Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On August 20, 2012, the Board of Directors (the “Board”) of International Game Technology (the “Company”) approved the Sixth Restated Code of Bylaws of International Game Technology (the “Amended Bylaws”), effective immediately. The Amended Bylaws amend and restate the Company’s bylaws in their entirety. The amendments: (i) clarify and confirm the acceptable forms of consideration in exchange for the issuance of the Company’s capital stock as permitted under the Nevada Revised Statutes (“NRS”), (ii) revise certain timing and informational requirements with respect to stockholder proposals at annual meetings of stockholders, including by (A) specifying that the applicable deadlines for delivering notice will be determined by reference to the anniversary of the previous year’s annual meeting, instead of by reference to the date on which the Company notifies stockholders of, or publicly discloses the date of, the annual meeting, (B) requiring disclosure of certain additional information relating to hedging arrangements, derivative positions and agreements or arrangements with respect to securities of the Company, and (C) requiring disclosure of certain information relating to any director nominees proposed by a stockholder, (iii) shorten the required notice for meetings of the Board from forty-eight (48) hours to twenty-four (24) hours, (iv) clarify and confirm that, as permitted by the NRS, the Board may act by unanimous written consent by delivering electronic transmissions, (v) clarify the list of required officers of the Company, and (vi) clarify certain authority and responsibilities of certain officers of the Company.

The foregoing description is qualified in its entirety by reference to the full text of the Amended Bylaws, a copy of which is attached hereto as Exhibit 3.1 to this Current Report on Form 8-K and is incorporated herein by reference.
