Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On March 16, 2007, Teleflex Incorporated (the "Company") appointed Kevin K. Gordon as Executive Vice President and Chief Financial Officer. Mr. Gordon was previously Senior Vice President - Corporate Development of the Company.

Mr. Gordon replaces Martin S. Headley, who is leaving the Company to pursue other opportunities. In connection with his departure, Mr. Headley and the Company have entered into a Release and Separation Agreement (the "Separation Agreement"). Under the Separation Agreement, Mr. Headley will continue to receive his base salary for a period of eighteen months (the "Payment Period"). The Company will also continue to provide Mr. Headley with health benefits and a vehicle allowance until the earlier to occur of the end of the Payment Period or the date upon which Mr. Headley receives such benefits from a future employer. In addition, the Company will reimburse Mr. Headley for outplacement services. Finally, the Separation Agreement imposes certain restrictions on Mr. Headley's ability to engage in activities that would be competitive with the Company.

In connection with his appointment to this position, Mr. Gordon will receive an annual salary of \$400,000. In addition, on March 16, 2007, Mr. Gordon was granted 30,000 stock options and 5,000 shares of restricted stock. The stock options will vest in three equal annual installments beginning one year from the effective date of grant, and will have an exercise price per share equal to the average of the high and low sales prices of the Company's common stock on the effective date of the grant, as reported on the New York Stock Exchange. The shares of restricted stock will vest in two equal annual installments on the first and second anniversaries of the grant date.
