Item 2.05 Costs Associated with Exit or Disposal Activities.

As part of a realignment of our infrastructure intended to enhance our operating efficiencies, on February 9, 2009 Charles River Laboratories International, Inc. (the "Company") announced that it has decided to undertake a number of actions in the first quarter of 2009. Included in these actions is the commitment to close the Company's Preclinical Services site in Arkansas by the end of 2009. The closure is expected to result in a one-time write-off of approximately \$5.4 million, which consists of cash severance payments to employees of approximately \$2.2 million, as well as a write-off of approximately \$3.2 million related to the disposition of the associated real property. The Company expects these charges to be recorded primarily in the first quarter of 2009.
