**ADDITIONAL INFORMATION ABOUT OUR BOARD OF DIRECTORS AND ITS COMMITTEES**

Our common stock is currently quoted for trading on the Over-the-Counter Bulletin Board and is not listed on a national securities exchange, but we are using the definition of "independence" in accordance with Rule 4200(a)(15) of the NASDAQ Marketplace Rules for purposes of determining the "independence" of our directors and director nominees. Our directors who are "independent" as defined in Rule 4200(a)(15) of the NASDAQ Marketplace Rules include Jean-Baptiste Heinzer and Alan Rae.

Our board met 7 times in fiscal year ended March 31, 2008. During fiscal 2008, all of our directors attended at least 100% of all meetings during the periods for which they served on our board, including the meetings held by committees of the board on which they serve. The board of directors has formed an audit committee and a compensation committee. We have not yet formally adopted charters for our audit and compensation committees; upon adoption, we will post the charters on our website.

The audit committee of our board of directors assists the board in fulfilling its oversight responsibilities by reviewing the financial information that will be provided to the stockholders and others; reviewing the systems of internal controls that management and the board of directors have established; appointing, retaining and overseeing the performance of independent accountants; and overseeing our accounting and financial reporting processes and the audits of our financial statements. Our audit committee also consults with our management and our independent registered public accounting firm prior to the presentation of financial statements to stockholders and related press releases and, as appropriate, initiates inquiries into aspects of our financial affairs. Our audit committee is responsible for establishing procedures for the receipt, retention and treatment of complaints regarding accounting, internal accounting controls or auditing matters, and for the confidential, anonymous submission by our employees of concerns regarding questionable accounting or auditing matters. In addition, our audit committee is directly responsible for the appointment, retention, compensation and oversight of the work of our independent auditors, including approving services and fee arrangements. All related party transactions will be approved by our audit committee before we enter into them.

The current members of our audit committee are Mark S. Zouvas, Jean-Baptiste Heinzer, and M.O. Rife III. Mr. Rife serves as chairman of the audit committee. Mr. Heinzer is currently the only director meeting the definition of "independence" under the NASDAQ Marketplace Rules. Our audit committee held 1 committee meeting during the last fiscal year.

We currently do not have an audit committee financial expert. Management does not believe it is necessary to for the Board of Directors to designate an audit committee financial expert at this time because the Company is newly reorganized and has undergone an extensive audit review of its financial statements and those of its contributors for the past three years.
