**1.1.1.** In order to finance the Acquisition, the Company increased its capital through a public offering of primary distribution of shares in Brazil and abroad, in accordance with CVM Ruling No. 400, of December 29, 2003, in which 121,711,240 common shares and 243,086,248 preferred shares were subscribed for, leading to a capital increase of R\$16,107,285,058.80, finally approved on May 4, 2015 (the "Capital Increase - Follow On"), as per the closing announcement of the public offering of primary distribution of common and preferred shares, issued on May 6, 2015.

**1.2. Purpose.** The Merger of Shares is part of the implementation of the structure of the acquisition of GVTPar by the Company. Additionally, it intends to unify the management of the Company and of GVTPar and facilitate the development of their corporate activities, allowing for greater efficiency in the management of the companies and in the carrying out of their respective corporate activities, with potential cost savings, enabling further growth for the businesses developed by the Company and GVTPar through a joint supply of complementary services.

**1.4. Corporate Structure of the parties after the Transaction (considering the Follow On Capital Increase and the Merger of Shares):**

**II. COMPANIES' SHARES AND EXCHANGE RATIO**

**2.1. Merger of Shares.** Fr Holding 108 will receive, in exchange for the shares held by it in GVTPar and already considering the payment of the Cash Portion, 68,597,306 new common shares and 134,320,885 new preferred shares to be issued by the Company, with the same rights as the now outstanding shares of Telefônica Brasil. The political and equity rights currently conferred by the Company's common and preferred shares will not change, pursuant to the provisions of Section 3.1 below.

Publicly-Held Corporation

CNPJ/MF No. 02.558.157/0001-62 - NIRE 35.3.001.5881-4

**2.2. Exchange Ratio.** The exchange ratio of the shares issued by GVTPar to be merged into the Company, as described above, was determined by the management of the Company and GVTPar, as independent parties, during the negotiation process for the acquisition of GVTPar. In this context, pursuant to the provisions of the Stock Purchase Agreement, FrHolding108 shall receive a number of common and preferred shares, issued in the same proportion as the common and preferred shares currently existing and corresponding to 12% of the shares of Telefônica Brasil after the Follow On Capital Increase and the Merger of Shares described herein, on a fully diluted basis.

Banco Itaú BBA S.A., financial institution hired by Telefônica Brasil to issue an opinion on the value assigned to the GVTPar shares and the amount to be paid by Telefônica Brasil as consideration for the shares of GVTPar (including the portion to be paid through shares issued by Telefônica Brasil, representing 12% of Telefônica Brasil's capital stock), has issued an opinion concluding that the amount of the Cash Portion and the portion to be paid in shares of Telefônica Brasil, representing 12% of its capital stock, as negotiated by Telefônica Brasil and Vivendi, from a financial standpoint, is fair to Telefônica Brasil. Also, Banco Morgan Stanley S.A., financial institution hired by Telefônica Brasil, has issued a fairness opinion concluding that, based on the premises therein, the amount to be paid by Telefônica Brasil as consideration for GVTPar shares (including the amount to be paid in shares of Telefônica Brasil) in the terms of the Stock Purchase Agreement is fair from a financial standpoint to Telefônica Brasil.

**2.3. Company's Capital Increase.** GVTPar shares were appraised by Planconsult Planejamento e Consultoria Ltda. based on the economic value criterion, on the

base date of December 31, 2014, for the purposes of Article 252, Paragraph 1, combined with Article 8, both of the Brazilian Corporation Law, at R\$26,417,111,400.00, in accordance with the relevant appraisal report. In order to determine the amount to be merged into Telefônica Brasil's equity and, therefore, the amount of the latter's capital increase due to the Merger of Shares, it shall be disregarded the amount of R\$16,751,090,338.74 (sixteen billion seven hundred fifty-one million ninety thousand three hundred and thirty-eight Brazilian Reals and seventy-four cents), which corresponds to the equity interest that will be held by Telefônica Brasil in the capital stock of GVTPar after the payment of the Cash Portion. Therefore, Telefônica Brasil's capital stock shall be increased in the amount of R\$9,666,021,061.26, totaling R\$63,571,415,865.09, should the Transaction be approved.

**III. SHAREHOLDER RIGHTS**

**3.1. Shareholders Rights.** The Company's Bylaws will be amended due to the Merger of Shares, to reflect the change in the amount of its capital stock and the number of common and preferred shares representing it, as well as other changes relating to the integration of the companies involved in the Transaction.

FrHolding108, shareholder of GVTPar at the time of the Merger of Shares and whose shares will be merged into the Company, shall hold common and preferred shares of the Company, with political and economic advantages similar to those conferred by the common and preferred shares currently outstanding. Notwithstanding the foregoing, while shares of Telefônica Brasil are held by Vivendi or any company controlled by Vivendi, the exercise of certain political rights related to such shares will be subject to the restrictions under the Merger Control Agreement entered into by Vivendi and the Administrative Council for Economic Defense ("CADE") on March 25, 2015.

**3.2. Dividends.** The new common and preferred shares to be issued by the Company as a result of the Merger of Shares will have the same equity rights of the other outstanding common and preferred shares issued by the Company, including with respect to dividends and/or interest on equity (or other remuneration) as may be declared by the Company after

their issuance.

#### **IV. ADDITIONAL INFORMATION**

**4.1. Withdrawal Rights and Refund Value.** The holders of common and preferred shares of Telefônica Brasil, on September 19, 2014, dissenting from the Transaction, shall be entitled to withdraw from the Company upon refund of their shares, as set forth in the Notice to Shareholders dated as of September 25, 2014. Additional information about the withdrawal rights, including the period for their exercise and the form and qualification conditions, will be informed to the public through a Notice to Shareholders, to be disclosed in due time.

The refund value per common or preferred share to be paid in the exercise of withdrawal rights has been determined based on Telefônica Brasil's net worth described in its financial statements for the fiscal year ended December 31, 2014, corresponding to R\$40.02 per share, and the corresponding amount of dividends declared on January 30, 2015, and on April 9, 2015, will be deducted from it, given that the amount of the declared dividends composed the profit account and, therefore, the equity value per share on December 31, 2014. Consequently, the refund value to be paid to the shareholders disagreeing with the resolutions of the Shareholders' Meeting to be convened to address the matters described herein, corresponding to the adjusted equity value per share on the base-date of December 31, 2014, is R\$37,55 per common or preferred share.

Therefore, no reference to withdrawal rights in relation to the shares held by them in GVTPar shall apply.

**4.2. Independence of Appraisers.** Planconsult has declared in the documents prepared for the Transaction that there is no conflict or pooling of interests with the controlling and minority shareholders of the Company and GVTPar, their shareholders, or the Transaction.

**4.3. Assessment of the Transaction by Regulatory Agencies.** The Transaction was submitted to the National Telecommunications Agency – ANATEL, for prior analysis and approval, and was approved under Act No. 448, of January 22, 2015, published in the Official Gazette of the Federal Executive on January 26, 2015.
