Item 1.01 Entry into a Material Definitive Agreement

As reported on StarTek, Inc. 's Form 8-K dated May 31, 2007 (the earlier Form 8-K), in addition to the statement of work for certain services supporting Cingular 's Business End User Care program (filed with StarTek, Inc. 's Form 10-K for the year ended December 31, 2006), StarTek USA, Inc. (StarTek) and AT&T Mobility, LLC (f/k/a Cingular Wireless, LLC)(AT&T) have also been negotiating the terms of a new statement of work for certain other call center services (new SOW) that would supersede the current contract between StarTek and AT&T for those other services (the Current Contract).

To allow time for the drafting and approval of the new SOW, AT&T and StarTek signed an extension of the term of the Current Contract through July 29, 2007 (reported as being through July 31st, 2007 in the earlier Form 8-K). Execution of the extension was completed on June 11, 2007.

StarTek anticipates that the new SOW will be signed before the July 29th expiration of the Current Contract.
