The Boards believe that the significance of each Director's experience, qualifications, attributes or skills is an individual matter (meaning that experience that is important for one Director may not have the same value for another) and that these factors are best evaluated at the Board level, with no single Director, or particular factor, being indicative of Board effectiveness. However, the Boards believe that Directors need to have the ability to critically review, evaluate, question and discuss information provided to them, and to interact effectively with Fund management, service providers and counsel, in order to exercise effective business judgment in the performance of their duties. Experience relevant to having this ability may be achieved through a Director's educational background; business, professional training or practice (e.g., accounting, finance or law); public service or academic positions;

experience from service as a board member or as an executive of investment funds, public companies or significant private or not-for-profit entities or other organizations; and/or other life experiences. To assist them in evaluating matters under federal and state law, the Independent Directors are counseled by their own independent legal counsel, who participates in Board meetings and interacts with the Adviser, and also may benefit from information provided by the Funds' counsel; both counsel to the Independent Directors and counsel to the Funds have significant experience advising fund board members and funds. The Boards and their committees have the ability to engage other experts as appropriate. The Boards evaluate their performance on an annual basis.

Board Composition and Leadership Structure

The 1940 Act requires that at least 40% of the Funds' Directors be Independent Directors. Currently, five of the six Directors of each Fund are Independent Directors. The Independent Directors exercise their informed business judgment to appoint an individual of their choosing to serve as Chairman of the Boards, regardless of whether the Director happens to be independent or a member of management. The Boards have determined that their leadership structure, in which the Chairman of the Boards is an interested person of the Funds, is appropriate because the Independent Directors believe that an interested Chairman has a personal and professional stake in the quality and continuity of services provided by management to the Funds. The Independent Directors have determined that they can act independently and effectively without having an Independent Director serve as Chairman of the Boards and

that a key factor for assuring that they are in a position to do so is for the Directors who are independent of management to constitute a substantial majority of

the Funds' Boards. In addition, the Independent Directors of the Funds have designated a Lead Independent Director who chairs meetings or executive sessions of the Independent Directors, reviews Board meeting agendas, represents the views of the Independent Directors to management and facilitates communication among the Independent Directors and their counsel and between management and the Independent Directors.

Boards' Oversight Role

The Boards' primary role is oversight of the management of the Funds. As is the case with virtually all investment companies, service providers to the Funds, primarily the Adviser and its affiliates, have responsibility for the day-to-day management of the Funds, which includes responsibility for risk management (including management of investment performance and investment risk, valuation risk, issuer and counterparty credit risk, compliance risk and operational risk). As part of its oversight, each Board, acting at its scheduled meetings, or the Chairman or Lead Independent Director, acting between Board meetings, regularly interacts with and receives reports from senior personnel of service providers. The Boards' Audit Committees (which consist of all of the Independent Directors, with the exception of Mr. Borden) meet regularly, and, between meetings, the Audit Committee Chair has access to the Funds' independent registered public accounting firm and to the Funds' Treasurer. The Boards also receive periodic presentations from senior personnel of the Adviser or its affiliates regarding risk management, as well as periodic presentations regarding specific operational, compliance or investment areas, such as business continuity, personal trading, valuation, credit and investment research. The Adviser and other service providers have adopted a variety of policies, procedures and controls designed to address each Fund's particular risks. However, it is not possible to eliminate, or even to mitigate, all of the risks applicable to a Fund. The Boards receive reports from Fund counsel and the Independent Directors' own independent legal counsel regarding regulatory, compliance and governance matters. The Boards' oversight role does not make the Boards a guarantor of the Funds' investments or activities or of the activities of any of the Funds' service providers.

Compensation of Directors and Executive Officers

During the fiscal year ended December 31, 2016, the Boards held five joint board meetings for AFT and AIF and one special board meeting for AFT. Each Director of the Funds attended at least 75% of the meetings of the Boards and of any Committees of which he was a member. Each Director receives an annual retainer fee of \$16,000 for serving as a Director of each Fund, plus \$2,000 for each in-person Board meeting of a single Fund (\$3,000, or \$1,500 per Fund, for a joint meeting of both Funds), plus \$1,000 for attendance at telephonic board meetings of a single Fund or participation in special committee meetings of a single Fund not held in conjunction with regularly scheduled Board meetings (\$1,500, or \$750 per Fund, for a joint meeting of both Funds). In addition, the Chairperson of the Audit Committee receives an additional annual retainer fee of \$5,000. Each Fund also reimburses Directors for travel and other out-of-pocket expenses incurred by them in connection with attending meetings of the Board. The compensation paid by each Fund to the Independent Directors for the fiscal year ended December 31, 2016 is set forth below. No compensation is paid by the Funds to the Interested Director. No executive officers of the Funds received compensation from either Fund in excess of \$60,000.

Independent Director	AFT	AIF	Pension or Retirement Benefits Accrued as Part of Fund Expenses
Robert L. Borden*	\$ 22,750	\$ 22,750	None
Glenn N. Marchak**	\$ 28,750	\$ 27,750	None
Carl J. Rickertsen	\$ 23,000	\$ 22,000	None

Elliot Stein, Jr.	\$ 23,750	\$ 22,750	None

- * Mr. Borden is not a member of the Boards Nominating and Corporate Governance Committees or Audit Committees.
- ** Audit Committee Chair for both Funds.

AFT and AIF together reimbursed the Independent Directors a total of \$9,173 for out-of-pocket expenses incurred in attending the Board and Committee meetings, as applicable, for the year ended December 31, 2016.

Audit Committee

Each Board has an Audit Committee comprised of all the Independent Directors (with the exception of Mr. Borden), each of whom is also independent under the rules of the NYSE. The Audit Committee for AFT and AIF met jointly four times during the fiscal year ended December 31, 2016. The functions of the Audit Committee of each Board are to (a) assist the Board in its oversight of (i) the integrity of the financial statements of each Fund; (ii) the independent registered public accounting firm (the Independent Auditor) qualifications and independence; (iii) the performance of

the internal audit function and Independent Auditor; and (iv) the compliance by each Fund with legal and regulatory requirements and (b) prepare an audit committee report as required by Regulation S-K under the 1934 Act. The Funds Audit Committee Charter, which describes the Audit Committee s purpose and duties, is available at www.agmfunds.com. This reference to the website does not incorporate the content of the website into this Joint Proxy Statement.

Audit Committee Report

The Funds' Audit Committees oversee the financial reporting process on behalf of the Boards. Management has the primary responsibility for the financial statements and the reporting process, including the systems of internal control over financial reporting. In fulfilling its oversight responsibilities, each Fund's Audit Committee reviewed and discussed with management the audited financial statements in the Funds' Annual Report for the fiscal year ended December 31, 2016.

The Funds' Audit Committees reviewed with the Independent Auditor, which is responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, its judgments as to the quality, not just the acceptability, of the Funds' accounting principles and such other matters as are required to be discussed with the committee under the standards of the Public Company Accounting Oversight Board (United States) (PCAOB). In addition, the Funds' Audit Committees discussed with the Independent Auditor the Independent Auditor's independence from management and each Fund, including the Independent Auditor's letter and the matters in the written disclosures required by the PCAOB provided to the Audit Committees.

The members of the Audit Committee for each Fund are not, and do not represent themselves to be, professionally engaged in the practice of auditing or accounting and are not employed by the Funds for accounting, financial management, or internal control purposes. Accordingly, each Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and/or financial reporting principles and policies, or internal controls and procedures, designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, each Audit Committee's considerations and discussions referred to above do not guarantee that the audit of the Funds' financial statements has been carried out in accordance with the standards of the PCAOB or that the financial statements are presented in accordance with generally accepted accounting principles (United States).

Based on its consideration of the audited financial statements and the discussions referred to above with management and the Independent Auditor, and subject to the limitations on the responsibilities and the role of the Funds' Audit Committees set forth in the Funds' Audit Committee Charters and those discussed above, the Audit Committee of each Fund recommended to the relevant Board that the Fund's audited financial statements be included in the Funds' Annual Report for the fiscal year ended December 31, 2016.

This report was submitted by the Audit Committees of the Funds' Board of Directors on February 14, 2017:

Glenn N. Marchak, Chairman

Carl J. Rickertsen

Todd J. Slotkin

Elliot Stein, Jr.

Nominating and Corporate Governance Committee

Each Board has a Nominating and Corporate Governance Committee comprised of all the Independent Directors (with the exception of Mr. Borden). The Nominating and Corporate Governance Committee for AFT and AIF met jointly twice during the fiscal year ended December 31, 2016. The functions of the Nominating and Corporate Governance Committee include identifying, selecting or recommending qualified nominees to be elected to the Funds' Boards at the annual meetings of shareholders (consistent with criteria approved by the Boards); identifying, selecting or recommending qualified nominees to fill any vacancies on the Boards or any committees thereof (consistent with

criteria approved by the Boards); developing and recommending to the Boards a set of corporate governance principles applicable to each Fund; overseeing the evaluation of the Boards,

any committees thereof and management; and undertaking such other duties and responsibilities as may from time to time be delegated by the Boards to the Funds' Nominating and Corporate Governance Committees. The Funds' Nominating and Corporate Governance Committee Charter is available at www.agmfunds.com. This reference to the website does not incorporate the content of the website into this Joint Proxy Statement.

The Funds' Nominating and Corporate Governance Committees have not established any specific minimum qualifications that must be met for the Committee to consider a nominee. In nominating candidates, including candidates recommended by shareholders as provided below, each Nominating and Corporate Governance Committee will take into consideration such factors as it deems appropriate, including, to the extent required, compliance with the independence and other applicable requirements of the federal securities laws, the listing standards of the NYSE and any other applicable laws, rules or regulations; a candidate's experiences, qualifications, attributes or skills described above under "Information About Each Director's and Nominee's Experience, Qualifications, Attributes or Skills"; and personal and professional integrity, character, time availability in light of other commitments, dedication, conflicts of interest and such other relevant factors that the Nominating and Corporate Governance Committee considers appropriate. Each Nominating and Corporate Governance Committee may consider whether a potential nominee's professional experience, education, skills, and other individual qualities and attributes, including gender, race or national origin, would provide beneficial diversity of skills, experience or perspective to the Boards' membership and collective attributes. Such considerations will vary based on the Boards' existing membership and other factors, such as the strength of a potential nominee's overall qualifications relative to diversity considerations. Each Nominating and Corporate Governance Committee will consider Director candidates recommended by shareholders and submitted in accordance with applicable law and procedures as described in this Joint Proxy Statement (see "Submission of Shareholder Proposals" below.)

Other Board-Related Matters

Shareholders who wish to send communications to the relevant Fund's Board should send them to the Secretary of the Apollo Senior Floating Rate Fund Inc. or the Apollo Tactical Income Fund Inc., as applicable, at 9 West 57th Street, New York, NY 10019. All such communications will be directed to the relevant Board's attention.

The Funds do not have a formal policy regarding Director attendance at the annual meeting of shareholders. Each Director attended each of AFT's and AIF's 2016 annual meeting of shareholders.

Required Vote

The election of each of Messrs. Borden and Rickertsen as a Director of the Funds requires the affirmative vote of a majority of the outstanding shares of each Fund's Common Stock entitled to vote at the Annual Meeting in person or by proxy.

SUBMISSION OF SHAREHOLDER PROPOSALS

All proposals by shareholders of a Fund that are intended to be presented at the Funds' next Annual Meeting of Shareholders to be held in 2018 must be received by the Fund for consideration for inclusion in the Funds' proxy statement relating to the meeting no later than December 11, 2017, and must satisfy the requirements of federal securities laws.

The Bylaws of each Fund currently require shareholders wishing to nominate Directors or propose other business to be brought before the Funds' 2018 Annual Meeting to provide timely notice of the proposal in writing to the Secretary of the Fund and, in the case of such other business, such other business must otherwise be a proper matter for action by the Fund's shareholders. To be considered timely, any such notice must be

delivered to the principal executive office of the Apollo Senior Floating Rate Fund Inc. or the Apollo Tactical Income Fund Inc. at 9 West 57th Street, New York, NY 10019 not earlier than November 11, 2017, nor later than 5:00 p.m., E.T., on December 11, 2017. Any such notice by a shareholder must set forth all information required by the relevant Fund's Bylaws with respect to each nominee or other matter the shareholder proposes to bring before the annual meeting.

ADDITIONAL INFORMATION

Independent Registered Public Accounting Firm

Deloitte & Touche LLP (Deloitte), 30 Rockefeller Plaza, New York, NY 10112, has been selected to serve as the Funds' independent registered public accounting firm for each Fund's fiscal year ending December 31, 2017. A representative of Deloitte will not be present at the Meeting, but will be available by telephone to respond to appropriate questions and will have an opportunity to make a statement, if the representative desires.

Set forth in the table below are the audit fees and non-audit related fees billed to each Fund by Deloitte for professional services for the fiscal years ended December 31, 2015 and 2016.

Fund	For the year ended		Audit-Related		
	December 31,	Audit Fees	Fees	Tax Fees*	All Other Fees**
AFT	2016	\$ 190,000	\$ 0	\$ 7,420	\$ 0
AFT	2015	\$ 190,000	\$ 0	\$ 7,420	\$ 0
AIF	2016	\$ 190,000	\$ 0	\$ 7,420	\$ 0
AIF	2015	\$ 190,000	\$ 0	\$ 7,420	\$ 0

* Tax Fees are those fees related to Deloitte's tax consulting services, including primarily the review of each Fund's income tax returns.

** All Other Fees include the aggregate fees billed for products and services provided by Deloitte, other than the reported services.

The Funds' Audit Committee Charter requires that the Audit Committee pre-approve all audit and non-audit services to be provided by Deloitte to the Funds, and all non-audit services to be provided by Deloitte to the Funds' Adviser and any entity controlling, controlled by or under common control with the Funds' Adviser (Affiliates) that provides ongoing services to a Fund, if the engagement relates directly to the operations and financial reporting of the Fund. Alternatively, the Audit Committee also may delegate pre-approval to one of its members subject to subsequent reporting to the Audit Committee. All of the audit and non-audit services described above for which Deloitte billed a Fund fees for the fiscal years specified above were pre-approved by the Funds' Audit Committees, as required.

The aggregate non-audit fees billed by Deloitte for services rendered to AFT and the Adviser or its Affiliates that provide ongoing services to AFT for the fiscal years ended December 31, 2016 and 2015 were \$7,420 and \$7,420, respectively.

The aggregate non-audit fees billed by Deloitte for services rendered to AIF and the Adviser or its Affiliates that provide ongoing services to AIF for the fiscal years ended December 31, 2016 and 2015 were \$7,420 and \$7,420, respectively.

The Audit Committees of the Funds have considered whether the provision of non-audit services that were rendered to the Adviser or its Affiliates that provide ongoing services to the Funds that were not pre-approved pursuant to paragraph (c)(7)(ii) of Rule 2-01 of Regulation S-X is compatible with maintaining Deloitte's independence.

Investment Adviser and Administrator

Apollo Credit Management, LLC serves as the investment adviser to each Fund. The principal executive office of the Adviser is 9 West 57th Street, New York, NY 10019. Each Fund and the Adviser have entered into an Administrative Services and Expense Reimbursement Agreement pursuant to which the Adviser provides certain administrative and other services to the Fund at cost.

BNY Mellon Investment Servicing (US) Inc., located at 4400 Computer Drive, Westborough, Massachusetts 01581, serves as administrator to the Funds.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the 1934 Act and Section 30(h) of the 1940 Act require the Funds' Directors and executive officers, certain persons affiliated with a Fund and persons who beneficially own more than 10% of a registered class of a Fund's securities to file reports of ownership and changes of ownership with the SEC, the NYSE and the applicable Fund. Directors, officers and greater-than-10% shareholders are required by SEC regulations to furnish the relevant Fund with copies of such forms they file. Based solely upon its review of the copies of such forms received by it and representations from certain of such persons, the Funds believe that during 2016 all such filing requirements applicable to such persons were met.

Credit Agreements

On May 11, 2016, AFT entered into a \$150,000,000 revolving credit facility with Sumitomo Mitsui Banking Corporation (SMBC) as lender. AFT has granted a security interest in substantially all of its assets in the event of default under the credit facility. Under the credit facility, AFT may borrow a single term loan not to exceed \$112,500,000 (the Term Loan) and may borrow up to an additional \$37,500,000 on a revolving basis (the Revolving Loans). AFT may borrow on a revolving basis until May 11, 2019. Any loans outstanding must be repaid in full on May 11, 2019. AFT will pay SMBC a quarterly commitment fee equal to 0.15% per annum on the average daily amount of available commitments. As of December 31, 2016, \$9,000,000 of the available revolving credit remains undrawn. As of December 31, 2016, AFT has \$141,000,000 principal outstanding, which is comprised of a Term Loan of \$112,500,000 and three Revolving Loans totaling \$28,500,000, all of which bear interest at a rate of the three-month London Interbank Offered Rate (LIBOR) plus 1.05%.

On April 22, 2016, AIF entered into a \$138,000,000 revolving credit facility with JPMorgan Chase Bank, N.A. as lender and administrative agent. AIF has granted a security interest in substantially all of its assets in the event of default under the credit facility. AIF may borrow on a revolving basis until April 21, 2017. Any loans outstanding under the credit facility must be repaid in full on April 21, 2017. The loans bear interest at a rate of three-month LIBOR plus 1.00%. As of December 31, 2016, AIF has \$138,000,000 outstanding, which is the maximum commitment amount under the credit facility.
