Item 3. Source and Amount of Funds or Other Consideration

Edgar Filing: CONE Midstream Partners LP - Form SC 13D

On September 30, 2014, the Issuer completed its initial public offering (the IPO) of 20,125,000 Common Units (including 2,625,000 Common Units issued pursuant to the underwriters' exercise in full of their option to purchase additional Common Units) at a price to the public of \$22.00 per Common Unit (\$20.68 per Common Unit, net of the underwriting discount) pursuant to a Registration Statement on Form S-1, as amended (File No. 333- 198352), initially filed by the Issuer with the U.S. Securities and Exchange Commission (the Commission) on August 25, 2014 (the Registration Statement) pursuant to the Securities Act of 1933, as amended (the Securities Act).

Prior to the IPO, the Reporting Persons indirectly owned 50% of the limited partner interests of the Issuer. On September 30, 2014, in connection with the closing of the IPO, the Issuer entered into a Contribution, Conveyance and Assumption Agreement (the IPO Contribution Agreement) with CONSOL, Noble Energy, Inc. (Noble), CONE Gathering LLC (CONE), the General Partner and CONE Midstream Operating Company LLC (Operating Company). Immediately prior to the closing of the IPO, CONE contributed to the Issuer all of its interest in the Operating Company as consideration for 9,038,121 Common Units and 29,163,121 Subordinated Units, which CONE subsequently distributed equally to the Reporting Persons and Noble. Additionally, the General Partner received a continuation of its 2% general partner interest and all of the incentive distribution rights of the Issuer. These transactions, among others, were made in a series of steps outlined in the IPO Contribution Agreement, which is an exhibit to the Registration Statement. The Operating Company indirectly owned a 75% general partner interest in CONE Midstream DevCo I LP, a Delaware limited partnership (DevCo I). As result of the immediate distribution by CONE of the Common Units it received in the IPO to its members, CNX Gas LLC, the indirect subsidiary of CONSOL, acquired 4,519,060 Common Units and 14,581,561 Subordinated Units. CONSOL is deemed to indirectly beneficially own the Common Units and Subordinated Units held by CNX Gas LLC.

On November 15, 2016, the Issuer entered into a Contribution Agreement (the First Drop Down Contribution Agreement) with CONE, the General Partner, the Operating Company and certain other signatories thereto, under which CONE contributed the remaining 25% limited partner interest in DevCo I (the First Drop Down), in exchange for (i) cash consideration in the amount of \$140.0 million, (ii) the Issuer's issuance of 5,183,154 Common Units at an issue price of \$20.42 per Common Unit (the Common Unit Issue Price), or an aggregate \$105.8 million in equity consideration, to CONE (which in turn, immediately distributed such Common Units equally to the Reporting Persons and Noble), and (iii) the Issuer's issuance to the General Partner of an additional general partner interest in the Issuer in an amount necessary for the General Partner to maintain its two percent general partner interest in the Issuer. The Common Unit Issue Price was calculated as the volume-weighted average trading price of the Issuer's Common Units over the trailing 20-day trading period ending on November 11, 2016. Following the First Drop Down and including interests it held previously thereto, the Operating Company owns all of the partner interests of DevCo I. As result of the immediate distribution by CONE of the Common Units it received in the First Drop Down to its members, CNX Gas LLC, the indirect subsidiary of CONSOL, acquired 2,591,577 Common Units. CONSOL is deemed to indirectly beneficially own the Common Units and Subordinated Units held by CNX Gas LLC. The summaries contained herein of the Partnership Agreement, IPO Contribution Agreement and First Drop Down Contribution Agreement do not purport to be complete and are qualified in their entirety by reference to the full text of such documents, which are included as Exhibits A through C, respectively, to this Schedule 13D and are incorporated herein by reference.

Item 4. Purpose of Transaction

The Reporting Persons acquired the Common Units and Subordinated Units reported herein for investment purposes, and the Reporting Persons intend to review their investments in the Issuer on a continuing basis. Any actions the Reporting Persons might undertake will be dependent upon the Reporting Persons' review of numerous factors, including, but not limited to: an ongoing evaluation of the Issuer's business, financial condition, operations and prospects; price levels of the Issuer's securities; general market, industry and economic conditions; the relative attractiveness of alternative business and investment opportunities; and other future developments.

The Reporting Persons may, at any time and from time to time, acquire additional securities of the Issuer, or retain or sell all or a portion of the securities then held, in the open market or in privately negotiated transactions.

In addition, the Reporting Persons own 50% of the membership interests of CONE, which owns all of the membership interests in the Issuer's General Partner and appoints the General Partner's board of directors. The Reporting Persons may engage in discussions with management, the board of directors, and unitholders of the Issuer and other relevant parties or encourage such persons to consider or explore extraordinary corporate transactions, such as: a merger; sales

or acquisitions of assets or businesses; changes to the capitalization or distribution policy of the Issuer; or other material changes to the Issuer's business or legal structure.

(a) The Subordinated Units owned of record by the Reporting Persons are convertible into Common Units on a one-for-one basis upon the termination of the subordination period as set forth in the Partnership

Agreement. The General Partner may grant restricted units, phantom units, distribution equivalent rights, unit options, unit appreciation rights, unit awards, profits interest units and other unit-based awards to officers, directors and employees of the General Partner and its affiliates pursuant to the CONE Midstream Partners LP 2014 Long-Term Incentive Plan (the "LTIP").

(b) None.

(c) None.

(d) The General Partner has sole responsibility for conducting the Issuer's business and managing its operations and is ultimately controlled by CONE. The Reporting Persons own 50% of the membership interests of CONE. Some of the Reporting Persons' executive officers and directors also serve as executive officers or directors of the General Partner. Neither the General Partner nor its board of directors will be elected by the Issuer's unitholders. Through their ownership interest in CONE, the Reporting Persons have significant influence in electing the members of the board of directors of the General Partner.

(e) Subject to the restrictions contained in the Partnership Agreement, the Reporting Persons, as indirect owners of 50% of the membership interests the General Partner, has significant influence over the amount of distributions declared by the Issuer and may influence the Issuer to change its capitalization, through the issuance of debt or equity securities, from time to time in the future. The Reporting Persons have no current intention of changing the present capitalization or distribution policy of the Issuer.

(f) None.

(g) None.

(h) None.

(i) None.

(j) None.

(a) - (j) Except for the matters set forth above in this Schedule 13D, the Reporting Persons have no plans or proposals that relate to, or could result in, any of the matters referred to in paragraphs (a) through (j) inclusive of the instructions to Item 4 of Schedule 13D.

Item 5. Interest in Securities of the Issuer

- (a) After giving effect to the IPO and the First Drop Down, the CNX Gas LLC directly owns, and CONSOL indirectly owns, 7,110,637 Common Units, representing 20.7% of the outstanding Common Units of the Issuer (without giving effect to the conversion of any of the Subordinated Units), and 14,581,561 Subordinated Units, representing 50% of the Subordinated Units of the Issuer.

If all of the Subordinated Units were converted into Common Units as of the date of this report, the Reporting Person's beneficial ownership would be a 34.2% aggregate limited partner interest.

Through its ownership of the General Partner, the Reporting Person may be deemed to indirectly beneficially own 50% of the General Partner's 2.0% general partner interest and 50% of the incentive distribution rights in the Issuer.

- (b) The information set forth in Items 7 through 11 of the cover pages hereto is incorporated herein by reference.
- (c) The information set forth in Item 3 is incorporated herein by reference. Except as otherwise described herein, the Reporting Person has not effected any transactions in the Common Units during the past 60 days.
- (d) The Reporting Persons have the right to receive distributions from, and the proceeds from the sale of, the Common Units reported on the cover pages of this Schedule 13D and in this Item 5. Except for the

foregoing, no other person is known by the Reporting Persons to have the right to receive or the power to direct the receipt of distributions from, or the proceeds from the sale of, Common Units beneficially owned by the Reporting Persons.

(e) Not applicable.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer.

The information provided or incorporated by reference in Item 3 and Item 4 is hereby incorporated by reference herein.
