Executive Employment Agreements

On November 15, 2018, Liquidmetal Technologies, Inc. (the “Company”) entered into an Employment Agreement with Bruce Bromage, the Company’s Chief Operating Officer (the “Bromage Employment Agreement”). The Bromage Employment Agreement has a term of three years and will continue thereafter on an “at-will” basis until terminated by either the Company or Mr. Bromage upon 30 days’ prior written notice. The Bromage Employment Agreement provides for an annual base salary of \$291,000 plus bonuses at the discretion of the Company’s Board of Directors. The agreement provides that the Company can terminate Mr. Bromage’s employment at any time and for any reason, provided that if his employment is terminated without “Cause” (as specifically defined in the agreement), then he will continue to be entitled to his base salary and health and welfare benefits for a period of twelve months after termination, and his unvested equity awards (to the extent they would have vested during the twelve-month period after termination) will immediately vest and become exercisable until the earlier of two years after vesting or the scheduled expiration date of the award. In the event that Mr. Bromage terminates his own employment within two years after a change in control of the Company for various “Good Reason Events” that are defined in the agreement (including a material change in compensation or duties), the Company will also be obligated to pay him the same severance compensation that would be applicable to a termination without “Cause”. The Bromage Employment Agreement provides that Mr. Bromage will not be entitled to any severance compensation if he voluntarily leaves the employment of the Company or is terminated for “Cause”, and severance payments will cease if he violates certain restrictive covenants in the agreement.

Also on November 15, 2018, the Company entered into an Employment Agreement with Bryce Van, the Company’s Vice President of Finance (the “Van Employment Agreement”). The Van Employment Agreement has a term of three years, subject to automatic extension on a month-to-month after the expiration of the initial three-year term. The Van Employment Agreement provides for an annual base salary of \$245,000 plus bonuses at the discretion of the Company’s Board of Directors. The agreement provides that the Company can terminate Mr. Van’s employment at any time and for any reason, provided that if his employment is terminated without “Cause” (as specifically defined in the agreement), then he will continue to be entitled to his base salary and health and welfare benefits for a period of twelve months after termination, and his unvested equity awards (to the extent they would have vested during the twelve-month period after termination) will immediately vest and become exercisable until the earlier of two years after vesting or the scheduled expiration date of the award. In the event that Mr. Van terminates his own employment within two years after a change in control of the Company for various “Good Reason Events” that are defined in the agreement (including a material change in compensation or duties), the Company will also be obligated to pay him the same severance compensation that would be applicable to a termination without “Cause”. The Van Employment Agreement provides that Mr. Van will not be entitled to any severance compensation if he voluntarily leaves the employment of the Company or is terminated for “Cause”, and severance payments will cease if he violates certain restrictive covenants in the agreement.

The option has an exercise price of \$0.14 per share and will expire 10 years from the date of grant unless it terminates earlier upon a termination of service. The shares covered by the option will vest 20% on the first year anniversary date of the date of grant, 20% on the second anniversary, and 60% on the third anniversary. The terms of the option are subject to the provisions of the 2015 Equity Incentive Plan.

Each such option gives the grantee the right to purchase up to 240,000 shares of Company common stock at an exercise price of \$0.14 per share. The options will expire 10 years from the date of grant unless they terminate earlier upon a termination of service. The shares covered by the option will vest one-third on the first year anniversary of the date of grant, with the remainder vesting ratably on a monthly basis during the 24-month period following the first year anniversary. The terms of the options are subject to the provisions of the 2015 Equity Incentive Plan.
