5,000,000 Shares of Common Stock**

This prospectus relates to 5,000,000 shares of our common stock that we may offer and issue from time to time in connection with future acquisitions of other businesses, assets or securities by us.

We will determine the amount and type of consideration to be offered and the other specific terms of each acquisition following negotiation by us with the owners or controlling persons of the businesses, assets or securities to be acquired. The consideration for any such acquisition may consist of shares of our common stock or a combination of common stock, cash, notes or assumption of liabilities. We may structure business acquisitions in a variety of ways, including acquiring stock, other equity interests or assets of the acquired business or merging the acquired business with us (including one of our subsidiaries). We expect that the shares of common stock issued in connection with these transactions will be valued at a price reasonably related to the market value of our common stock either at the time an agreement is reached regarding the terms of the acquisition, at the time we issue the shares, or during some other negotiated period. Persons to whom we issue our common stock under this prospectus may also use this prospectus to resell the common stock. We have not fixed a period of time during which the common stock offered by this prospectus may be offered or sold.

We may also issue shares of common stock upon the exercise of options, warrants, convertible securities or other similar securities assumed or issued by us from time to time in connection with these transactions.

We will pay all expenses of this offering. We will not pay underwriting discounts or commissions in connection with issuing these shares, although we may pay finder's fees in specific acquisitions. HORACE MANN EDUCATORS CORPORATION

Horace Mann Educators Corporation (HMEC ; and together with its subsidiaries, the Company or Horace Mann) is an insurance holding company incorporated in Delaware. Through its subsidiaries, HMEC markets and underwrites personal lines of property and casualty (primarily personal lines of automobile and property) insurance, retirement products (primarily tax-qualified annuities) and life insurance in the United States of America (U.S.). HMEC 's principal insurance subsidiaries are Horace Mann Life Insurance Company, Horace Mann Insurance Company, Horace Mann Property & Casualty Insurance Company and Teachers Insurance Company, each of which is an Illinois corporation, and Horace Mann Lloyds, an insurance company domiciled in Texas.

Founded by Educators for Educators®, we market our products primarily to K-12 teachers, administrators and other employees of public schools and their families. Our nearly one million customers typically have moderate annual incomes, with many belonging to two-income households. Their financial planning tends to focus on retirement, security, savings and primary insurance needs. Management believes that Horace Mann is the largest national multiline insurance company focused on the nation 's educators as its primary market.

We market and service our products primarily through a dedicated sales force of full-time Exclusive Distributors supported by the Company 's Customer Contact Center. These agents sell Horace Mann 's products and limited additional third-party vendor products. Some of these agents are former educators or individuals with close ties to the educational community who utilize their contacts within, and knowledge of, the target market. This dedicated agent sales force is supplemented by an independent agent distribution channel for our retirement products.

We conduct and manage our business through four segments. The three operating segments, representing the major lines of insurance business, are: property and casualty insurance, retirement products, and life insurance. We do not allocate the impact of corporate-level transactions to the operating segments, consistent with the basis for management 's evaluation of the results of those segments, but classify those items in the fourth segment, corporate and other.

We are one of the largest participants in the K-12 educator portion of the 403(b) tax-qualified annuity market, measured by 403(b) net written premium on a statutory accounting basis. Our 403(b) tax-qualified annuities are voluntarily purchased by individuals employed by public school systems or other tax-exempt organizations through the employee benefit plans of those entities. We have 403(b) payroll deduction capabilities utilized by approximately 30% of the 13,600 public school districts in the U.S.

Unless the context otherwise requires, the terms we, our, Horace Mann, and us refer to Horace Mann Educators Corporation and/or its subsidiaries, as appropriate. The term you refers to a prospective investor.

RISK FACTORS

Investing in our common stock involves risks. Before making an investment decision, you should carefully consider the specific risks set forth under the caption "Risk Factors" in the applicable prospectus supplement as well as under the caption "Risk Factors" in our filings with the SEC pursuant to Sections 13(a), 13(c), 14 or 15(d) of the Exchange Act of 1934, as amended (the "Exchange Act"), which are incorporated by reference into this prospectus. Our business is influenced by many factors that are difficult to predict and beyond our control and that involve uncertainties that may materially affect our results of operations, financial condition or cash flows, or the value of our common stock. If any one or more of the risks set forth in the applicable prospectus supplement or documents incorporated by reference into this prospectus actually occur, our business, financial condition or results of operations would likely suffer. In addition, the trading price of our common stock could decline, and you may lose all or part of your investment in our common stock.

SPECIAL NOTE ON FORWARD-LOOKING INFORMATION

This prospectus and any accompanying prospectus supplement and the documents incorporated herein and therein by reference contain statements that are forward-looking. Statements that are not historical facts, including statements about our beliefs and expectations, are forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended (the "Securities Act"), and Section 21E of the Securities Exchange Act of 1934, as amended (the "Exchange Act"). We want to caution readers that these statements may change based on various factors, and are subject to known and unknown risks and uncertainties. These forward-looking statements are based on current expectations and assumptions that are subject to risks and uncertainties and actual results could differ materially. Words such as estimate, target, project, plan, believe, expect, anticipate, intend and similar expressions are used in such forward-looking statements. Forward-looking statements speak only as of the date they are made, and we undertake no obligation to update or revise any such statements or release publicly any revisions to these forward-looking statements to reflect new information, events or circumstances after the date of this prospectus or the occurrence of unanticipated events, except as required by law or regulation. Forward-looking statements are not guarantees of future performance. They involve risks, uncertainties and assumptions. Our future performance and actual results may differ materially from those expressed in forward-looking statements. Many of the factors that will determine these results are beyond our ability to control or predict. Accordingly, you should not place undue reliance on forward-looking statements, which speak only as of, and are based on information available to us on, the date of the applicable document. All subsequent written and oral forward-looking statements attributable to us or any person acting on our behalf are expressly qualified in their entirety by the cautionary statements contained or referred to in this section.

A detailed discussion of the factors that could cause actual results to differ materially from our published expectations is contained under the heading "Risk Factors" in our filings with the SEC, including our Annual Report on Form 10-K for the fiscal year ended December 31, 2017, and any other reports we file with the SEC in the future, which are incorporated by reference into this prospectus.

ACQUISITION PROGRAM AND PLAN OF DISTRIBUTION

The shares of our common stock covered by this prospectus may be offered by us from time to time in connection with future acquisitions of other businesses, assets or securities. We expect that any acquisition opportunities will occur in the property and casualty insurance business, retirement products, and life insurance markets. To the extent we seek acquisition targets, we anticipate them to have a strong middle market client focus or significant expertise in one of our focus market areas.

Table of Contents

The consideration for such acquisitions may include cash, including installment payments, earn out payments, shares of common stock, evidences of debt, other securities including securities that may be converted into common stock, guarantees, assumptions of liabilities, or any two or more of the foregoing, as determined from time to time by negotiations between us and the owners or controlling persons of the businesses, assets or securities to be acquired. In addition, we may enter into employment contracts and non-competition agreements with former owners and key executive personnel of acquired businesses. At any given time we may be engaged in preliminary discussions or negotiations with potential candidates regarding possible future acquisitions.

In general, the terms of any future acquisition will be determined by negotiations between our representatives and the owners or controlling persons of the businesses, assets or securities to be acquired. The factors taken into account in determining the terms of an acquisition may include the established quality and reputation of the business to be acquired and its management, its gross written premium, earning power, cash flow, growth potential, the location of the business and assets to be acquired, its expertise in an attractive niche, and the geographical and service diversification we anticipate as a result of the acquisition. We anticipate that shares of our common stock issued in any future acquisition will be valued at a price reasonably related to the then current market value of our common stock as reported on the New York Stock Exchange at or about the time or times of delivery of the shares. We do not expect to receive any cash proceeds, other than cash balances of acquired companies maintained in the ordinary course of business, in connection with any such issuances.

This prospectus may be supplemented to furnish the information necessary for a particular negotiated transaction, and the registration statement of which this prospectus is a part will be amended or supplemented, as required, to supply information concerning an acquisition.

We will pay all expenses of any offerings under this prospectus. We do not expect that underwriting discounts or commissions will be paid by us except that finder's fees may be paid to persons from time to time in connection with specific acquisitions. Any person receiving any such fees may be deemed to be an underwriter within the meaning of the Securities Act.

DESCRIPTION OF CAPITAL STOCK

Our authorized capital stock consists of 75,000,000 shares of common stock, \$0.001 par value per share, and 1,000,000 shares of preferred stock, \$0.001 par value per share. As of February 15, 2018, there were 40,780,247 shares of common stock and no shares of preferred stock outstanding.

The following descriptions are summaries of the material terms of our capital stock. You should refer to the applicable provisions of the Delaware General Corporation Law, our certificate of incorporation, our bylaws and the applicable prospectus supplement for additional information about our capital stock. See [Where You Can Find More Information](#).

Common Stock

The holders of common stock are entitled to one vote for each share held of record on all matters submitted to a vote of the stockholders. There is no cumulative voting for election of directors. Accordingly, the holders of a majority of the shares voted can elect all of the nominees for director. Our common stock is listed on the New York Stock Exchange under the symbol HMN.

Subject to preferences that may be applicable to any outstanding shares of preferred stock, the holders of our common stock are entitled to receive ratably those dividends when, as and if declared by our board of directors out of funds legally available for that purpose. Upon our liquidation, dissolution or winding up, subject to preferences

Table of Contents

that may be applicable to any outstanding preferred stock, the holders of our common stock are entitled to share ratably in all assets remaining or distributions to stockholders after payment of liabilities and the liquidation preferences of any outstanding shares of preferred stock. Our common stock has no preemptive or conversion rights or other subscription rights. There are no redemption or sinking fund provisions applicable to our common stock. All outstanding shares of our common stock are fully paid and nonassessable.

Limitations on Liability and Indemnification of Officers and Directors

Our amended and restated certificate of incorporation provides that, to the fullest extent permitted by Delaware law, none of our directors will be personally liable to us or to our stockholders for monetary damages for breach of fiduciary duties. The provision effectively eliminates our rights and the rights of our stockholders to recover monetary damages against a director for breach of fiduciary duty as a director. This provision does not, however, exonerate directors from liability under federal securities laws or for (1) breach of a director's duty of loyalty to us or to our stockholders, (2) acts or omissions not in good faith or that involve intentional misconduct or knowing violation of law, (3) specified willful or negligent acts relating to the payment of dividends or the repurchase or redemption of securities or (4) any transaction from which a director has derived an improper personal benefit. Our by-laws further provide for indemnification of our officers and directors.

Delaware Business Combination Statute

We are subject to Section 203 of the Delaware General Corporation Law, an anti-takeover law. In general, Section 203 prohibits a publicly held Delaware corporation from engaging in a business combination with an interested stockholder for a period of three years following the date the person became an interested stockholder, unless the business combination or the transaction in which the person became an interested stockholder is approved in a prescribed manner. Generally, a business combination includes a merger, asset or stock sale or other transaction resulting in a financial benefit to the interested stockholder. Generally, an interested stockholder is a person who, together with affiliates and associates, owns or, within three years prior to the determination of interested stockholder status, did own, 15% or more of a corporation's voting stock. The existence of this provision may have an anti-takeover effect with respect to transactions not approved in advance by the board of directors, including discouraging attempts that might result in a premium over the market price for the shares of common stock held by stockholders. If any person acquires 15% or more of our outstanding stock, that person will be subject to the provisions of Section 203.

Transfer Agent and Registrar

American Stock Transfer & Trust Company is the transfer agent and registrar for our common stock.

PART II

INFORMATION NOT REQUIRED IN PROSPECTUS

Item 20. Indemnification of Directors and Officers.

Horace Mann is a Delaware corporation. Section 145 of the General Corporation Law of the State of Delaware empowers a Delaware corporation to indemnify any persons who are, or are threatened to be made, parties to any threatened, pending or completed legal action, suit or proceedings, whether civil, criminal, administrative or investigative (other than action by or in the right of such corporation), by reason of the fact that such person was an officer or director of such corporation, or is or was serving at the request of such corporation as a director, officer, employee or agent of another corporation or enterprise. The indemnity may include expenses (including attorneys fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding, provided that such officer or director acted in good faith and in a manner he reasonably believed to be in or not opposed to the corporation's best interests, and, for criminal proceedings, had no reasonable cause to believe his conduct was illegal. A Delaware corporation may indemnify officers and directors in an action by or in the right of the corporation under the same conditions, except that no indemnification is permitted without judicial approval if the officer or director is adjudged to be liable to the corporation in the performance of his duty. Where an officer or director is successful on the merits or otherwise in the defense of any action referred to above, the corporation must indemnify him against the expenses which such officer or director actually and reasonably incurred.

Article 9 of Horace Mann's Certificate of Incorporation provides as follows:

Ninth. The Corporation shall indemnify each Director, Officer, employee or agent of the Corporation and each person who is or was serving at the request of the Corporation as a Director, Officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise in the manner and to the extent provided in the By-laws of the Corporation as the same may be amended from time to time.

Article 8 of Horace Mann's by-laws provides as follows:

Section 8.1. General. The Corporation shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending, or completed action, suit, or proceeding, whether civil, criminal, administrative, or investigative (other than an action by or in the right of the Corporation) by reason of the fact that such person is or was a Director, Officer, employee, or agent of the Corporation, or is or was serving at the request of the Corporation as a Director, Officer, employee, or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines, and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit, or proceeding if such person acted in good faith and in a manner such person reasonably believed to be in or not opposed to the best interests of the Corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe the conduct was unlawful. The termination of any action, suit, or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner which such person reasonably believed to be in or not opposed to the best interests of the Corporation, and, with respect to any criminal action or proceeding, had reasonable cause to believe that the conduct was unlawful.

Section 8.2. Derivative Actions. The Corporation shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending, or completed action or suit by or in the right of the Corporation to procure a judgment in its favor by reason of the fact that such person is or was a Director, Officer, employee, or agent of the

Corporation, or is or was serving at the request of the Corporation as a Director, Officer, employee, or agent of another corporation, partnership, joint venture, trust or other enterprise against expenses (including attorneys' fees) actually and reasonably incurred by such person in connection with the defense or settlement of such action or suit if such person acted in good faith and in a manner such person

reasonably believed to be in or not opposed to the best interests of the Corporation and except that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to the Corporation unless and only to the extent that the Court of Chancery of the State of Delaware or the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the Court of Chancery or such other court shall deem proper.

Section 8.3. Indemnification in Certain Cases. To the extent that a Director, Officer, employee, or agent of the Corporation has been successful on the merits or otherwise in defense of any action, suit, or proceeding referred to in Sections 8.1. and 8.2. of this Article 8, or in defense of any claim, issue, or matter therein, such person shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by such person in connection therewith.

Section 8.4. Procedure. Any indemnification under Sections 8.1. and 8.2. of this Article 8 (unless ordered by a court) shall be made by the Corporation only as authorized in the specific case upon a determination that indemnification of the Director, Officer, employee, or agent is proper in the circumstances because such person has met the applicable standard of conduct set forth in said Sections 8.1. and 8.2. Such determination shall be made (a) by the Board of Directors by a majority vote of a quorum consisting of Directors who were not parties to such action, suit, or proceeding, or (b) if such quorum is not obtainable, or, even if obtainable, a majority vote of a quorum of disinterested Directors so directs, by independent legal counsel in a written opinion, or (c) by the Stockholders.

Section 8.5. Advances for Expenses. Expenses incurred in defending a civil or criminal action, suit, or proceeding shall be paid by the Corporation in advance of the final disposition of such action, suit, or proceeding upon receipt of an undertaking by or on behalf of the Director, Officer, employee, or agent to repay such amount if it shall be ultimately determined that such person is not entitled to be indemnified by the Corporation as authorized in this Article 8.

Section 8.6. Rights Not Exclusive. The indemnification and advancement of expenses provided by this Article 8 shall not be deemed exclusive of any other rights to which those seeking indemnification or advancement of expenses may be entitled under any law, by-law, agreement, vote of Stockholders or disinterested Directors or otherwise, both as to action in the official capacity of such person and as to action in another capacity while holding such office, and shall continue as to a person who has ceased to be a Director, Officer, employee, or agent and shall inure to the benefit of the heirs, executors, and administrators of such a person. Any repeal, modification, or amendment of this Article 8 shall not adversely affect any rights or obligations then existing between the Corporation and any then incumbent or former Director, Officer, employee, or agent with respect to any facts then or theretofore existing or any action, suit, or proceeding theretofore or thereafter brought based in whole or in part upon such facts.

Section 8.7. Insurance. The Corporation shall have power to purchase and maintain insurance on behalf of any person who is or was a Director, Officer, employee, or agent of the Corporation, or is or was serving at the request of the Corporation as a Director, Officer, employee, or agent of another corporation, partnership, joint venture, trust, or other enterprise against any liability asserted against such person and incurred by such person in any such capacity, or arising out of the status of such person as such, whether or not the Corporation would have the power to indemnify such person against such liability under the provisions of this Article 8.

Section 8.8. Definition of Corporation. For the purposes of this Article 8, references to the Corporation shall include, in addition to the resulting corporation, any constituent corporation (including any constituent of a constituent) absorbed in a consolidation or merger which, if its separate existence had continued, would have had power and authority to indemnify its Directors, Officers, employees, and agents, so that any person who is or was a Director,

Officer, employee, or agent of such constituent corporation, or is or was serving at the request of such

constituent corporation as a Director, Officer, employee, or agent of another corporation, partnership, joint venture, trust, or other enterprise, shall stand in the same position under the provisions of this Article 8 with respect to the resulting or surviving corporation as such person would have with respect to such constituent corporation if its separate existence had continued.

Section 8.9. Definition of Other Terms. For purposes of this Article 8, references to other enterprises shall include employee benefit plans; references to fines shall include any excise taxes assessed on a person with respect to any employee benefit plan; and references to serving at the request of the Corporation shall include any service as a Director, Officer, employee, or agent of the Corporation which imposes duties on, or involves services by, such Director, Officer, employee, or agent with respect to an employee benefit plan, its participants or beneficiaries; and a person who acted in good faith and in a manner such person reasonably believed to be in the interest of the participants and beneficiaries of an employee benefit plan shall be deemed to have acted in a manner not opposed to the best interests of the Corporation as referred to in this Article 8.

In addition, the Registrant has purchased insurance which insures (subject to certain terms and conditions, exclusions and deductibles) it against certain costs which it might be required to pay by way of indemnification to its directors and officers under its certificate of incorporation, indemnification agreements or otherwise and protects individual directors and officers from certain losses for which they might not be indemnified by the Registrant. In addition, the Registrant has purchased insurance which provides liability coverage (subject to certain terms and conditions, exclusions and deductibles) for amounts which it, or the fiduciaries under its employee benefit plans (which may include its directors, officers and employees), might be required to pay as a result of a breach of fiduciary duty.

In addition, Horace Mann has entered into indemnification agreements with its directors that provide for the maximum indemnification permitted by law.

Item 22. Undertakings.

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act to any purchaser, each prospectus filed pursuant to Rule 424(b) as part of a registration statement relating to an offering, other than registration statements relying on Rule 430B or other than prospectuses filed in reliance on Rule 430A, shall be deemed to be part of and included in the registration statement as of the date it is first used after effectiveness. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use.

(5) That, for the purpose of determining liability of the registrant under the Securities Act to any purchaser in the initial distribution of the securities, the undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

- (i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;
- (ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and

(iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) The undersigned registrant hereby undertakes to deliver or cause to be delivered with the prospectus, to each person to whom the prospectus is sent or given, the latest annual report to security holders that is incorporated by reference in the prospectus and furnished pursuant to and meeting the requirements of Rule 14a-3 or Rule 14c-3 under the Exchange Act; and, where interim financial information required to be presented by Article 3 of Regulation S-X are not set forth in the prospectus, to deliver, or cause to be delivered to each person to whom the prospectus is sent or given, the latest quarterly report that is specifically incorporated by reference in the prospectus to provide such interim financial information.

(d) The undersigned registrant hereby undertakes as follows:

(1) That prior to any public reoffering of the securities registered hereunder through use of a prospectus which is a part of this registration statement, by any person or party who is deemed to be an underwriter within the meaning of Rule 145(c), the issuer undertakes that such reoffering prospectus will contain the information called for by the applicable registration form with respect to reofferings by persons who may be deemed underwriters, in addition to the information called for by the other items of the applicable form; and

(2) That every prospectus: (i) that is filed pursuant to paragraph (d)(1) immediately preceding, or (ii) that purports to meet the requirements of Section 10(a)(3) of the Securities Act and is used in connection with an offering of securities subject to Rule 415, will be filed as a part of an amendment to the registration statement and will not be used until such amendment is effective, and that, for purposes of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(e) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

(f) The undersigned registrant hereby undertakes to respond to requests for information that is incorporated by reference into the prospectus pursuant to Items 4, 10(b), 11, or 13 of this Form, within one business day of receipt of

such request, and to send the incorporated documents by first class mail or other equally prompt means. This includes information contained in documents filed subsequent to the effective date of the registration statement through the date of responding to the request.
