PROSPECTUS SUMMARY

This summary highlights information contained elsewhere in this prospectus, is not complete, and does not contain all of the information that you should consider before making your investment decision. Overview

PDN is a dynamic operator of professional networks with a focus on diversity. Our value proposition is three-fold: (i) we provide a robust online and in-person network for our women members to make professional and personal connections (with the ability to roll out to our other affinity groups); (ii) we assist our registered users, or members, in their efforts to connect with like-minded individuals and identify career opportunities within the network; and (iii) we help employers address their workforce diversity needs by connecting them with the right candidates.

On November 7, 2016, we consummated the issuance and sale of 1,777,417 shares of common stock, to Cosmic Forward Limited, a Republic of Seychelles company wholly-owned by a group of Chinese investors (“CFL”), at a price of \$9.60 per share, pursuant to the terms of our previously announced stock purchase agreement, dated August 12, 2016 (the “Purchase Agreement”), with CFL (the “Share Issuance”). At the closing of the Share Issuance, and as contemplated by the Purchase Agreement, we entered into a Stockholders’ Agreement, dated November 7, 2016 (the “Stockholders’ Agreement”), with CFL and each of its shareholders. The Stockholders’ Agreement sets forth the agreement of the Company, CFL and the CFL shareholders relating to board representation rights, transfer restrictions, standstill provisions, voting, registration rights and other matters following the closing of the Share Issuance.

In addition, on November 7, 2016, we completed the purchase of 312,500 shares of common stock, at a price of \$9.60 per share, net to the seller in cash, less any applicable withholding taxes and without interest, pursuant to our partial issuer tender offer as disclosed in the Company’s Offer to Purchase, dated September 28, 2016, as amended (the “Tender Offer”). As a result of the completion of the Share Issuance, the Tender Offer and the other transactions contemplated by the Purchase Agreement, as of November 7, 2016, CFL beneficially owned 51% of the Company’s outstanding shares of common stock, on a fully-diluted basis.

We received approximately \$9.0 million in net proceeds from the Share Issuance, after the payment for the shares repurchased in the Tender Offer, the repayment of all amounts outstanding under the Master Credit Facility (as defined below) and the payment of transaction-related expenses at the closing.

On November 4, 2016, we entered into a Confidential Settlement and Mutual Release of All Claims (the “Release”) with Matthew B. Proman (“Proman”), pursuant to which we agreed among other things that (i) we would pay to Proman \$300,000 at the closing of the Share Issuance, (ii) the Separation Agreement and Mutual Release of All Claims, dated July 16, 2015 between Proman and PDN (the “Separation Agreement”) would be terminated as of November 4, 2016, and (iii) the Seller Promissory Note in the principal amount of \$445,000 dated September 24, 2014 in favor of Proman (the “Promissory Note”) would be terminated as of November 4, 2016. We have also agreed that notwithstanding the termination of the Separation Agreement pursuant to the Release, Proman’s co-sale right would be preserved and he would continue to hold the options and warrants he held as of November 4, 2016. On November 7, 2016, we paid Proman \$300,000 pursuant to the Release.

On November 7, 2016, in connection with the closing of the Share Issuance, we (i) repaid in full all amounts owed under the Master Credit Facility among the Company, its wholly-owned subsidiaries NAPW, Inc., Noble Voice LLC

and Compliant Lead LLC, and White Winston Select Asset Funds, LLC (“White Winston” or the “selling stockholder”), dated March 30, 2016 (the “Master Credit Facility”), and (ii) terminated the Master Credit Facility and related agreements between the Company and White Winston, including the Board Representation Agreement, dated as of June 30, 2016. All security interests created under the Master Credit Facility were released upon repayment of the amounts under and termination of the Master Credit Facility.

RISK FACTORS

An investment in our securities involves a high degree of risk. You should carefully consider each of the risk factors set forth in our most recent Annual Report on Form 10-K, as updated by our Quarterly Reports on Form 10-Q and other SEC filings filed after such annual report, and future filings with the SEC, which are incorporated by reference into this prospectus. Before making an investment decision, you should carefully consider these risks as well as other information we include or incorporate by reference in this prospectus and any prospectus supplement. Any of these risks and uncertainties could have a material adverse effect on our business, financial condition, cash flows and results of operations. If that occurs, the trading price of our common stock could decline materially and you could lose all or part of your investment.

The risks we have incorporated by reference into this prospectus are not the only risks we face. We may experience additional risks and uncertainties not currently known to us, or as a result of developments occurring in the future. Conditions that we currently deem to be immaterial may also materially and adversely affect our business, financial condition, cash flows and results of operations.

MASTER CREDIT FACILITY AND COMMON STOCK WARRANTS

The following description is a summary and is qualified in its entirety by reference to the Master Credit Facility, the Warrant Agreements, and the Board Representations Agreement (all as defined below), which are filed as exhibits to the registration statement of which this prospectus forms a part, and by applicable law.

On March 30, 2016, we and certain of our subsidiaries entered into the Master Credit Facility with White Winston. The Master Credit Facility provided for a revolving credit facility in the original principal amount up to \$5,000,000, provided that the borrowings thereunder may not exceed 75% of our eligible customer receivables, as determined pursuant to the Master Credit Facility, unless otherwise approved in White Winston’s discretion. Borrowings under the Master Credit Facility bear interest at 8% per annum, subject to an increase of 700 basis points in case of an event of default.

In connection with the closing of the Master Credit Facility, we issued three warrants to White Winston: (i) a warrant (the “Fixed \$2.00 Warrant”) to purchase up to 125,000 shares of our common stock at an exercise price of \$2.00 per share, (ii) a warrant (the “Pro Rata Warrant”) to purchase at an exercise price of \$2.00 per share a certain number of shares of our common stock, up to 218,750 shares, pro rata based on the ratio of the actual advances made under the Master Credit Facility to the maximum principal amount of the Master Credit Facility, and (iii) a warrant (the “Fixed \$20 Warrant,” and together with the Fixed \$2.00 Warrant and the Pro Rata Warrant, the “Warrants”) to purchase up to 125,000 shares of our common stock at an exercise price of \$20 per share. The Fixed \$2.00 Warrant and the Pro Rata Warrant are exercisable for five years from the date of issuance and the Fixed \$20 Warrant is exercisable for five years beginning on December 30, 2016.

In connection with the closing of the Master Credit Facility, we also entered into a Board Representation Agreement (the “Board Representation Agreement”) with White Winston. Under the Board Representation Agreement, we granted White Winston the right to designate nominees for election to our Board from the date the principal amount outstanding under the Master Credit Facility first exceeds \$2,000,000 until such time as White Winston’s ownership interest in our common stock (calculated pursuant to the terms of the Board Representation Agreement) falls below five percent for 60 consecutive days. Pursuant to the terms of the Board Representation Agreement, White Winston also received the right, subject to certain exceptions, to purchase a portion of any shares of common stock and any warrants, options, debentures or other securities exercisable or exchangeable for or convertible into shares of common stock offered for sale by us. The number of new securities White Winston was entitled to purchase were to be determined pursuant to the terms of the Board Representation Agreement in proportion to White Winston’s interest.

On August 10, 2016, we and our wholly-owned subsidiaries, NAPW, Inc., Noble Voice LLC and Compliant Lead LLC, entered into an Amendment to Master Credit Facility and Consent and Waiver Agreement (the “Amendment”) with White Winston. Pursuant to the Amendment, White Winston consented to the acquisition of our common stock by CFL and the other transactions contemplated by the Purchase Agreement and waived its participation rights and board representation rights under the Board Representation Agreement in connection therewith. In consideration for the Amendment, we agreed that the Pro Rata Warrant shall be fully exercisable, notwithstanding the pro rata formula set forth in the Warrant, and paid a fee of \$15,000. In addition, White Winston granted us an option to repurchase its outstanding, in-the-money Warrants following consummation of the Tender Offer on the terms set forth in the

Amendment.

4

Table of Contents

We were also a party to a Consulting and Monitoring Agreement (the “Consulting Agreement”) with White Winston, pursuant to which we paid to White Winston a monthly monitoring fee at White Winston’s hourly rate and agreed to reimburse White Winston for all reasonable and necessary out of pocket fees and expenses. As of September 30, 2016, we had paid \$138,325 to White Winston under the Consulting Agreement.

On November 7, 2016, in connection with the closing of the Share Issuance, we (i) repaid in full amounts owed under the Master Credit Facility and (ii) terminated the Master Credit Facility and related agreements between us and White Winston, including the Board Representation Agreement. All security interests created under the Master Credit Facility were released upon repayment of the amounts due under and the termination of the Master Credit Facility.

Pursuant to the Warrants, we are registering 246,445 shares of our common stock issued to White Winston upon the exercise of the Warrants. White Winston continues to hold the Fixed \$20.00 Warrant.

DIVIDEND POLICY

We have not paid cash dividends on our outstanding common stock, and we do not currently anticipate paying cash dividends on our outstanding common stock in the near future.

While we have no current plans to pay dividends on our common stock, we will continue to evaluate the cash generated by our business and we may decide to pay a dividend in the future. Any future determinations relating to our dividend policies and the declaration, amount and payment of any future dividends on our common stock will be at the sole discretion of our board of directors and, if we elect to pay such dividends in the future, we may reduce or discontinue entirely the payment of such dividends at any time. Our board of directors may take into account general and economic conditions, our financial condition and operating results, our available cash and current and anticipated cash needs, capital requirements, contractual, legal, tax and regulatory restrictions and implications on the payment of dividends by us to our stockholders or by our subsidiaries to us, and such other factors as our board of directors may deem relevant.

In addition, under Delaware law, we may declare and pay dividends on our capital stock either out of our surplus, as defined in the relevant Delaware statutes, or if there is no such surplus, out of our net profits for the fiscal year in which the dividend is declared and/or the preceding fiscal year. If, however, our capital, computed in accordance with the relevant Delaware statutes, has been diminished by depreciation in the value of our property, or by losses, or otherwise, to an amount less than the aggregate amount of the capital represented by the issued and outstanding stock of all classes having a preference upon the distribution of assets, we are prohibited from declaring and paying out of such net profits any dividends upon any shares of our capital stock until the deficiency has been repaired.

SELLING STOCKHOLDER

This prospectus covers the public resale of the shares of common stock received by the selling stockholder named below upon exercise of the Warrants, which we refer to collectively herein as the Shares. The selling stockholder may from time to time offer and sell pursuant to this prospectus any or all of the Shares owned by them, but makes no representation that any of the Shares will be offered for sale. The selling stockholder is not a director, officer or employee of ours or an affiliate of such person. On June 30, 2016, we entered into the Board Representation Agreement with the selling stockholder. Pursuant to the terms of a Board Representation Agreement between us and White Winston, White Winston had the right to designate nominees for election to our Board of Directors from the date the principal amount outstanding under the Master Credit Facility first exceeded \$2,000,000 until such time as White Winston's ownership interest in our common stock (as defined in the Board Representation Agreement) fell below five percent for 60 consecutive days. The Board Representation Agreement limited White Winston to, at most, two nominees, provided that certain terms were met and no event of default had occurred. If an event of default had occurred and was continuing, White Winston had the right to designate two additional nominees for election to our Board of Directors. However, the aggregate number of nominees that White Winston was entitled to designate in no event could exceed (i) 50 percent of the number of directors, rounded down to the nearest whole number, if the Board is comprised of an odd number of Directors, and (ii) one less than half of the number of Directors, if the Board is comprised of an even number of Directors.

On November 7, 2016 in connection with the closing of the Share Issuance, the Company and White Winston terminated the Board Representation Agreement.

The table below presents information regarding the selling stockholder and the Shares that the selling stockholder may offer and sell from time to time under this prospectus.

The following table sets forth:

·the name of the selling stockholder;

·the number of Shares owned by the selling stockholder prior to the sale of the Shares covered by this prospectus;

6

Table of Contents

- the number of Shares that may be offered by the selling stockholder pursuant to this prospectus;
- the number of Shares owned by the selling stockholder following the sale of all Shares covered by this prospectus; and
- the percentage of common stock owned by the selling stockholder following the sale of all Shares covered by this prospectus.

All information with respect to common stock ownership of the selling stockholder has been furnished by or on behalf of the selling stockholder and is as of December 29, 2016. We believe, based on information supplied by the selling stockholder, that except as may otherwise be indicated in the footnotes to the table below, the selling stockholder has sole voting and dispositive power with respect to the common stock reported as beneficially owned by it. Because the selling stockholder identified in the table may sell some or all of the Shares owned by it which are included in this prospectus, and because the selling stockholder has represented to us that there are currently no agreements, arrangements or understandings with respect to the sale of any of the Shares, no estimate can be given as to the number of Shares available for resale hereby that will be held by the selling stockholder upon termination of this offering. In addition, the selling stockholder may have sold, transferred or otherwise disposed of, or may sell, transfer or otherwise dispose of, at any time and from time to time, the common stock it holds in transactions exempt from the registration requirements of the Securities Act after the date on which the selling stockholder provided the information set forth on the table below. We have, therefore, assumed for the purposes of the following table, that the selling stockholder will sell all of the Shares beneficially owned by it that are covered by this prospectus, but will not sell any other shares of our common stock that it may presently own. The percent of beneficial ownership for the selling stockholder is based on 3,622,851 shares of our common stock, outstanding as of December 29, 2016.

- We have determined beneficial ownership in accordance with the rules of the SEC. White Winston has the sole voting power and the sole dispositive power over the Shares. Todd M. Enright, Mark Blundell and Donald Feagan, (1) the managers (the “Managers”) of White Winston, have shared voting power and dispositive power over the Shares. White Winston’s and the Managers’ address is 265 Franklin St., Suite 1702, Boston, MA 02110.
- (2) Assumes that all of the Shares represented by this prospectus have been sold.

Common Stock

On December 23, 2016, 3,622,851 shares of our common stock were issued and outstanding. As of December 23, 2016, approximately 266,055 shares of common stock were reserved for issuance upon exercise of all outstanding stock options and settlement of warrants to purchase our common stock. All outstanding shares of our common stock are duly authorized, fully paid and non-assessable.

Dividends. Subject to preferential dividend rights of any other class or series of stock, the holders of shares of our common stock are entitled to receive dividends, including dividends of our stock, if, as and when declared by our board of directors, subject to any limitations applicable by law and to the rights of the holders, if any, of our preferred stock.

Liquidation. In the event we are liquidated, dissolved or our affairs are wound up, after we pay or make adequate provision for all of our known debts and liabilities, each holder of our common stock will be entitled to share ratably in all assets that remain, subject to any rights that are granted to the holders of any class or series of preferred stock.

Voting Rights. For all matters submitted to a vote of stockholders, each holder of our common stock is entitled to one vote for each share registered in the holder's name. Holders of our common stock vote together as a single class. There is no cumulative voting in the election of our directors, which means that, subject to any rights to elect directors that are granted to the holders of any class or series of Preferred Stock, a majority of the votes cast at a meeting of stockholders at which a quorum is present is sufficient to elect a director.

Other Rights and Restrictions. Subject to the preferential rights of any other class or series of stock, all shares of our common stock have equal dividend, distribution, liquidation and other rights, and have no preference, appraisal or exchange rights, except for any appraisal rights provided by Delaware law. Furthermore, holders of our common stock have no conversion, sinking fund or redemption rights, or preemptive rights to subscribe for any of our securities. Our Amended & Restated Certificate of Incorporation and Amended & Restated Bylaws do not restrict the ability of a holder of our common stock to transfer the holder's shares of our common stock.

The rights, powers, preferences and privileges of holders of our common stock are subject to, and may be adversely affected by, the rights of holders of shares of any series of preferred stock which we may designate and issue in the future.

Listing. Our common stock is listed on The Nasal Stock Market under the symbol "IPDN."

Transfer Agent and Registrar. The transfer agent for our common stock is Continental Stock Transfer & Trust Company.

Preferred Stock

Under our Amended & Restated Certificate of Incorporation we have authority, subject to any limitations prescribed by law and without further stockholder approval, to issue from time to time up to 1,000,000 shares of Preferred Stock.

The Preferred Stock is issuable in one or more series, each with such designations, preferences, rights, qualifications, limitations and restrictions as our board of directors may determine in resolutions providing for their issuance. As of December 30, 2016, no shares of Preferred Stock are issued or outstanding. The issuance of preferred stock may have the effect of delaying, deferring or preventing a change in control of us without further action by the stockholders and may adversely affect the voting and other rights of the holders of our common stock. The issuance of preferred stock with voting and conversion rights may adversely affect the voting power of the holders of common stock, including

loss of voting control to others.

Table of Contents

Pursuant to our Amended & Restated Certificate of Incorporation we are authorized to issue “blank check” preferred stock which may be issued from time to time in one or more series upon authorization by our board of directors. Our board of directors, without further approval of the stockholders, is authorized to fix the dividend rights and terms, conversion rights, voting rights, redemption rights and terms, liquidation preferences, and any other rights, preferences, privileges and restrictions applicable to each series of the preferred stock. The issuance of preferred stock, while providing flexibility in connection with possible acquisitions and other corporate purposes could, among other things, adversely affect the voting power or rights of the holders of our common stock and, under certain circumstances, make it more difficult for a third party to gain control of us, discourage bids for our common stock at a premium or otherwise adversely affect the market price of the common stock.

The summaries above of selected provisions of our common stock and Preferred Stock are qualified entirely by the provisions of our Amended & Restated Certificate of Incorporation, our Amended & Restated Bylaws and our debt agreements, all of which are included or incorporated by reference as exhibits to the registration statement of which this prospectus is a part. You should read our Amended & Restated Certificate of Incorporation, our Amended & Restated Bylaws and our debt agreements. To the extent that any particular provision described in a prospectus supplement differs from any of the provisions described in this prospectus, then the provisions described in this prospectus will be deemed to have been superseded by that prospectus supplement.

Anti-Takeover Effects of Delaware Law, Our Amended & Restated Certificate of Incorporation and Our Amended & Restated Bylaws

Some provisions of Delaware law, our Amended & Restated Certificate of Incorporation and our Amended & Restated Bylaws contain provisions that could make the following transactions more difficult: acquisitions of us by means of a tender offer, a proxy contest or otherwise or removal of our incumbent officers and directors. These provisions may also have the effect of preventing changes in our management. It is possible that these provisions could make it more difficult to accomplish or could deter transactions that stockholders may otherwise consider to be in their best interest or in our best interests, including transactions that might result in a premium over the market price for our shares.

These provisions are expected to discourage coercive takeover practices and inadequate takeover bids. These provisions are also designed to encourage persons seeking to acquire control of us to first negotiate with us. We believe that the benefits of increased protection and our potential ability to negotiate with the proponent of an unfriendly or unsolicited proposal to acquire or restructure us outweigh the disadvantages of discouraging these proposals because, among other things, negotiation of these proposals could result in an improvement of their terms.

Delaware Law

Section 203 of the DGCL prohibits a Delaware corporation from engaging in any business combination with any interested stockholder for a period of three years following the date that the stockholder became an interested stockholder, unless:

· the transaction is approved by the board of directors before the date the interested stockholder attained that status;

· upon consummation of the transaction that resulted in the stockholder becoming an interested stockholder, the interested stockholder owned at least 85% of the voting stock of the corporation outstanding at the time the transaction commenced; or

· on or after such time the business combination is approved by the board of directors and authorized at a meeting of stockholders by at least two-thirds of the outstanding voting stock that is not owned by the interested stockholder.

An interested stockholder is defined as a person who, together with any affiliates or associates of such person, beneficially owns, directly or indirectly, 15% or more of the outstanding voting shares of a Delaware corporation. The term “business combination” is broadly defined to include a broad array of transactions, including mergers, consolidations, sales or other dispositions of assets having a total value in excess of 10% of the consolidated assets of the corporation or all of the outstanding stock of the corporation, and some other transactions that would increase the interested stockholder’s proportionate share ownership in the corporation.

Table of Contents

Our Amended & Restated Certificate of Incorporation and Our Amended & Restated Bylaws

Provisions of our Amended & Restated Certificate of Incorporation and our Amended & Restated Bylaws may delay or discourage transactions involving an actual or potential change in control or change in our management, including transactions in which stockholders might otherwise receive a premium for their shares, or transactions that our stockholders might otherwise deem to be in their best interests. Therefore, these provisions could adversely affect the price of our common stock.

Among other things, our Amended & Restated Certificate of Incorporation and Bylaws:

· provide that all vacancies, including newly created directorships, may, except as otherwise required by law or, if applicable, the rights of holders of a series of preferred stock, be filled by a majority of directors then in office, even if less than a quorum, or by the sole remaining director;

· provide that our Amended & Restated Certificate of Incorporation may be amended by the affirmative vote of the holders of at a majority of our then outstanding voting stock;

· provide that special meetings of our stockholders may only be called by a chairperson, a majority of the directors then in office, our Chief Executive Officer (or our President in the absence of our Chief Executive Officer), or stockholders holding at least 25% or more of the total voting power of the outstanding shares of capital stock of the Company entitled to vote; and

· provide that our Amended & Restated Bylaws can be amended by our board of directors.

Limitations of Liability and Indemnification Matters

Our Amended & Restated Certificate of Incorporation limits the liability of our directors for monetary damages for breach of their fiduciary duty as directors, except for liability that cannot be eliminated under the DGCL. Delaware law provides that directors of a company will not be personally liable for monetary damages for breach of their fiduciary duty as directors, except for liabilities:

· for any breach of their duty of loyalty to us or our stockholders;

· for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law;

· for unlawful payment of dividend or unlawful stock repurchase or redemption, as provided under Section 174 of the DGCL; or

· for any transaction from which the director derived an improper personal benefit.

Any amendment, repeal or modification of these provisions will be prospective only and would not affect any limitation on liability of a director for acts or omissions that occurred prior to any such amendment, repeal or modification.

Our Amended & Restated Bylaws also provide that we will indemnify our directors and officers to the fullest extent permitted by Delaware law. If Delaware law is amended to authorize corporate action further eliminating or limiting the personal liability of a director, then the liability of our directors will be eliminated or limited to the fullest extent permitted by Delaware law, as so amended. Our Amended & Restated Bylaws also permit us to purchase insurance on behalf of any officer, director, employee or other agent for any liability arising out of that person's actions as our

officer, director, employee or agent, regardless of whether Delaware law would permit indemnification. We have entered into indemnification agreements with each of our directors and officers. These agreements require us to indemnify these individuals to the fullest extent permitted under Delaware law against liability that may arise by reason of their service to us, and to advance expenses incurred as a result of any proceeding against them as to which they could be indemnified. We believe that the limitation of liability provision in our Amended & Restated Certificate of Incorporation and the indemnification agreements facilitates our ability to continue to attract and retain qualified individuals to serve as directors and officers.

Table of Contents

The limitation of liability and indemnification provisions in our Amended & Restated Certificate of Incorporation and Amended & Restated Bylaws may discourage stockholders from bringing a lawsuit against directors for breach of their fiduciary duties. They may also reduce the likelihood of derivative litigation against directors and officers, even though an action, if successful, might benefit us and our stockholders. A stockholder's investment may be harmed to the extent we pay the costs of settlement and damage awards against directors and officers pursuant to these indemnification provisions. Insofar as indemnification for liabilities arising under the Securities Act may be permitted to our directors, officers and controlling persons pursuant to the foregoing provisions, or otherwise, we have been advised that, in the opinion of the SEC, such indemnification is against public policy as expressed in the Securities Act, and is, therefore, unenforceable. There is no pending litigation or proceeding naming any of our directors or officers as to which indemnification is being sought, nor are we aware of any pending or threatened litigation that may result in claims for indemnification by any director or officer.

Table of Contents

The Shares may be sold directly or through broker-dealers acting as principal or agent, or pursuant to a distribution by one or more underwriters on a firm commitment or best-efforts basis. The selling stockholder may also enter into hedging transactions with broker-dealers. In connection with such transactions, broker-dealers of other financial institutions may engage in short sales of our common stock in the course of hedging the positions they assume with the selling stockholder. The selling stockholder may also enter into options or other transactions with broker-dealers or other financial institutions which require the delivery to such broker-dealer or other financial institution of Shares offered by this prospectus, which Shares such broker-dealer or other financial institution may resell pursuant to this prospectus (as supplemented or amended to reflect such transaction). In connection with an underwritten offering, underwriters or agents may receive compensation in the form of discounts, concessions or commissions from the selling stockholder or from purchasers of the offered Shares for whom they may act as agents. In addition, underwriters may sell the Shares to or through dealers, and those dealers may receive compensation in the form of discounts, concessions or commissions from the underwriters and/or commissions from the purchasers for whom they may act as agents. The selling stockholder and any underwriters, dealers or agents participating in a distribution of the Shares may be deemed to be underwriters within the meaning of the Securities Act, and any profit on the sale of the Shares by the selling stockholder and any commissions received by broker-dealers may be deemed to be underwriting commissions under the Securities Act.

The selling stockholder may agree to indemnify an underwriter, broker-dealer or agent against certain liabilities related to the selling of its Shares, including liabilities arising under the Securities Act. Under the Warrants entered into with the selling stockholder, we have agreed to indemnify the selling stockholder against certain liabilities related to the sale of the common stock, including certain liabilities arising under the Securities Act. Under the Warrants, we have also agreed to pay the costs, expenses and fees of registering the Shares. All underwriting fees, discounts and selling commissions or similar fees or arrangements allocable to the sale of the shares of common stock will be borne by the selling stockholder.

The selling stockholder is subject to the applicable provisions of the Exchange Act, and the rules and regulations under the Exchange Act, including Regulation M. This regulation may limit the timing of purchases and sales of any of the Shares offered in this prospectus by the selling stockholder. The anti-manipulation rules under the Exchange Act may apply to sales of shares in the market and to the activities of the selling stockholder and its affiliates. Furthermore, Regulation M may restrict the ability of any person engaged in the distribution of the Shares to engage in market-making activities for the particular securities being distributed for a period of up to five business days before the distribution. The restrictions may affect the marketability of the Shares and the ability of any person or entity to engage in market-making activities for the Shares.

To the extent required, this prospectus may be amended and/or supplemented from time to time to describe a specific plan of distribution. Instead of selling the Shares under this prospectus, the selling stockholder may sell the Shares in compliance with the provisions of Rule 144 under the Securities Act, if available, or pursuant to other available exemptions from the registration requirements of the Securities Act.

Under the securities laws of some states, if applicable, the securities registered hereby may be sold in those states only through registered or licensed brokers or dealers. In addition, in some states such securities may not be sold unless they have been registered or qualified for sale or an exemption from registration or qualification requirements is available and is complied with.

We cannot assure you that the selling stockholder will sell all or any portion of our common stock offered hereby.

Item 14. Indemnification of Directors and Officers.

Section 145(a) of the DGCL provides, in general, that a corporation has the power to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation), because the person is or was a director, officer, employee or agent of the corporation or is or was serving at the request of the corporation as a director, officer, employee or agent of any other enterprise. Such indemnity may be against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by the person in connection with such action, suit or proceeding, if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of the corporation and if, with respect to any criminal action or proceeding, the person did not have reasonable cause to believe the person's conduct was unlawful.

Section 145(b) of the DGCL provides, in general, that a corporation has the power to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the corporation to procure a judgment in its favor because the person is or was a director, officer, employee or agent of the corporation or is or was serving at the request of the corporation as a director, officer, employee or agent of any other enterprise, against any expenses (including attorneys' fees) actually and reasonably incurred by the person in connection with the defense or settlement of such action or suit if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of the corporation, except that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to the corporation unless and only to the extent that the Court of Chancery or the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the Court of Chancery or such other court shall deem proper.

Section 145(g) of the DGCL provides, in general, that a corporation has the power to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the corporation or is or was serving at the request of the corporation as a director, officer, employee or agent of any other enterprise, against any liability asserted against the person in any such capacity, or arising out of the person's status as such, regardless of whether the corporation would have the power to indemnify the person against such liability under the provisions of Section 145 of the DGCL.

Article VII of the Company's certificate of incorporation and Article VIII of the Company's bylaws provide for indemnification to the fullest extent authorized by the DGCL for any person who is or was a party or threatened to be made a party to any threatened, pending or completed proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that such person is or was serving as a director or officer of the Company or while a director or officer of the Company is or was serving at the request of the Company as a director, officer, employee or agent of any other enterprise. Such indemnification is provided only if the director or officer acted in good faith and in a manner that the director or officer reasonably believed to be in, or not opposed to, the best interests of the Company, and with respect to any criminal proceeding, had no reasonable cause to believe that the conduct was unlawful.

II - 1

Table of Contents

The foregoing is only a general summary of certain aspects of the DGCL, the Company's certificate of incorporation and the Company's bylaws dealing with indemnification of directors and officers, and does not purport to be complete. It is qualified in its entirety by reference to the detailed provisions of Section 145 of the DGCL, Article VII of the Company's certificate of incorporation and Article VIII of the bylaws of the Company.

Item 15. Recent Sales of Unregistered Securities.

On November 7, 2016, we consummated the issuance and sale of 1,777,417 shares of our common stock, par value \$0.01 per share to Cosmic Forward Limited, a Republic of Seychelles company wholly-owned by a group of Chinese investors ("CFL"), at a price of \$9.60 per share (after giving effect to the Reverse Split), pursuant to the terms of the Stock Purchase Agreement, dated August 12, 2016 with CFL. The shares were issued in a transaction exempt from registration pursuant to Section 4(a)(2) of the Securities Act of 1933, as amended, and Rule 506(b) of Regulation D promulgated thereunder.

On March 30, 2016, we and certain of our subsidiaries entered into a Master Credit Facility (the "Credit Agreement") with White Winston Select Asset Funds, LLC ("White Winston"). Pursuant to the Credit Agreement, on June 30, 2016 we issued to White Winston the following three warrants: (i) a warrant (the "Fixed \$2.00 Warrant") to purchase up to 125,000 shares of the Company's common stock at an exercise price of \$2.00 per share, (ii) a warrant (the "Pro Rata Warrant") to purchase at an exercise price of \$2.00 per share a certain number of shares of the Company's common stock, up to 218,750 shares, pro rata based on the ratio of the actual advances made under the Master Credit Facility to the maximum principal amount of the Master Credit Facility, and (iii) a warrant (the "Fixed \$20.00 Warrant," and together with the Fixed \$2.00 Warrant and the Pro Rata Warrant, the "Warrants") to purchase up to 125,000 shares of the Company's common stock at an exercise price of \$20.00 per share. The Fixed \$2.00 Warrant and the Pro Rata Warrant are exercisable for five years from the date of issuance and the Fixed \$20.00 Warrant is exercisable for five years beginning on December 30, 2016. The Warrants were issued in a transaction exempt from registration pursuant to Section 4(a)(2) of the Securities Act of 1933, as amended, and Rule 506(b) of Regulation D promulgated thereunder.

On September 24, 2014, in connection with our merger transaction (the "Merger") with NAPW Merger Sub, Inc., a Delaware corporation and wholly-owned subsidiary of the Company ("Merger Sub"), NAPW, Inc., a New York corporation ("NAPW"), and Matthew B. Proman, the sole shareholder of NAPW ("Proman"), all shares of NAPW common stock issued and outstanding immediately prior to the effective time of the Merger were converted into and became the right to receive 638,872 shares of common stock of the Company, which were issued to Proman as sole shareholder of NAPW (the "Proman Shares"). In addition, pursuant to separate subscription agreements, 119,887 shares of common stock were issued to Star Jones, NAPW's President and National Spokeswoman, and 29,972 shares were issued to Christopher Wesser, NAPW's General Counsel (together with the Proman Shares, the "Merger Shares"). Also, at the effective time of the Merger, the Company, as additional consideration issued to Proman (i) a promissory note in the original principal amount of \$445,000, (ii) an option to purchase 22,875 shares of the Company's common stock at a price of \$27.60 per share, (iii) a warrant to purchase 6,250 shares of the Company's common stock at a price of \$32.00 per share and (iv) a warrant to purchase 16,407 shares of the Company's common stock at a price of \$80.00 per share. The options and warrants to be issued to Proman referenced in clauses (ii), (iii) and (iv) above are referred to as the "Merger Option Consideration." On September 24, 2015, the Company issued the Merger Shares and the Merger Option Consideration to the NAPW Affiliates pursuant to the Merger Agreement. The issuance of the Merger Shares is exempt from the registration requirements of the Securities Act, pursuant to Section 4(a)(2) of the Securities Act and Regulation D promulgated under the Securities Act ("Regulation D").

The warrants issued to Proman as part of the Merger Option Consideration are currently exercisable. The terms of each Proman Warrant provide that the exercise price of such Proman Warrant, and the number of shares of common stock for which such Proman Warrant may be exercised, are subject to adjustment to account for increases or

decreases in the number of outstanding shares of common stock resulting from stock dividends, stock splits, consolidations, combinations, reclassifications or similar events. Each Proman Warrant also contains provisions providing for “piggy-back” registration rights that allow Proman to elect to register the shares of common stock underlying such Proman Warrant along with any shares the Company registers with the SEC, subject to customary conditions and limitations, including the right of the underwriters of an offering to limit the number of shares.

II - 2

Table of Contents

The options issued to Proman as part of the Merger Option Consideration were vested on the issuance date and are exercisable at \$27.60 per share for 22,875 shares of our common stock. The options can be exercised within 60 days following a change in control of the Company, which occurred on November 7, 2016 as a result of our sale of common stock to CFL.

As partial consideration for providing financial advisory services to the Company in connection with the Merger, on September 24, 2014, the Company issued to Aegis a warrant to purchase 6,250 shares of the Company's common stock (the "Aegis Warrant"). The Aegis Warrant entitles Aegis to purchase 6,250 shares of the Company's common stock at an exercise price of \$32.00 per share. The Aegis Warrant is exercisable by Aegis at any time after September 24, 2015. The terms of the Aegis Warrant provide that the exercise price of the Aegis Warrant, and the number of shares of common stock for which the Aegis Warrant may be exercised, are subject to adjustment to account for increases or decreases in the number of outstanding shares of our common stock resulting from stock dividends, stock splits, consolidations, combinations, reclassifications or similar events. The Aegis Warrant also contains provisions providing for "piggy-back" registration rights that allow Aegis to elect to register the shares of common stock underlying the Aegis Warrant along with any shares the Company registers with the SEC, subject to customary conditions and limitations, including the right of the underwriters of an offering to limit the number of shares.

Item 17. Undertakings.

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser: each prospectus filed pursuant to Rule 424(b) as part of a registration statement relating to an offering, other than registration statements relying on Rule 430B or other than prospectuses filed in reliance on Rule 430A, shall be deemed to be part of and included in the registration statement as of the date it is first used after effectiveness. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use.

(b) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question of whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
