Settlement of the Second Installment of the Sale of Exploratory Block BM-S-8

Rio de Janeiro, March 21, 2018 Petróleo Brasileiro S.A. Petrobras informs that it has received today the second installment, in the amount of US\$ 300 million, related to the sale of its stake in the exploratory block BM-S-8 to Statoil Brasil Óleo e Gás Ltda., closed on November 22, 2016.

The settlement of this second installment was conditional on the execution of the Norte do Carcará block sharing agreement, awarded by the National Petroleum, Natural Gas and Biofuels Agency (ANP) in January 2018.

Petrobras had already received the first installment settled by Statoil, in the amount of US\$ 1.25 billion, upon the closing of the transaction. Thus, the total amount received so far for the operation amounts to US\$ 1.55 billion. The remaining amount, which will complement receipt of the US\$ 2.5 billion total operation value, will be settled through a last contingent payment related to the execution of the Production Individualization Agreement (unitization).

FORWARD-LOOKING STATEMENTS

This release includes forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended, that are subject to risks and uncertainties. The forward-looking statements, which address the Company's expected business and financial performance, among other matters, contain words such as believe, expect, estimate, anticipate, optimistic, intend, plan, aim, will, may, should, could, would, likely, and similar expressions cautioned not to place undue reliance on these forward-looking statements, which speak only as of the date on which they are made. There is no assurance that the expected events, trends or results will actually occur. We undertake no obligation to publicly update or revise any forward-looking statements, whether as a result of new information or future events or for any other reason.

The Company's actual results could differ materially from those expressed or forecast in any forward-looking statements as a result of a variety of assumptions and factors. These factors include, but are not limited to, the following: (i) failure to comply with laws or regulations, including fraudulent activity, corruption, and bribery; (ii) the outcome of ongoing corruption investigations and any new facts or information that may arise in relation to the Lava Jato Operation; (iii) the effectiveness of the Company's risk management policies and procedures, including operational risk; and (iv) litigation, such as class actions or proceedings brought by governmental and regulatory agencies. A description of other factors can be found in the Company's Annual

Report on Form 20-F for the year ended December 31, 2016, and the Company's other filings with the U.S. Securities and Exchange Commission.
