Item 1.01 Entry into a Material Definitive Agreement.

On July 24, 2009, Insight Enterprises, Inc. (the "Company") entered into Amendment No. 11 (the "Amendment") to the existing Receivables Purchase Agreement (as amended, the "RPA") among Insight Receivables, LLC, the Company, JPMorgan Chase Bank, N.A., and JS Siloed Trust.

The Amendment joined PNC Bank, National Association, and Market Street Funding LLC as a Purchaser Group (as defined in the RPA), added software receivables from the legacy Software Spectrum business as Eligible Receivables and established a new 364-day period, ending July 23, 2010, for the facility. Pursuant to a separate fee letter, our financing costs for funds provided under the RPA are variable, calculated as the specified Pooled Commercial Paper Rate, as defined in the RPA, plus 2.25%, an increase from such rate plus 1.50%. The Amendment also includes changes to the RPA which reduce the amount of Eligible Receivables, including a reduction for aged credits and a deferral related to changes in recognition of sales at delivery as opposed to shipment.
