#### Item 1.01 Entry into a Material Definitive Agreement.

On April 24, 2006, the Company entered into a Change in Control Agreement with Barry D. Russell, Vice President, Electronic Material Systems. The agreement provides for certain benefits upon a change in control of the Company (as defined in the agreement) and severance benefits, including the following, if the officer is terminated following a change in control: (a) lump sum payment of two times annual compensation (salary and bonus); (b) continued participation in the Company's employee benefits plans for 24 months; (c) a lump sum payment calculated to approximate the present value of the additional retirement benefits to which Mr. Russell would have become entitled had he remained in the employment of the Company for another 24 months; and (d) a cash payment in an amount to reimburse, on an after-tax basis, that portion of any excise tax attributable to payment or benefits required to be made to such officer.

The agreements also contain certain non compete restrictions and covenants on the part of Mr. Russell.

The initial term of the agreement, unless earlier terminated or extended due to a change in control event, is effective as of April 24, 2006 and will end on December 31, 2006. On January 1, 2007 and on each anniversary of January 1 thereafter, the term will be extended for an additional period of one year, unless or until terminated or modified by a change in control event in accordance with the terms of the agreement.
