ITEM 5.07 Submission of Matters to a Vote of Security Holders.

At a special shareholders' meeting on January 29, 2014, the shareholders of First Community Corporation ("First Community"), the holding company for First Community Bank, approved the issuance of First Community common stock in connection with the previously announced merger of First Community and Savannah River Financial Corporation ("Savannah River"), the holding company for Savannah River Banking Company, with First Community as the surviving entity, pursuant to the Agreement and Plan of Merger, dated as of August 13, 2013, between First Community, SRMS, Inc., a Georgia corporation and wholly-owned subsidiary of First Community, and Savannah River.

At the special meeting, First Community's shareholders were asked to consider and vote upon a proposal to approve the issuance of shares of common stock of First Community as consideration for the merger with Savannah River and, if necessary or appropriate, a proposal to authorize the board of directors to adjourn the special meeting to allow time for further solicitation of proxies in the event there were insufficient votes present at the special meeting, in person or by proxy, to approve the issuance of shares.

The issuance of shares of common stock of First Community as consideration for the merger was approved by the holders of a majority of the total votes cast by the shareholders on the share issuance. The results of the voting on the share issuance proposal are set forth below:

For	Against	Abstentions
3,191,054	94,089	6,601

FORWARD-LOOKING STATEMENTS

This Form 8-K contains certain forward-looking statements, including certain plans, expectations, goals, and projections, including statements about the benefits of the merger between First Community and Savannah River, which are subject to numerous assumptions, risks, and uncertainties. Actual results could differ materially from those anticipated by such statements for a variety of factors including, without limitation: the businesses of First Community and Savannah River may not be integrated successfully or such integration may take longer to accomplish than expected; the expected cost savings and any revenue synergies from the merger may not be fully realized within the expected timeframes; disruption from the merger may make it more difficult to maintain relationships with clients, associates, or suppliers; changes in economic conditions; movements in interest rates; competitive pressures on product pricing and services; success and timing of other business strategies; the nature, extent, and timing of governmental actions and reforms; and extended disruption of vital infrastructure; and other factors described in First Community's Annual Report on Form 10-K and documents subsequently filed by First Community with the Securities and Exchange Commission (the "SEC"). All forward-looking statements included in this Form 8-K are based on information available at the time of the filing. First Community assumes no obligation to update any forward-looking statement.
