ITEM 1. SECURITY AND ISSUER

This statement on Schedule 13D (this Schedule 13D) relates to the Class B common stock, par value \$0.0001 per share (the Shares), of Castlight Health, Inc., a corporation organized and existing under the laws of Delaware (the Issuer). The principal executive offices of the Issuer are located at Two Rincon Center, 121 Spear Street, Suite 300, San Francisco, California 94105.

ITEM 2. IDENTITY AND BACKGROUND

(a) This Schedule 13D is being filed by SAP Technologies, Inc. (SAP Technologies) and SAP SE. SAP Technologies and SAP SE are hereinafter sometimes collectively referred to as the Reporting Persons.

(b) The principal business address of SAP Technologies is 3410 Hillview Avenue, Palo Alto, California 94304. The principal business address of SAP SE is Dietmar-Hopp-Allee 16, 69190 Walldorf, Germany.

(c) SAP Technologies is a company organized under the laws of the State of Delaware and is a wholly owned indirect subsidiary of SAP SE. SAP SE is a Societas Europaea organized in the Federal Republic of Germany under German and European law. Founded in 1972, SAP today is the global leader in business application and analytics software in terms of market share and the market leader in digital commerce. Further, SAP is the enterprise cloud company with the greatest number of users and the fastest-growing major database company. Our continued growth over more than four decades is attributable to relentless innovation, a diverse portfolio, our ability to anticipate ever-changing customer requirements, and a broad ecosystem of partners. With approximately 300,000 customers in over 180 countries, the SAP group includes subsidiaries in all major countries and employs approximately 77,000 people.

(d) and (e) Neither the Reporting Persons nor, to the knowledge of the Reporting Persons, any of the persons listed in Schedule A hereto, during the five years preceding the date of this Schedule 13D, (i) have been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors) or (ii) were a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

(f) The name, citizenship, business address, present principal occupation or employment (and the name, principal business and address of any corporation or other organization in which such employment is conducted) for each director and executive officer of each of the Reporting Persons are set forth in Schedule A hereto and incorporated herein by reference.

ITEM 3. SOURCE AND AMOUNT OF FUNDS OR OTHER CONSIDERATION

On May 17, 2016 (the Closing Date), SAP Technologies acquired 4,762,658 Shares (the Initial Shares) from the Issuer for an aggregate purchase price of US\$17,955,221 (the Purchase Price), or \$3.77 per Share (the Investment). SAP Technologies financed the Investment from working capital of SAP Technologies.

ITEM 4. PURPOSE OF TRANSACTION

On May 16, 2016 (the Signing Date), SAP Technologies and the Issuer entered into a Securities Purchase Agreement (the Securities Purchase Agreement) pursuant to which SAP Technologies agreed to pay the Purchase Price in exchange for the Initial Shares and a warrant (the Warrant) to purchase an additional 1,905,063 Shares (the Warrant Shares) at an exercise price of \$4.91 per Share.

The Warrant will expire four years from the date the Issuer and SAP Technologies (or one of its affiliates) enter into (1) an agreement pursuant to which the Issuer will participate in SAP SE's Connected Health Platform (the Platform Agreement) and (2) an agreement pursuant to which SAP Technologies (or one of its affiliates) will distribute or co-market the Issuer's solutions (the Distribution Agreement). If the Issuer and SAP Technologies (or one of its affiliates) do not enter into the Platform Agreement and Distribution Agreement by May 17, 2017, then the Warrant will become void.

The Shares and the Warrant were acquired by the Reporting Persons for the purpose of investment and were not intended to, and did not, affect any change in the control of the Issuer.

Under the terms of the Securities Purchase Agreement, until the earliest of (i) SAP Technologies ceasing to beneficially own at least 2% of the Issuer's outstanding common stock for at least 90 consecutive days, (ii) May 17, 2021, (iii) the termination or expiration of the Platform Agreement or (iv) if the Issuer and SAP Technologies (or one of its affiliates) fail to enter into the Platform Agreement and the Distribution Agreement by November 17, 2016, then February 17, 2017, SAP Technologies and its affiliates are limited in their ability to acquire additional shares of capital stock with voting rights if the acquisition would increase the total percentage of beneficial ownership of the Issuer's outstanding common stock held by SAP Technologies and its affiliates to more than 10%. SAP Technologies also agreed to certain other restrictions during that same period, including restrictions on the ability of it and its affiliates to propose to enter into a business combination with the Issuer; solicit proxies in the Issuer's shareholder votes; seek to control the management, board of directors or policies of the Issuer; enter into voting arrangements with third parties with respect to the Issuer; or make public announcements regarding the possibility of a business combination with the Issuer or any subsidiary or division thereof.

The Securities Purchase Agreement also provides that until the earliest of (i) November 17, 2017, (ii) the termination of the Platform Agreement or (iii) if the Issuer and SAP Technologies (or one of its affiliates) fail to enter into the Platform Agreement and the Distribution Agreement by November 17, 2016, then February 17, 2017, SAP Technologies will not sell, transfer or otherwise dispose of the Shares or the Warrant Shares, subject to limited exceptions.

Copies of the Securities Purchase Agreement and the Warrant are attached hereto as Exhibits 2.1 and 2.2, respectively, and are incorporated by reference herein. The summaries of each of the Securities Purchase Agreement and the Warrant herein are qualified in their entirety by reference to the full text of the documents attached hereto as Exhibits 2.1 and 2.2, respectively.

ITEM 5. INTEREST IN SECURITIES OF THE ISSUER

(a) and (b). SAP Technologies completed the Investment on May 17, 2016, and acquired the Initial Shares (4,762,658 Shares), which represent approximately 11.2% of the outstanding Shares. This percentage of Shares and the other percentages disclosed herein are calculated based on 42,382,263 Shares and 96,886,328 total outstanding share of common stock, as applicable, that were issued and outstanding as of May 6, 2016, which represents the most recent date for which such information was made available by the Issuer to the Reporting Persons.

SAP SE, as the indirect parent company of SAP Technologies, may be deemed to beneficially own all of the Shares held directly by SAP Technologies.

On the Closing Date, SAP Technologies also obtained the right to acquire the Warrant Shares pursuant to the terms of the Warrant. The Warrant Shares represent approximately 4.5% of the currently outstanding Shares. Vesting of the Warrant remains subject to entry by the Issuer and SAP Technologies (or one of its affiliates) into the Platform Agreement and the Distribution Agreement. The Reporting Persons are therefore not currently beneficial owners of the Warrant Shares and hereby disclaim beneficial ownership of the Warrant Shares.

As of the date of this Schedule 13D, SAP Technologies is only the record holder of the Initial Shares and neither of the Reporting Persons has the right to acquire any additional Shares, other than as described in this Item 5 and in Item 4 above. As of the date of this Schedule 13D, to the knowledge of the Reporting Persons, none of the persons listed on Schedule A hereto is the beneficial owner of any Shares.

(c) On May 13, 2016, Steve Singh sold 12,505 Shares, representing all of his interests in the Issuer, on the open market at a price of \$3.26 per share, for a total of \$40,766.30. All proceeds of the sale by Steve Singh were gifted to charity on May 14, 2016. Other than this transaction, neither of the Reporting Persons nor, to the knowledge of the Reporting Persons, any of the persons listed on Schedule A hereto, has engaged in any transaction in the Shares in the

past 60 days other than as described in this Item 5 and in Item 4 above.

(d) To the knowledge of the Reporting Persons, no person has the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale to SAP Technologies of, the Initial Shares.

(e) Not applicable.

ITEM 6. CONTRACTS, ARRANGEMENTS, UNDERSTANDINGS OR RELATIONSHIPS WITH RESPECT TO SECURITIES OF THE ISSUER

See Items 4 and 5 above.

Other than an understanding that the Issuer and SAP Technologies (or one of its affiliates) will seek to enter into the Platform Agreement and Distribution Agreement, and other than the transactions contemplated by the Securities Purchase Agreement and the Warrant as described in Items 4 and 5 above, to the knowledge of the Reporting Persons, there are no contracts, arrangements, understandings or relationships (legal or otherwise) among each Reporting Person and any other person or entity, including the persons listed in Schedule A hereto, with respect to any securities of the Issuer, including, but not limited to, transfer or voting of any of the securities, finder's fees, joint ventures, loan or option arrangements, puts or calls, guarantees of profits, division of profits or loss, or the giving or withholding of proxies.
