INFORMATION REQUIRED IN THE SECTION 10(a) PROSPECTUS

PCTEL, Inc. (we or the Company) Registration Statement on Form S-8/S-3 as filed with the Commission on April 17, 2000 (File No. 333-34910), Registration Statement on Form S-8 as filed with the Commission on May 30, 2001 (File No. 333-61926), Registration Statement on Form S-8 as filed with the Commission on February 4, 2002 (File No. 333-82120), Registration Statement on Form S-8 as filed with the Commission on February 14, 2003 (File No. 333-103233), Registration Statement on Form S-8 as filed with the Commission on February 9, 2004 (File No. 333-112621), Registration Statement on Form S-8 as filed with the Commission on January 18, 2005 (File No. 333-122117), Registration Statement on Form S-8 as filed with the Commission on January 13, 2006 (File No. 333-131020), Registration Statement on Form S-8 as filed with the Commission on July 3, 2006 (File No. 333-135586), and Registration Statement on Form S-8 as filed with the Commission on July 20, 2010 (File No. 333-168222), collectively referred to as the Prior Form S-8s, are incorporated herein by reference. Unless otherwise specified, capitalized terms herein shall have the meanings ascribed to them in the Prior Form S-8s.

On June 10, 2015, our stockholders approved the amendment and restatement of the PCTEL, Inc. Stock Plan (previously known as the 1997 Stock Plan) (the Stock Plan) to, among other things, increase the number of shares of common stock authorized for issuance under the Stock Plan. As amended and restated, the Stock Plan provides that the maximum aggregate number of shares with respect to which awards may be made under the Stock Plan after the effective date of the amendment and restatement is the sum of (i) 3,573,981 shares, plus (ii) any shares returned (or that would have otherwise been returned) to the Stock Plan on or after the date of approval of the amendment and restatement of the Stock Plan as a result of the Stock Plan's lapsed share and share counting provisions, plus (iii) any remaining shares that would have been available for grant under the Stock Plan as of the effective date of the amendment and restatement.

At the time of the approval of the amendment and restatement of the Stock Plan by our stockholders, there were 2,058,769 shares of the Registrant's Common Stock that had been previously registered under the Prior Form S-8s and that were available for issuance under the Stock Plan. In addition, under the Stock Plan there were an aggregate of 316,740 unvested restricted shares outstanding and outstanding options to purchase 1,437,661 shares. Substantially all of the shares that remained available for grants under the Stock Plan had already been committed to awards under various incentive programs. Accordingly, we requested, and obtained, the approval of our stockholders to increase the number of shares available to enable PCTEL to continue making planned awards in 2015 and subsequent years.

Under the Prior Form S-8s, we previously registered an aggregate of 12,587,663 shares of Common Stock for issuance under the Stock Plan. We are now registering an additional 3,573,981 shares (the increase approved by our stockholders on June 10, 2015) of our Common Stock under this Registration Statement, all of which are reserved for issuance under the Stock Plan.
