**Item 5.02 Departure of Directors or Principal Officers; Election of Directors; Appointment of Principal Officers.**

On February 1, 2006, Bernard L. Schwartz notified the Board of Directors of Lorai Space & Communications Inc. (the "Company") that, effective March 1, 2006, he would retire from all officer and director positions he holds with the Company and its subsidiaries and affiliates, including his positions as Chairman of the Board and Chief Executive Officer of the Company. A copy of Mr. Schwartz's letter to the Board of Directors is attached hereto as Exhibit 99.1.

Also on February 1, 2006, the Board of Directors elected Michael B. Targoff as Chief Executive Officer of the Company and Dr. Mark H. Rachesky as non-executive Chairman of the Board, both elections effective upon Mr. Schwartz's retirement. Mr. Targoff will also continue to serve as Vice Chairman of the Board.

Prior to assuming his new position with the Company, since February 1998, Mr. Targoff, age 61, was founder and principal of Michael B. Targoff & Co., a company which sought active or controlling investments in telecommunications and related industry early stage companies. Prior thereto, from its formation in April 1996 through January 1998, Mr. Targoff was President and Chief Operating Officer of Lorai Space & Communications Ltd. Mr. Targoff is Chairman of the Board and Chairman of the Audit Committee of Communication Power Industries, a director and Chairman of the Audit Committee of Leap Wireless International, Inc. and a director of ViaSat, Inc.

Dr. Rachesky, age 46, is a co-founder and the President of MHR Fund Management LLC and affiliates, investment managers of various private investment funds that invest in distressed and deeply undervalued middle-market companies. Dr. Rachesky currently serves on the board of directors of Leap Wireless International, Inc., where he also serves as non-executive Chairman of the Board, Emisphere Technologies, Inc., Neose Technologies, Inc. and NationsHealth Inc.

The Company and Mr. Targoff are currently negotiating the compensation and other terms of Mr. Targoff's employment with the Company. In connection with the Company's emergence from chapter 11 on November 21, 2005 and Mr. Targoff's election as non-executive Vice Chairman of the Company on that date, Mr. Targoff was previously granted, on December 21, 2005, 106,952 seven-year options to purchase common stock of the Company at an exercise price of \$28.441 per share and a deferred compensation account having an initial value to \$9.441 per share. The terms and conditions of these options and the deferred compensation account are described in the Company's Current Report on Form 8-K filed on November 23, 2005 (the "November 23 Form 8-K") and in the Company's 2005 Stock Incentive Plan and form of Option Agreement filed as exhibits thereto. In addition, the Company and Mr. Targoff previously entered into an Officers' and Directors' Indemnification Agreement dated November 21, 2005, the terms of which are described in, and a form of which is filed with, the November 23 Form 8-K.
