we are subject to risks related to our employees;

we are dependent on key personnel;

we may experience material disruptions to our production (including as a result of, among other things, planned and unplanned maintenance downtime);

We have obtained some of this market share information and industry data from internal surveys, market research, publicly available information and industry publications. Such reports generally state that the information contained therein has been obtained from sources believed to be reliable, but the accuracy or completeness of such information is not guaranteed. Although we believe this information is reliable, we have not independently verified nor can we guarantee the accuracy or completeness of that information, and investors should use caution in placing reliance on such information.

Statements in this prospectus and the documents incorporated by reference herein concerning the production capacity of our pulp mills are management estimates based primarily on historically achieved levels of production and assumptions regarding maintenance downtime. MERCER INTERNATIONAL INC.**Our Company**

Mercer International Inc. is a Washington corporation and our common stock is listed on the NASDAQ Global Select Market under the symbol **MERC** and listed in dollars on the Toronto Stock Exchange under the symbol **MRI.U**.

We are one of the world's largest producers of market NBSK pulp, which leads to increased presence and better industry information in our markets and provides for close customer relationships with many large pulp consumers. We operate two modern and highly efficient mills in Eastern Germany and one mill in Western Canada and have our headquarters in Vancouver, Canada. We are the sole NBSK pulp producer, and the only significant producer of pulp for resale, known as market pulp, in Germany, which is the largest pulp import market in Europe. We are able to supply the growing pulp demand in China both through our Canadian mill's ready access to the Port of Vancouver and through our Stendal mill's existing logistics arrangements. In addition, as a result of the significant investments we have made in co-generation equipment, all of our mills generate and sell a significant amount of surplus green energy to regional utilities. We also produce and sell tall oil, a by-product of our production process, which is used as both a chemical additive and as a green energy source.

We currently employ approximately 1,469 people. Our three NBSK pulp mills have consolidated annual production capacity of approximately 1.5 million ADMTs of NBSK pulp and are capable of generating 305 MW of electricity. Key operating details for each of our mills are as follows:

Rosenthal mill. Our Rosenthal mill is a modern, efficient ISO 9001, 14001 and 50001 certified NBSK pulp mill that has an annual production capacity of approximately 360,000 ADMTs and 57 MW of electrical generation. The Rosenthal mill is located in the town of Blankenstein, Germany, approximately 300 kilometers south of Berlin.

Stendal mill. Our Stendal mill is a state-of-the-art, single-line, ISO 9001 and 14001 certified NBSK pulp mill that has an annual production capacity of approximately 660,000 ADMTs and 148 MW of electrical generation. The Stendal mill is one of the largest NBSK mills in Europe. The Stendal mill is located near the town of Stendal, Germany, approximately 130 kilometers west of Berlin.

Celgar mill. Our Celgar mill is a modern, efficient ISO 9001 and 14001 certified NBSK pulp mill with an annual production capacity of approximately 520,000 ADMTs and 100 MW of electrical generation. The Celgar mill is located near the city of Castlegar, British Columbia, Canada, approximately 600 kilometers east of Vancouver.

Prospectus Supplements

This prospectus provides you with a general description of the securities we may offer. This summary is not meant to be a complete description of such securities. Each time we offer a type or series of securities under this prospectus, we will provide a prospectus supplement that will contain specific information about the terms of the offering. USE OF PROCEEDS

Except as may otherwise be stated in the applicable prospectus supplement, we currently intend to use the net proceeds from the sale of the securities that we may offer and sell from time to time by this prospectus:

for general corporate and working capital purposes;

to repay, refinance, repurchase or otherwise retire existing indebtedness;

for capital expenditures;

for financing future strategic investment opportunities; and

as otherwise disclosed in any supplement to this prospectus.

The prospectus supplement for a particular offering will provide a more detailed description of the use of net proceeds from such offering.

RATIO OF EARNINGS TO FIXED CHARGES

The following table sets forth our ratio of earnings to fixed charges for the periods indicated. For the purposes of computing the ratio of earnings to fixed charges, earnings consist of income (loss) before income taxes and adjustment for noncontrolling interest, plus fixed charges and amortization of capitalized interest, less capitalized interest. Fixed charges consist of interest expense plus capitalized interest. We have not included a ratio of earnings to combined fixed charges and preferred stock dividends because we did not have any preferred stock outstanding during the periods presented below.

	Six Months Ended

DESCRIPTION OF DEBT SECURITIES

This summary, together with the additional information we include in any applicable prospectus supplements, summarizes the material terms and provisions of the debt securities that we may offer under this prospectus. While the terms we have summarized below will generally apply to any future debt securities we may offer under this prospectus, we will describe the particular terms of any debt securities that we may offer in more detail in the applicable prospectus supplement. The terms of any debt securities we offer under a prospectus supplement may differ from the terms we describe below.

The debt securities may be either secured or unsecured and will either be senior debt securities or subordinated debt securities. We will issue the senior notes under the senior indenture which we will enter into with one or more trustees. We will issue the subordinated notes under the subordinated indenture which we will enter into with one or more trustees. We have filed forms of these documents as exhibits to the registration statement of which this prospectus forms a part. We use the term *indentures* to refer to both the senior indenture and the subordinated indenture.

The indentures will be qualified under the *Trust Indenture Act of 1939*, as amended, or the *Trust Indenture Act*. We use the term *debenture trustee* to refer to either the senior trustee or the subordinated trustee, as applicable.

The following summaries of the material provisions of the senior notes, the subordinated notes and the indentures are subject to, and qualified in their entirety by reference to, all of the provisions of the indenture applicable to a particular series of debt securities. We urge you to read the applicable prospectus supplements related to the debt securities that we sell under this prospectus, as well as the complete indentures that contain the terms of the debt securities. Except as we may otherwise indicate, the terms of the senior indenture and the subordinated indenture are identical.

Conversion or Exchange Rights

We will set forth in the applicable prospectus supplements the terms, if any, on which a series of debt securities may be convertible into or exchangeable for common stock or other securities of ours or a third party, including the conversion or exchange rate, as applicable, or how it will be calculated, and the applicable conversion or exchange period. We will include provisions as to whether conversion or exchange is mandatory, at the option of the holder or at our option. We may include provisions pursuant to which the number of our securities or the securities of a third party that the holders of the series of debt securities receive upon conversion or exchange would, under the circumstances described in those provisions, be subject to adjustment, or pursuant to which those holders would, under those circumstances, receive other property upon conversion or exchange, for example in the event of our merger or consolidation with another entity.

Consolidation, Merger or Sale

The indentures in the form initially filed as exhibits to the registration statement of which this prospectus forms a part do not contain any covenant that restricts our ability to merge or consolidate or sell, convey, transfer or otherwise

dispose of all or substantially all of our assets. However, any successor of ours or acquirer of such assets must assume all of our obligations under the indentures and the debt securities.

If the debt securities are convertible into our other securities, the person with whom we consolidate or merge or to whom we sell all of our property must make provisions for the conversion of the debt securities into securities which the holders of the debt securities would have received if they had converted the debt securities before the consolidation, merger or sale.

Events of Default Under the Indentures

Unless otherwise specified in the applicable prospectus supplement, the following are events of default under the indentures with respect to any series of debt securities that we may issue:

if we fail to pay interest when due and payable and our failure continues for 90 days and the time for payment has not been validly extended;

if we fail to pay the principal, or premium, if any, or to make payment required by any sinking fund or analogous fund when due and payable and the time for payment has not been validly extended;

if we fail to observe or perform any other covenant contained in the debt securities or the indentures, other than a covenant specifically relating to another series of debt securities, and our failure continues for 90 days after we receive notice from the debenture trustee or holders of at least 25% in aggregate principal amount of the outstanding debt securities of the applicable series; and

Table of Contents

if specified events of bankruptcy, insolvency or reorganization occur.

If an event of default with respect to debt securities of any series occurs and is continuing, other than an event of default specified in the last bullet point above, the debenture trustee or the holders of at least 25% in aggregate principal amount of the outstanding debt securities of that series may, by notice to us in writing (and to the debenture trustee if notice is given by such holders), declare the unpaid principal, premium, if any, and accrued interest, if any, due and payable immediately. If an event of default specified in the last bullet point above occurs with respect to us, the principal amount of and accrued interest, if any, of each series of debt securities then outstanding shall be due and payable without any notice or other action on the part of the debenture trustee or any holder.

The holders of a majority in principal amount of the outstanding debt securities of an affected series may waive any default or event of default with respect to the series and its consequences, except defaults or events of default regarding payment of principal, premium, if any, or interest, unless we have cured the default or event of default in accordance with the indenture.

Subject to the terms of the indentures, if an event of default under an indenture shall occur and be continuing, the debenture trustee will be under no obligation to exercise any of its rights or powers under such indenture at the request or direction of any of the holders of the applicable series of debt securities, unless such holders have offered the debenture trustee reasonable indemnity. The holders of a majority in principal amount of the outstanding debt securities of any series will have the right to direct the time, method and place of conducting any proceeding for any remedy available to the debenture trustee, or exercising any trust or power conferred on the debenture trustee, with respect to the debt securities of that series, provided that:

the direction so given by the holder is not in conflict with any law or the applicable indenture; and

subject to its duties under the Trust Indenture Act, the debenture trustee need not take any action that might involve it in personal liability or might be unduly prejudicial to the holders not involved in the proceeding.

A holder of the debt securities of any series will only have the right to institute a proceeding under the indentures or to appoint a receiver or trustee, or to seek other remedies, if:

the holder has given written notice to the debenture trustee of a continuing event of default with respect to that series;

the holders of at least 25% in aggregate principal amount of the outstanding debt securities of that series have made written request, and such holders have offered reasonable indemnity to the debenture trustee, to institute the proceeding as trustee; and

the debenture trustee does not institute the proceeding, and does not receive from the holders of a majority in aggregate principal amount of the outstanding debt securities of that series other directions inconsistent with the request, within 90 days after the notice, request and offer.

These limitations do not apply to a suit instituted by a holder of debt securities if we default on the payment of the principal, premium, if any, or interest on the debt securities.

We will periodically file statements with the debenture trustee regarding our compliance with specified covenants in the indentures.

Modification of Indenture; Waiver

We and the debenture trustee may modify an indenture without the consent of any holders with respect to specific matters, including, without limitation:

to fix any ambiguity, defect or inconsistency in the indenture or in the debt securities of any series;

to comply with the provisions described above under Consolidation, Merger or Sale ;

to comply with any requirements of the SEC in connection with the qualification of any indenture under the Trust Indenture Act;

to evidence and provide for the acceptance of appointment under the indenture by a successor trustee;

Table of Contents

to provide for uncertificated debt securities in addition to or in place of certificated securities and to make all appropriate changes for such purpose;

to add to, delete from, or revise the conditions, limitations and restrictions on the authorized amount, terms or purposes of issuance, authentication and delivery of debt securities of any series;

to provide for the issuance of and to establish the form and terms and conditions of the debt securities of any series authorized pursuant to the indentures, to establish the form of any certifications required to be furnished pursuant to the indentures or any series or to add to the rights of the holders of any series of debt securities;

to add to our covenants such new covenants, restrictions, conditions or provisions for the protection of the holders, to make the occurrence, or the occurrence and the continuance, of a default in any such additional covenants, restrictions, conditions or provisions an event of default, or to surrender any of our rights or powers under the indenture; or

to change anything that does not adversely affect the rights of any holder of debt securities of any series in any material respect.

In addition, under the indentures, the rights of holders of debt securities of any series may be changed by us and the debenture trustee with the written consent of the holders of at least a majority in aggregate principal amount of the outstanding debt securities of each series that is affected. However, we and the debenture trustee may only make the following changes with the consent of each holder of any outstanding debt securities affected:

extending the fixed maturity of the debt securities of any series;

reducing the principal amount, reducing the rate of or extending the time of payment of interest or reducing any premium payable upon the redemption of any debt securities;

making the principal of (premium, if any), interest or other additional amounts on any debt security payable in any coin or currency other than that provided in such debt security; or

reducing the percentage of debt securities the holders of which are required to consent to any supplemental indenture.

Discharge

The indentures provide that we can elect to be discharged from our obligations with respect to one or more series of debt securities, except for certain obligations, including obligations to:

register the transfer or exchange of debt securities of the series;

replace mutilated, destroyed, lost or stolen debt securities of the series;

maintain paying agencies;

compensate and indemnify the debenture trustee; and

appoint any successor trustee.

In order to exercise our rights to be discharged, we must deposit with the debenture trustee money or government obligations, or a combination of both, sufficient to pay all of the principal of, and premium, if any, and interest on, the debt securities of the series on the dates payments are due.

Form, Exchange and Transfer

We will issue the debt securities of each series only in fully registered form without coupons and, unless we otherwise specify in the applicable prospectus supplement, in denominations of \$2,000 and integral multiples thereof. The indentures provide that we may issue debt securities of a series in temporary or permanent global form and as book-entry securities that will be deposited with, or on behalf of, The Depository Trust Company, New York, New York, known as DTC, or another depository named by us and identified in a prospectus supplement with respect to that series.

At the option of the holder, subject to the terms of the indentures and the limitations applicable to global securities described in the applicable prospectus supplement, the holder of the debt securities of any series can exchange the debt securities for other debt securities of the same series, in any authorized denomination and of like tenor and aggregate principal amount.

Table of Contents

Subject to the terms of the indentures and the limitations applicable to global securities set forth in the applicable prospectus supplements, holders of the debt securities may present the debt securities for exchange or for registration of transfer, duly endorsed or with the form of transfer endorsed thereon duly executed if so required by us or the security registrar, at the office of the security registrar or at the office of any transfer agent designated by us for this purpose. Unless otherwise provided in the debt securities that the holder presents for transfer or exchange, we will not impose a service charge for any registration of transfer or exchange, but we may require payment of any taxes or other governmental charges applicable to or associated with such registration of transfer or exchange.

We will name in the applicable prospectus supplements the security registrar, and any transfer agent in addition to the security registrar, that we initially designate for any debt securities. We may at any time designate additional transfer agents or rescind the designation of any transfer agent or approve a change in the office through which any transfer agent acts, except that we will be required to maintain a transfer agent in each place of payment for the debt securities of each series.

If we elect to redeem the debt securities of any series, we will not be required to:

issue, register the transfer of, or exchange any debt securities of any series being redeemed in part during a period beginning at the opening of business 15 days before the day of mailing of a notice of redemption of any debt securities that may be selected for redemption and ending at the close of business on the day of the mailing; or

register the transfer of or exchange any debt securities so selected for redemption, in whole or in part, except the unredeemed portion of any debt securities we are redeeming in part.

Information Concerning the Debenture Trustee

The debenture trustee, other than during the occurrence and continuance of an event of default under an indenture, will undertake to perform only those duties as are specifically set forth in the applicable indenture. Upon an event of default under an indenture, the debenture trustee must use the same degree of care as a prudent person would exercise or use in the conduct of his or her own affairs. Subject to this provision, the debenture trustee is under no obligation to exercise any of the powers given to it by the indentures at the request of any holder of debt securities unless it is offered reasonable security and indemnity against the costs, expenses and liabilities that it might incur.

Payment and Paying Agents

Unless we otherwise indicate in the applicable prospectus supplement, we will make payment of the interest on any debt securities on any interest payment date to the person in whose name the debt securities, or one or more predecessor securities, are registered at the close of business on the regular record date for the interest.

We will pay principal of, and any premium and interest on, the debt securities of a particular series at the office of the paying agents designated by us, except that, unless we otherwise indicate in the applicable prospectus supplement, we may make certain payments by check which we will mail to the holder or by wire transfer to certain holders. Unless we otherwise indicate in a prospectus supplement, we will designate an office or agency of the debenture trustee in the city of New York as our sole paying agent for payments with respect to debt securities of each series. We will name in the applicable prospectus supplement any other paying agents that we initially designate for the debt securities of a particular series. We will maintain a paying agent in each place of payment for the debt securities of a particular

series.

All money we pay to a paying agent or the debenture trustee for the payment of the principal of, or any premium or interest on, any debt securities which remains unclaimed at the end of two years after such principal, premium or interest has become due and payable will be repaid to us, and the holder of the debt security thereafter may look only to us for payment thereof.

Governing Law

The indentures and the debt securities will be governed by and construed in accordance with the laws of the state of New York, except to the extent that the Trust Indenture Act is applicable.

Table of Contents

Subordination of Subordinated Debt Securities

The subordinated debt securities will be subordinate and junior in priority of payment to certain of our other indebtedness to the extent described in a prospectus supplement. The indentures in the form initially filed as exhibits to the registration statement of which this prospectus forms a part do not limit the amount of indebtedness which we may incur, including senior indebtedness or subordinated indebtedness, and do not limit us from issuing any other debt, including secured debt or unsecured debt. Additional or different subordination provisions may be described in a prospectus supplement relating to a particular series of debt securities.

Existing Senior Notes

On November 26, 2014, we issued \$250.0 million in aggregate principal amount of 7.000% Senior Notes due 2019, referred to as the 2019 Senior Notes, and \$400.0 million in aggregate principal amount of 7.750% Senior Notes due 2022, referred to as the 2022 Senior Notes and, together with the 2019 Senior Notes, the 2019 and 2022 Senior Notes.

The 2019 Senior Notes mature on December 1, 2019 and interest on the 2019 Senior Notes is payable semi-annually in arrears on each June 1 and December 1. Interest is payable to holders of record of the 2019 Senior Notes on the immediately preceding May 15 and November 15 and is computed on the basis of a 360-day year consisting of twelve 30-day months. The 2022 Senior Notes mature on December 1, 2022 and interest on the 2022 Senior Notes is payable semi-annually in arrears on each June 1 and December 1. Interest is payable to holders of record of the 2022 Senior Notes on the immediately preceding May 15 and November 15 and is computed on the basis of a 360-day year consisting of twelve 30-day months.

The indentures governing the 2019 and 2022 Senior Notes contain covenants limiting, among other things, our ability and the ability of our restricted subsidiaries to: incur additional indebtedness or issue preferred stock; pay dividends or make other distributions to our shareholders; purchase or redeem capital stock or subordinated indebtedness; make investments; create liens; incur restrictions on the ability of our restricted subsidiaries to pay dividends or make other payments to us; sell assets; consolidate or merge with or into other companies or transfer all or substantially all of our assets; and engage in transactions with affiliates. As of December 31, 2015, all of our subsidiaries are restricted subsidiaries.

The 2019 and 2022 Senior Notes are unsecured and are not guaranteed by any of our operating subsidiaries, all of which are located outside the United States. Our obligations under the 2019 and 2022 Senior Notes rank: effectively junior in right of payment to all of our existing and future secured indebtedness, to the extent of the assets securing such indebtedness, and all indebtedness and liabilities of our subsidiaries; equal in right of payment with all of our existing and future unsecured senior indebtedness, including any senior debt securities issued pursuant to this prospectus; and senior in right of payment to any of our future subordinated indebtedness, including subordinated debt securities issued pursuant to this prospectus.

In March 2016, the Company purchased \$23.0 million in aggregate principal amount of the 2019 Senior Notes. As at June 30, 2016, \$227.0 million in aggregate principal amount of 2019 Senior Notes and \$400.0 million in aggregate principal amount of 2022 Senior Notes were outstanding.

DESCRIPTION OF CAPITAL STOCK

This section contains a general description of the terms and provisions of our share capital which we may offer and sell by this prospectus. This description includes both our common stock and our preferred stock (certain terms of which also affect the common stock). The following summary of the terms of our capital stock is not meant to be

complete and is qualified by reference to our Articles of Incorporation, referred to as the Articles , and amendments thereto which have been filed with the SEC. See Incorporation of Certain Information by Reference . While the terms we have summarized below will apply generally to any future common stock and preferred stock that we may offer, we will describe the particular terms of any securities in more detail in the applicable prospectus supplement. If we so indicate in a prospectus supplement, the terms of any security we offer under that prospectus supplement may differ from the terms we describe below.

We are authorized under our Articles to issue up to 200,000,000 shares of common stock, \$1.00 par value per share and 50,000,000 shares of preferred stock, \$1.00 par value per share, issuable in series. As of the date of this prospectus, there were 64,694,138 shares of common stock and no shares of preferred stock of any series issued and outstanding.

Table of Contents

Common Stock

Each share of our common stock entitles the holder to one vote at a meeting of our shareholders. Cumulative voting in the election of directors is not permitted. The shares of the common stock are entitled to dividends when, as and if declared by our board of directors from time to time. Upon the liquidation, dissolution or winding up of Mercer, the holders of the shares of common stock are entitled to participate pro rata in any distribution of our assets (in cash or in kind or partly each) after the payment of all liabilities, subject to the rights of holders of preferred stock.

Preferred Stock

We are authorized, without further action by our shareholders, to issue preferred stock from time to time and to: (i) divide the preferred stock into one or more series; (ii) designate the number of shares of each series and the designation thereof; (iii) fix and determine the relative rights and preferences as between series including, but not limited to, the dividend rate (and whether dividends are cumulative), conversion rights, voting rights, rights and terms of redemption (including sinking fund provisions), redemption price and liquidation preferences (if and to the extent that any such rights are to be applicable to any such series); and (iv) amend the relative rights and preferences of any series that is wholly unissued.

We have also authorized 2,000,000 shares of Series A Junior Participating Preferred Shares, referred to as the Series A Preferred Shares, none of which are issued and outstanding as of the date of this prospectus.

Series A Preferred Shares

The Series A Preferred Shares are entitled to receive, subject to the rights of holders of preferred stock ranking prior to the Series A Preferred Shares, quarterly dividends, when, as and if declared by the directors of Mercer, in an amount equal to the greater of (i) \$10 or (ii) 100 times the dividends declared on the shares of common stock. Mercer is required to declare a dividend on the Series A Preferred Shares immediately after it declares a dividend on its shares of common stock and all dividends declared are cumulative but do not bear interest.

In the event that dividends declared on the Series A Preferred Shares are in arrears for six quarterly periods, all holders of preferred stock with dividends in arrears for six quarterly periods, irrespective of the series, voting as a class, have the right to elect two directors at a meeting of its shareholders. However, the term of any director so elected terminates upon the payment of outstanding dividends. When dividends on the Series A Preferred Shares are in arrears: (i) Mercer cannot declare or pay dividends on, or make any other distribution on, or redeem or purchase, any shares ranking junior to the Series A Preferred Shares; (ii) declare or pay dividends on, or make any other distributions on, any shares ranking on parity with the Series A Preferred Shares, except dividends paid ratably on the Series A Preferred Shares and all such parity shares on which dividends are payable or in arrears on a pro rata basis; (iii) redeem or purchase shares ranking on parity with the Series A Preferred Shares, except that Mercer may redeem or purchase such parity shares in exchange for shares ranking junior to the Series A Preferred Shares; or (iv) purchase any Series A Preferred Shares or shares ranking on parity with the Series A Preferred Shares, except in accordance with a purchase offer made in writing or by publication to all holders of such shares upon such terms as the directors of Mercer determine in good faith will result in a fair and equitable treatment among the respective shares.

Upon the liquidation, dissolution or winding up of Mercer, no distribution may be made to holders of shares ranking junior to the Series A Preferred Shares unless, prior thereto, the holders of Series A Preferred Shares have received \$100 per share plus an amount equal to accrued and unpaid dividends thereon, whether or not declared. Following such payment, holders of Series A Preferred Shares are not entitled to any additional distributions and holders of Series A Preferred Shares and holders of the shares of common stock are entitled to receive a pro rata share of the

remaining assets of Mercer to be distributed.

In the event that Mercer enters into any consolidation, merger, combination or other transaction in which shares of common stock of Mercer are exchanged for securities, cash and/or other property, the Series A Preferred Shares shall at the same time be similarly exchanged in an amount per share equal to 100 times the aggregate amount of the securities, cash and/or other property into which each share of common stock of Mercer is exchanged.

Series A Preferred Shares vote together as one class with the shares of common stock. Each Series A Preferred Share entitles the holder thereof to 100 votes on all matters submitted to a vote of the shareholders of Mercer.

Anti-takeover Provisions

Washington Law

Mercer is subject to the provisions of Chapter 23B.19 of the *Washington Business Corporation Act*, contained within the *Revised Code of Washington*, which prohibits a Washington corporation, with certain exceptions, from engaging in certain significant business transactions with an acquiring person (defined generally as a person or group of persons who beneficially own or acquire 10% or more of Mercer's voting securities) for a period of five years following the acquiring person's share acquisition date. The prohibited transactions include, among others, mergers or consolidations with, disposition of assets to, or issuance or redemption of stock to or from, the acquiring person, or any other receipt by the acquiring person of a disproportionate benefit as a shareholder.

Exceptions to this statutory prohibition include approval of the significant business transaction at a shareholders meeting by holders of not less than two-thirds of the outstanding shares entitled to vote on the transaction, not counting shares as to which the acquiring person has beneficial ownership or voting control, significant business transactions approved by a majority of the members of our board of directors prior to the acquiring person first becoming an acquiring person, or a merger, share exchange, consolidation, liquidation, distribution or certain other significant business transactions entered into with the acquiring person where certain requirements regarding the fairness of the consideration to be received by the shareholders have been met. Mercer may not exempt itself from coverage of this statute. These statutory provisions may have the effect of delaying, deterring or preventing a change in control of Mercer.

Articles of Incorporation

The board of directors of Mercer has the authority to issue up to 50,000,000 shares of preferred stock, and to fix the rights, preferences, privileges and restrictions, including voting rights, of these shares without any further vote or action by the holders of the shares of common stock. The rights of the holders of shares of preferred stock that may be issued in the future may adversely affect the rights of the holders of the shares of common stock. The issuance of the preferred stock, while providing Mercer with desirable flexibility in connection with possible acquisitions and other corporate purposes, could have the effect of making it more difficult for a third party to acquire a majority of the outstanding voting stock of Mercer, thereby delaying, deferring or preventing a change in control of Mercer. Furthermore, such preferred stock may have other rights, including economic rights senior to the shares of common stock and, as a result, the issuance of the preferred stock could have a material adverse effect on the market value of the shares of common stock. Mercer has no present plan to issue shares of preferred stock.

Dividend Policy

In July 2016, the Company's Board of Directors declared a quarterly dividend of \$0.115 per common share. Payment of the dividend will be made on October 4, 2016 to all shareholders of record on September 26, 2016. During the six month period ended June 30, 2016, our board of directors declared two quarterly dividends of \$0.115 per share each, the first of which was paid on April 5, 2016 and the second on July 7, 2016. In 2015, our board of directors approved two quarterly dividend payments of \$0.115 per share each, the first of which was paid on October 5, 2015 and the second on January 5, 2016.

The further declaration and payment of dividends is at the discretion of our board of directors and will depend upon various factors, including our earnings, financial condition, restrictions imposed by our credit facilities and the terms of any other indebtedness that may be outstanding, cash requirements, future prospects and other factors deemed relevant by our board of directors. The indentures governing our 2019 and 2022 Senior Notes and our credit facilities

limit our ability to pay dividends or make other distributions on capital stock. Therefore, no assurance can be given as to the amount or timing of the declaration and payment of future dividends.

Listing

Our common stock is listed on the NASDAQ Global Select Market under the symbol `MERC` and listed in dollars on the Toronto Stock Exchange under the symbol `MRI.U`.

Transfer Agent and Registrar

The transfer agent and registrar for our shares of common stock is Computershare.

DESCRIPTION OF WARRANTS

We have provided below a summary description of warrants that we may issue. This description is not complete and is qualified in its entirety by reference to the full text of the applicable warrant agreement. You should read the full text of any such warrant agreement.

We may issue warrants, in one or more series, for the purchase of debt securities or shares of our common stock. Warrants may be issued independently or together with our debt securities or common stock and may be attached to or separate from any offered securities. While the terms we have summarized below will generally apply to any future warrants we may offer under this prospectus, we will describe the particular terms of any warrants that we may offer in more detail in the applicable prospectus supplement.

We will issue the warrants directly or under a warrant agreement which we will enter into with a warrant agent to be selected by us. In addition to this summary, you should refer to the detailed provisions of the specific warrant agreement, where applicable, for complete terms of the warrants. Where applicable, a form of warrant agreement will be filed with the SEC as an exhibit to the registration statement of which this prospectus forms a part by post-effective amendment or a Current Report on Form 8-K.

The warrants will be evidenced by warrant certificates. Unless otherwise specified in the prospectus supplement, the warrant certificates may be traded separately from the debt securities or common stock, if any, with which the warrant certificates were issued. Warrant certificates may be exchanged for new warrant certificates of different denominations at the office or an agent that we will appoint. Until a warrant is exercised, the holder of a warrant does not have any of the rights of a holder of our debt securities or common stock and is not entitled to any payments on any debt securities or common stock issuable upon exercise of the warrants.

A prospectus supplement accompanying this prospectus relating to a particular series of warrants to issue debt securities or common stock will describe the terms of those warrants, including:

the title and the aggregate number of warrants;

the offering price for such warrants;

the debt securities or common stock for which each warrant is exercisable;

the date or dates on which the right to exercise such warrants commence and expire;

the price or prices at which such warrants are exercisable;

the terms of any anti-dilution or other adjustment provisions;

the currency or currencies in which such warrants are exercisable;

the periods during which and places at which such warrants are exercisable;

the terms of any mandatory or operation call provisions;

the price or prices, if any, at which the warrants may be redeemed at the option of the holder or will be redeemed upon expiration;

the identity of the warrant agent;

the exchanges, if any, on which such warrants may be listed; and

any additional terms of such warrants.

You may exercise warrants by payment to our warrant agent of the exercise price, in each case in such currency or currencies as are specified in the warrant, and by giving your identity and the number of warrants to be exercised. Once you pay our warrant agent and deliver the properly completed and executed warrant certificate to our warrant agent at the specified office, our warrant agent will, as soon as practicable, forward securities to you in authorized denominations or share amounts. If you exercise less than all of the warrants evidenced by your warrant certificate, you will be issued a new warrant certificate for the remaining amount of warrants.

Agents designated by us from time to time may solicit offers to purchase the securities. We will name any such agent involved in the offer or sale of the securities and set forth any compensation in the form of discounts, concessions or commissions payable by us or our purchasers to such agent in a prospectus supplement relating to any such offer and sale of securities. Unless otherwise indicated in the prospectus supplement, any such agent will be acting on a best efforts basis for the period of its appointment. Any such agent may be deemed to be an underwriter of the securities, as that term is defined in the Securities Act.

Table of Contents

If underwriters are used in the sale of securities, securities will be acquired by the underwriters for their own account and may be resold from time to time in one or more transactions. Securities may be offered to the public either through underwriting syndicates represented by one or more managing underwriters or directly by one or more firms acting as underwriters. If an underwriter or underwriters are used in the sale of securities, we will execute an underwriting agreement with such underwriter or underwriters at the time an agreement for such sale is reached. We will set forth in a prospectus supplement the names of the specific managing underwriter or underwriters, as well as any other underwriters, and the terms of the transactions, including compensation of the underwriters and dealers. Such compensation may be in the form of discounts, concessions or commissions. Underwriters and others participating in any offering of securities may engage in transactions that stabilize, maintain or otherwise affect the price of such securities. These transactions may include stabilization transactions effected in accordance with Rule 104 of Regulation M promulgated by the SEC pursuant to which these persons may bid for or purchase securities for the purpose of stabilizing their market price. We will describe any such activities in the prospectus supplement.

Unless otherwise specified in the applicable prospectus supplement, each class or series of securities will be a new issue with no established trading market, other than our common stock, which is listed on the NASDAQ Global Select Market and the Toronto Stock Exchange. We may elect to list any other class or series of securities on any exchange, but we are not obligated to do so. It is possible that one or more underwriters may make a market in a class or series of securities, but the underwriters will not be obligated to do so and may discontinue any market making at any time without notice. We cannot give any assurance as to the liquidity of the trading market for any of the securities.

If a dealer is used in the sale of the securities, we or an underwriter will sell such securities to the dealer, as principal. The dealer may then resell such securities to the public at varying prices to be determined by such dealer at the time of resale. A prospectus supplement will set forth the name of the dealer and the terms of the transactions.

We may directly solicit offers to purchase the securities, and we may sell directly to institutional investors or others. These persons may be deemed to be underwriters within the meaning of the Securities Act with respect to any resale of the securities. The prospectus supplement will describe the terms of any such sales, including the terms of any bidding, auction or other process, if utilized.

We may grant underwriters who participate in the distribution of securities an option to purchase additional securities to cover over-allotments, if any, in connection with the distribution. Underwriters or agents and their associates may be customers of, engage in transactions with, or perform services for, us in the ordinary course of business.

The underwriters in our offering of our securities may also create a short position for their account by selling more securities in connection with the offering than they are committed to purchase from us. In that case, the underwriters could cover all or a portion of the short position by either purchasing securities in the open market following completion of the offering of such securities or by exercising any over-allotment option granted to them by us.

Agents, underwriters and dealers may be entitled under agreements which may be entered into with us to indemnification by us against specified liabilities, including liabilities under the Securities Act or to contribution by us to payments they may be required to make in respect of such liabilities. A prospectus supplement will describe the terms and conditions of such indemnification or contribution. Some of the agents, underwriters or dealers, or their affiliates, may engage in transactions with or perform services for us and our subsidiaries in the ordinary course of their business.

LEGAL MATTERS

The validity of the securities being offered by this prospectus and applicable prospectus supplement and certain other legal matters in connection with the issuance and sale of such securities will be passed upon for the Company by Sangra Moller LLP, Vancouver, British Columbia and Davis Wright Tremaine LLP, Seattle, Washington. Counsel named in the applicable prospectus supplement will pass upon legal matters for any underwriters, dealers or agents.

Item 15. Indemnification of Directors and Officers

Section 23B.08.310, Section 23B.08.320 and Sections 23B.08.500 to 23B.08.603 of the Washington Business Corporation Act, referred to herein as the Washington Corporation Act, set out provisions relating to the limitation of liability and indemnification of directors and officers of a corporation. Section 23B.08.320 of the Washington Corporation Act provides that a corporation's articles of incorporation may contain provisions not inconsistent with law that eliminate or limit the personal liability of a director to the corporation or its shareholders for monetary damages for conduct as a director, other than for certain acts or omissions, including those that involve the intentional misconduct by a director or a knowing violation of law by a director. Specifically, Section 23B.08.560 of the Washington Corporation Act provides that if authorized by (i) the articles of incorporation, (ii) a bylaw adopted or ratified by the shareholders, or (iii) a resolution adopted or ratified, before or after the event, by the shareholders, a company will have the power to indemnify a director made party to a proceeding, or to obligate itself to advance or reimburse expenses incurred in a proceeding, without regard to the limitations on indemnification contained in Section 23B.08.510 through 23B.08.550 of the Washington Corporation Act, provided that no such indemnity shall indemnify any director (i) for acts or omissions that involve intentional misconduct by the director or a knowing

violation of the law by the director, (ii) for conduct violating Section 23B.08.310 of the Washington Corporation Act, or (iii) for any transaction from which the director will personally receive a benefit in money, property or services to which the director is not legally entitled.

Furthermore, Section 23B.08.580 of the Washington Corporation Act provides that a corporation may purchase and maintain insurance on behalf of an individual who is or was a director, officer, employee or agent of such corporation, or who, while a director, officer, employee, or agent of such corporation, is or was serving at the request of such corporation as a director, officer, partner, trustee, employee, or agent of another foreign or domestic corporation, partnership, joint venture, trust, employee benefit plan, or other enterprise, against liability asserted against or incurred by such individual in that capacity or arising from such individual's status as a director, officer, employee, or agent, whether or not such corporation would have power to indemnify such individual against the same liability under Section 23B.08.510 or 23B.08.520 of the Washington Corporation Act.

Table of Contents

Section 7.1 of the Articles provides that the Company may indemnify, in the manner and to the full extent permitted by law, any person (or the estate of any person) who was or is a party to, or is threatened to be made a party to any threatened, pending or complete action, suit or proceeding, whether or not by or in the right of the Company, and whether civil, criminal, administrative, investigative or otherwise, by reason of the fact that such person is or was a director or officer of the Company, or is or was serving at the request of the Company as a director or officer of another corporation, partnership, joint venture, trust or other enterprise. The Company may, to the full extent permitted by law, purchase and maintain insurance on behalf of any such person against any liability which may be asserted against such person. To the full extent permitted by law, the indemnification provided in the Articles does include expenses (including attorneys' fees), judgments, fines and amounts paid in settlement, and, in the manner provided by law, any such expenses may be paid by the Company in advance of the final disposition of such action, suit or proceeding. The indemnification provided in the Articles also is not deemed to limit the right of the Company to indemnify any other person for any such expenses to the full extent permitted by law, and is not deemed exclusive of any other rights to which any person seeking indemnification from the Company may be entitled under any agreement, vote of shareholders or disinterested directors or otherwise, both as to action in his official capacity and as to action in another capacity while holding such office.

Section 7.2 of the Articles provides that no director of the Company shall be personally liable to the Company or its shareholders for monetary damages for his conduct as a director, except for (i) acts or omissions that involve intentional misconduct or a knowing violation of law by the director, (ii) approval of distributions or loans in violation of Section 23B.08.310 of the Washington Corporation Act, or (iii) any transaction from which the director will personally receive a benefit in money, property or services to which the director is not legally entitled.

According to Section 7.2 of the Articles, if the Washington Corporation Act is hereafter amended to authorize corporate action further eliminating or limiting the personal liability of directors, then the liability of a director of the Company shall be eliminated or limited to the fullest extent permitted by the Washington Corporation Act, as so amended. Furthermore, Section 7.2 specifies that any amendment to or repeal of Article 7 of the Articles shall not adversely affect any right or protection of a director of the Company for or with respect to any acts or omissions of such director occurring prior to such amendment or repeal.

We have entered into indemnity agreements, referred to as the Indemnity Agreements, with each of our directors and certain of our executive officers. We have agreed under each of the Indemnity Agreements to indemnify each of our directors and such officers against any and all claims and costs that are or may be brought against him or her as a result of being one of our directors, officers or employees or that of a company related to us. However, under the Indemnity Agreements, we are not obligated to indemnify a director or such officers against any claims or costs in certain instances, including if it is determined that the director or officer failed to act honestly and in good faith with a view to our best interests, if the claim or costs arose out of a non-appealable criminal conviction of the director or officer where the director or officer pleaded or was found guilty, if the director or officer failed to disclose an interest or conflict as required under corporate legislation in Washington state or we are not permitted to indemnify the director or officer under such legislation, or if the director or officer has violated any insider trading rules under United States federal and state securities laws.

Item 17. Undertakings

The undersigned registrant hereby undertakes:

- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:
 - (a) To include any prospectus required by Section 10(a)(3) of the Securities Act;
 - (b) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof), which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and
 - (c) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;
provided, however, that paragraphs (1)(a), (1)(b) and (1)(c) shall not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the SEC by the registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.
- (2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.
- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

Table of Contents

- (4) That, for purposes of determining any liability under the Securities Act to any purchaser:
- (a) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and
 - (b) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by section 10(a) of the Securities Act shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof. *Provided, however,* that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.
- (5) That, for the purpose of determining liability of the registrant under the Securities Act to any purchaser in the initial distribution of the securities, the undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:
- (a) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;
 - (b) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;
 - (c) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and
 - (d)

Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

- (6) That, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.
- (7) To file an application for the purpose of determining the eligibility of the Trustee to act under subsection (a) of Section 310 of the Trust Indenture Act in accordance with the rules and regulations prescribed by the SEC under Section 305(b)(2) of the Securities Act.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers or controlling persons of the registrant pursuant to the provisions described in Item 15 above, or otherwise, the registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

Table of Contents

The undersigned registrant also hereby undertakes that:

- (a) For the purposes of determining any liability under the Securities Act, the information omitted from the form of prospectus filed as part of this registration statement in reliance upon Rule 430A and contained in a form of prospectus filed by the registrant pursuant to Rule 424(b)(1) or (4) or 497(h) under the Securities Act shall be deemed to be part of this registration statement as of the time it was declared effective.

- (b) For the purpose of determining any liability under the Securities Act, each post-effective amendment that contains a form of prospectus shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.
