Audit Committee and Financial Expert

We have an audit committee that is comprised of independent directors as determined in accordance with the rules of NASDAQ for audit committee members. The members of the audit committee are Messrs. William Hightower, John Metcalf, and Papken der Torossian. Mr. Metcalf serves as chairman of the audit committee.

Our board of directors has determined that John Metcalf is an audit committee financial expert within the meaning of the rules and regulations of the SEC and is independent as determined in accordance with current NASDAQ listing standards for audit committee members. In addition, we must certify to NASDAQ that the audit committee has and will continue to have at least one member who has past employment experience in finance or accounting, requisite professional certification in accounting, or other comparable experience or background that results in the individual's "financial sophistication." Our board has determined that Mr. Metcalf's qualifications also satisfy NASDAQ's definition of financial sophistication.

Shareholder Nominations

There have been no material changes to the procedures by which security holders may recommend nominees to our board of directors.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended ("Exchange Act"), requires our officers, directors and persons who beneficially own more than ten percent of a registered class of our equity securities to file reports of ownership and changes in ownership with the SEC and NASDAQ. Officers, directors and ten percent shareholders are charged by SEC regulation to furnish us with copies of all Section 16(a) forms they file.

Based solely upon our review of the copies of such forms received by us and written representations from certain reporting persons that no Forms 5 were required for those persons, we believe that, during the fiscal year ended December 31, 2015, our executive officers, directors and ten percent shareholders filed all reports required by Section 16(a) of the Exchange Act on a timely basis.

Code of Ethics

The board of directors has adopted a code of ethics applicable to all of our directors, officers and employees, including our chief executive officer and our chief financial and accounting officer, that is designed to deter wrongdoing and to promote honest and ethical conduct, full, fair, accurate, timely and understandable disclosure in reports that we file or submit to the SEC and in our other public communications, compliance with applicable government laws, rules and regulations, prompt internal reporting of violations of the code to an appropriate person designated in the code and accountability for adherence to the code. A copy of the code of ethics may be found on our website at www.parkervision.com.

Item 11. Executive Compensation.

Summary Compensation Table

The following table summarizes the total compensation of each of our “named executive officers” as defined in Item 401(m) of Regulation S-K (the “Executives”) for the fiscal years ended December 31, 2015 and 2014. Given the complexity of disclosure requirements concerning executive compensation, and in particular with respect to the standards of financial accounting and reporting related to equity compensation, there is a difference between the compensation that is reported in this table versus that which is actually paid to and received by the Executives. The amounts in the Summary Compensation Table that reflect the full grant date fair value of an equity award, do not necessarily correspond to the actual value that has been realized or will be realized in the future with respect to these awards.

Employment and Other Agreements

In June 2012, we entered into Executive Employment Agreements (“Agreements”) with each of our Executives upon the expiration of our prior employment agreements with them. The Agreements had an initial three-year term that expired on May 31, 2015 and automatically renewed for a one-year period ending May 31, 2016.

The Agreements provide each of our Executives with a base salary commensurate with his or her position in the organization, a potential annual achievement bonus based on performance as determined by the compensation committee, and long-term equity incentive awards at the discretion of the committee. In addition, the Agreement for our chief executive officer provides for an annual automobile allowance and payment of personal life insurance policy premiums up to a maximum benefit payment of \$150,000 annually for the initial three-year term of the Agreement.

The Agreements contain provisions for the protection of our intellectual property and for severance benefits and non-compete restrictions in the event of termination of the Executive’s employment. The Agreements provide for payments upon termination for various events including, with or without cause termination by us, termination due to death or disability of the Executive, termination due to a change in control event and termination by the Executive for “Good Reason” as defined in the Agreements. See “Potential Payments upon Termination or Change in Control” below for a discussion of the various severance benefits payable to the Executives under the terms of the Agreements.

Upon the termination of an Executive, we may enforce non-compete provisions over a restriction period not to exceed three years provided that we compensate the Executive at his or her ending base salary on a monthly basis over the restriction period (“Non-Compete Compensation”). The non-compete provisions of the Agreements impose restrictions on (i) employment or consultation with competing companies or customers, (ii) recruiting or hiring employees for a competing company and (iii) soliciting or accepting business from our customers. We also have non-compete arrangements in place with all of our other employees that are similar to the non-compete restrictions for our Executives. Certain severance payments and other amounts may be applied as credits toward our Non-Compete Compensation obligation. In addition, under the terms of the Executive’s equity award agreements, certain termination events may give rise to accelerated vesting of unvested equity awards as more fully discussed below.

The Agreements also provide that the Executives will comply with any law, SEC rule, or listing standard for the exchange on which our shares are listed that require us to recover from the Executive any portion of incentive-based compensation received from us.

Potential Payments upon Termination or Change in Control

Potential severance benefits are payable to the Executives under the terms of the Agreements in the event the Executive's employment is terminated without cause, due to a change in control event, or for "Good Reason" as defined in the Agreements.

Payments Made Upon Termination – When an Executive's employment is terminated for any reason other than for cause, he or she is entitled to receive his or her base salary through the date of termination, and any earned but unused vacation pay. When an Executive's employment is terminated for cause, he or she is only entitled to his or her base salary through the date of termination. Furthermore, in the event an Executive's employment is terminated for cause or an Executive resigns without "Good Reason", all gains realized from the Executive's sale of our common shares from vested restricted stock units ("RSUs") or stock options during the twelve months immediately preceding the termination date shall be credited towards Non-Compete Compensation. In addition, the total value of equity instruments provided to the Executive during the entire term of his or her employment with us that are vested and outstanding at the termination date shall be credited towards the Non-Compete Compensation. The value of outstanding equity awards shall be determined using the closing market price of our common stock on the termination date.

Payments Made Upon Termination Due to a Change in Control – In the event an Executive's employment is terminated without cause or an Executive resigns with "Good Reason" within two years of a change in control event, in addition to the benefits listed under "Payments Made Upon Termination" above, he or she is entitled to receive a multiple of his or her base salary, an amount in lieu of annual bonus or incentive compensation, continuation of group health benefits and acceleration of certain unvested and outstanding equity awards. The base salary multiple varies by individual and ranges from 150% to 300%. The amount in lieu of annual bonus or incentive compensation is determined based on the greater of the bonus or annual incentive compensation earned in the year prior to the change in control, the average of the prior three year's bonus or annual incentive compensation, or a prorated amount of the current year's bonus or annual incentive compensation. The severance pay in excess of twelve months' base salary is applied as a credit toward the Non-Compete Compensation.

In accordance with the terms of the Executive's individual equity agreements, the Executive would also be eligible for accelerated vesting of certain equity awards in the event of a change in control. Any unvested stock options or unvested time-based RSUs will automatically vest upon a change in control. If the change in control occurrence is approved by our Board, the Board may, at its option, accelerate the vesting of any unvested time-based RSUs and repurchase them for a cash value as defined in the equity plan.

Payments Made Upon Termination Without Cause – In the event an Executive's employment is terminated without cause and the Executive executes a release agreement with us, he or she is entitled to a severance package. The severance package includes continuation of base salary for a one-year period following the termination date, continuation of group health benefits and payment of any annual achievement bonus on a prorated basis. In the event an Executive resigns for "Good Reason," as defined in the Agreement, and executes a release agreement with us, he or she is entitled to the same severance benefits as if he or she was terminated without cause. Good Reason is defined in the Agreement as a material diminution in the Executive's authority, duties or responsibilities, a material diminution in the Executive's base compensation and benefits, except for reductions applicable to all Executives, a material relocation of the Executive's primary office or a material breach of the Agreement by us.

Payments Made Upon Termination Due to Disability – In the event an Executive's employment is terminated within six months of becoming disabled, as defined in the Agreement, he or she will be entitled to the benefits listed under "Payments Made upon Termination" and the severance package listed under "Payments Made upon Termination without Cause" above. If, however, the Executive's employment is terminated after six months of becoming disabled, he or she becomes eligible for payments under a company-paid long-term disability plan with a third-party carrier in which case, the severance package is limited to the continuation of health benefits. In addition, if an Executive's employment is terminated due to disability, he or she receives an automatic acceleration of fifty percent of any unvested options or RSUs in accordance with the terms of the individual equity agreements.

Payments Made Upon Death – Upon the death of an Executive, the Executive's beneficiaries shall receive the proceeds from company-paid life insurance policies purchased for the benefit of the Executive. In addition, the Executive's beneficiaries shall receive an acceleration of fifty percent of any unvested options or RSUs in accordance with the terms of the individual equity agreements.

The following tables reflect the estimated amount of compensation due to each of our Executives in the event of termination of their employment. Actual amounts to be paid out could only be determined at the time of an Executive's actual separation. For purposes of this disclosure, we assume the triggering event for termination occurred on December 31, 2015. The intrinsic value of equity awards upon termination is calculated based on the December 31, 2015 closing price of our common stock of \$2.32, as adjusted for the 1:10 reverse stock split effective March 30, 2016.

Director Compensation Arrangements

Our standard non-employee director compensation program provides for cash retainers for service on the Board and Board committees. Committee fees are structured in such a way as to provide distinction between compensation for

committee members and chairpersons and between the responsibilities of the various committees. We provide the following cash compensation to non-employee directors:

·each non-employee director receives an annual cash retainer of \$37,500;

each non-employee director who serves as a member of our audit committee receives an annual cash retainer of \$7,500; each non-employee director who serves as a member of our compensation committee receives an annual cash retainer of \$5,000; and each non-employee director who serves as a member of our nominating and corporate governance committee receives an annual cash retainer of \$2,500; and

each non-employee director who serves as the chair of our audit committee receives an annual cash retainer of \$15,000; each non-employee director who serves as the chair of our compensation committee receives an annual cash retainer of \$10,000; and each non-employee director who serves as the chair of our nominating and corporate governance committee receives an annual cash retainer of \$5,000.

Our standard compensation program also includes annual equity-based compensation to our non-employee directors. Each non-employee director will receive, following our annual shareholders' meeting, equity awards with an aggregate grant-date fair value of \$125,000. The annual equity awards include RSUs and nonqualified stock options, each with a grant-date fair value of approximately \$62,500. These equity awards vest on the one-year anniversary of the grant date and are forfeited if the director resigns or is removed from the Board for cause prior to the vesting date. The non-employee directors voluntarily waived receipt of their standard equity compensation package in 2015.

We reimburse our non-employee directors for their reasonable expenses incurred in attending meetings and we encourage participation in relevant educational programs for which we reimburse all or a portion of the costs incurred for these purposes.

Directors who are also our employees are not compensated for serving on our Board. Information regarding compensation otherwise received by our directors who are also named executive officers is provided under "Executive Compensation" above.

Item 13. Certain Relationships and Related Transactions and Director Independence.

We paid approximately \$428,000 and \$1,705,000 in 2015 and 2014, respectively, for patent-related legal services to SKGF, of which Robert Sterne, one of our directors since September 2006, is a partner. At December 31, 2015, we had approximately \$1,164,000 in unpaid fees to SKGF, primarily related to defense of our patents under IPR proceedings. In February 2016, we paid approximately \$339,000 of these outstanding fees and entered into an agreement with SKGF to convert the remaining \$825,000 to an unsecured note payable. The note bears interest at a rate of 8%, payable monthly, and the principal balance of the note is due December 31, 2017.

On December 23, 2015, Mr. Papken Der Torossian, one of our directors since June 2003, purchased 20,833 shares of our common stock in an unregistered sale of equity securities at a purchase price of \$2.40 per share (as adjusted for our 1:10 reverse stock split that became effective March 30, 2016).

Wellington was deemed to be beneficial owner of more than 5% of our outstanding stock at the time of the transactions.

Review, Approval or Ratification of Transactions with Related Persons

Our audit committee, pursuant to its written charter, is responsible for reviewing and approving related-party transactions to the extent we enter into such transactions. In certain instances, the full Board may review and approve a transaction. The audit committee will consider all relevant factors when determining whether to approve a related

party transaction, including whether the transaction is on terms no less favorable than terms generally available to an unaffiliated third party under the same or similar circumstances and the extent of the related party's interest in the transaction. We require each of our directors and executive officers to complete a questionnaire that elicits information about related party transactions. These procedures are intended to determine whether any such related party transaction impairs the independence of a director or presents a conflict of interest on the part of a director, officer or employee.

16

Director Independence

Our common stock is listed on NASDAQ, and we follow the rules of NASDAQ in determining if a director is independent. The board of directors also consults with our counsel to ensure that the board of directors' determination is consistent with those rules and all relevant securities and other laws and regulations regarding the independence of directors. Consistent with these considerations, the board of directors affirmatively has determined that Messrs. William Hightower, John Metcalf, Robert Sterne, Nam Suh, and Papken der Torossian are independent directors.
