**Tokyo, October 27, 2017** Nomura Holdings, Inc. (the Company) today announced that it has finalized the details of the issuance of stock acquisition rights at the Executive Management Board as outlined below.

**1. Stock Acquisition Rights to be Issued**

Stock Acquisition Rights No. 84 (for employees of subsidiaries of the Company)<sup>1</sup>

**2. Reasons for Issuance of Stock Acquisition Rights as Stock Options**

The exercise price of the stock acquisition rights ( Exercise Price ) shall be determined based on the market price of the Company's common stock at the time the Stock Acquisition Rights are granted. Stock Acquisition Rights No. 84 are tax-qualified in Japan.

The Stock Acquisition Rights are to be issued to employees of subsidiaries of the Company and are expected to have the following benefits by restricting the exercise of the rights for two years after being granted.

1. Retain talented personnel for longer terms by introducing deferred payment rather than paying compensation entirely in cash.
2. Align the interests of employees of subsidiaries of the Company with those of shareholders by reflecting changes in shareholder value in compensation packages.

**3. Number of Stock Acquisition Rights Grants and Grantees**

| No. 84                   | Employees of the Company's Subsidiaries |                                    |   |

\* Number of grants per person is between 5 and 50

The above figures for the number of stock acquisition rights are the projected numbers to be granted. Should the number decrease due to grantees not applying or other reasons, the revised number of Stock Acquisition Rights will be issued.
