, the compensation of the Company's named executive officers, as disclosed in the Compensation Discussion and Analysis, the compensation tables and related material in the proxy statement for the Company's 2015 Annual Meeting of Shareholders.

This vote will not be binding on our Board or Compensation Committee and may not be construed as overruling a decision by the Board or Compensation Committee or create or imply any additional fiduciary duty. It will also not affect any compensation paid or awarded to any executive officer. The Board and the Compensation Committee may, however, take into account the outcome of the vote when considering future executive compensation arrangements.

The purpose of our compensation policies and procedures is to attract and retain experienced, highly qualified executives critical to our long-term success and enhancement of shareholder value. We believe that our compensation policies and procedures are strongly aligned with the long-term interests of our shareholders. As discussed in the Compensation Discussion and Analysis, the Board and Compensation Committee believe that the compensation of our named executive officers, as disclosed in this proxy statement, is reasonable and appropriate, is justified by our performance and is the result of a carefully considered approach.

**The Board of Directors recommends that you vote **FOR** the approval of  
the advisory (non-binding) resolution on executive compensation.**

### **Compensation Discussion and Analysis**

#### ***Overview***

Mr. Mikles, our Interim Chief Executive Officer and President;

Mr. Wolff, our former President and Chief Executive Officer;

Mr. Ednie, our Chief Financial Officer;

Mr. Rinn, our former Chief Financial Officer;

Mr. Salemme, our former Executive Vice President and Chief Strategy Officer;

Mr. Dozois, our Corporate Counsel and Corporate Secretary; and

Mr. Jaffe, our former Vice President and General Counsel.

This compensation discussion and analysis is limited to a discussion of compensation and other benefits earned by the named executive officers for their performance in 2014.

#### ***Executive Summary***

Our executive compensation program is designed to balance achievement of near-term results with positioning for long-term success by encouraging executives to achieve key corporate and individual objectives. Set forth below is a summary of 2014 achievements and related key events. Each is described more fully in later sections of this Compensation Discussion and Analysis.

We awarded merit-based salary adjustments ranging from 3% to 9% in 2014 to each of Messrs. Wolff, Rinn, Salemme, Richardson and Dozois based on individual performance.

We awarded 2014 discretionary cash bonus awards to Messrs. Wolff, Ednie, Salemme, Richardson and Dozois ranging from 60% to 67.5% of target based on the achievement of 2014 stated objectives and on individual performance.

## Edgar Filing: Pendrell Corp - Form DEF 14A

We awarded long-term equity compensation to Messrs. Wolff, Ednie, Rinn, Salemm, Richardson and Dozois to align their interests with the interests of our shareholders, reward individual contributions, encourage retention, and motivate these executives to enhance the long-term value of Pendrell.

We designed a competitive compensation package for Mr. Ednie, who joined us in September 2014 as our Chief Financial Officer, consisting of multiple elements including short-term, long-term and performance-based compensation.

We entered into separation agreements with Messrs. Wolff and Jaffe in connection with their respective resignations in 2014 that are consistent with the terms of employment offer letters negotiated at the time of hire.

### *Compensation Philosophy and Objectives*

Pendrell believes that the skill, talent, judgment and dedication of its executive officers are critical factors affecting the long-term value of our company. In furtherance of this belief, the primary goals of our executive compensation program in 2014 were (i) to recruit and retain qualified executives who can manage the evolution

## **Table of Contents**

of our business and contribute to our long-term success, (ii) to motivate performance consistent with clearly defined corporate and individual performance goals, and (iii) to align our executives' long-term interests with those of our shareholders. We believe our executive compensation program provides a solid framework for implementing and maintaining a balanced approach to compensation, has been instrumental in helping us accomplish our business objectives, and is strongly aligned with the long-term interests of our shareholders. In more detail, our compensation program is designed to:

provide a balance between fixed and variable compensation elements that encourage performance while discouraging excessive risk-taking;

provide incentives that encourage our executives to appropriately balance short-term and long-term strategic goals;

attract and retain individuals with the leadership abilities and skills to successfully execute our business strategy and build long-term shareholder value;

encourage and reward outstanding initiative, achievement and teamwork and motivate individuals to perform at their highest level;

reflect varying degrees of executive responsibility, accountability and impact on our business;

provide compensation and incentive packages to our executives that are competitive with our peer companies;

emphasize performance-based pay that aligns incentives with our strategic objectives; and

provide a meaningful ownership stake to appropriately align executive interests with shareholder interests.

### ***Role of the Compensation Committee***

The Compensation Committee of the Board of Directors is responsible for the oversight of our executive compensation program. Each director who served on the Compensation Committee in 2014 was, and each current member of the Compensation Committee is, a non-employee director within the meaning of SEC Rule 16b-3, an outside director within the meaning of Section 162(m) of the Internal Revenue Code of 1986, as amended (the Code), and an independent director under Nasdaq stock exchange listing rules. The Compensation Committee's purpose is to discharge the Board's responsibilities relating to executive compensation and to administer policies that govern our compensation and benefit programs. The Compensation Committee has overall responsibility for approving and evaluating our executive officer compensation plans, policies and programs, including:

periodically reviewing and establishing the agreements with, and compensation of, our executive officers;

establishing and periodically reviewing the operation and administration of our executive compensation programs;

carrying out duties assigned to the Compensation Committee under any equity compensation plan or other incentive compensation plan, including granting equity awards to our executive officers; and

## Edgar Filing: Pendrell Corp - Form DEF 14A

performing other duties as assigned by the Board of Directors.

The Compensation Committee may delegate authority to subcommittees, retain or terminate compensation consultants and obtain advice and assistance from internal or external legal, accounting or other advisers. The Compensation Committee may also consider recommendations of the Chief Executive Officer, but has final authority to set compensation amounts or awards for our named executive officers.

### ***Say on Pay Feedback from Shareholders***

Shareholders holding more than 93% of the votes cast at our 2014 annual meeting of shareholders approved, on an advisory basis, the compensation of our named executive officers. The Compensation Committee considered the results of the 2014 vote and, based in part on the significant shareholder support, made no changes to our executive compensation policies or decisions as a result of the vote. As in prior years, we will hold an advisory vote on executive compensation at our 2015 annual meeting of shareholders.

### ***Role of Compensation Committee Consultants in Compensation Decisions***

The Compensation Committee periodically engages independent compensation consultants to provide assistance and advice as it discharges its responsibilities. Compensation consultants may review our compensation programs to confirm consistency with our executive compensation philosophy and objectives, may advise the Compensation Committee on emerging trends and issues related to the compensation of executive officers, and may recommend peer group and market data as reference points for executive compensation decisions. In 2014, the Compensation Committee retained Board Advisory, LLC as its independent third party consultant to provide peer data to assist with the setting of compensation of our named executive officers other than Mr. Mikles. Prior to the engagement, the Compensation Committee determined that Board Advisory, LLC is independent of the Company under independence guidelines established by the SEC and Nasdaq, and determined that the retention of Board Advisory, LLC did not give rise to any conflict of interest.

### ***Role of Management in Compensation Decisions***

Our Chief Executive Officer periodically assesses the performance of our other executive officers and makes recommendations to the Compensation Committee regarding the compensation of such executive officers. In February 2014, Mr. Wolff, who was then serving as our Chief Executive Officer, assessed each other executive officer's 2013 contributions toward the achievement of our business and strategic objectives, as well as each executive officer's effectiveness in overseeing the function for which the executive officer is responsible. Mr. Wolff then made recommendations to the Compensation Committee regarding base salaries, performance goals and equity compensation awards for such officers. He did not make recommendations regarding his own compensation; nor was he present for any executive sessions or discussions regarding his own compensation.

Following Mr. Wolff's resignation in November 2014, Mr. Mikles was appointed Interim Chief Executive Officer and President. In February 2015, Mr. Mikles made recommendations to the Compensation Committee regarding cash incentive awards for executive officers' 2014 performance. He also recommended that the Compensation Committee modify 2015 performance bonus target percentages for Messrs. Ednie, Richardson and Dozois.

### ***Peer Companies and Benchmarking***

The Compensation Committee considers multiple data sources when assessing and constructing compensation programs, including competitive market data. However, the Committee does not set or maintain compensation at certain target percentiles within a peer group, nor does the Committee rely solely on market data. Instead, the Committee incorporates discretion and flexibility into our compensation programs and the performance assessment process, with the goal of rapidly responding to and adjusting for an evolving business environment and the value delivered by our executive officers.

In addition to competitive market data, the Compensation Committee considers a variety of other factors when establishing compensation programs, including general market conditions, internal equity, individual responsibilities, and individuals' recent or expected future contributions. The Compensation Committee also looks to our human resources staff to periodically assess executive compensation data from compensation consultants or salary surveys.

## Table of Contents

In setting compensation for our executive officers in 2014, our Compensation Committee considered the competitive total cash compensation and long-term equity incentive compensation data provided in the Compensation Peer Group (as defined below), Equilar, a leading provider of executive compensation data, and the Radford Global Technology Survey for technology companies with revenues between \$200 million and \$500 million (the Radford Survey). These resources are widely utilized by similarly situated companies in determining executive compensation levels. The Compensation Committee also considered each executive's experience, skills, role and responsibilities when it established 2014 executive compensation at the levels described below.

### *Chief Executive Officer*

*Mr. Mikles.* From April 2014, when Mr. Mikles joined our Board of Directors, through November 19, 2014, the Company compensated Mr. Mikles in accordance with our Board Compensation Policy described under the caption *Director Compensation* beginning on page 15. On November 19, 2014, the Board of Directors appointed Mr. Mikles as our Interim Chief Executive Officer and President, prompting Mr. Mikles to lose his status as an independent director under Nasdaq and SEC rules. The Board of Directors nonetheless compensated Mr. Mikles for the remainder of 2014 at a level consistent with the compensation of its independent directors, given that Mr. Mikles did not receive compensation for his services as Interim Chief Executive Officer and President. Mr. Mikles still does not receive compensation for his services as Interim Chief Executive Officer and President, but we anticipate that the Compensation Committee will propose a compensation arrangement for Mr. Mikles sometime in 2015.

*Mr. Wolff.* Mr. Wolff's cash compensation for 2014 was based primarily on comparative cash compensation data compiled from the proxy statements of 10 peer group companies in the technology and intellectual property sector having annual revenues ranging from \$200 million to \$500 million (the Compensation Peer Group). The companies in the Compensation Peer Group are:

Acacia Research Corporation  
DTS, Inc.  
InterDigital, Inc.  
Rovi Corporation  
TiVO Inc.

Dolby Laboratories, Inc.  
Immersion Corporation  
Rambus Inc.  
RPX Corporation  
VirnetX Holding Corporation

Mr. Wolff's total target cash compensation was established above the 75<sup>th</sup> percentile of the total target cash compensation for chief executive officers in the Compensation Peer Group.

*Chief Financial Officer and General Counsel.* In determining the 2014 cash compensation for Messrs. Ednie, Rinn and Jaffe, the Compensation Committee considered compensation data from the Compensation Peer Group, with the addition of Tessera Technologies, Inc., which was excluded from the Compensation Peer Group for Mr. Wolff due to multiple transitions in Tessera's CEO role during the measurement period. The total target cash compensation for Messrs. Rinn and Ednie in 2014 was established between the 60<sup>th</sup> and 75<sup>th</sup> percentiles of the total target cash compensation for chief financial officers in the Compensation Peer Group. The total target cash compensation for Mr. Jaffe in 2014 was established at the 60<sup>th</sup> percentile of the total target cash compensation for executives holding the general counsel position in the Compensation Peer Group. The Compensation Committee determined that the establishment of total target cash compensation at these levels for Messrs. Ednie, Rinn and Jaffe was appropriate in light of the skills, experience and contributions of these executives.

*Other Named Executive Officers.* The 2014 cash compensation for Messrs. Salemme and Richardson was primarily determined based on the Radford Survey, with Mr. Salemme's total target cash compensation established above the 75<sup>th</sup> percentile of the total target cash compensation for the top strategic planning executives in the Radford Survey, and Mr. Richardson's total target cash compensation established below the 50<sup>th</sup> percentile of the total target cash compensation for chief product officers in the Radford Survey. The 2014 cash

**Table of Contents**

compensation for Mr. Dozois was determined based on general market conditions, his performance during the preceding year, his position and level of responsibility, and his expected future contributions. The Compensation Committee established the total target cash compensation of these executives at levels that appropriately reflected their respective roles, responsibilities, skills and experience.

The 2014 equity awards granted to Messrs. Wolff, Rinn, Salemme and Richardson in connection with their annual executive performance review were based in part on guidance provided by Board Advisory, LLC. In addition, the Compensation Committee considered long-term incentive compensation data from the Compensation Peer Group in determining 2014 equity awards for Messrs. Wolff, Rinn and Jaffe, and from the Radford Survey in determining 2014 equity awards for Messrs. Salemme and Richardson.

Our Compensation Committee does not rigidly apply competitive compensation data. Actual cash compensation paid to any particular executive may be above or below the targeted range due to a number of factors, including but not limited to Company and individual performance, differences in responsibilities between executives at peer companies, an executive's prior experience and experience and tenure with the Company, and contributions relative to other executives at the Company. The value of equity compensation awards to particular executives may be above or below competitive market data due to a number of factors, including those listed above, as well as perceived limitations in the compensation survey data as it relates to equity compensation, an executive's potential future contributions to us, an executive's expected tenure, and the retention value, or holding power, of existing equity compensation awards.

Board Advisory, LLC conducted an assessment of the 2014 total direct compensation levels for our top executive positions, including positions held by Messrs. Wolff, Rinn, Salemme, Richardson and Jaffe, relative to market data. Following the assessment, Board Advisory, LLC concluded that the weighted average positioning of the 2014 compensation for these positions was appropriate.

***Elements of Compensation***

Our 2014 executive compensation program consisted of the following primary elements: base salary, short-term performance-based cash incentive compensation, and long-term equity incentive compensation awards. Each element is designed to achieve one or more of our performance, retention, and alignment goals as described below. These elements provide incentives to encourage our executives to appropriately balance their focus between our short-term and long-term strategic goals.

<b>Compensation Element</b>	<b>Designed to Reward</b>	<b>Relationship to Compensation Philosophy</b>
<b>Annual Base Salary</b>	Executive officer's experience, responsibilities, and contributions to the Company	Attract and retain talented executives through competitive pay programs that ensure a fixed level of annual cash compensation for our executives
<b>Short-term Performance-based Cash Incentives</b>	Achievement of corporate and individual performance goals	Motivate executives to achieve and exceed annual business and individual objectives that we believe are important to our long-term success
<b>Long-term Equity Incentives</b> ( <i>options and stock awards</i> )	Increased shareholder value through the achievement of long-term strategic goals such as revenue growth, return on invested capital and stock price appreciation	Align executive and shareholder interests to optimize shareholder return; motivate executives to achieve and exceed business objectives; encourage retention through multi-year vesting

**Table of Contents**

The Compensation Committee gives no single compensation factor any specific weight, but each executive's compensation, including the mix of cash compensation, equity awards and compensation that is performance-based, ultimately reflects the Compensation Committee's business judgment in consideration of these factors and shareholder interests.

With the exception of nominal monthly stipends to assist with commuting and/or lodging expenses incurred by Messrs. Richardson and Dozois, who are based outside the state of Washington, Pendrell has not established programs under which executive perquisites are offered. Moreover, Pendrell does not offer guaranteed payouts under its cash incentive program or other benefit programs to its executives that are not provided to the general employee population.

**2014 Executive Compensation****General Considerations**

In evaluating the performance of our named executive officers in 2014, the Compensation Committee considered each executive's fulfillment of his responsibilities, demonstrated leadership, management experience and effectiveness, as well as overall company performance. The Compensation Committee also considered the recommendations of Mr. Wolff, our then-serving Chief Executive Officer, in evaluating the performance of our executive officers other than the Chief Executive Officer. When translating performance to compensation, the Compensation Committee exercised its discretion in assessing the performance of our executive officers and did not apply specific formulae to determine the compensation amount or the compensation mix.

The following describes the primary components of our executive compensation program for each of our named executive officers during 2014.

**Base Salary**

We provide our executive officers and other employees with base salary to compensate them for services rendered, with the goal of attracting and retaining the executive talent needed to run our business, and to mitigate the risks associated with variable cash incentive and equity incentive compensation. Base salaries for executives are determined based on position, responsibility, experience, individual performance, overall company budgets, competitive market data and internal equity issues. Rather than applying a formulaic approach, the Compensation Committee generally reviews base salaries annually and makes adjustments from time to time within the context of our overall merit system. Base salary adjustments for executives are at the discretion of the Compensation Committee.

The annualized base salaries of our named executive officers at the end of 2014 are set forth below. Actual base salaries earned for our named executive officers in 2014 are reflected in the *Summary Compensation Table* beginning on page 44.

*Chief Executive Officer*

*Mr. Mikles.* Mr. Mikles was appointed as an independent member of our Board of Directors on April 10, 2014, and he was appointed as our Interim Chief Executive Officer and President effective November 19, 2014. From April 10, 2014 through November 19, 2014, Mr. Mikles was compensated in accordance with our Board Compensation Policy for independent directors as described under the caption *Director Compensation* beginning on page 15. *Mr. Wolff.* In February 2014, the Compensation Committee increased Mr. Wolff's annual base salary by 3% in recognition of his individual performance over the preceding twelve months, and after considering base salary market levels and the scope of his role and responsibilities. The resulting 2014 base salary was above the 75<sup>th</sup> percentile of the annual base salaries paid to chief executive officers in the Compensation Peer Group. The Compensation Committee determined that the base salary of Mr. Wolff appropriately reflected his unique skills, extensive management and leadership experience, and his role and responsibilities as our Chief Executive Officer.

*Named Executive Officers Other than the Chief Executive Officer.* In February 2014, the Compensation Committee approved merit increases ranging from 3% to 9% to the annual base salaries of Messrs. Rinn, Salemme, Richardson and Dozois based on individual performance during the preceding year, position, base salary market levels and scope of responsibility. The resulting 2014 base salary for Mr. Rinn was between the 50<sup>th</sup> and 75<sup>th</sup> percentiles of the annual base salaries paid to chief financial officers in the Compensation Peer Group. The resulting 2014 base salary for Mr. Salemme was above the 75<sup>th</sup> percentile, and the resulting 2014 base salary for Mr. Richardson was above the 50<sup>th</sup> percentile, of the annual base salaries paid to similarly situated executives in the Compensation Peer Group. Set forth below is a summary of the increases in annual base salary approved by the Compensation Committee effective February 1, 2014.

Named Executive Officer	February 2014 Salary Increase Percentage
Benjamin G. Wolff	3%
David H. Rinn	3%
R. Gerard Salemme	3%
Scott G. Richardson	3%
Timothy M. Dozois	9%

during the preceding year, his expanded role and responsibilities, and his expected future contributions. Mr. Jaffe’s annual base salary was not adjusted in 2014 because the Compensation Committee determined that Mr. Jaffe’s salary appropriately reflected his role and responsibilities.

Mr. Ednie’s annual base salary was negotiated in connection with his hiring by the Company in September 2014 and was established between the 50<sup>th</sup> and 75<sup>th</sup> percentiles of the annual base salaries paid to chief financial officers in the Compensation Peer Group. The Compensation Committee believed that Mr. Ednie brought highly valuable skills and experience to the chief financial officer position that will be beneficial as we build a foundation for future growth and address related issues related to our significant net operating losses. The Compensation Committee determined that Mr. Ednie’s salary appropriately reflected his operational experience, his expertise in tax matters, and the responsibilities that he would assume upon joining Pendrell.

The Compensation Committee did not adjust base salaries for our named executive officers during the 2015 executive performance review, as Mr. Ednie’s salary was determined in connection with his hire in September 2014, Mr. Salemme’s service as Chief Strategy Officer concluded in February 2015 and he became a non-employee consultant to the Company, and Messrs. Dozois and Richardson each received increases in target incentive compensation in lieu of annual base salary adjustments.

***Performance-based Cash Incentive Compensation***

In February 2014, the Compensation Committee approved a discretionary cash incentive plan for 2014 (the 2014 Cash Incentive Plan) for employees and executive officers. In establishing a discretionary cash incentive plan in lieu of a cash incentive plan based on traditional metrics such as corporate financial goals, the Committee recognized that the Company operates a business in which revenues are often unpredictable and that shareholder value is likely generated over a period of years. The Committee also recognized that progress toward the achievement of multi-year goals is not always objectively quantifiable.

In approving the discretionary cash incentive plan for 2014, the Compensation Committee determined that the following key objectives, together with individual performance, would be the primary determinants of the bonus pool and individual payouts under the 2014 Cash Incentive Plan:

Effective implementation of the Company’s litigation strategy

Continued development, monetization and cost effective management of the Company’s subsidiaries’ patent portfolios

Achieve ContentGuard product development milestones

Pursue investment and acquisition opportunities

Attract, retain and motivate highly talented and skilled team members

These objectives were designed to be challenging but achievable. None of the objectives above were assigned any specific weight. Instead, the Compensation Committee assessed the aggregate achievement of these objectives in determining bonus payouts.

Individual performance was assessed using the following individual performance rating scale:

<b>Individual Performance</b>	<b>Bonus Pool</b>	
<b>Rating Scale</b>	<b>Payout %</b>	
	<b>Range</b>	
Exemplary	100	135%
Highly Effective	90	100%
Meets Expectations	80	90%

Inconsistent	50	80%
Unsatisfactory	0	50%

The 2014 Cash Incentive Plan provided the Compensation Committee broad discretion to award cash incentive compensation to participants within a specified range based on the achievement of company strategic and operational objectives and individual performance. The Committee reserved the authority and discretion to modify the performance goals and criteria under the 2014 Cash Incentive Plan and to grant bonuses to participants even if performance goals were not met. In determining the 2014 discretionary cash incentive compensation for our eligible executive officers, the Compensation Committee was guided by an assessment of company and individual performance. It also considered the input of the Board of Directors and members of management as part of its performance assessment process.

In February 2015, the Compensation Committee assessed 2014 company performance and determined that the key company objectives for 2014 had been achieved at a level of 75% of target. The discretionary cash bonus pool was therefore reduced from 100% to 75% of the aggregate target payouts for all bonus-eligible employees. The Compensation Committee also assessed the individual performance of executives for 2014, with significant input from management. The results of the assessment were taken into account in determining the amount of cash incentive payouts for executives. Individual performance criteria for the bonus-eligible executives included the fulfillment of each executive's responsibilities within his specific function, his contributions in support of company objectives, demonstrated leadership, management experience and effectiveness. The Compensation Committee determined that cash incentive payouts based on individual performance would range from 60% to 67.5% for executives who were eligible to receive cash incentive payouts as of February 13, 2015, the date the 2014 Cash Incentive Plan payments were made.

The Compensation Committee approved cash incentive payouts at 67.5% of target for each of Messrs. Wolff, Ednie, Salemme and Dozois, and at 60% of target for Mr. Richardson. The variances in the cash incentive payments resulted from the Compensation Committee's subjective determinations regarding individual performance in 2014.

The performance-based cash incentive compensation awarded to our named executive officers for 2014 was as follows:

Named Executive Officer	2014 Annualized Target Bonus (\$)	2014 Annualized Target Bonus as a Percentage of Annual Base Salary(1)	2014 Actual Achievement as a percentage of Target Bonus (%)	2014 Actual Bonus Payout (\$)
Mr. Mikles	\$			\$ (2)
Mr. Wolff	\$ 795,675	100%	67.5%	\$ 475,280(3)
Mr. Ednie	\$ 175,000	50%	67.5%	\$ 37,217(4)
Mr. Rinn	\$ 180,250	50%		\$ (5)
Mr. Salemme	\$ 424,360	100%	67.5%	\$ 286,443
Mr. Richardson	\$ 138,432	40%	60.0%	\$ 83,059
Mr. Dozois	\$ 92,623	33%	67.5%	\$ 62,520
Mr. Jaffe	\$ 175,000	50%		\$ (6)

- (1) Reflects target annual cash incentive compensation for 2014 as set forth in the employment letter agreement between the Company and each executive officer.
- (2) In 2014, Mr. Mikles was compensated in accordance with our Board Compensation policy and he was not eligible to earn cash incentive compensation in 2014.
- (3) Pursuant to the terms of the Separation Agreement between Mr. Wolff and the Company, Mr. Wolff was eligible to receive 2014 cash incentive compensation in an amount equal to the percentage of target cash incentive compensation awarded to the Company's highest performing 2014 executive officer, pro-rated for a partial year of service between January 1, 2014 and November 19, 2014.

**Table of Contents**

- (4) Reflects prorated cash incentive compensation earned by Mr. Ednie for a partial year of service between September 8, 2014 and December 31, 2014.
- (5) Due to Mr. Rinn's resignation from the position of Vice President and Chief Financial Officer effective September 8, 2014, prior to the date payments were made under the 2014 Cash Incentive Plan, he was not eligible to receive a cash incentive payment under the 2014 Bonus Plan.
- (6) Due to Mr. Jaffe's resignation from the position of Vice President, General Counsel and Corporate Secretary effective April 18, 2014, prior to the date payments were made under the 2014 Cash Incentive Plan, he was not eligible to receive a cash incentive payment under the 2014 Cash Incentive Plan.

As described above, in February 2015 the Compensation Committee approved increases in the target performance-based cash incentive compensation for Messrs. Ednie, Richardson and Dozois in lieu of salary adjustments in order to increase the emphasis on pay-for-performance. Effective January 1, 2015, the target annual cash incentive compensation for Messrs. Ednie, Richardson and Dozois is as follows:

Named Executive Officer	Target Cash Bonus Compensation as a Percentage of Base Salary (Effective 1/1/2015)
Steven A. Ednie	53.5%
Scott G. Richardson	43.0%
Timothy M. Dozois	36.5%

In March 2015, the Compensation Committee adopted the 2015 Incentive Plan which provides for cash and/or incentive awards, calculated as a percentage of base salary, based upon the achievement of specified financial targets and individual performance objectives. The incentive awards for Messrs. Ednie, Richardson and Dozois will be derived from three components: (i) the achievement of overall Company revenue, expense and adjusted EBITDA budget projections, which drives 76.5% of the incentive award calculation, (ii) the achievement of profit and loss objectives for the respective cost center for each executive, which drives 8.5% of the incentive award calculation, and (iii) individual performance, which drives the remaining 15% of the incentive award calculation. The Compensation Committee retains the discretion to adjust the incentive calculation for these executives under the 2015 Incentive Plan.

**Long-Term Equity Incentive Compensation**

Our long-term incentive program is designed to attract a highly skilled and talented executive team, encourage long-term retention of executive officers, motivate our executive officers to focus on long-term company performance and to enable us to recognize efforts put forth by executives who contribute to the achievement of our business objectives. We believe the periodic vesting of long-term incentive compensation, which is contingent upon continued employment or the achievement of specific performance criteria, directly aligns executive officer interests with our shareholders' interests by rewarding the creation and preservation of long-term shareholder value.

*February 2014.* In February 2014, the Compensation Committee awarded to each of Messrs. Wolff, Rinn, Salemme, Richardson and Dozois nonqualified stock options. These options vest over four years, with 25% of the award vesting on each of the first four anniversaries of the grant date. In approving these awards, the Compensation Committee took into consideration the absence of any equity awards to our executives during the previous 18 months, with the exception of equity awards granted to Mr. Rinn at the time he was hired in March 2013. The Compensation Committee also engaged Board Advisory, LLC to assist in developing a recommendation for long-term equity incentive compensation for our executives. Proposed 2014 equity awards were modeled at between 10% and 30% of the value of each executive's existing equity holdings and considered the length of an executive's tenure as well as individual performance over the preceding year. Board Advisory,

**Table of Contents**

LLC recommended a total annual award pool for all employees equal to approximately 1.7% of our outstanding capital stock and assessed the overall proposed awards as meaningful, motivational and reasonable as an annual percentage.

After considering the recommendations of Board Advisory, LLC, the Compensation Committee established a total annual equity award pool for all employees of approximately 3.8 million shares, representing 1.35% of our total outstanding capital stock. In determining the size of the February 2014 equity awards to our then-serving named executive officers, the Compensation Committee considered Board Advisory, LLC's recommendation that the Chief Executive Officer receive between 15% and 25% of the total company-wide awards. The Compensation Committee also considered the existing equity holdings of our executives, specifically the retentive value, the opportunity to benefit from future equity appreciation and the vested versus unvested equity holdings each executive. Individual performance and equity award guidelines established for executives having similar roles and responsibilities were also factors considered by the Compensation Committee in determining the size of the equity awards granted to our executives. The Compensation Committee approved a nonqualified stock option award to Mr. Wolff equal to approximately 20% of the total award pool. The nonqualified stock options granted to Messrs. Rinn, Salemme, Richardson and Dozois represented approximately 8%, 10%, 7% and 5%, respectively, of the total award pool. The Compensation Committee determined that this allocation of the total award pool to these executives appropriately reflected their positions and scope of responsibility, as well as the motivational and retentive value of the awards.

The nonqualified stock option awards granted to Messrs. Wolff, Rinn, Salemme, Richardson and Dozois in February 2014 are as follows:

<b>Name</b>	<b>Number of Options</b>
Mr. Wolff	750,000
Mr. Rinn	300,000
Mr. Salemme	375,000
Mr. Richardson	250,000
Mr. Dozois	200,000

All options were granted with an exercise price equal to the closing price of our Class A Common Stock on the grant date.

The Compensation Committee determined that the existing long-term equity compensation of Mr. Jaffe was reasonable and appropriate, and Mr. Jaffe did not receive additional equity incentive compensation in February 2014.

In 2014, Mr. Mikles was compensated in accordance with our Board Compensation Policy, which provides for an initial grant of stock options upon the commencement of Board service and an annual grant of stock options on October 1 of each year. The stock options granted to Mr. Mikles in 2014 are described under the caption *Director Compensation* beginning on page 15.

*September 2014.* Mr. Ednie joined us in September 2014. His employment offer letter provided for grants of time-based nonqualified stock options, time-based restricted stock units ( RSUs ), and RSUs having both time-based *and* performance-based vesting requirements (in other words, specific performance goals must be achieved *and* Mr. Ednie must satisfy applicable continued employment requirements in order for vesting to occur). These equity awards were negotiated with Mr. Ednie in connection with the commencement of his employment and were designed specifically to induce him to accept employment with the Company and to align his long-term equity incentive compensation with that of our other executives. The vesting of all equity awards is subject to Mr. Ednie's continued employment through each award's applicable vesting dates. Below is a description of each type of award.

**Table of Contents**

*Nonqualified Stock Options.* A stock option is the right of a recipient to purchase a specified number of shares of our Class A common stock at a price designated on the date of grant. Stock options have value only to the extent the price of our stock on the date of exercise exceeds the stock price on the grant date. The Compensation Committee believes that stock options motivate our executive officers to improve and maintain Company performance, which in turn may drive stock price appreciation and increase the value of any unexercised stock options.

*Time-Based Restricted Stock Unit Awards.* A restricted stock unit award (an RSU) is a grant valued in terms of Class A common stock, but shares of stock are not issued at the time the RSU is granted. After an RSU grant recipient satisfies applicable vesting requirements, shares of Class A common stock are issued to the award recipient. The Compensation Committee believes that RSUs directly link executive officer interests with those of our shareholders because the value of these awards is tied to the market value of our common stock.

*Performance-Based Restricted Stock Unit Awards.* The Compensation Committee believes that the achievement of key corporate goals should directly and materially impact the total compensation opportunity for our named executive officers in order to closely align their interests with those of our shareholders. Therefore, the Compensation Committee granted performance-based RSUs as part of the equity compensation awarded to Mr. Ednie at the time he joined us. The performance-based RSUs vest only upon achievement of what we believe are ambitious stock price goals, together with continued service to the Company. The Compensation Committee believes these stock price goals are aggressive but do not encourage risk-taking or require performance outside of what the Compensation Committee believes is reasonable for the Company.

The equity awards granted to Mr. Ednie and the vesting criteria applicable to each award are as follows:

Type of Award	Number of Shares	Vesting
Nonqualified Stock Options (time-based)	500,000	25% of the options will vest on each of the first, second, third and fourth anniversaries of the grant date.
RSUs (time-based)	250,000	25% of the RSUs will vest on each of the first, second, third and fourth anniversaries of the grant date.
RSUs (performance-based)	150,000	100% of the RSUs will vest when both of the following have occurred: (i) the average closing price of Class A Common Stock, measured over any 60 consecutive calendar days, as reported on Nasdaq, has reached or exceeded \$3.00 per share (the Price Trigger), and (ii) the first anniversary of the grant date has occurred (the Anniversary Date). If the Price Trigger is not achieved by the third Anniversary Date, then none of the RSUs will vest.

The Compensation Committee determined that the mix of time- and performance-based equity awards was appropriate to recruit and retain Mr. Ednie and to align his interests with the interests of our shareholders.

The long-term equity incentive compensation awarded to Mr. Ednie upon the commencement of his employment was established slightly above the 60<sup>th</sup> percentile of the long-term equity incentive compensation awarded to chief financial officers based on proxy data obtained from Equilar to reflect Mr. Ednie's skills and experience. The Compensation Committee also considered the retentive value, the opportunity to benefit from future equity appreciation, the mix of time-based and performance-based equity awards, and the equity award guidelines established for executives having similar roles and responsibilities.

The equity awards granted to our named executive officers provide for both long-term vesting requirements and performance-based vesting conditions. Therefore, the grant date fair value of the equity awards is not

necessarily reflective of actual compensation realized by the executives in a specific year or even the ultimate value of the awards. Accordingly, our *Summary Compensation Table* on page 44 should be read in conjunction with our *2014 Options Exercised and Stock Vested Table* on page 49, which includes more information on compensation actually realized by our named executive officers in 2014.

**Compensation Mix**

For 2014, the mix of the total compensation elements for each of our named executive officers was as follows:

**Percent of Total 2014 Compensation**

Mr. Mikles(1)			
Mr. Wolff(2)	79%	9%	12%

**Other Compensation****Employment, Severance and Change in Control Arrangements**

Each of our executive officers is employed on an at will basis, which means that his employment may be terminated at any time, at the election of either the executive officer or Pendrell, for any reason or no reason, with or without any advance notice. We issued employment letters to each of our named executive officers at the time of hire (other than Mr. Mikles) that contain general employment terms. The employment letters for Messrs. Wolff, Ednie, Salemme, Richardson, Dozois and Jaffe describe certain benefits payable in connection with a termination of employment under certain circumstances, such as termination without cause or for good reason. These severance benefits are intended to provide competitive compensation and to ensure that key executives are focused on our goals and objectives, as well as the interests of our shareholders, by removing uncertainties related to unexpected termination of employment. The named executive officers are also subject to the confidentiality, noncompetition and non-solicitation obligations set forth in our standard employee inventions agreement, some of which survive termination of employment.

All equity awards granted to our executive officers and non-executive employees under our 2000 Stock Incentive Plan, as amended and restated, provide for 100% vesting acceleration upon a change in control if the

equity obligation is not assumed, continued or substituted by the acquiring company. Conversely, under our 2012 Equity Incentive Plan (the 2012 Plan ), the vesting of an equity award accelerates upon a change of control only if such acceleration is contemplated by the agreement evidencing the award. The vesting of an equity award granted pursuant to the 2012 Plan may also be accelerated in the event of certain sales or dispositions of assets or securities, mergers, consolidations or similar transactions, unless otherwise provided in the agreement evidencing an equity award or any other written agreement between us and the holder of such equity award, or unless otherwise expressly provided by the plan administrator of the 2012 Plan at the time an equity award is granted.

We entered into a Separation Agreement with Mr. Wolff in connection with his resignation in November 2014, and we entered into a Severance and Release Agreement with Mr. Jaffe in connection with his resignation in April 2014. We also entered into a Retention Agreement with Mr. Salemme in connection with Mr. Salemme's transition from an employee to an independent consultant. These agreements are described below.

*Mr. Wolff.* On November 19, 2014, Benjamin G. Wolff resigned from his position as President and Chief Executive Officer. The Compensation Committee determined that Mr. Wolff's resignation was for "Good Reason" (as defined in Mr. Wolff's employment letter) in light of the changes to his role and reporting structure following Craig McCaw's appointment as Executive Chairman in November 2014. Pursuant to a Separation Agreement between the Company and Mr. Wolff, which was approved by the Compensation Committee, and consistent with the terms of Mr. Wolff's employment letter that was negotiated at the time of his hiring, Mr. Wolff received (i) a lump sum severance payment of \$3,182,700, which is two times the sum of Mr. Wolff's annual salary and target bonus; (ii) a lump sum payment of \$114,759, representing Mr. Wolff's accrued and unused paid time off, capped at 1.5 times his annual accrual rate for paid time off; (iii) payment by the Company of COBRA costs for Mr. Wolff and his covered dependents so long as he elects and remains eligible for COBRA, up to a maximum of two years; and (iv) vesting of all options, shares of restricted stock and RSUs in which he would have vested had he remained actively employed by the Company through the second anniversary of his resignation, excluding any unvested performance-based restricted shares or performance-based RSUs. The Separation Agreement also provides for (a) an extension of the exercise period for Mr. Wolff's vested stock options until December 15, 2015; (b) the Company's commitment to defend, indemnify and reimburse Mr. Wolff for costs, taxes or other payments for which the Company is already obligated under his employment letter agreement; and (c) for payment of a performance bonus for Mr. Wolff's contributions to the Company's achievement of its 2014 objectives, determined in a manner consistent with the determination of performance bonuses awarded to the Company's highest performing 2014 executives, pro-rated for the period during which he was employed in 2014. Mr. Wolff provided us with a waiver and release of all claims and agreed to adhere to all post-employment obligations under our standard form of employee inventions agreement. The Compensation Committee determined that the payments to Mr. Wolff in connection with his resignation were fair and reasonable in light of his contributions and leadership during a critical time in the Company's development.

*Mr. Jaffe.* Effective April 18, 2014, Mr. Jaffe resigned from his position as Vice President, General Counsel and Corporate Secretary. Pursuant to a Severance and Release Agreement between the Company and Mr. Jaffe, which was approved by the Compensation Committee, Mr. Jaffe received (i) a lump sum severance payment of \$350,000, which is equal to his annual salary at the time of his resignation; and (ii) a lump sum payment of \$10,121, representing Mr. Jaffe's accrued and unused paid time off. Mr. Jaffe provided us with a waiver and release of all claims and agreed to adhere to all post-employment obligations under our standard form of employee inventions agreement. The compensation paid to Mr. Jaffe in connection with his resignation was consistent with the terms of his employment letter agreement negotiated at the time of his hiring.

*Mr. Salemme.* Effective February 15, 2015, Mr. Salemme completed his service as our Executive Vice President and Chief Strategy Officer and became a non-employee consultant to the Company. He also continues to serve as a member of our Board of Directors. The Company and Mr. Salemme entered into a retention agreement (the Retention Agreement ) that describes the terms of Mr. Salemme's employment termination and his consulting relationship, and which supersedes Mr. Salemme's Amended and Restated Employment Letter Agreement dated July 1, 2011, as supplemented by addenda dated August 25, 2014 and January 1, 2015

(collectively, the Employment Agreement ). Under the Retention Agreement, Mr. Salemme will identify and assess business opportunities and provide strategic advice for the Company, for which he will: (i) be paid a monthly consulting fee of \$20,000, (ii) receive a lump sum payment of \$455,000 as consideration for relinquishment of any termination benefits contemplated by the Employment Agreement, (iii) retain and continue to vest in his outstanding equity awards through the first anniversary of the termination of the Retention Agreement, and (iv) receive an additional future lump sum payment of \$455,000 if the Company terminates the Retention Agreement without Cause (as defined in the Retention Agreement), or if Mr. Salemme terminates the Retention Agreement for Good Reason (as defined in the Retention Agreement). The Compensation Committee determined the compensation to be paid to Mr. Salemme for his consulting services by considering the value of Mr. Salemme's continued contributions to the Company and the breadth of his experience in determining the value of potential initiatives.

### ***Benefits***

We believe benefits are part of a competitive compensation package to attract and retain employees, including executives. Our executive officers are eligible to participate in the same benefit programs offered to other employees. These programs include medical, dental, vision, group life, accidental death and dismemberment, and disability insurance; an elective health care savings account; a transportation subsidy or paid parking, as applicable; paid time off; and holiday pay. The same contribution amounts, percentages and plan design provisions are generally applicable to all employees.

Our employees, including our named executive officers, are also eligible to participate in our 401(k) savings plan, a tax-qualified retirement savings plan pursuant to which all U.S.-based employees are able to contribute a portion of their cash compensation (including base salary and overtime pay) on a before-tax basis, up to the limit prescribed each year by the Internal Revenue Service. We match 100% of the first 3% of pay and 50% of the next 2% of pay that is contributed to the 401(k) savings plan. All employee contributions and matching contributions made by us to the 401(k) savings plan are fully vested upon contribution. Our executive officers participate in the benefit programs described above on the same basis as our other employees.

We have no defined benefit pension plans or supplemental retirement plans for executives.

### ***Perquisites and Personal Benefits***

We may offer other benefits to our employees and executive officers from time to time, which benefits are typically offered to help us compete more effectively to attract or retain an executive officer.

In April 2013, the Compensation Committee adopted a Pre-Approval Policy for Nominal Payments pursuant to which the Compensation Committee delegated authority to each of the Chief Executive Officer and the Chairman of the Compensation Committee to approve certain nominal payments to our executive officers from time to time. Our Chief Executive Officer is authorized to approve nominal payments to our executive officers (not including the CEO) up to an aggregate amount of \$10,000 per year, per executive officer. The Chairman of the Compensation Committee is authorized to approve nominal payments to our executive officers up to an aggregate amount of \$25,000 per year, per executive officer (when aggregated with any nominal payments approved by the CEO). These payments may include, without limitation, relocation assistance, transportation benefits, length of service awards, achievement awards and certain other payments.

As negotiated at the time of hire and reflected in their employment offer letters, we provide compensation to each of Messrs. Richardson and Dozois, who are based outside the state of Washington, to assist with commuting and/or lodging expenses incurred by these executives in connection with their frequent travel to our headquarters in Kirkland, Washington. Effective January 2013, this compensation is paid in the form of a monthly stipend in the amount of (i) \$3,200 for Mr. Richardson to assist with commuting and lodging expenses, and (ii) \$1,920 for Mr. Dozois to assist with commuting expenses. These amounts have been reported as taxable income to Messrs. Richardson and Dozois. There were no other perquisites provided to any named executive officer in 2014.

### ***Taxation of Parachute Payments and Deferred Compensation***

Sections 280G and 4999 of the Code provide that executive officers and directors who hold significant equity interests and certain other service providers may be subject to an excise tax if they receive payments or benefits in connection with a change in control that exceeds certain prescribed limits, and that we, or a successor, may forfeit a deduction on the amounts subject to this additional tax. Section 409A of the Code ( Section 409A ) also imposes additional significant taxes on the individual in the event that an executive officer, director or other service provider receives deferred compensation that does not meet the requirements of Section 409A. We do not provide any executive officer, including any named executive officer, with a gross-up or other reimbursement payment for any liability that he or she might owe as a result of the application of Sections 280G or 4999 of the Code. The employment letters with our current named executive officers allow us to accelerate severance payments to the extent necessary to comply with Section 409A.

### **Other Policies and Considerations**

#### ***Assessment of Risk in our Compensation Program***

The Compensation Committee periodically assesses our compensation program to monitor and mitigate risk. This ongoing assessment includes consideration of the primary design features of the compensation plans, monitoring compliance with our code of ethics, structuring executives pay to include both fixed and variable compensation, and retaining broad discretion over the award of annual performance-based cash incentive compensation. The Compensation Committee believes that the annual and long-term equity incentive compensation programs for our executive officers appropriately focus these individuals on our current and future business needs without encouraging undue risk-taking, and that our compensation policies and practices for all employees, including named executive officers, do not create risks that are reasonably likely to have a material adverse effect on us.

#### ***Stock Ownership Guidelines***

We currently do not require our executive officers to own a particular amount of our stock. The Compensation Committee is satisfied that stock and other equity holdings of our executive officers are sufficient at this time to provide appropriate motivation and to align the long-term interests of our executives with those of our shareholders. However, we may in the future require our executive officers to own a particular amount of our stock.

#### ***Policies Regarding Granting of Equity Awards***

We do not have any program, plan or obligation that requires the granting of stock options or other equity awards to any executive officer on specified dates, or that requires the named executive officers to hold stock options, restricted stock or RSUs beyond their vesting dates. All stock options are granted with exercise prices that are equal to the last sale price of our Class A common stock as reported on the Nasdaq Stock Market on the respective date of grant. We do not have either a policy or practice in place to grant equity awards that are timed to precede or follow the release or withholding of material nonpublic information. The Compensation Committee typically grants equity awards to executive officers at its scheduled meetings or by unanimous written consent. The Compensation Committee may authorize the future grant of an equity award to an executive officer in advance of the commencement of such officer's employment by us, in which case the Compensation Committee's approval of the award is subject to and effective on the date of hire or on the 15<sup>th</sup> day of the month that falls on or follows an executive officer's employment start date.

Our Board of Directors has authorized our Chief Executive Officer, who is also a member of our Board of Directors, to grant equity awards to certain newly hired employees and consultants, subject to certain limitations, as follows:

the awards will be granted on the 15<sup>th</sup> day of the month following an individual's employment start date;

---

**Table of Contents**

the individual cannot report directly to the Chief Executive Officer or be subject to the reporting requirements of Section 16 (a) of the Exchange Act;

the total number of shares granted under all awards to an individual during a single period may not exceed certain levels, as approved in advance by the Compensation Committee;

the total number of shares granted under all awards by the Chief Executive Officer during a calendar year may not exceed 1,000,000 shares; and

each stock option must have an exercise price equal to the closing share price on the date of grant.

***Tax and Accounting Implications***

*Tax Deductibility of Executive Compensation.* Section 162(m) of the Code ( Section 162(m) ) generally disallows an income tax deduction to publicly traded companies for compensation over \$1.0 million paid to the Chief Executive Officer or any of our other four most highly compensated executive officers, unless it qualifies as performance-based compensation, as defined in Section 162(m). Stock options granted under our equity plans will qualify as performance-based compensation and be exempt from the Section 162(m) deductibility limit provided these stock options are approved by the Compensation Committee and granted in compliance with the requirements of Section 162(m). The Compensation Committee believes that in certain circumstances factors other than tax deductibility take precedence when determining the forms and levels of executive compensation most appropriate and in the best interests of us and our shareholders. Given our changing focus, as well as the competitive market for outstanding executives, the Compensation Committee believes that it is important for it to retain the flexibility to design compensation programs consistent with our overall executive compensation program, even if some executive compensation is not fully deductible by us. Accordingly, the Compensation Committee may from time to time approve elements of compensation for certain officers that are not fully deductible, and reserves the right to do so in the future when appropriate.

*Accounting for Stock-Based Compensation.* We account for stock-based compensation in accordance with the requirements of Accounting Standards Codification Topic 718, Compensation Stock Compensation. Under the fair value provisions of this statement, stock-based compensation cost is measured at the grant date based on the fair value of the award.

***Policies on Hedging Economic Risk***

No director or officer designated by our Board of Directors as a reporting person or insider may engage in any transaction involving our securities or securities of certain companies with whom we transact business (including a stock plan transaction such as an option exercise, a gift, a loan or pledge or hedge, a contribution to a trust, or any other transfer), without first obtaining pre-clearance of the transaction from our legal department.

***Recovery of Incentive-Based Compensation***

We recognize that our compensation program will be subject to the forthcoming amendments to stock exchange listing standards required by Section 954 of the Dodd-Frank Act, which requires that stock exchange listing standards be amended to require issuers to adopt a policy providing for the recovery from any current or former executive officer of any incentive-based compensation (including stock options) awarded during the three-year period prior to an accounting restatement resulting from material noncompliance of the issuer with financial reporting requirements. We intend to adopt such a clawback policy which complies with all applicable standards when such rules become available.

- Messrs. Wolff, Ednie, Salemme, Richardson, Dozois and Jaffe are or were entitled to certain severance payments in the event their employment is or was terminated under certain circumstances as described below. Each executive officer employed by the Company is also subject to certain non-competition and non-solicitation obligations for one year following termination of employment, in addition to confidentiality and non-disparagement obligations. Also, the Company has historically paid out accrued but unused paid time off to employees upon termination of employment.
- Mr. Wolff resigned from the Company for Good Reason (as described below) effective November 19, 2014. The amounts reported for Mr. Wolff represent payments made pursuant to the terms of a Separation Agreement between the Company and Mr. Wolff (the "Wolff Separation Agreement"), including a severance payment in the amount of \$3,182,700 representing two times the sum of his annual base salary (\$795,675 as of the date of his resignation) and annual target performance bonus; reimbursed COBRA health insurance premiums in the amount of \$1,067 for 2014, \$20,146 for 2015 and \$8,394 for 2016 (which 2016 amount is estimated based on the 2015 value of such benefits); and accrued but unused paid time off in the amount of \$114,759. The vesting of certain of Mr. Wolff's equity awards was accelerated as described below.
- Mr. Ednie's severance payment is equal to 50% of his annual base salary (\$350,000 at December 31, 2014) and will be paid in the event of Mr. Ednie's involuntary termination without Cause (as described below).
- Mr. Rinn resigned from the Company effective September 30, 2014. The amount reported for Mr. Rinn represents accrued but unused paid time off as of his resignation date.
- Pursuant to an Employment Agreement between the Company and Mr. Salemme (the "Salemme Agreement"), in 2014 Mr. Salemme was entitled to certain payments if his employment had been involuntarily terminated by the Company without Cause, he resigned for Good Reason, or in the event of his Disability (as such terms are described below). If any of these events had occurred, Mr. Salemme would have been entitled to a severance payment equal to his annual base salary (\$424,360 at December 31, 2014) plus 100% of his annual performance bonus, together with accelerated vesting of certain equity awards as described below. In February 2015, the Salemme Agreement was superseded by a retention letter agreement as described below.
- Mr. Richardson's severance payment is equal to 50% of his annual base salary (\$346,080 at December 31, 2014) and will be paid if the Company elects to enforce the noncompetition provisions of the Employee Intellectual Property Agreement between the Company and Mr. Richardson in the event of Mr. Richardson's involuntary termination for any reason other than for Cause (as described below).

**Table of Contents**

- (7) Mr. Dozois' severance payment is equal to his annual base salary (\$280,675 at December 31, 2014) and will be paid in the event of the involuntary termination of his employment other than for Cause or his resignation for Good Reason (as such terms are described below).
- (8) Mr. Jaffe's employment was terminated without Cause (as described below) effective April 18, 2014. The amounts reported for Mr. Jaffe represent payments made in connection with the termination of Mr. Jaffe's employment and pursuant to the terms of a Severance and Release Agreement between the Company and Mr. Jaffe (the "Jaffe Severance Agreement"), including a severance payment equal to his annual base salary (\$350,000 as of the date of his resignation) and accrued but unused paid time off in the amount of \$10,121.

***Change in Control***

All equity awards granted to our named executive officers and non-executive employees under the 2000 Plan provide for 100% vesting acceleration in the event the Company is subject to a change in control and the equity obligation is not assumed, continued or substituted by the acquiring company. Under the 2012 Plan, the vesting of an equity award may accelerate upon a change of control only if acceleration is contemplated by the agreement evidencing an award. The vesting of an equity award granted pursuant to the 2012 Plan may also be accelerated in the event of certain corporate transactions, including certain sales or dispositions of assets or securities, mergers, consolidations or similar transactions unless otherwise provided in the agreement evidencing an equity award or any other written agreement between the Company and the holder of such equity award, or unless otherwise expressly provided by the plan administrator of the 2012 Plan at the time an equity award is granted.

***Termination***

Messrs. Wolff, Ednie, Salemme, Richardson, Dozois and Jaffe are the named executive officers who have severance provisions in their employment letters that have been, or may be, triggered upon termination of employment, as described below.

*Benjamin G. Wolff.* On November 19, 2014, Mr. Wolff resigned from his position as President and Chief Executive Officer. The Compensation Committee determined that Mr. Wolff's resignation was for "Good Reason" (as described below) in light of the changes to his role and reporting structure following Mr. McCaw's appointment as Executive Chairman in November 2014. Pursuant to the Wolff Separation Agreement, and consistent with the terms of Mr. Wolff's employment letter that was negotiated at the time of his hiring, Mr. Wolff received (i) a lump sum severance payment of \$3,182,700, which was two times the sum of Mr. Wolff's annual salary \$795,675 as of November 19, 2014) and target bonus; (ii) a lump sum payment of \$114,759, representing Mr. Wolff's accrued and unused paid time off; (iii) payment by the Company of COBRA costs for Mr. Wolff and his covered dependents so long as he elects and remains eligible for COBRA, up to a maximum of two years; and (iv) vesting of all options, shares of restricted stock and RSUs in which he would have vested had he remained actively employed by the Company through November 19, 2016, excluding any unvested performance-based restricted shares or performance-based RSUs. The Wolff Separation Agreement also provided for (a) an extension of the exercise period for Mr. Wolff's vested stock options until December 15, 2015; (b) the Company's commitment to defend, indemnify and reimburse Mr. Wolff for costs, taxes or other payments for which the Company is already obligated under his employment letter agreement; and (c) for payment of a performance bonus for Mr. Wolff's contributions to the Company's achievement of its 2014 objectives, determined in a manner consistent with the determination of performance bonuses awarded to the Company's highest performing 2014 executives, pro-rated for the period during which he was employed in 2014. In 2014, the Company recognized (i) \$2,073,495 of incremental expense in connection with the acceleration of vesting of certain equity awards upon Mr. Wolff's resignation, and (ii) \$715,872 of incremental expense in connection with the extension of the exercise period of Mr. Wolff's vested stock options. Mr. Wolff provided us with a waiver and release of all claims and agreed to adhere to all post-employment obligations under our standard form of employee inventions agreement.

**Table of Contents**

*Steven A. Ednie.* Mr. Ednie's employment is at will, and he is subject to termination with or without Cause (as described below). However, if we terminate Mr. Ednie's employment without Cause, upon a release of claims provided by Mr. Ednie, he is entitled to payment of an amount equal to 50% of his annual base salary then in effect (which was \$350,000 at December 31, 2014).

*R. Gerard Salemmé.* Effective February 15, 2015, Mr. Salemmé completed his service as our Executive Vice President and Chief Strategy Officer and became a non-employee consultant to the Company. He also continues to serve as a member of our Board of Directors. The Company and Mr. Salemmé entered into a retention agreement (the "Retention Agreement") that describes the terms of Mr. Salemmé's employment termination and his consulting relationship, and which supersedes the Salemmé Agreement. Under the Retention Agreement, Mr. Salemmé (i) is paid a monthly consulting fee of \$20,000, (ii) received a lump sum payment of \$455,000 as consideration for relinquishment of any termination benefits contemplated by the Salemmé Agreement, (iii) retained and continues to vest in his outstanding equity awards through the first anniversary of the termination of the Retention Agreement, and (iv) will receive an additional future lump sum payment of \$455,000 if the Company terminates the Retention Agreement without Cause, or if Mr. Salemmé terminates the Retention Agreement for Good Reason (as such terms are described below).

*Scott G. Richardson.* Mr. Richardson's employment is at will, and he is subject to termination with or without Cause (as described below). If we terminate Mr. Richardson's employment for any reason other than for Cause, and the Company elects to enforce the noncompetition provisions contained in the Employee Intellectual Property Agreement between the Company and Mr. Richardson, Mr. Richardson is entitled to payment of an amount equal to 50% of his annual base salary then in effect (which was \$346,080 at December 31, 2014).

*Timothy M. Dozois.* Mr. Dozois's employment is at will, and he is subject to termination with or without Cause. If we terminate Mr. Dozois's employment without Cause, or if he resigns from the Company for Good Reason (as such terms are described below), upon a release of claims provided by Mr. Dozois, he is entitled to payment of an amount equal to his annual base salary then in effect (which was \$280,675 at December 31, 2014).

*Robert S. Jaffe.* Mr. Jaffe's employment terminated effective April 18, 2014, and pursuant to the Jaffe Severance Agreement, he received a lump sum severance payment equal to his annual base salary of \$350,000. Mr. Jaffe also received a lump sum payment of \$10,121 representing Mr. Jaffe's accrued and unused paid time off.

For purposes of the arrangements described above, "Cause" means dismissal from employment due to willful material misconduct or failure to effectively discharge duties, conviction or confession of a crime punishable by law (except minor violations), the performance of an illegal act while purporting to act in the Company's behalf, or engaging in activities directly in competition or antithetical to the best interests of the Company. "Good Reason" means, without an employee's consent, (i) a material adverse change in duties, responsibilities or reporting relationships, (ii) a relocation of an employee's usual office location to one that is more than 40 miles away from the employee's current office and that increases the distance from an employee's usual office location to his or her residence, not undertaken at the employee's direction or with the employee's agreement, (iii) a reduction of salary not agreed to by an employee, or a material diminution of certain other employee benefits, or (iv) a material breach by Pendrell of other obligations under the employment letter agreement between Pendrell and an employee, subject to certain notice requirements. "Disability" means a medically diagnosed physical or mental impairment that renders an employee incapable of performing the duties required in connection with employment for a period of time that is reasonably expected to exceed eight weeks.

**PROPOSAL 3**

**APPROVAL OF AMENDMENT TO ARTICLES OF INCORPORATION**

**DESIGNATING WASHINGTON AS THE EXCLUSIVE FORUM FOR**

**ADJUDICATING CERTAIN INTRA-CORPORATE DISPUTES**

We are proposing an amendment to our Articles of Incorporation (the Amendment) to designate courts in King County, Washington as the exclusive forum for certain intra-corporate disputes. The designation will apply to any derivative action brought on behalf of the Company, and any direct action brought by a shareholder asserting (i) a breach of fiduciary duty owed by a director, officer or other employee to the Company or its shareholders, (ii) a violation of the Washington Business Corporation Act, or (iii) a violation of Washington common law relating to the internal affairs of the Company.

The Amendment is not being proposed in response to any specific actual or threatened litigation, or in connection with any actual or potential transaction. Rather, our Nominating and Governance Committee recommended the Amendment because the Committee believes it prudent to proactively address potential future costs that may arise from defending intra-corporate claims in multiple jurisdictions. The Committee determined that the Amendment is in the best interest of the Company and its shareholders because, among other things, it avoids lawsuits in other jurisdictions on matters relating to the corporate law of Washington, our state of incorporation. By ensuring that these disputes are heard in a Washington court, the Company and its shareholders benefit from expedited case resolution by knowledgeable judges, elude duplicative litigation, mitigate the risk that Washington law will be misapplied by a court in another jurisdiction, and avoid inconsistent outcomes that result when two similar cases proceed in different courts.

The Amendment will only regulate the forum where our shareholders may file intra-corporate claims. It does not restrict the ability of our shareholders to bring such claims, nor the remedies available if such claims are ultimately successful. While we believe courts in other jurisdictions will enforce the Amendment, we cannot guarantee that those courts will transfer intra-corporate claims to the designated Washington courts.

If approved by our shareholders, the Amendment will become effective on or around June 17, 2015, after which our Board will make conforming amendments to the Company's Bylaws.

This description is qualified in its entirety by reference to the text of the Amendment, which is attached to this proxy statement as *Appendix A*.

**PROPOSAL 4**

**RATIFICATION OF PENDRELL CORPORATION TAX BENEFITS PRESERVATION PLAN**

**Ratification of Tax Benefits Preservation Plan**

At the Annual Meeting, we are asking our shareholders to ratify Pendrell's Tax Benefits Preservation Plan (the "Tax Benefits Plan"), which is an integral component of our tax benefit preservation strategy. The description below is qualified in its entirety by reference to the text of the Tax Benefits Plan, which can be found in *Appendix B* to this proxy statement.

***Our NOLs***

We hold approximately \$2.5 billion of net operating losses for U.S. federal income tax purposes (the "NOLs"). Until the NOLs expire, the NOLs can generally be used to offset future federal income and thereby reduce our federal income tax liability. The Board believes it important to prevent loss of, or limitations on, the use of the NOLs. Our Board therefore recommends that our shareholders ratify our Tax Benefits Plan.

***Fundamentals of Section 382***

Our ability to use the NOLs to offset future federal income will be substantially limited if we undergo an ownership change as defined under Section 382 (Section 382) of the Internal Revenue Code of 1986, as amended (the "Code"). An ownership change will occur if existing or future shareholders owning (or deemed under Section 382 to own) 5% or more of Pendrell's securities by value increase their collective ownership of Pendrell by more than 50 percentage points over a three-year period. The Tax Benefits Plan is designed to assist in the prevention of an ownership change.

***General Description of the Tax Benefits Plan***

The Tax Benefits Plan economically discourages a person or group of affiliated or associated persons (an "Acquiring Person") from acquiring, without the approval of the Company's Board of Directors, beneficial ownership of 4.9% or more of the Company Stock, defined to include (i) shares of the Company's Class A and Class B common stock, (ii) shares of preferred stock of Pendrell (other than preferred stock described in Section 1504(a)(4) of the Code), (iii) warrants, rights, or options (including options within the meaning of Treasury Regulation § 1.382-2T(h)(4)(v)) to purchase stock of Pendrell, and (iv) any interest that would be treated as "stock" of the Company for purposes of Section 382 and Treasury Regulation § 1.382-2T(f)(18). Holders of 4.9% or more of the Company Stock outstanding as of the close of business on January 29, 2010 will not trigger the Tax Benefits Plan so long as they do not (i) acquire additional Company Stock constituting one-half of one percent (0.5%) or more of the Company Stock outstanding as of the date of the Tax Benefits Plan (as adjusted for stock splits, subdivisions and the like, as well as other exceptions detailed in the Tax Benefits Plan), or (ii) fall under 4.9% ownership of Company Stock and then re-acquire 4.9% or more of the Company Stock.

***Exemptions from the Tax Benefits Plan***

The Board may, in its sole discretion, exempt any person or group from being deemed an Acquiring Person for purposes of the Tax Benefits Plan and may exempt any transaction from the provisions of the Tax Benefits Plan. The Board has granted exemptions from the Tax Benefits Plan in the past when the Board determined that actual or potential stock acquisitions would not trigger or be a precursor to an ownership change.

***How the Tax Benefits Plan Works***

The Tax Benefits Plan economically discourages Acquiring Persons from exceeding acquisition limits by granting certain "Rights" to shareholders. The Rights provide favorable preferred stock purchase privileges if an

---

## **Table of Contents**

Acquiring Person exceeds the acquisition limits and, if triggered, dilute the Acquiring Person's economic ownership of the Company and thereby diminish the value of the Acquiring Person's shares. The Rights and their dilutive impact are described in more detail below.

*The Rights.* On January 29, 2010, the Board authorized and declared a dividend of one Right for each outstanding share of Company Stock, and for each share of Company Stock issued by Pendrell thereafter. Each Right, unless held by an Acquiring Person who did not receive Board permission to exceed the Tax Benefits Plan acquisition limits, entitles the holder to purchase from the Company junior participating preferred stock for a favorable price. Rights that are beneficially owned by an Acquiring Person or any affiliate or associate of the Acquiring Person and certain transferees of the Acquiring Person are null and void, and cannot be used to purchase the favorably-priced junior participating preferred stock.

*Triggering Event.* The Tax Benefits Plan is triggered upon the earlier to occur of (i) ten business days following a public announcement that an Acquiring Person has acquired or otherwise obtained beneficial ownership of 4.9% or more of the then-outstanding Company Stock, or such earlier date as the Board of Directors shall determine that a person or group has become an Acquiring Person, and (ii) ten business days (or such later date as may be determined by action of the Board of Directors) following the commencement of a tender offer or exchange offer that would result in a person or group becoming an Acquiring Person. The Rights are not exercisable until a triggering event, and even thereafter may be suspended by action of the Board.

*Redemption.* If the Board determines that the Rights are no longer needed to inhibit Acquiring Persons from acquiring Company Stock, the Board may cause the Company to redeem the Rights for a nominal redemption price. The redemption can occur any time prior to a Tax Benefits Plan triggering event and, in certain situations, even after a triggering event. Upon the Board's order ordering to redeem the Rights, the Rights will terminate and a holder's only entitlement will be to receive the nominal redemption price.

*Exchange.* Under certain circumstances, the Company may also compel holders of Rights to exchange all or some of their Rights for shares of common stock. Similar to a redemption, upon the Board's order ordering to exchange the Rights, the Rights will terminate and a holder's only entitlement will be to receive the common stock for which the Rights are exchanged.

*Expiration.* The Rights will expire on the earliest of (i) January 29, 2020, which is the tenth (10th) anniversary of the Tax Benefits Plan, (ii) the time at which the Rights are redeemed or exchanged, and (iii) the repeal of Section 382 of the Internal Revenue Code or any successor statute if the Board determines that the Tax Benefits Plan is no longer necessary for the preservation of NOLs.

*No Shareholder Rights; Taxation.* Until a Right is exercised, the holder of the Right will have no rights as a shareholder of the Company, including, without limitation, the right to vote or to receive dividends. The distribution of the Rights was not taxable to shareholders or to the Company, but shareholders may, depending upon the circumstances, recognize taxable income if the Rights become exercisable for junior participating preferred stock or in the event of the redemption or exchange of Rights as described above.

*Amendment.* Prior to a triggering event, the Board may amend any of the provisions of the Tax Benefits Plan without the approval of the holders of the Rights or Company Common Stock. After a triggering event, the Board may only amend the Tax Benefits Plan to cure any ambiguity, defect or inconsistency, to shorten or lengthen any time period, or to make changes which do not adversely affect the holders of Rights (excluding the interests of any Acquiring Person).

### ***Caveat***

The Board believes that the Tax Benefits Plan has been, and will continue to be, an effective deterrent against Acquiring Persons triggering an ownership change under Section 382 of the Internal Revenue Code.

**Table of Contents**

However, the Tax Benefits Plan is merely an economic restraint on excessive acquisition. It does not prohibit trading in Company Stock, and Acquiring Persons may therefore choose to disregard the Tax Benefits Plan and suffer the economic consequences. Moreover, Acquiring Persons might challenge the enforceability of the Tax Benefits Plan. In short, the Tax Benefits Plan does not assure that an ownership change under Section 382 will not occur or that the Company will be able to utilize its tax benefits. Notwithstanding these risks, the Board strongly recommends that the shareholders ratify and affirm the Tax Benefits Plan.

of the Tax Benefits Preservation Plan.**

**PROPOSAL 5**

**RATIFICATION OF THE SELECTION OF OUR**

**INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The Audit Committee of the Board of Directors has selected the independent registered public accounting firm of Grant Thornton LLP as our independent auditor for the fiscal year ending December 31, 2015, and has further directed that management submit the selection of the independent auditor for ratification by the shareholders at the Annual Meeting. Grant Thornton LLP audited our financial statements for the year ending December 31, 2014. We expect representatives of Grant Thornton LLP to be available at the Annual Meeting to make a statement if they so desire and to be available to respond to appropriate questions.

Neither our Bylaws nor other governing documents or law require shareholder ratification of the selection of Grant Thornton LLP as our independent auditor. However, we are submitting the selection of Grant Thornton LLP to our shareholders for ratification as a matter of good corporate practice. If our shareholders fail to ratify the selection, the Audit Committee will reconsider whether or not to retain that firm. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of a different independent auditor at any time during the year if it determines that such a change would be in the best interests of us and our shareholders.

**Changes in Pendrell's Independent Registered Public Accounting Firm**

On May 28, 2014, we dismissed Deloitte & Touche LLP as our independent registered public accounting firm and engaged Grant Thornton LLP as our new independent registered public accounting firm. The Audit Committee made the decision to dismiss Deloitte & Touche LLP and engage Grant Thornton LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2014.

The reports of Deloitte & Touche LLP on the consolidated financial statements of the Company as of and for the years ended December 31, 2013 and 2012 did not contain an adverse opinion or a disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope, or accounting principles.

During the Company's two most recent fiscal years and any subsequent interim period through May 28, 2014, the Company did not have any disagreement with Deloitte & Touche LLP on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure which, if not resolved to the satisfaction of Deloitte & Touche LLP, would have caused it to make reference to the subject matter of any such disagreement in connection with its report.

During the Company's two most recent fiscal years and any subsequent interim period through May 28, 2014, no reportable events as defined in Item 304(a)(1)(v) of Regulation S-K have occurred.

We previously reported this information in our Current Report on Form 8-K filed May 30, 2014.

**Pre-Approval Policies and Procedures**

The Audit Committee charter permits the Audit Committee to delegate pre-approval authority to subcommittees consisting of one or more individuals, as well as to pre-approve defined categories of services. However, the Audit Committee has not done so, but has instead pre-approved all audit and non-audit services rendered by Grant Thornton LLP and Deloitte & Touche LLP as part of the scope of the independent auditor engagement or on a case-by-case basis prior to engagement for service. All of the services provided by Grant Thornton LLP and Deloitte & Touche LLP in 2013 and 2014, as described under Audit Fees above, were pre-approved by the Audit Committee.

**Report of the Audit Committee**

The Audit Committee has reviewed and discussed the audited consolidated financial statements for the fiscal year ended December 31, 2014 with management of the Company. The Audit Committee has discussed with the independent registered public accounting firm the matters required to be discussed by the Public Company Accounting Oversight Board (United States) ( PCAOB ) Audit Standard AU Section 380 Communication with Audit Committees and Rule 2-07 of SEC Regulation S-X. The Audit Committee has also received the written disclosures and the letter from the independent registered public accounting firm required by the applicable requirements of the PCAOB regarding the independent registered public accounting firm's communications with the Audit Committee concerning independence and has discussed with the independent registered public accounting firm their independence. Based on the foregoing, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Form 10-K for the fiscal year ended December 31, 2014.

(E) any Person whose Beneficial Ownership (together with the Beneficial Ownership of all Affiliates and Associates of such Person) of 4.9% or more of the then-outstanding Company Stock does not or would not jeopardize or endanger the availability to the Company of its Tax Benefits or otherwise is or would be in the best interests of the Company and its stockholders, in either case as determined by the Board of Directors in its sole discretion; provided, however, that a Person shall cease to be an Exempt Person (as defined below) pursuant to this subclause (E) if the Board of Directors, in its sole discretion, makes a contrary determination with respect to the effect of such Person's Beneficial Ownership (together with all Affiliates and Associates of such Person) with respect to the availability to the Company of its Tax Benefits; and provided, further, that a Person shall cease to be an Exempt Person pursuant to this subclause (E) as of the date that such Person (together with all Affiliates and Associates of such Person) ceases to beneficially own 4.9% or more of the then-outstanding Company Stock; and

(ii) no Person shall be deemed an Acquiring Person as a result of (1) the acquisition of Company Stock by the Company which, by reducing the amount of Company Stock outstanding, increases the proportional amount beneficially owned by such Person; provided, however, that if (x) a Person would become an Acquiring Person (but for the operation of this subclause (ii)) as a result of the acquisition of Company Stock by the Company, and (y) after such acquisition of Company Stock by the Company, such Person becomes the Beneficial Owner of additional Company Stock constituting one-half of one percent (0.5%) or more of the Company Stock outstanding as of the date hereof (adjusted for any stock splits, subdivisions and the like) (other than as a result of acquisitions after the date hereof pursuant to (a) the grant or exercise of any options, warrants, rights or similar interests (including restricted stock) granted by the Company to such Person, (b) a dividend or distribution paid or made by the Company on the outstanding shares of Company Common Stock, (c) a split or subdivision of the Company Common Stock, or (d) any Exempt Transaction), then such Person shall be deemed an Acquiring Person unless, upon becoming the Beneficial Owner of such additional Company Stock, such Person is the Beneficial Owner of less than 4.9% of the then-outstanding Company Stock, (2) the grant or exercise of any options, warrants, rights or similar interests (including restricted stock) granted by the Company to such Person, (3) any grant of any security made directly by the Company to such Person, or (4) any Exempt Transaction, unless and until after such acquisition of shares of Company Stock pursuant to each of clauses (2) through (4), such Person becomes the Beneficial Owner of additional Company Stock constituting one-half of one percent (0.5%) or more of the Company Stock outstanding as of the date hereof (adjusted for any stock splits, subdivisions and the like) (other

Notwithstanding the foregoing, the Board of Directors may, in its sole discretion, determine at any time that any Person shall not be deemed to be, and shall not be, an Acquiring Person for any purposes of this Plan, and no Person shall be an Acquiring Person unless the Board of Directors shall have affirmatively determined, in its sole discretion, within ten Business Days (or such later time as the Board of Directors shall determine) after any director has actual knowledge that such Person has otherwise met the requirements of this Section 1(a), that such Person shall be an Acquiring Person.

Each Person identified in subclauses (A), (B), (C), (D), (E) and (F) or in the immediately preceding sentence of this Section 1(a) is individually an Exempt Person and collectively Exempt Persons.

(b) Affiliate and Associate shall have the respective meanings ascribed to such terms in Rule 12b-2 of the General Rules and Regulations under the Securities Exchange Act of 1934, as amended (the Exchange Act), as in effect on the date hereof, and, to the extent not included within the foregoing clause of this Section 1(b), shall also include, with respect to any Person, any other Person (whether or not an Exempt Person) whose Company Stock would be deemed constructively owned by such first Person, owned by a single entity as defined in Section 1.382-3(a)(1) of the Treasury Regulations, or otherwise aggregated with Company Stock owned by such first Person pursuant to the provisions of the Code and the Treasury Regulations thereunder, provided, however, that a Person shall not be deemed to be the Affiliate or Associate of another Person solely because either or both Persons are or were directors of the Company.

(c) A Person shall be deemed the Beneficial Owner of, and shall be deemed to have Beneficial Ownership of and to beneficially own, any securities or interests:

(i) which such Person or any of such Person's Affiliates or Associates, directly or indirectly, has the right to acquire (whether such right is exercisable immediately or only after the passage of time) pursuant to any agreement, arrangement or understanding (whether or not in writing) or upon the exercise of conversion rights, exchange rights, warrants, options, or other rights (in each case, other than upon exercise or exchange of the Rights); provided, however, that a Person shall not be deemed the Beneficial Owner of, to have Beneficial Ownership of or to beneficially own securities or interests (including rights, options or warrants) which are convertible or exchangeable into Company Stock until such time as the convertible or exchangeable securities or interests are exercised and converted or exchanged into Company Stock except to the extent the acquisition or transfer of such rights, options or warrants would be treated as exercised on the date of its acquisition or transfer under Section 1.382-4(d) of the Treasury Regulations; provided, further, that under this paragraph (c)(i) a Person shall not be deemed the Beneficial Owner of, to have Beneficial Ownership of, or to beneficially own, any securities tendered pursuant to a tender or exchange offer made in accordance with Exchange Act Regulations by such Person or any of such Person's Affiliates or Associates until such tendered securities are accepted for purchase or exchange;

(ii) which such Person or any of such Person's Affiliates or Associates, directly or indirectly, has the right to vote or dispose of or has beneficial ownership of under Rule 13d-3 of the General Rules and Regulations under the Exchange Act (the Exchange Act Regulations) as in effect on the date hereof, including pursuant to any agreement, arrangement or understanding (whether or not in writing), but only if the effect of such agreement, arrangement or understanding is to treat such Persons as an entity under Section 1.382-3(a)(1) of the Treasury Regulations; or

(iii) which are beneficially owned, directly or indirectly, by any other Person (or any Affiliate or Associate of such other Person) with which such Person (or any of such Person's Affiliates or Associates) has any agreement, arrangement or understanding (whether or not in writing), for the purpose of acquiring, holding, voting or disposing of such securities or interests, but only if the effect of such agreement, arrangement or understanding is to treat such Persons as an entity under Section 1.382-3(a)(1) of the Treasury Regulations; provided, however, that a Person shall not be deemed the Beneficial Owner of, to have Beneficial Ownership of or to beneficially own any security or interest (A) if such Person has the right to vote such security pursuant to an agreement, arrangement or understanding (whether or not in writing) which (1) arises solely from a revocable proxy given to such Person in response to a public proxy or consent solicitation made pursuant to, and in accordance with, the applicable rules and regulations of the Exchange Act and (2) would not also then be reportable on Schedule 13D under the Exchange Act (or any comparable or successor report), or (B) if such beneficial ownership arises solely as a result of such Person's status as a clearing agency, as defined in Section 3(a)(23) of the Exchange Act; further provided, however, that nothing in this paragraph (c)(iii) shall cause a Person engaged in business as an underwriter of securities to be the Beneficial Owner of, to have Beneficial Ownership of, or to beneficially own, any securities acquired through such Person's participation in good faith in a firm commitment underwriting until the expiration of forty days after, but not including, the date of such acquisition or such later date as the Board of Directors may determine.

provided, however, that under this paragraph (c) a Person shall not be deemed the Beneficial Owner of, to have Beneficial Ownership of, or to beneficially own, any securities

(A) that may be issued upon exercise of Rights at any time prior to the occurrence of a Section 11(a)(ii) Event, or

(B) that may be issued upon exercise of Rights from and after the occurrence of a Section 11(a)(ii) Event, which Rights were acquired by such Person or any of such Person's Affiliates or Associates prior to the Distribution Date or pursuant to Section 3(c) or Section 22 hereof (the Original Rights) or pursuant to Section 11(i) hereof in connection with an adjustment made with respect to any Original Rights; and

further provided, however, that:

(x) no decision reached, or action taken, by the Board of Directors or any committee thereof shall cause any Person (or any Affiliate or Associate of such Person) who is a member of the Board of Directors or such committee to be deemed, for the purposes of this Plan, to be a Beneficial Owner of any securities beneficially owned by any other Person (or any Affiliate or Associate of such Person) who is a member of the Board of Directors or any committee thereof solely by reason of such membership of the Board of Directors or any committee thereof or participation in the decisions or actions thereof on the part of either or both of such Persons, and

(y) no Person who is an officer, director or employee of an Exempt Person shall be deemed, solely by reason of such Person's status or authority as such, to be the Beneficial Owner of, to have Beneficial Ownership of, or to beneficially own any securities that are beneficially owned (as defined in this paragraph (c)), including, without limitation, in a fiduciary capacity, by an Exempt Person or by any other such officer, director or employee of an Exempt Person.

Notwithstanding anything herein to the contrary, to the extent not within the foregoing provisions of this Section 1(c), a Person shall be deemed the Beneficial Owner of and shall be deemed to beneficially own or have beneficial ownership of, securities and any other interest in Company Stock which such Person would be deemed to constructively own or which otherwise would be aggregated with Company Stock owned by such Person pursuant to Section 382 of the Code and the Treasury Regulations thereunder.

Section 3. Issuance of Rights Certificates.

(a) Until the earlier of (i) the Close of Business on the tenth Business Day after the Stock Acquisition Date (or, if the tenth Business Day after the Stock Acquisition Date occurs before the Record Date, the Close of Business on the Record Date), and (ii) the Close of Business on the tenth Business Day (or such later date as may be determined by action of the Board of Directors) after the date that a tender or exchange offer by any Person (other than an Exempt Person) is first published or sent or given within the meaning of Rule 14d-4(a) of the Exchange Act Regulations or any successor rule, if upon consummation thereof such Person would be an Acquiring Person (including, in the case of both clause (i) and (ii), any such date which is after the date of this Plan and prior to the issuance of the Rights) (the earlier of (i) and (ii) above being the Distribution Date ):

(x) the Rights will be evidenced (subject to the provisions of paragraph (b) of this Section 3) by the certificates for shares of Company Common Stock registered in the names of the holders of shares of Company Common Stock as of and subsequent to the Record Date (which certificates for shares of Company Common Stock shall be deemed also to be certificates for Rights) and not by separate certificates,

(y) the registered holders of shares of Company Common Stock shall also be the registered holders of the Rights issued with respect thereto, and

(z) the Rights will be transferable by, and only in connection with, the transfer of the underlying shares of Company Common Stock including a transfer to the Company;

provided, however, that if a tender or exchange offer is terminated prior to the occurrence of a Distribution Date, then no Distribution Date shall occur as a result of such tender or exchange offer. As soon as practicable after the Distribution Date, the Company will prepare and execute, the Rights Agent will countersign, and the Company will send or cause to be sent (and the Rights Agent will, if requested and provided with all necessary information, send) by first-class, insured, postage prepaid mail, (i) to each record holder of shares of Class A Common Stock as of the Close of Business on the Distribution Date, at the address of such holder shown on the records of the Company or the transfer agent or registrar for the Company Common Stock, one or more Class A rights certificates, in substantially the form of **Exhibit A** hereto (the Class A Rights Certificates ), evidencing one Class A Right for each share of Class A Common Stock so held, subject to adjustment as provided herein, and (ii) to each record holder of shares of Class B Common Stock as of the Close of Business on the Distribution Date, at the address of such holder shown on the records of the Company or the transfer agent or registrar for the Company Common Stock, one or more Class B rights certificates, in substantially the form of **Exhibit B** hereto (the Class B Rights Certificates and together with the Class A Rights Certificates, the Rights Certificates ), evidencing one Class B Right for each share of Class B Common Stock so held, subject to adjustment as provided herein.

The Company shall promptly notify the Rights Agent in writing upon the occurrence of the Distribution Date and, if such notification is given orally, the Company shall confirm same in writing on or prior to the Business Day next following. Until such notice is received by the Rights Agent, the Rights Agent may presume conclusively for all purposes that the Distribution Date has not occurred.

In the event that an adjustment in the number of Rights per share of Company Common Stock has been made pursuant to Section 11(o) hereof, at the time of distribution of the Rights Certificates, the Company may make the necessary and appropriate rounding adjustments (in accordance with Section 14(a) hereof) so that Rights Certificates representing only whole numbers of Rights are distributed and cash is paid in lieu of any fractional Rights. As of and after the Distribution Date, the Rights will be evidenced solely by such Rights Certificates.

(b) As promptly as practicable following the Record Date, the Company will mail or otherwise make available a copy of a Summary of Rights to Purchase Preferred Stock, in substantially the form attached hereto as

**Exhibit C** (the Summary of Rights ), to each record holder of shares of Company Common Stock as of the Close of Business on the Record Date. With respect to certificates for Company Common Stock outstanding as of the Record Date or issued subsequent to the Record Date but prior to the earlier of the Distribution Date and the Expiration Date, until the Distribution Date the Rights will be evidenced by such certificates registered in the names of the holders thereof. Until the Distribution Date (or, if earlier, the Expiration Date), the surrender for transfer of any such certificate for Company Common Stock outstanding as of the Record Date shall also constitute the transfer of the Rights associated with the Company Common Stock represented thereby.

(c) Rights shall, without any further action, be issued in respect of all shares of Company Common Stock which are issued (including any shares of Company Common Stock held in treasury) after the Record Date but prior to the earlier of the Distribution Date and the Expiration Date. In addition, Rights shall be issued with respect to all shares of Company Common Stock described in the second sentence of Section 22 hereof, subject to the provisions thereof. Certificates representing such shares of Company Common Stock issued after the Record Date shall bear a legend in substantially the following form:

Under certain circumstances, as set forth in the Tax Benefits Plan, such Rights will be evidenced by separate certificates and will no longer be evidenced by this certificate. The Company will mail to the holder of this certificate a copy of the Tax Benefits Plan, as in effect on the date of mailing, without charge promptly after receipt of a written request therefor. UNDER CERTAIN CIRCUMSTANCES SET FORTH IN THE TAX BENEFITS PLAN, RIGHTS ISSUED TO, OR HELD BY, ANY PERSON WHO IS, WAS OR BECOMES AN ACQUIRING PERSON OR ANY AFFILIATE OR ASSOCIATE THEREOF (AS SUCH TERMS ARE DEFINED IN THE TAX BENEFITS PLAN), WHETHER CURRENTLY HELD BY OR ON BEHALF OF SUCH PERSON OR BY ANY SUBSEQUENT HOLDER, MAY BECOME NULL AND VOID.

With respect to certificates representing shares of Company Common Stock that bear the foregoing legend, until the earlier of the Distribution Date and the Expiration Date, the Rights associated with the shares of Company Common Stock represented by such certificates shall be evidenced by such certificates alone and registered holders of the shares of Company Common Stock shall also be the registered holders of the associated Rights, and the transfer of any of such certificates shall also constitute the transfer of the Rights associated with the shares of Company Common Stock represented by such certificates.

(d) In the event that the Company purchases or acquires any shares of Company Common Stock after the Record Date but prior to the Distribution Date, any Rights associated with such shares of Company Common Stock shall be deemed canceled and returned so that the Company shall not be entitled to exercise any Rights associated with the shares of Company Common Stock that are no longer outstanding.

(e) Notwithstanding anything to the contrary contained herein, shares of Company Common Stock and Rights (and any securities issuable on their exercise) may be issued and transferred by book-entry and not represented by physical certificates. Where shares of Company Common Stock and Rights (and any securities issuable on their exercise) are held in uncertificated form, the Company and the Rights Agent shall cooperate in all respects to give effect to the intent of the provisions contained herein. Without limiting the foregoing, with respect to Company Common Stock evidenced solely by book-entry (and not represented by physical certificates), (i) until the Distribution Date, the Rights associated therewith will be evidenced by the balances indicated in the book-entry account system of the transfer agent for the Company Common Stock and not by separate Rights Certificates, (ii) until the earlier of the Distribution Date or the Expiration Date, the transfer of shares of Company Common Stock evidenced solely by book-entry shall also constitute the transfer of Rights associated with such shares of Company Common Stock, and (iii) confirmation and account statements sent to
