**iii. Segment Information**

DOCOMO's chief operating decision maker (the CODM) is its Board of Directors. The CODM evaluates the performance and makes resource allocations of its segments based on the information provided by DOCOMO's internal management reports.

DOCOMO has three operating segments, which consist of telecommunications business, smart life business and other businesses.

The telecommunications business includes mobile phone services (LTE(Xi) services and FOMA services), optical-fiber broadband service, satellite mobile communications services, international services and the equipment sales related to these services. The smart life business includes video and music distribution, electronic books and other services offered through DOCOMO's dmarket portal, as well as finance/payment services, shopping services and various other services to support our customers' daily lives. The other businesses primarily includes Mobile Device Protection Service, as well as development, sales and maintenance of IT systems.

Accounting policies used to determine segment operating revenues and operating income (loss) are consistent with those used to prepare the consolidated financial statements in accordance with U.S. GAAP.
