## Edgar Filing: PETROBRAS - PETROLEO BRASILEIRO SA - Form 6-K

Amortization of bank financing with BNDES

Rio de Janeiro, November 28, 2016 - Petróleo Brasileiro S.A. - Petrobras, further to the Material Fact disclosed on November 22, 2016, informs that the amount of US\$ 1.25 billion received upon the closing of the sale of the stake in the exploration block BM-S-8 to Statoil Brasil Óleo e Gás LTDA is being used in full for the early liquidation of part of the financing contract between Transportadora Associada de Gás S.A. (TAG), a wholly-owned subsidiary of Petrobras, and the Brazilian Development Bank - BNDES.

This is an important measure that has been implemented by Petrobras to use the proceeds from the divestment program to reduce its indebtedness.

### FORWARD-LOOKING STATEMENTS

This release includes forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended, that are subject to risks and uncertainties. The forward-looking statements, which address the Company's expected business and financial performance, among other matters, contain words such as "believe," "expect," "estimate," "anticipate," "optimistic," "intend," "plan," "aim," "will," "may," "should," "could," "would," "likely," and similar expressions. Readers are cautioned not to place undue reliance on these forward-looking statements, which speak only as of the date on which they are made. There is no assurance that the expected events, trends or results will actually occur. We undertake no obligation to publicly update or revise any forward-looking statements, whether as a result of new information or future events or for any other reason.

The Company's actual results could differ materially from those expressed or forecast in any forward-looking statements as a result of a variety of assumptions and factors. These factors include, but are not limited to, the following: (i) failure to comply with laws or regulations, including fraudulent activity, corruption, and bribery; (ii) the outcome of ongoing corruption investigations and any new facts or information that may arise in relation to the "Lava Jato Operation"; (iii) the effectiveness of the Company's risk management policies and procedures, including operational risk; and (iv) litigation, such as class actions or proceedings brought by governmental and regulatory agencies. A description of other factors can be found in the Company's Annual Report on Form 20-F for the year ended December 31, 2015, and the Company's other filings with the U.S. Securities and Exchange Commission.
