**Item 8.01. Other Events.**

On November 9, 2015, Westinghouse Air Brake Technologies Corporation (the Company) announced that it had increased the Company's existing common share buyback authorization to \$350 million. The existing authorization had about \$100 million remaining, and as a result the Company may repurchase approximately \$250 million worth of stock. The new buyback authorization supersedes the previous authorization of \$200 million. The Company intends to continue to buy back shares from time to time on the open market or in negotiated or block trades. As with previous authorizations, no time limit was set for the completion of the program, which is permitted under the Company's credit agreement and bond indenture. The press release announcing the increase in share buyback authorization is attached hereto as Exhibit 99.1 and incorporated herein by reference.
