Item 4.01. Change in Registrant's Certifying Accountant.

On August 23, 2007, Peterson Sullivan PLLC ("PS") resigned as the independent auditors for the Registrant, Ethos Environmental, Inc. (the "Registrant"). The Registrant's Board of Directors (the "Board") has commenced its search for a new independent auditor, and will file a Report on Form 8-K within the prescribed time upon engaging a new independent auditing firm.

During the fiscal years ended December 31, 2006 and 2005 and the subsequent interim period up through the date of termination (August 29, 2007), there were no disagreements with PS on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of PS, would have caused PS to make reference thereto in its report on the Registrants financial statements for such years. Further, there were no reportable events as described in Item 304(a)(1)(iv)(B) of Regulation S-B occurring within the Registrant's two most recent fiscal years and the subsequent interim period up through the date of resignation (August 29, 2007).

The audit report of PS for the financial statements of the Registrant as of December 31, 2006, contained a separate paragraph stating:

"The accompanying consolidated financial statements have been prepared assuming the Company will continue as a going concern. As discussed in Note 1 to the consolidated financial statements, the Company has experienced recurring losses from operations. This raises substantial doubt about the Company's ability to continue as a going concern. Management's plans regarding this matter are also described in Note 1. The financial statements do not include any adjustments that might result from the outcome of this uncertainty."

The audit report of PS for the financial statements of the Registrant as of December 31, 2005, contained a separate paragraph stating:

"The accompanying financial statements have been prepared assuming the Company will continue as a going concern. As discussed in Note 1 to the financial statements, the Company has experienced recurring losses from operations and has a substantial accumulated deficit. These conditions raise substantial doubt about the Company's ability to continue as a going concern. Management's plans regarding these matters are also described in Note 1. The financial statements do not include any adjustments that might result from the outcome of this uncertainty. "

During the Registrant's two most recent fiscal years and the subsequent interim period up through the date of this Report, neither the Registrant nor anyone on its behalf consulted with any other independent auditor regarding the application of accounting principles to a specific, completed or contemplated transaction, or the type of audit opinion that might be rendered on the Registrant's financial statements. Further, no other independent auditor has provided written or oral advice to the Registrant that was an important factor considered by the Registrant in reaching a decision as to any accounting, auditing or financial reporting issues during the period that PS served as the Registrant's independent auditor.

The Registrant provided a copy of the foregoing disclosures to PS prior to the date of the filing of this report and requested that PS furnish it with a letter addressed to the Securities and Exchange Commission stating whether or not it agrees with the statements in this Report. A copy of the letter furnished in response to that request is filed as Exhibit 16.1 to this Form 8-K.
