#### Item 1.01 Entry into a Material Definitive Agreement.

The Company previously disclosed in a report on Form 8-K filed with the SEC on May 20, 2011 that it had entered into a Pre-negotiation Agreement with KFC Corporation ("KFC") for the purpose of finalizing plans to raise capital to fund a remodeling schedule for certain of the Company's KFC restaurants. The original deadline for completion of the process was August 31, 2011 and, as disclosed in a Form 8-K filed on September 1, 2011, that deadline was extended to September 30, 2011 in order continue the process. Negotiations have yielded an understanding on the timing of required image enhancements but because the formal remodel agreement could not be completed by the September 30, 2011 deadline the Company entered into an agreement with KFC on September 28, 2011 to further extend the deadline to October 31, 2011. Also, on September 29, 2011, the Company entered into a letter of intent with a financing source intended to provide the capital to retire the existing debt on which the Company is in default. While management continues to believe that its remodel agreement and recapitalization plans will be completed successfully, there can be no assurance that the Company will be able to finalize an agreement with KFC regarding image enhancements, that the Company will complete the financial restructuring, or that the restructuring will create the ability for the Company to complete a satisfactory number of image enhancements.
