CAUTIONARY STATEMENT CONCERNING FORWARD-LOOKING INFORMATION

This proxy statement and the documents incorporated by reference into this proxy statement contain forward-looking statements about Gyrodyne within the meaning of Section 27A of the Securities Act of 1933, as amended (the “Securities Act”), and Section 21E of the Securities Exchange Act of 1934, as amended (the “Exchange Act”). Statements containing the words “believes,” “anticipates,” “estimates,” “expects,” “intends,” “plans,” “seeks,” “will,” “may,” “should,” “wants,” “predicts,” “continues” and similar expressions or the negative of these terms constitute forward-looking statements that involve risks and uncertainties. We intend such forward-looking statements to be covered by the safe harbor provisions for forward-looking statements contained in the Private Securities Litigation Reform Act of 1995, and they are included in this proxy statement for the purpose of invoking these safe harbor provisions. Such statements are based on current expectations and are subject to risks, uncertainties and changes in condition, significance, value and effect. Such risks, uncertainties and changes in condition, significance, value and effect could cause Gyrodyne’s actual results to differ materially from anticipated results, such as risks and uncertainties relating to the process of exploring strategic alternatives, risks associated with our ability to implement the Plan of Liquidation, the risk that the proceeds from the sale of our assets may be substantially below the Company’s estimates, the risk that the proceeds from the sale of our assets may not be sufficient to satisfy our obligations to our current and future creditors, the risk of shareholder litigation against the Plan of Liquidation and other unforeseeable expenses related to the proposed liquidation, the tax treatment of condemnation proceeds, the effect of economic and business conditions, risks inherent in the real estate markets of Suffolk and Westchester Counties in New York, Palm Beach County in Florida and Fairfax County in Virginia, the ability to obtain additional capital to develop the Company’s existing real estate and other risks detailed from time to time in the Company’s SEC reports. Except as may be required under federal law, we undertake no obligation to update publicly any forward-looking statements for any reason, even if new information becomes available or other events occur.

THE ANNUAL MEETING

We are furnishing this proxy statement to you as part of the solicitation of proxies by our board of directors for use at the annual meeting.

Date, Time and Place

The annual meeting will be held at Flowerfield Celebrations, Mills Pond Road, Saint James, New York 11780 on December 5, 2014, at 11:00 a.m., Eastern Time.

Purpose

At the annual meeting, shareholders will be asked to consider and vote upon the following proposals and to transact such other business as may properly come before the annual meeting or any adjournment thereof:

Proposal 1 — to elect one (1) director to a three-year term of office, and until his successor shall be duly elected and qualified;

Proposal 2 — to approve, on a non-binding advisory basis, the compensation of the Company's named executive officers, as disclosed in this proxy statement; and

Proposal 3 — to ratify the engagement of Baker Tilly Virchow Krause, LLP ("Baker Tilly") as our independent registered public accounting firm for the 2014 fiscal year.

Our board of directors unanimously recommends that you vote "**FOR**" each of proposals 1, 2 and 3.

Record Date; Stock Entitled to Vote; Quorum

All shareholders who hold Common Stock of record at the close of business on the record date, October 31, 2014, are entitled to notice of and to vote at the annual meeting. Each share of Common Stock issued and outstanding on the record date is entitled to one vote at the annual meeting on each proposal presented. Shareholders do not have cumulative voting rights. A quorum will be present at the annual meeting if a majority of the outstanding Common Stock entitled to vote at the annual meeting are represented in person or by proxy.

On the record date, 1,482,680 shares of Common Stock were issued and outstanding and held by 2,253 holders of record. This proxy statement and the enclosed proxy card are being mailed starting on or about November 7, 2014.

Votes Required

Proxies solicited by our board of directors will be voted in accordance with the instructions given therein. Where no instructions are indicated, proxies will be voted “ **FOR** ” the election of the nominee for director, “ **FOR** ” the advisory approval of executive compensation and “ **FOR** ” the ratification of the engagement of an independent registered public accounting firm.

Proposal 1. The nominee receiving the most "For" votes from the holders of shares of Common Stock present in person or represented by proxy and entitled to vote on the election of director will be elected. Only votes "For" or "Withheld" will affect the outcome. A majority vote is not required.

Proposal 2. An affirmative vote of the holders of a majority of shares of Common Stock either present in person or represented by proxy and entitled to vote thereon is required to approve Proposal 2. Abstentions and broker non-votes will have no effect.

Proposal 3. Proposal 3 will be decided by a majority of the votes cast in favor of or against the proposal by the holders of shares of Common Stock entitled to vote thereon. A shareholder who abstains from voting on Proposal 3 will be included in the number of shareholders present at the annual meeting for the purpose of determining the presence of a quorum. Abstentions will not be counted, however, either in favor of or against Proposal 3.

Proxies

Except for certain items for which brokers are prohibited from exercising their discretion, a broker who holds shares in “street name” has the authority to vote on routine items when it has not received instructions from the beneficial owner. Where brokers do not have or do not exercise such discretion, the inability or failure to vote is referred to as a “broker non-vote.” If the broker returns a properly executed proxy, the shares are counted as present for quorum purposes. If the broker crosses out, does not vote with respect to, or is prohibited from exercising its discretion, resulting in a broker non-vote, the effect of the broker non-vote on the result of the vote depends upon whether the vote required for that proposal is based upon a proportion of the votes cast (no effect) or a proportion of the votes entitled to be cast (effect of a vote against). If the broker returns a properly executed proxy, but does not vote or abstain with respect to a proposal and does not cross out the proposal, the proxy will be voted “ **FOR** ” all of the proposals and in the proxy holder’s discretion with respect to any other matter that may come before the meeting or any adjournments or postponements thereof. Approval of the sale of all of the assets of a corporation and the dissolution of a corporation are both matters for which brokers are prohibited from exercising their discretion.

At the time this proxy statement was mailed to shareholders, management was not aware of any matter other than the matters described above that would be presented for action at the annual meeting. The shares shall be voted in the discretion of the proxies on such other matters as may properly come before the meeting or any adjournment thereof.

In addition to sending you these materials, some of the Company's directors and officers as well as management and non-management employees may contact you by telephone, mail, e-mail, or in person. You may also be solicited by means of press releases issued by the Company and postings on the Company's website, www.gyrodyn.com. None of the Company's officers or employees will receive any extra compensation for soliciting you. The Company has retained MacKenzie Partners, Inc. to assist the Company in soliciting your proxy for an estimated fee of \$6,500 plus reasonable out-of-pocket expenses. MacKenzie Partners expects that approximately 25 of its employees will assist in the solicitation. MacKenzie Partners will ask brokerage houses and other custodians and nominees whether other persons are beneficial owners of shares of Common Stock. If so, the Company will reimburse banks, nominees, fiduciaries, brokers and other custodians for their costs of sending the proxy materials to the beneficial owners of shares of Common Stock.

Any shareholder executing the enclosed proxy card has the right to revoke it at any time prior to its exercise by delivering to the Company a written revocation or a duly executed proxy card bearing a later date, or by attending the annual meeting and voting in person. However, if you are a shareholder whose shares are not registered in your own name, you will need appropriate documentation from your record holder to attend the annual meeting and to vote personally at the annual meeting.

DISCUSSION OF PROPOSALS TO BE CONSIDERED AT THE ANNUAL MEETING**PROPOSAL 1: ELECTION OF DIRECTORS**

The By-laws of the Company provide that there shall be not less than three (3), nor more than nineteen (19), directors. Our board of directors is divided into three (3) classes of directors serving staggered terms of office with each class to consist, as nearly as possible, of one-third of the total number of directors constituting our entire board of directors. Upon the expiration of the term of office for a class of directors, the nominees for that class will stand for election to three-year terms to serve until the election and qualification of their successors. At the annual meeting, one (1) director of the Company is to be elected to a three-year term, to serve until his successor is elected and has been qualified. Our board of directors of the Company has nominated Elliot H. Levine to a three-year term, upon the recommendation of our Nominating Committee. Mr. Levine is a member of our present board of directors of the Company, with a term expiring at the annual meeting. Each properly executed proxy card received will be voted in accordance with the instruction given thereon.

Where no instructions are indicated, proxies will be voted “ **FOR** ” the election of the foregoing nominee as director to serve a three-year term or until his respective successor shall be elected and shall qualify. The nominee has consented to be named as nominee in this proxy statement and to serve as a director if elected.

Should the nominee become unable or unwilling to accept a nomination for election, the persons named in the enclosed proxy card will vote for the election of a nominee designated by our board of directors.

INFORMATION ABOUT OUR BOARD OF DIRECTORS AND MANAGEMENT

Board Meeting Attendance

There were fourteen (14) regular and special meetings of our board of directors during the fiscal year ended December 31, 2013. Each director attended at least 75% of the aggregate of the total number of meetings of our board of directors and meetings held by all committees of our board of directors on which such director served during the fiscal year ended December 31, 2013.

Independence

Each of the members of and nominees for election to our board of directors are independent directors as defined by the listing requirements of NASDAQ. The directors deemed to be independent under the independence standards of NASDAQ are Messrs. Lamb, Levine, Macklin, Palmedo, Salour and Smith, and formerly, Mr. Bhatia.

Committees

Our board of directors has established the following committees:

The Company has a separately-designated standing Audit Committee established in accordance with Section 3(a)(58)(A) of the Exchange Act, and its current members are Messrs. Smith (Chairman), Levine and Macklin. The Audit Committee meets with the Company's independent auditors and management quarterly to review financial results, audited and unaudited financial statements (as the case may be), internal financial controls and procedures and audit plans and recommendations. The Audit Committee also recommends the selection, retention or termination of the Company's independent auditors, approves services to be provided by the independent registered public accounting firm and evaluates the possible effect the performance of such services will have on the accountants' independence. The Company has adopted a written charter for the Audit Committee, which is available on the Company's website, www.gyrodyne.com. All of the members of the Audit Committee are independent directors as defined by the listing requirements of NASDAQ. The Audit Committee met 4 times during the fiscal year ended December 31, 2013. All members of the Audit Committee are "financially literate" within the meaning of SEC regulations and NASDAQ rules. Our board of directors has determined that at least one member, Mr. Levine, a CPA, qualifies as an "audit committee

financial expert” as a result of relevant experience as a partner in the accounting firm of Levine & Seltzer, LLP. In addition, Mr. Levine has 12.5 years of accounting experience as a partner and director of taxes at Leslie Sufrin & Co. P.C. as well as several other years of experience in the field of public accounting.

The Compensation Committee of the Company's board of directors consists of Messrs. Lamb, Levine, Macklin, Palmedo, Salour and Smith, all of whom our board of directors has determined are independent pursuant to the listing requirements of NASDAQ. The Compensation Committee oversees and administers the Company's executive compensation programs and is therefore responsible for establishing guidelines and making recommendations for all compensation paid to executive officers and directors. The Compensation Committee also negotiates the terms of all employment arrangements with executive officers which may include compensation arrangements designed to reward management for achieving certain performance goals and which are revisited on an as needed basis. The Compensation Committee met one time during the fiscal year ended December 31, 2013. During the fiscal year ended December 31, 2013, the members of the Compensation Committee were Messrs. Levine (chairman), Lamb, Macklin, Palmedo, Salour and Smith. The Company's current compensation program for executives is intended to motivate and retain key executives to manage the business affairs of the Company in the best interests of the Company and its shareholders. Beginning in September 2013, the overriding objective of the Company's executive compensation program has been to incentivize management to carry out the Company's Plan of Liquidation. In September 2013, our board of directors determined that it is in the best interests of the Company and its shareholders to pursue the actual disposition of the Company's remaining assets and to complete the Company's tax liquidation by means of the proposed merger of the Company and GSD with and into Gyrodyne, LLC, if approved and consummated. Whether or not the proposed merger is consummated, the properties previously transferred from the Company to GSD will be managed and marketed in an orderly manner pursuant to a business plan designed to obtain the best value reasonably available for such assets.

The Nominating Committee consists entirely of non-employee directors and recommends guidelines to our board of directors regarding the size and composition of our board of directors and criteria for the selection of nominees. It also recommends the slate of director nominees to be included in this proxy statement and recommends candidates for vacancies which may occur. The Nominating Committee has a written charter, which is available on the Company's website, www.gyrodyne.com. Each member of the Nominating Committee is an independent director as defined by the listing standards of NASDAQ. The Nominating Committee will accept for consideration shareholders' nominations for directors if made in writing and otherwise in accordance with the procedures set forth in Sections 313 and 314 of the Company's By-laws. The nominee's written consent to the nomination and sufficient background information on the candidate must be included to enable the Nominating Committee to make proper judgments as to his or her qualifications. Nominations must be addressed to the Corporate Secretary of the Company at the Company's headquarters and must be received no later than the deadline for submissions of shareholders' proposals in order to be considered for the next annual election of directors. The Nominating Committee believes that having directors with relevant experience in business and industry is beneficial and the Nominating Committee seeks to monitor the skills and experience of the Company's directors. Our board of directors does not have a formal policy with respect to diversity. All identified candidates, including shareholder-proposed candidates, are evaluated by the Nominating Committee using generally the same methods and criteria, although those methods and criteria are not standardized and may vary from time to time. The Company typically engages the services of third parties to perform background examinations of potential nominees, for which the Company pays a fee, in order to assist the Nominating Committee in its evaluation. The Nominating Committee met one time during the fiscal year ended December 31, 2013, and its members currently are Messrs. Levine (Chairman) and Salour.

The Strategic Alternatives Committee of our board of directors was formed in 2012 to manage the process of exploring strategic alternatives for the Company and to make recommendations to the full board. Messrs. Bhatia (Chairman), Levine, Macklin and Salour were appointed by the board of directors to serve as the members of the

Strategic Alternatives Committee because of their strategic transactional and corporate tax experience. On September 26, 2013, Mr. Bhatia resigned from our board of directors and the committees on which he served, effective immediately, to pursue other opportunities. The Committee met 35 times during the fiscal year ended December 31, 2013 and made regular reports on the strategic review process to the full board of directors.

Shareholder Communications with our Board of Directors

Other than in connection with the strategic process, where our board of directors had designated Naveen Bhatia as the contact for shareholder communications until his resignation from the board of directors on September 26, 2013, our board of directors does not currently provide a process for shareholders to send communications to our board of directors or any of the directors. The Company believes that senior management, as opposed to individual directors, provides the public voice of the Company, and that shareholders can effectively communicate with the Company by contacting Frederick C. Braun III through either regular mail, telephone, email or in person. Shareholders also have meaningful access to our board of directors through the shareholder proposal process, which is described below in “2015 Shareholder Proposals.”

Board Leadership Structure and Oversight of Risk Management

The current leadership structure of our board of directors reflects a separation of the roles of chairman and principal executive officer. This leadership structure is intended to provide our board of directors with an appropriate level of independence from management and encourage a high degree of autonomy within our board of directors. Our board of directors, as a whole and through its committees, oversees the Company's risk management process, including operational, financial, legal, and strategic risks. The Audit Committee assists our board of directors in the oversight of the risk management process. In addition, our board of directors is guided by management presentations at meetings of our board of directors and throughout the fiscal year that serve to provide visibility to our board of directors about the identification, evaluation and management of risks the Company is facing as well as how to mitigate such risks.

Attendance Policy for Directors at Annual Shareholder Meetings

The Company encourages, but does not require, all of its directors to attend annual shareholders meetings of the Company. Last year all of the directors aside from Nader Salour and Elliot Levine were in attendance at the annual meeting of the Company's shareholders.

REPORT OF THE AUDIT COMMITTEE

Notwithstanding anything to the contrary set forth in any of the Company's previous filings under the Securities Act or the Exchange Act that might incorporate future filings or this proxy statement, this Report of the Audit Committee of our board of directors does not constitute soliciting material and shall not be deemed filed or incorporated by reference into any of the Company's other filings under the Exchange Act, except to the extent that we specifically incorporate this Report by reference in such other filings. The Audit Committee has met with our independent registered public accounting firm, Baker Tilly, with and without management present, to discuss the overall scope of

Baker Tilly's audit, the results of its examinations, and the overall quality of its financial reporting and effectiveness of internal control over financial reporting. The Audit Committee has reviewed and discussed the audited financial statements and effectiveness of internal control over financial reporting with management and management has represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with accounting principles generally accepted in the U.S. and that the internal control over financial reporting was effective.

(iii) We have received from the Company's independent registered public accounting firm the written disclosures and the letter required by applicable requirements of the PCAOB regarding the independent registered public accounting firm's communications with the Audit Committee concerning independence and we have discussed with the independent registered public accounting firm its independence with respect to the Company.

(iv) Based on the review and discussions referred to above, we recommended to our board of directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2013 for filing with the SEC.

COMPENSATION DISCUSSION AND ANALYSIS

This Compensation Discussion and Analysis describes the principles underlying the material components of our executive compensation program for our executive officers, including the Named Executive Officers in the "Summary Compensation Table" below. We also provide an overview of the overall objectives of the program and the factors relevant to an analysis of these policies and decisions.

The Compensation Committee of the Company's board of directors consists of Messrs. Lamb, Levine, Macklin, Palmedo, Salour and Smith, all of whom our board of directors has determined are independent pursuant to the listing requirements of NASDAQ. The Compensation Committee oversees and administers the Company's executive compensation programs and is therefore responsible for establishing guidelines and making recommendations for all compensation paid to executive officers and directors. The Compensation Committee adopted a charter in March of 2012, which is available on the Company's website, www.gyrodyne.com. The Compensation Committee also negotiates the terms of all employment arrangements with executive officers which may include compensation arrangements designed to reward management for achieving certain performance goals and which are revisited on an as needed basis.

The Company's compensation program for executives is intended to motivate and retain key executives to manage the business affairs of the Company in the best interests of the Company and its shareholders. From 2006 until September of 2013, the overriding objective of the Company's executive compensation program was to incentivize management to carry out the Company's strategic plan for the future direction of the Company. The goal of the strategic plan, which was first announced at the Company's annual shareholder meeting in December 2005, was to position the Company so that it is best able to achieve one or more shareholder liquidity events in a reasonable period of time that would put the maximum amount of cash or marketable securities in the hands of the Company's shareholders in a tax efficient manner. The plan called for achieving this objective by pursuing a conversion to a real estate investment trust (completed), reinvestment in a tax efficient manner of the \$26 million received from New York State which the Company treated as an advance payment for the 245.5 acres of Flowerfield taken by eminent domain (completed), vigorous pursuit of maximum value from the State of New York for the 245.5 acres of Flowerfield taken by eminent domain (completed) and maximization of the value for the remaining 68 acres at Flowerfield.

In September 2013, our board of directors determined that it is in the best interests of the Company and its shareholders to pursue the actual disposition of the Company's remaining assets and to complete the Company's tax liquidation by means of the proposed merger of the Company and GSD with and into Gyrodyne, LLC, if approved and consummated. Whether or not the proposed merger is consummated, the properties previously transferred from the Company to GSD will be managed and marketed in an orderly manner pursuant to a business plan designed to obtain the best value reasonably available for such assets. Accordingly, beginning in September 2013, the overriding objective of the Company's executive compensation program has been to incentivize management to carry out the Company's Plan of Liquidation. In May 2014, our board of directors authorized a Retention Bonus Plan designed to recognize the nature and scope of the responsibilities related to such business plan, to reward and incent performance in connection therewith, to align the interests of directors, executives and employees with our shareholders and to retain such persons during the term of such plan. The Retention Bonus Plan provides for bonuses to directors and discretionary bonuses to officers and employees determined by the gross sales proceeds from the sale of each property and the date of sale.

The Company's executive officers are Frederick C. Braun III, our President and Chief Executive Officer, Gary J. Fitlin, our Chief Financial Officer and Treasurer, and Peter Pitsiokos, our Chief Operating Officer, Chief Compliance Officer and Secretary. Historically, the Compensation Committee has structured executive compensation packages to consist of base cash compensation, a bonus that is purely discretionary on the part of the Compensation Committee and some form of change-in-control incentive component. In the case of Messrs. Braun and Fitlin, the incentive component is contained in their respective employment agreements as a right to earn a bonus equal to \$125,000 if they are employed by the Company as of the effective date of a "change-in-control" as defined in the Code. In the case of Mr. Pitsiokos, he is a participant, along with the Company's directors, in the Incentive Compensation Plan (the "ICP"), under which benefits are realized upon either a change-in-control or the issuance of an "excess dividend" following certain asset sales. Neither Frederick Braun, the Company's Chief Executive Officer who joined the Company in February 2013, nor Gary Fitlin, the Company's Chief Financial Officer who joined the Company in 2009, is a participant in the ICP. Factors considered by the Compensation Committee in determining the amount (and, where applicable, the formula) for each of the foregoing components of compensation are typically subjective, such as the Compensation Committee's perception of management's performance and any changes in management responsibility. The compensation program is designed to reward both prudent management of the Company's business operations, namely the operational and financial management of the Company's assets, and the successful pursuit of the Company's strategic plan.

Our board of directors approved amendments to the ICP in February 2, 2010 to better align the interests of the participants with those of the Company's shareholders as the Company pursued its strategic plan to position itself over a reasonable period of time for one or more liquidity events that will maximize shareholder value. Prior to the 2010 amendments, payments under the ICP were triggered only by a "change-in-control", defined generally as the acquisition by a person of 30% or more of the Company's outstanding shares, sale of assets having a total gross fair market value equal to or more than 90% of the fair market value of the Company's assets, or any merger, share exchange or consolidation of the Company other than a merger where the Company's shareholders immediately before the merger own immediately following the merger at least 70% of the combined voting power of the Company's outstanding securities. The 2010 amendments expanded the trigger for payments to include any "excess dividend", defined generally as a dividend in excess of income from operations paid to shareholders following certain sales of assets. This change was made to remove any bias participants may otherwise have as between change-in-control transactions and asset dispositions followed by distributions of proceeds.

The 2010 amendments also vested all participants currently. Previously, a participant was required to be either an employee or a director at the time of a triggering event to be eligible to receive a payment. The current vesting of all participants has the potential to reduce the incentive of an executive to remain employed until a triggering event. Since adoption of the 2010 amendments, one officer/director participant, Stephen Maroney, terminated his employment with the Company and resigned from the board (and one director participant, Naveen Bhatia, resigned from the board). To mitigate against the potential reduction in incentive to remain with the Company, the 2010 amendment also provided for an adjustment in the calculation of a departed participant's payment designed to ensure that such participant could not benefit from any post-departure increase in the value of the Company.

In July 2012, the Company received \$167,530,657 from the State of New York in payment of the judgments in the Company's favor in the Company's condemnation litigation with the State, of which \$98,685,000 was deferred for

income tax purposes and \$68,845,657 was considered REIT taxable income in 2012. On November 19, 2012, the Company declared a special cash dividend of \$56,786,644 or \$38.30 per share of Common Stock, which was paid on December 14, 2012 to shareholders of record on December 1, 2012, and approved an aggregate payment of \$4,213,000 as required under the terms of the ICP to be allocated and paid to individual participants in accordance with the rules of the ICP. Mr. Pitsiokos was allocated \$568,755 of such payment.

On September 13, 2013, the Board of Board of Directors declared a special dividend in the amount of \$98,685,000 or \$66.56/share of which \$68,000,000 or \$45.86 was paid in cash. The dividend was paid on December 30, 2013 to shareholders of record as of November 1, 2013. The declaration of the dividend also required cash payment to participants of the Company's ICP in the aggregate amount of \$5,044,600 to be allocated and paid to ICP participants in accordance with ICP rules. Mr. Pitsiokos was allocated \$681,021 of such payment. The remaining liability under the ICP, payable when and to the extent that GSD holders receive cash in respect of their GSD interests, is estimated to be not more than \$233,200 in the aggregate, which ICP payment will be made by the Company out of proceeds of mortgage debt repayment by GSD. Neither Frederick C. Braun III (the Company's Chief Executive Officer), who joined the Company in February 2013, nor Gary Fitlin (the Company's Chief Financial Officer), who joined the Company in 2009, is a participant in the ICP.

The Company's shareholders will be voting at the Annual Meeting on whether to approve, on an advisory basis, the compensation of the Company's named executive officers as disclosed in this proxy statement in accordance with SEC rules. This is identified as item 4 on the enclosed proxy card. Shareholders will also be voting, on an advisory (non-binding) basis, on the frequency (every one, two or three years) with which the non-binding shareholder vote to approve the compensation of the named executive officers should be conducted (item 5 on the enclosed proxy card), and on the "golden parachute" compensation arrangements for certain executive officers (item 6 on the enclosed proxy card). Smaller reporting companies (companies with a public float of less than \$75 million) are not required to provide their shareholders with the foregoing advisory votes on executive compensation. Effective in 2013, the Company is no longer a smaller reporting company. Because these votes are advisory, they are not binding on our board of directors or the Company. Nevertheless, the views expressed by the shareholders, whether through this vote or otherwise, are important to management and our board of directors and, accordingly, our board of directors and the Compensation Committee intend to consider the results of these votes in making determinations in the future regarding executive compensation arrangements.

In May 2014, our board of directors authorized a Retention Bonus Plan designed to recognize the nature and scope of the responsibilities related to such business plan, to reward and incent performance in connection therewith, to align the interests of directors, executives and employees with our shareholders and to retain such persons during the term of such plan. The Retention Bonus Plan provides for bonuses to directors and discretionary bonuses to officers and employees determined by the gross sales proceeds from the sale of each property and the date of sale.

(B) Frederick C. Braun III was appointed President and Chief Executive Officer effective February 25, 2013.

(C) On September 13, 2013, our Board declared a Special Dividend of \$98,685,000 or \$66.56 per share of Common Stock, of which approximately \$68,000,000, or \$45.86 per share, was paid in cash. The balance was payable in the form of interests in a newly formed New York limited liability company, Gyrodyne Special Distribution, LLC ("GSD"). Such interests collectively constitute 100% economic interest in all of the properties formerly owned by the Company: Flowerfield, Port Jefferson, Cortlandt and Fairfax, which, with the exception of Flowerfield, was subject to an aggregate of \$13,840,889 in mortgages payable to a subsidiary of Gyrodyne that is retained by Gyrodyne. Gyrodyne is the managing member of GSD. The \$45.86 cash portion of the dividend triggered a payment under the Company's ICP to each of Mr. Maroney and Mr. Pitsiokos of \$933,251 and \$681,021, respectively. The Company declared and paid a special dividend of \$38.30 per share in December 2012 which triggered a payment under the Company's ICP to each of Mr. Maroney and Mr. Pitsiokos of \$779,405 and

\$568,755, respectively. Although Mr. Maroney is no longer a director or employee of the Company, he is vested in his benefits and will receive future compensation payments under the ICP upon any triggering events. Mr. Pitsiokos' benefit under the ICP also vested but he remains with the Company.

The Registrant has concluded that aggregate amounts of perquisites and other personal benefits, securities or property to any of the current executives does not exceed \$10,000 and that the information set forth in tabular form above is not rendered materially misleading by virtue of the omission of such personal benefits.

Employment Agreements

During the fiscal years ended December 31, 2012 and 2011, the Company was a party to separate employment agreements with each of Mr. Maroney (the Company's President and CEO at the time) and Mr. Pitsiokos (the Company's COO and Secretary). Each employment agreement provided for an annual base salary and discretionary annual incentive cash bonus. The employment agreements also provided for certain severance and change-in-control benefits. On June 12, 2009, the Company and the two officers mutually agreed to terminate the automatic extension provisions of the agreements which had originally provided for an evergreen three-year term. As a result, the term of the employment agreements ended on June 12, 2012.

During the fiscal years ended December 31, 2012, 2011 and 2010, the compensation arrangements between the Company and Gary Fitlin, the Company's Chief Financial Officer, were set forth in an Offer Letter (the "Offer Letter") and a Deferred Bonus Agreement (the "Bonus Agreement"), each executed on October 22, 2009. Pursuant to the Offer Letter and the Bonus Agreement, Mr. Fitlin joined the Company at a base salary of \$158,000 per year and became eligible to receive deferred bonus payments equal to \$75,000 for each full year (or portion thereof) of service during the three-year period ended October 21, 2012. The deferred bonus payments vested on October 21 of each of 2010, 2011 and 2012, respectively. Pursuant to the Bonus Agreement, the aggregate deferred bonus was paid on October 26, 2012. The obligations of the Company and Mr. Fitlin have been fulfilled under the Bonus Agreement.

On May 17, 2013, the Company entered into new employment agreements with Frederick C. Braun III and Gary J. Fitlin, respectively (the "Employment Agreements"), each dated May 15, 2013 and effective April 1, 2013, pursuant to which Messrs. Braun and Fitlin continued to serve as President and Chief Executive Officer and as Senior Vice President and Chief Financial Officer, respectively. The Employment Agreements provide for substantially identical compensation and severance provisions. Pursuant to the Employment Agreements, each of Mr. Braun and Mr. Fitlin earn a base salary at the rate of \$250,000 per year plus a bonus equal to \$125,000 if he is employed by the Company as of the effective date of a change-in-control (the "Change-in-Control Bonus"). The Employment Agreements define a change-in-control as the first to occur of a change in ownership or effective control of the Company or a change in the ownership of a substantial portion of the assets of the Company, as each such term is defined under Section 409A of the Code. Pursuant to the terms of the Employment Agreements, there is no required minimum period of employment, and either the Company or the executive may terminate at any time, with or without cause. If the executive is terminated without cause, the Company must provide him with at least 60 days' prior written notice of termination, and must pay him (i) the pro rata share of his base salary through those 60 days, (ii) the Change-in-Control Bonus, and (iii) severance pay equal to six months' base salary from the date of termination. If the executive is terminated for cause (as defined in the Employment Agreements), he will be paid the pro rata share of his base salary through the date of termination. Each of the executives may also terminate upon 60 days' prior written notice.

On May 8, 2014, the Company entered into a new employment agreement with Peter Pitsiokos effective May 15, 2014, pursuant to which Mr. Pitsiokos continues to serve as Executive Vice-President, Chief Operating Officer, Chief Compliance Officer and Secretary. Pursuant to the agreement, Mr. Pitsiokos earns a base salary at the rate of \$200,000 per year plus a discretionary bonus, at the Company's sole and absolute discretion, as determined and approved by the Board based upon the profitability and/or performance of the Company. There is no required minimum period of employment, and either the Company or Mr. Pitsiokos may terminate at any time, with or without cause. If Mr. Pitsiokos is terminated without cause, the Company must provide him with at least 60 days' prior written notice of termination, and must pay him the pro rata share of his base salary through those 60 days and severance pay equal to six months' base salary from the date of termination.

Outstanding Equity Awards at Fiscal Year End

As of the year ended December 31, 2013, there were no unexercised options, stock that has not vested or equity ICP awards held by any of the Company's named executive officers.

Severance and Change-in-Control Benefits

Pursuant to the Employment Agreements, each of Mr. Braun and Mr. Fitlin earn a bonus equal to \$125,000 if he is employed by the Company as of the effective date of a change-in-control (the "Change-in-Control Bonus"). The Employment Agreements define a change-in-control as the first to occur of a change in ownership or effective control of the Company or a change in the ownership of a substantial portion of the assets of the Company, as each such term is defined under Section 409A of the Code. Pursuant to the terms of the Employment Agreements, there is no required minimum period of employment, and either the Company or the executive may terminate at any time, with or without cause. If the executive is terminated without cause, the Company must provide him with at least 60 days' prior written notice of termination, and must pay him (i) the pro rata share of his base salary through those 60 days, (ii) the Change-in-Control Bonus, and (iii) severance pay equal to six months' base salary from the date of termination. If the executive is terminated for cause (as defined in the Employment Agreements), he will be paid the pro rata share of his base salary through the date of termination. Each of the executives may also terminate upon 60 days' prior written notice.

On May 8, 2014, the Company entered into a new employment agreement with Peter Pitsiokos, effective May 15, 2014, pursuant to which Mr. Pitsiokos continues to serve as Executive Vice-President, Chief Operating Officer, Chief Compliance Officer and Secretary of the Company. Pursuant to the agreement, Mr. Pitsiokos earns a base salary at the rate of \$200,000 per year plus a discretionary bonus as determined and approved by the Board based upon the profitability and/or performance of the Company. There is no required minimum period of employment, and either the Company or the executive may terminate at any time, with or without cause. If the Company terminates Mr. Pitsiokos' employment without cause, the Company must provide him with at least 60 days' prior written notice of termination, and must pay him the pro rata share of his base salary through those 60 days and severance pay equal to six months' base salary from the date of termination.

Incentive Compensation Upon a Change-in-Control or Payment of Certain Dividends Following an Asset Sale

The Company believes that providing incentive payments in a change-in-control situation is beneficial to shareholders because it encourages management and our board of directors to remain impartial when evaluating a transaction that may be beneficial to shareholders yet could negatively impact the continued employment or board position of an executive officer or director, and to promote long term value maximization. Toward that end, the Company established an ICP in 1999, and our board of directors approved amendments to the plan on February 2, 2010 which are set forth in an Amended and Restated ICP dated as of February 2, 2010 (as amended, the "ICP"), a copy of which was included as an exhibit to the Company's Current Report on Form 8-K, filed with the SEC on February 8, 2010. Our board of directors approved the amendments to the ICP to better align the interests of the participants with those of the Company's shareholders as the Company pursued its strategic plan to position itself over a reasonable period of time for one or more liquidity events that will maximize shareholder value. Full-time employees and members of our board of directors are eligible to participate, and rights of all participants vested immediately on February 2, 2010. Neither Frederick C. Braun III (the Company's Chief Executive Officer), who joined the Company in February 2013, nor Gary Fitlin (the Company's Chief Financial Officer), who joined the Company in 2009, is a participant in the ICP. Naveen Bhatia who resigned from the Board of Directors in September, 2013 and Steven Maroney, who resigned as Chief Executive Officer in August, 2012, remain as participants in the ICP, although their payouts may not benefit from any post-departure increase in the Company's stock price above the 10-day average prior to his departure adjusted for any distributions made following their respective departures. Mr. Bhatia received \$378,345 in payments from the ICP in 2013, while Mr. Maroney received \$933,251 over the same period.

The benefits are realized upon either a change-in-control of the Company, or upon the issuance by the Company of an "Excess Dividend" following certain asset sales.

Change-in-control is defined as the accumulation by any person, entity or group of 30% or more of the combined voting power of the Company's voting stock or the occurrence of certain other specified events. In the event of a change-in-control, the ICP provides for a cash payment equal to the difference between the ICP's "establishment date" price of \$15.39 per share and the per share price of the Common Stock on the closing date, multiplied by the equivalent of 110,000 shares of Common Stock (such number of shares subject to adjustments to reflect changes in capitalization).

An “Excess Dividend” is defined as a dividend in excess of income from operations, paid to shareholders following certain sales of assets, in which the sale of assets equals or exceeds 15 percent of the total gross fair market value of all assets of the Company immediately prior to the sales. In the event of an Excess Dividend, the Company is obligated to pay to plan participants a “Disposition Dividend” which in the aggregate is equal to the Excess Dividend paid per share multiplied by the number of Incentive Compensation Units in the plan, currently 110,000. This Disposition Dividend is allocated to the plan participants according to their weighted percentages, as described below.

Payments under the ICP may be deemed to be a form of deferred compensation (within the meaning of Section 409A of the Code), and if the ICP fails certain tests, the Company may have certain income tax withholding obligations under Section 409A and face interest and penalties if it fails to, or has failed to, fulfill these obligations.

For any individual who becomes a participant with an effective date after December 31, 2009, the average trading price of the Company’s stock for the 10 trading days ending on the trading day prior to the participant’s initial date of participation will replace the price of \$15.39 for the purpose of calculating the benefit. Currently, Peter Pitsiokos is the only executive officer who is a participant in the ICP, as is each of the directors. Neither Frederick C. Braun III (the Company’s Chief Executive Officer), who joined the Company in February 2013, nor Gary Fitlin (the Company’s Chief Financial Officer), who joined the Company in 2009, is a participant in the ICP.

The payment amount would be distributed to eligible participants based upon their respective weighted percentages (ranging from 0.5% to 18.5%). Stephen V. Maroney, the Company's former Chief Executive Officer who resigned in August 2012 and Peter Pitsiokos, the Company's Chief Operating Officer, are currently entitled to 18.5% and 13.5%, respectively, of any distribution under the ICP with the balance being distributable to other eligible employees (11.5%) and members of our board of directors (56.5%). In the case of Mr. Maroney and other former employees, however, as departed employees and director, his payout may not benefit from any post-departure increase in the Company's stock price above the 10-day average prior to his departure adjusted for any distributions made following his departure. There are currently 110,000 units granted under the ICP, equal to 110,000 shares of Common Stock. The remaining liability under the Incentive Plan, payable by the Company when and to the extent that GSD LLC holders receive cash in respect of their GSD interests, is estimated to be not more than \$233,200 in the aggregate.

In July 2012, the Company received \$167,530,657 from the State of New York in payment of the judgments in the Company's favor in the Company's condemnation litigation with the State; as of December 31, 2012 the Company intended to defer recognition of \$98,685,000 for federal income tax purposes and recognize \$68,845,657 as REIT taxable income in 2012. On November 19, 2012, the Company declared a special cash dividend of \$56,786,644 or \$38.30 per share of Common Stock, which was paid on December 14, 2012, to shareholders of record on December 1, 2012, and approved an aggregate payment of \$4,213,000 as required under the terms of the ICP to be allocated and paid to individual participants in accordance with the rules of the ICP. On September 13, 2013, our board of directors declared a Special Dividend of \$98,685,000 or \$66.56 per share of Common Stock, of which approximately \$68,000,000, or \$45.86 per share, was paid in cash. The balance was paid in the form of interests in a newly formed New York limited liability company, Gyrodyne Special Distribution, LLC. Such interests collectively constitute a 100% economic interest in all of the Company's properties: Flowerfield, Port Jefferson, Cortlandt and Fairfax, which is subject to an aggregate of \$13,840,889 in mortgages.

Pension Plan

The Company maintained the Gyrodyne Company of America, Inc. Pension Plan, which was a traditional defined benefit pension plan. The Pension Plan is believed to provide a reasonable benefit for the executives and all other employees. The overfunded (underfunded) status of the Company's pension plan is included in prepaid pension costs (pension liability) in the accompanying consolidated balance sheets and is \$608,807 and \$(492,656) at December 31, 2013 and 2012, respectively. In compliance with the minimum funding requirements, the Company did not have a minimum funding requirement for the year ending December 31, 2013 or 2012. The Company did not maintain any nonqualified deferred compensation programs (other than the Incentive Plan) or any qualified Profit Sharing or Section 401(k) Plans intended to qualify under Sections 401(a) and 501(a) of the Internal Revenue Code. The Company pension has a significant investment in the Company's common stock which reflected a closing price per share on the last trading day of 2013 and 2012 of \$12.71 and \$72.06, respectively. The discount rate combined with the ICP and the impact from the former CEO and restructured terminated employees had on the pension plan was responsible for a significant portion of the increase in the pension liability over the last two years. The Board of Directors voted unanimously in November 2013, to freeze all benefits as of December 23, 2013 and terminate the pension plan as of February 28, 2014. The final liability to fund 100% of the pension plan will not be known until the Trustees of the Pension plan determine the purchase price of annuities and the beneficiaries communicate their elections of annuities vs lump sum payments.

On November 25, 2013, the directors determined that it is advisable and to the advantage, welfare and best interests of the Company to terminate the Gyrodyne Company of America Inc. Pension Plan. Pursuant to the Board decision, the Company froze benefits as of December 23, 2013 and is seeking the IRS Determination Letter to complete the termination of the Plan during 2014. Based on the current assets and liabilities of the pension plan on a termination basis, the Company expects to fund up to approximately \$1,600,000 to complete the termination and liquidation of the pension plan.

Retention/Bonus Plan

In September 2013, our board of directors determined that it is in the best interests of the Company and its shareholders to pursue the actual disposition of the Company's remaining assets and to complete the Company's tax liquidation by means of the proposed merger of the Company and GSD with and into Gyrodyne, LLC, if approved and consummated. Whether or not the proposed merger is consummated, the properties previously transferred from the Company to GSD will be managed and marketed in an orderly manner pursuant to a business plan designed to obtain the best value reasonably available for such assets. Accordingly, in May 2014, our board of directors authorized a Retention Bonus Plan designed to recognize the nature and scope of the responsibilities related to such business plan, to reward and incent performance in connection therewith, to align the interests of directors, executives and employees with our shareholders and to retain such persons during the term of such plan. The Retention Bonus Plan provides for bonuses to directors and discretionary bonuses to officers and employees determined by the gross sales proceeds from the sale of each property and the date of sale.

The Retention Bonus Plan consists of a bonus pool that would be funded with an amount equal to 5% of the specified appraised value of each of the properties previously transferred from the Company to GSD (to be set forth in the plan), so long as the gross selling price of a property is equal to or greater than 100% of its appraised value (based on appraisals utilized to support the value of the real estate included in the non-cash dividend distributed on December 30, 2013). Additional funding of the bonus pool would occur on a property-by-property basis when the gross sales price of a property is in excess of its appraised value as follows: 10% on the first 10% of appreciation, 15% on the next 10% of appreciation and 20% on appreciation greater than 20%. Furthermore, if a specified property is sold on or before a designated date to be specified in the Retention Bonus Plan, an additional amount equal to 2% of the gross selling price of such property also would be funded into the bonus pool.

The bonus pool is distributable in the following proportions to the named participants in the bonus plan for so long as they are directors or employees of the Company, GSD or Gyrodyne, LLC: 15% for the Chairman, 50% for the directors other than the chairman (10% for each of the other five directors) and 35% (the Employee Pool”) for the Company’s executives and employees. Such share of the bonus pool is earned only upon the completion of the sale of a property at a gross selling price equal to or greater than its appraised value and is paid to the named beneficiaries of the Retention Bonus Plan or their designees within 60 days of the completion of such sale or, if later, within 60 days of receipt of any subsequent post-completion installment payment related to such sale. All allocations to individual beneficiaries in the Employee Pool are discretionary and shall be determined from time to time by the board of directors of the Company or its successor in consultation with its President.

COMPENSATION OF DIRECTORS

During 2012, each director was entitled to an annual director fee of \$30,000 per year, which includes attendance at board meetings and committee meetings. In addition, the Chairman of the Board was also entitled to receive a Chairman’s fee of \$24,000 per year. Directors will continue to be reimbursed for travel and other expenses related to Company business. Additionally, in December 2012 each Director and the Chairman of the Board received a payment under the Company’s ICP triggered by the special dividend of \$38.30 per share. Board members received a payment of \$315,975 each. The Chairman of the Board received a total payment of \$484,495.

Effective January 1, 2013, the Board authorized an increase in annual director fees to \$42,000 per year (which includes attendance at board meetings and committee meetings), and an increase in the Chairman’s fee to \$36,000 per year for a total of \$78,000 per year. In addition, on January 2, 2014, each Director and the Chairman of the Board received a payment under the Company’s ICP which became payable on December 30, 2013 following the payment of the cash dividend to shareholders of \$45.86 per share. Board members received a payment of \$378,345 each. The Chairman of the Board received a total payment of \$580,129.

(1) Naveen Bhatia resigned as a director on September 26, 2013.

Members of our board of directors are eligible to participate in the Company's Amended and Restated ICP dated as of February 2, 2010, described above under "Incentive Compensation Upon a Change-in-Control or Payment of Certain Dividends Following an Asset Sale." Rights of all participants, including the directors named in the table above, vested immediately on February 2, 2010.

TRANSACTIONS WITH CERTAIN RELATED PERSONS

There were no transactions in effect since January 1, 2011 (the beginning of the fiscal year preceding the Company's last fiscal year) or currently proposed in which the Company was or is to be a participant and the amount involved exceeds \$120,000, and in which any related person (as such term is defined in Item 404(a) of Regulation S-K) had or will have a direct or indirect material interest.

All of the members of our board of directors are independent directors as defined by the listing requirements of NASDAQ. Such independent directors are Messrs. Lamb, Levine, Macklin, Palmedo, Salour and Smith. The Company has compensation, nominating, audit and strategic alternatives committees, the members of which are also independent as defined by the listing requirements of NASDAQ.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires that the Company's directors, officers and any person holding more than ten percent of the Company's Common Stock file with the SEC reports of ownership and changes in ownership, and that such individuals furnish the Company with copies of the reports.

Based solely on the Company's review of copies of Forms 3 and 4 and amendments thereto received by it during fiscal 2013 and Forms 5 and amendments thereto received by the Company with respect to fiscal 2013 and any written representations from certain reporting persons that no Form 5 is required, Gyrodyne believes that none of the Company's executive officers, directors or 10% shareholders failed to file on a timely basis reports required by section 16(a) of the Exchange Act during fiscal 2013.

PROPOSAL 2: ADVISORY VOTE ON EXECUTIVE COMPENSATION

Under the Dodd-Frank Wall Street Reform and Consumer Protection Act, or the Dodd-Frank Act, and Section 14A of the Exchange Act, the Company's shareholders are now entitled to vote whether to approve, on an advisory basis, the compensation of the Company's named executive officers as disclosed in this proxy statement in accordance with SEC rules. This vote is not intended to address any specific item of compensation, but rather the overall compensation of the Company's named executive officers and the philosophy, policies and practices described in this proxy statement.

The compensation of our named executive officers subject to the vote is disclosed in the Compensation Discussion and Analysis, the compensation tables, and the related narrative disclosure contained in this proxy statement. We believe that our executive compensation program is appropriately designed and responsible in that it is designed to promote the Company's strategic plan without encouraging our executives to assume excessive risks. Our Compensation Committee believes that the Company's executive compensation program must be tailored to meet the demands of the Company's strategic goal, which is to position the Company to maximize shareholder value through one or more liquidity events.

The Compensation Committee believes the Company's executive compensation program is well-aligned with the Company's strategic plan and the long-term interests of shareholders.

Accordingly, our board of directors is asking the shareholders to indicate their support for the compensation of the Company's named executive officers as described in this proxy statement by casting a non-binding advisory vote "FOR" the following resolution:

"RESOLVED, that the compensation paid to the Company's named executive officers, as disclosed pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, compensation tables and narrative discussion, is hereby APPROVED."

Because the vote is advisory, it is not binding on our board of directors or the Company. Nevertheless, the views expressed by the shareholders, whether through this vote or otherwise, are important to management and our board of directors and, accordingly, our board of directors and the Compensation Committee intend to consider the results of this vote in making determinations in the future regarding executive compensation arrangements.

Advisory approval of this proposal requires the vote of the holders of a majority of the shares present in person or represented by proxy and entitled to vote at the annual meeting.

OUR BOARD OF DIRECTORS RECOMMENDS A VOTE

“FOR” THE ADVISORY APPROVAL OF EXECUTIVE COMPENSATION.

THIS IS IDENTIFIED AS ITEM 2 ON THE ENCLOSED PROXY CARD.

PROPOSAL 3: RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Our board of directors, upon the recommendation of the Audit Committee, which is comprised entirely of independent directors, has appointed the accounting firm of Baker Tilly as our independent registered public accounting firm for the current fiscal year. The appointment of Baker Tilly has been ratified by the shareholders every year since 1990. Our board of directors is requesting ratification of Baker Tilly as our independent registered public accounting firm for the fiscal year ending December 31, 2014. This firm has no financial interest in the Company or any connection with the Company other than as auditors and independent registered public accounting firm. The report of Baker Tilly with respect to the Company’s financial statements appears in the Company’s annual report for the fiscal year ended December 31, 2013.

In the event the proposal is defeated, the adverse vote will be considered a direction to our board of directors to select another independent registered public accounting firm for the next fiscal year. However, because of the expense and difficulty of making any substitution of an independent registered public accounting firm after the beginning of a fiscal period, it is contemplated that the appointment for fiscal year 2014 will be permitted to stand unless our board of directors finds other reasons for making the change.

Audit and Other Fees

The following is a summary of the fees billed to the Company by Baker Tilly, its principal accountants, for professional services rendered for the years ended December 31, 2013 and December 31, 2012:

| Fee Category | Fiscal | Fiscal |
|-----------------------------------|----------------------|----------------------|
| | December 31, 2013 | December 31, 2012 |
| Audit Fees ⁽¹⁾ | \$ 121,500 | \$ 120,000 |
| Audit-Related Fees ⁽²⁾ | \$ 45,420 | \$ 2,500 |
| Tax Fees ⁽³⁾ | \$ 36,340 | \$ 32,500 |
| All Other Fees ⁽⁴⁾ | — | — |
| Total Fees | \$ 203,260 | \$ 155,000 |

(1) Audit Fees consist of aggregate fees billed for professional services rendered for the audit of the Company's annual financial statements, review of the interim financial statements included in quarterly reports, and services that are normally provided by the independent auditors in connection with statutory and regulatory filings or engagements for the fiscal years ended December 31, 2013 and December 31, 2012, respectively.

(2) Audit-Related Fees consist of aggregate fees billed for assurance and related services that are reasonably related to the performance of the audit or review of the Company's financial statements and are not reported under "Audit Fees." Such services include review of Form 8-K filings, Form S-3 filings, proxy filings and research into various accounting issues.

(3) Tax Fees consist of aggregate fees billed for professional services rendered by the Company's principal accountant for tax compliance, tax advice and tax planning. The amounts disclosed consist of fees paid for the preparation of federal and state income tax returns and research into the tax implications of the Company's REIT election.

(4) All Other Fees would consist of aggregate fees billed for products and services provided by Baker Tilly, the Company's principal accountant, other than those disclosed above.

None of the services performed by Baker Tilly for the Company were performed by non-full-time Baker Tilly employees.

The Audit Committee is responsible for the appointment, compensation and oversight of the work of the independent registered public accounting firm and approves in advance any services to be performed by the independent registered public accounting firm, whether audit-related or not. The Audit Committee reviews each proposed engagement to determine whether the provision of services is compatible with maintaining the independence of the independent registered public accounting firm. The Audit Committee has determined not to adopt any blanket pre-approval policies or procedures. All of the fees shown above were pre-approved by the Audit Committee.

A representative of Baker Tilly is expected to be present at the annual meeting, will be given an opportunity to make a statement if he or she desires to do so and is expected to be available at a designated time during the annual meeting to respond to appropriate questions.

**OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT THE SHAREHOLDERS
VOTE "FOR" THE RATIFICATION OF APPOINTMENT OF BAKER TILLY AS OUR INDEPENDENT
REGISTERED PUBLIC ACCOUNTING FIRM. THIS IS IDENTIFIED AS ITEM 3 ON THE ENCLOSED

2015 SHAREHOLDER PROPOSALS

If a shareholder wishes to have a particular proposal considered by our board of directors for inclusion in the Company's proxy statement for an annual meeting of shareholders, the shareholder must satisfy the requirements set by the SEC in its proxy rules. The particular proxy rule, Rule 14a-8, requires that shareholders submit their proposals in writing to the Company at least 120 days before the anniversary date of this proxy statement mailing date for the prior year's annual meeting. Thus, shareholders who wish to submit their proposals for inclusion in the Company's proxy statement for next year's annual meeting must deliver such proposals to the Corporate Secretary on or before July 10, 2015, provided that if the date of next year's annual meeting has been changed by more than 30 days from the date of this year's meeting, then the deadline is a reasonable time before the Company begins to print and send its proxy materials, which would be disclosed in the Company's reports filed with the SEC. The notice must clearly identify the proposal, contain a brief supporting statement and all required information about the proposing shareholder, and otherwise satisfy the SEC's rule. Proposals should be addressed to the Secretary of the Company, Gyrodyne Company of America, Inc., One Flowerfield, Suite 24, Saint James, New York 11780.

In order for a shareholder nomination or proposal to be raised from the floor during the 2015 annual meeting of shareholders, the requirements set forth in the Company's by-laws with respect to shareholder proposals must be followed, including the requirement that written notice thereof must be received by the Company not less than 120 days nor more than 150 days before the anniversary date of the prior year's annual meeting (there are special rules if the current year's meeting date is held more than 30 days before, or more than 60 days after, the anniversary of the prior year's meeting date). For the 2015 annual meeting of shareholders, the written notice must be given not later than August 7, 2015 and no earlier than July 8, 2014. If the date of the annual meeting in 2015 is more than 30 days before or more than 60 days after such anniversary date, however, notice by the shareholder to be timely must be delivered not earlier than the close of business on the 120th day prior to such annual meeting and not later than the close of business on the later of the 90th day prior to such annual meeting or the 10th day following the day on which public disclosure of the date of such meeting is first made by the Company. The shareholder's written notice must contain the information required in the Company's by-laws, including (i) all information relating to any nominees proposed by the shareholder that is required to be disclosed in solicitations of proxies pursuant to Regulation 14A under the Securities Exchange Act of 1934 and Rule 14a-11 thereunder, (ii) a brief description of any proposals sought to be presented for a vote at the meeting, (iii) the shareholder's name and record address and (iv) the class and number of shares of Common Stock that are beneficially owned. Shareholders proposing nominees for election to our board of directors must have continuously held at least \$2,000 in market value, or 1%, of the Company's outstanding Common Stock entitled to vote for at least one year by such date of giving of notice or be entitled to cast votes with respect to at least 5% of the outstanding Common Stock. Nominations and proposals should be submitted in writing to the Secretary of the Company, Gyrodyne Company of America, Inc., One Flowerfield, Suite 24, Saint James, New York 11780, who will submit them to our board of directors for its consideration.
