On July 15, 2008, the Company s board of directors approved a plan to exit its custom milling operations in California. The Company expects to complete the closure of the milling operations during the third quarter of fiscal 2008. The Company expects to incur a pre-tax charge of approximately \$4 million, or an after tax charge of approximately \$0.08 per diluted share, related to this action in the third quarter. Approximately \$1.5 million of the total charge will require cash expenditures during the third quarter. The \$4 million charge includes approximately \$1.8 million related to vacating leased properties, approximately \$1.1 million related to severance and outplacement expenses, approximately \$700,000 related to inventory adjustments and certain other miscellaneous expenses.
