**Item 8.01 Other Events.**

On Wednesday, February 28, 2007, The Goodyear Tire & Rubber Company (the "Company") issued a news release announcing various changes to its U.S.-based retail and salaried employee pension and retiree benefit plans. The changes will be phased in over a two-year period, with most benefit plan changes effective in 2008 and the most significant pension plan changes in 2009. As a result of the changes, the Company expects after-tax savings of \$80 million to \$90 million in 2007, \$100 million to \$110 million in 2008, and \$80 million to \$90 million in 2009 and beyond. The actions are expected to reduce the Company's pension obligation by approximately \$100 million and its obligation for other post retirement benefits by about \$525 million assuming interest rates used to value the obligations remain similar to those used at December 31, 2006. In addition, the Company plans to record a one-time after-tax charge of approximately \$65 million related to these actions in the first quarter of 2007. The news release, attached to this Current Report on Form 8-K as Exhibit 99.1, is incorporated by reference herein.
