#### Item 2.02 Results of Operations and Financial Condition.

On Wednesday, April 24, 2013, Ferro Corporation ("the Company") announced a new segment reporting structure. As part of the Company's value creation strategy, the Company has reorganized its businesses to improve operating efficiencies and better align commercial and manufacturing operations with the markets served. Consequently, the Company will now report under a structure that reflects how performance of its businesses is evaluated, strategic decisions are made and resources are allocated. With the new structure, the Company will have five reporting segments:

- 1. Pigments, Powders and Oxides
- 2. Performance Colors and Glass
- 3. Performance Coatings
- 4. Polymer Additives
- 5. Specialty Plastics

In conjunction with the changes to reportable segments, the Company also changed the profitability metric used by management to evaluate segment performance to segment gross profit.

For informational purposes, included in Exhibit 99.1 to this Current Report on Form 8-K are historical unaudited business segment reporting information adjusted to reflect the new segment reporting structure.
