Item 1. Security and Issuer

The title of the class of equity security to which this statement relates is common stock, \$0.001 par value. The reporting person beneficially owns 320,188 shares of common stock and options exercisable to acquire 37,500 shares of common stock. Certain of the shares of common stock are subject to vesting provisions.

The issuer of the securities is Digital Ally, Inc. (the "Issuer"). The Issuer's principal executive offices are located at 9705 Loiret Blvd., Lenexa, KS 66219.

Item 4. Purpose of Transaction

This Schedule 13D is being filed to report the beneficial stock ownership of the reporting person to reflect a grant of 65,000 shares of restricted common stock to the reporting person on May 12, 2016. This grant along with earlier grants of restricted common stock, a portion of which has vested, caused the reporting person's beneficial ownership to exceed 5%. See Item 5(c) below. The information supplied in this Schedule 13D is provided as of May 27, 2016.

Item 5. Interest in Securities of the Issuer

(a) The reporting person beneficially owns 357,688 shares of common stock, including 320,188 shares of common stock and options exercisable to purchase 37,500 shares of common stock. The 320,188 shares of common stock include 41,703 shares of common stock held in the Issuer's 401(k) Plan at December 31, 2015 as to which the reporting person has the voting power as trustee of the 401(k) Plan. The beneficial ownership of 357,688 shares would represent 6.7% of the issued and outstanding common stock of the Issuer. As of the date of this Schedule 13D, a total of 150,000 shares of restricted common stock included in the foregoing totals is subject to vesting restrictions as set forth in paragraph (c) below. The reporting person has the power to vote these shares even though they are not vested. The reporting person has pledged 101,148 shares of common stock to financial institutions as collateral for personal loans.

(b) The reporting person has the sole power to vote 320,188 shares and the power to dispose of 278,485 shares, assuming that the 150,000 shares subject to vesting provisions in fact vest. The differences in the numbers of shares subject to the power to vote and subject to disposition is due to 41,703 shares held in the Issuer's 401(k) Plan as to which the reporting person has the power to vote as trustee of such Plan, but as to which he does not have the disposition power. If the reporting person exercised his vested options, he would have the sole power to vote and

dispose of an additional 37,500 shares. The reporting person will be able to vote the shares of common stock underlying the options only if he exercises the options.

(c) On May 12, 2016 the Issuer awarded the reporting person 65,000 shares of restricted common stock. These shares vest one half on May 11, 2017 and one half on May 11, 2018, provided the reporting person remains an officer of the Issuer on each date. An additional 50,000 shares of restricted stock granted in 2015 and 35,000 shares granted in 2016 prior to May 12, 2016 are subject vesting provisions in subsequent periods, provided in all cases that the reporting person remains an officer of the Issuer.

(d) No person is known to the reporting person to have any right to receive, or power to direct the receipt of, dividends from or the proceeds from the sale of any of the securities covered by this statement, except as provided herein.
