SECTION 1 REGISTRANT'S BUSINESS AND OPERATIONS

Item 1.01. Entry into a Material Definitive Agreement.

On October 4, 2007, eLEC Communications Corp. (the Company) consummated a private placement pursuant to which the Company issued to Calliope Capital Corporation, a subsidiary of Laurus Master Fund, Ltd ("Laurus") and Valens Offshore SPV II, Corp. (the Investors), secured term notes in the aggregate principal amount of \$4,000,000 (the Notes). In connection with the private placement, the Company also amended and restated two existing secured term notes issued to Laurus in the principal amounts of \$1,966,667 (Amended Note 1) and \$1,428,000 (Amended Note 2), and issued common stock purchase warrants (the Warrants) that entitle the Investors to purchase in the aggregate up to 126,296,096 shares of the Company's common stock, par value \$.10 per share (the Common Stock). The Notes and the Warrants were sold to the Investors, each of which is an accredited investor (as such term is defined in the rules promulgated under the Securities Act of 1933, as amended (the Act)), for a total purchase price of \$4,000,000.

The following describes certain of the material terms of the financing transaction with the Investors and Laurus. The description below is not a complete description of the material terms of the transaction and is qualified in its entirety by reference to the agreements entered into in connection with the transaction, copies of which are included as exhibits to this Current Report on Form 8-K:

Notes Maturity Date and Interest Rate. Absent earlier redemption with no redemption premium by the Company as described below, the Notes mature on September 30, 2010 (the Maturity Date). Interest will accrue on the unpaid principal and interest on the Notes at a rate per annum equal to the prime rate published in *The Wall Street Journal* from time to time, plus two percent (2%), subject to a minimum per annum rate of nine and three-quarters percent (9.75%).

Payment of Interest and Principal. Interest on the Notes is payable monthly on the first day of each month during the term of the Notes, commencing November 1, 2007. Payments for the first twelve months of interest have been deposited into an escrow account that is to be used solely for interest payments on the Notes. Principal payments on the Notes in the aggregate amount of \$100,000 per month shall be made by the Company commencing on October 1, 2009 and on the first business day of each succeeding month thereafter through and including the Maturity Date. Any principal amount that remains outstanding on September 30, 2010 shall be due and payable at that time.

Amended Note 1. Amended Note 1 amends and restates in its entirety (and is given in substitution for and not in satisfaction of) that certain \$2,000,000 Secured Term Note made by the Company in favor of Laurus on November 30, 2005. The principal changes effected in Amended Note 1 were the elimination of monthly principal payments prior to maturity and the change in the maturity date from November 30, 2008 to September 30, 2010. Interest payments must still be paid monthly at a rate per annum equal to the prime rate published in *The Wall Street Journal* from time to time, plus two percent (2%).

Amended Note 2. Amended Note 2 amends and restates in its entirety (and is given in

substitution for and not in satisfaction of) that certain \$1,700,000 Secured Term Note made by the Company in favor of Laurus on May 31, 2006. The principal changes effected in Amended Note 2 were the elimination of monthly principal payments prior to maturity and the change in the maturity date from May 31, 2009 to September 30, 2010. Interest payments must still be paid monthly at a rate per annum equal to the prime rate published in *The Wall Street Journal* from time to time, plus two percent (2%).

Security for Notes. The Notes, Amended Note 1 and Amended Note 2 are secured by a blanket lien on substantially all of the Company's assets pursuant to the terms of security agreements executed by the Company and its subsidiaries in favor of Laurus and a collateral agent for the Investors. In addition, the Company has pledged its ownership interests in its subsidiaries pursuant to stock pledge agreements executed by the Company in favor of Laurus and a collateral agent for the Investors securing their obligations under the Notes. If an event of default occurs under the security agreement, the stock pledge agreement or the promissory notes issued to Laurus or the Investors, the secured parties have the right to accelerate payments under such promissory notes and, in addition to any other remedies available to them, to foreclose upon the assets securing such promissory notes.

Warrant Terms. Three sets of warrants that contain no registration requirements have been issued to the Investors (the A Warrants, B Warrants and C Warrants). The A Warrants grant to the Investors the right to purchase for cash up to 94,722,072 shares of Common Stock at an exercise price of \$0.10 per share. The B Warrants grant the Investors the right to purchase for cash up to 7,893,506 shares of Common Stock at an exercise price of \$0.10 per share. The C Warrants grant the Investors the right to purchase for cash up to 23,680,518 shares of Common Stock at an exercise price of \$0.10 per share. All of such warrants expire on September 30, 2017. If the Company repays the Notes, Amended Note 1 and Amended Note 2 in full prior to September 30, 2009, then the C Warrants shall be cancelled and terminated. If the Company's operating cash flow for any two consecutive months during the thirteen (13) month period ending October 31, 2008 is greater than \$0, then the B Warrants shall be cancelled and terminated. The Warrants do not contain registration rights and require the Investors to limit the selling of any Common Stock of the Company issued upon the exercise of the Warrants to a maximum of twenty-five percent (25%) of the aggregate number of shares of the Common Stock traded on such trading day.

Restrictions on Exercise of Warrant. Neither Investor is entitled to receive shares of Common Stock upon exercise of the Warrants if such receipt would cause such Investor to beneficially own in excess of 9.99% of the outstanding shares of Common Stock on the date of exercise of such warrants. Such provision may be waived by the Investors upon 61 days prior written notice to the Company.

Restricted Cash Agreement. In conjunction with the funding, the Company, North Fork Bank (the Bank) and LV Administrative Services, Inc., as agent (the Agent) for the Investors, have executed an agreement under which \$2,664,468 from the proceeds of the Notes has been deposited into an interest-bearing account (the Account) at the Bank. No funds may be released from the Account except upon the written direction of the Agent. Following the receipt of a release notice from the Agent, the Bank has agreed to promptly disburse the amount of cash specified in such release notice to such account as the Agent shall determine in its sole

discretion. It is expected that the Agent will release such funds on a regular basis to provide cash

to the Company for sales and marketing expenditures to grow its business, to cover its net operating losses and for working capital. Interest earned on funds deposited in the Account is for the benefit of the Company.
