**Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers**

*Appointment of Director*

On October 30, 2014, the Board of Directors (the "**Board**") of Digital Power Corporation (the "**Company**") increased the authorized number of directors serving on the Board from five to six and appointed Benjamin Kiryati as a new member of the Board to fill the vacancy created by such increase. Mr. Kiryati's appointment was effective immediately. The Company expects that Mr. Kiryati will stand for election at the next Annual Meeting of Shareholders.

In 1990 Benjamin Kiryati founded Ben Kir Management and Holdings Ltd., a wholly-owned real estate investment company which he has since managed. From 1998 until 2003, Mr. Kiryati served as the mayor of Tiberias, a city in northern Israel. In 2003, Mr. Kiryati founded the Israel Children Fund, a nonprofit organization specializing in helping needy children, for which he earned the Israel Presidential Award in 2008. Mr. Kiryati holds an L.L.B (cum laude) in Law from Tel Aviv University and an L.L.M (cum laude) in Executive Commercial Law from Tel Aviv University, in collaboration with the University of California, Berkeley. Mr. Kiryati is currently licensed as an attorney in Israel. Mr. Kiryati previously served as a member of the Board from October, 2006 to November, 2008

Mr. Kiryati will serve on the Board's various committees, including the Nomination and Governance Committee, Audit Committee, and Compensation Committee. Mr. Kiryati's compensation for his services as a director will consist of annual director fees (currently \$10,000), consistent with that paid to the Company's other independent directors. He will receive a pro rata portion of annual director fees until the upcoming Annual Meeting of Shareholders.

There are no arrangements or understandings pursuant to which Mr. Kiryati was appointed as a director, and other than the compensation arrangements described above, there are no related party transactions between the Company and Mr. Kiryati that would require disclosure under Item 404(a) of Regulation S-K.
