Proxy Statement

Proxy Statement

This Proxy Statement and a form of proxy were first mailed to stockholders on or about March 21, 2016. The following information concerning the proxy and the matters to be acted upon at the Annual Meeting of Stockholders to be held on April 26, 2016, is submitted by the Company to the stockholders in connection with the solicitation of proxies on behalf of the Company's Board of Directors.

Solicitation of and Power to Revoke Proxy

A form of proxy is enclosed. Each proxy submitted will be voted as directed, but if not otherwise specified, proxies solicited by the Board of Directors of the Company will be voted in favor of the candidates for the election to the Board of Directors, and in favor of ratification of the appointment of our independent registered public accounting firm for the fiscal year ending December 31, 2016.

A stockholder executing and delivering a proxy has power to revoke the same and the authority thereby given at any time prior to the exercise of such authority, if he so elects, by contacting either proxy holder, by timely submitting a later dated proxy changing your vote, or by attending the meeting and voting in person. However, a beneficial stockholder who holds his shares in street name must secure a proxy from his broker before he can attend the meeting and vote. All costs of solicitation have been, and will be, borne by the Company.

Householding and Delivery of Proxy Materials

The Company has adopted the process called

“householding” for any proxy materials in order to reduce printing costs and postage fees. Householding means that stockholders who share the same last name and address will receive only one copy of the proxy material, unless we receive contrary instructions from any stockholder at that address. The Company will continue to mail a proxy card to each stockholder of record.

If you prefer to receive multiple copies of the proxy material at the same address, additional copies will be provided to you promptly upon written or oral request. If you are a stockholder of record, you may contact us by writing to the Company at 2170 Piedmont Rd., NE, Atlanta, GA 30324 or by calling 404-888-2000. Eligible stockholders of record receiving multiple copies of the proxy material can request householding by contacting the Company in the same manner.

2 Rollins, Inc. 2016 Proxy Statement

Capital Stock

Capital Stock

The outstanding capital stock of the Company on February 29, 2016 consisted of 218,716,427 shares of Common Stock, par value \$1.00 per share. Holders of Common Stock are entitled to one vote (non-cumulative) for each share of such stock registered in their respective names at the close of business on February 29, 2016, the record date for determining stockholders entitled to notice of and to vote at the meeting or any adjournment thereof.

A majority of the outstanding shares will constitute a quorum at the Annual Meeting. Abstentions will be counted for purposes of determining the presence or absence of a quorum for the transaction of business. In accordance with the General Corporation Law of the state of Delaware, the election of the nominees named herein as Directors will require the affirmative vote of a plurality of the votes cast by the shares of Company Common Stock entitled to vote in the election provided that a quorum is present at the Annual Meeting. In the case of a plurality vote requirement (as in the election of directors), where no particular percentage vote is required, the outcome is solely a matter of comparing the number of votes cast for each nominee, with those nominees receiving the most votes being elected, and hence only votes for director nominees (and not abstentions) are relevant to the outcome. In this case, the nominees receiving the most votes will be elected. The affirmative vote of a majority of a quorum of the Company's outstanding shares of Common Stock present and entitled to vote at the meeting is required to approve the ratification of the appointment of the Company's independent registered public accounting firm for fiscal year 2016. Abstentions will have the effect of a vote against the proposal and broker non-votes will have no effect on the proposal for the ratification of the appointment of the Company's independent registered public accounting firm. There are no rights of appraisal or similar dissenter's rights with respect to any matter to be acted upon pursuant to this Proxy Statement. It is expected that shares held of record by officers and directors of the Company, which in the aggregate represent approximately 56 percent of the outstanding shares of Common Stock, will be voted for the nominees and for the ratification of the appointment of the Company's independent registered public accounting firm.

Director Nominations

Under Delaware law, there are no statutory criteria or qualifications for directors. The Board has prescribed no criteria or qualifications at this time. The Nominating and Governance Committee does not have a charter or a formal policy with regard to the consideration of director candidates. As such, there is no formal policy relative to diversity, although as noted below, it is one of many factors that the Nominating and Corporate Governance Committee has the discretion to factor into its decision-making. This discretion would extend to how the Committee might define diversity in a particular instance – whether in terms of background, viewpoint, experience, education, race, gender, national origin or other considerations. However, our Nominating and Corporate Governance Committee acts under the guidance of the corporate governance guidelines approved by the Board of Directors on January 27, 2004, as amended

Corporate Governance and Board of Directors' Committees and Meetings

January 25, 2005, and posted on the Company's website at www.rollins.com under the Governance section. The Board believes that it should preserve maximum flexibility in order to select directors with sound judgment and other desirable qualities. According to the Company's corporate governance guidelines, the Board of Directors will be responsible for selecting nominees for election to the Board of Directors. The Board delegates the screening process involved to the Nominating and Governance Committee. This Committee is responsible for determining the appropriate skills and characteristics required of Board members in the context of the then current make-up of the Board. This determination takes into account all factors, which the Committee considers appropriate, such as independence, experience, strength of character, mature judgment, technical skills, diversity, age, and the extent to which the individual would fill a present need on the Board. The Company's by-laws provide that any stockholder entitled to vote for the election of directors may make nominations for the election of directors. Nominations must comply with an advance notice procedure which generally requires, with respect to nominations for directors for election at an annual meeting, that written notice be addressed to: Secretary, Rollins Inc., 2170 Piedmont Road, N.E., Atlanta, Georgia 30324, and received not less than ninety days prior to the anniversary of the prior year's annual meeting and set forth, among other requirements set forth in detail in the Company's by-laws, the name, age, business address and, if known, residence address of the nominee proposed in the notice, the principal occupation or employment of the nominee for the past five years, the nominee's qualifications, the class or series and number of shares of capital stock of the Company which are owned beneficially or of record by the person and any other information relating to the person that would be required to be disclosed in a proxy statement or other filings. Other requirements related to the notice are contained in the Company's by-laws, and stockholders are advised to carefully review those requirements to ensure that nominations comply with the by-laws. The Committee will consider nominations from stockholders who satisfy these requirements. The Committee is responsible for screening the nominees that are selected by the Board of Directors for nomination to the Board and for service on committees of the Board. The Company has not received a recommendation for a director nominee from a shareholder. All of the nominees for directors being voted upon at the Annual Meeting to be held on April 26, 2016 are directors standing for re-election.

Board Leadership

Since July 2001, the Company has had separate persons serving as its Chairman of the Board and Chief Executive Officer. Randall R. Rollins is our Chairman and chairs our Board meetings. Gary W. Rollins is our Vice Chairman and Chief Executive Officer. John F. Wilson is our President and Chief Operating Officer. We believe that it represents the appropriate structure for us at this time; the Chairman of the Board provides general oversight and strategic planning for the Company while the Chief Executive Officer and President and Chief Operating Officer focus on optimizing operational efficiencies.

Risk Oversight by Board

Our Board's oversight of risk has not been delegated to any Board Committee. "Risk" is an extremely broad concept that extends to multiple functional areas and crosses multiple disciplines. As such, risk may be addressed from time to time by the full Board or by one or more of our Committees. Senior management is responsible for identifying and managing material risks that we face while insurable risks and litigation risks are handled primarily by the risk management department. Senior management provides the Board with a summary of insurance coverage annually and updates as deemed necessary. Liquidity risk, credit risk and risks associated with our credit facilities and cash management are handled primarily by our finance department, which regularly provides a financial report to both the Audit Committee and to the full Board. Operational, business, regulatory and political risks are handled primarily by senior executive management, which regularly provides various operational reports to, among others, the full Board or to the Executive Committee.

Director Independence and NYSE Requirements

Controlled Company Exemption. We have elected to be treated as a “controlled company” as defined by New York Stock Exchange Section 303A.00. This Section provides that a controlled company need not comply with the requirements of Sections 303A.01, 303A.04 and 303A.05 of the New York Stock Exchange Listed Company Manual. Section 303A.01 requires that listed companies have a majority of independent directors. As a controlled company, this Section does not apply to us. Sections 303A.04 and 303A.05 require that listed companies have a nominating and corporate governance committee and a compensation committee, in each case composed entirely of independent directors, and that each of

Corporate Governance and Board of Directors' Committees and Meetings

these committees must have a charter that addresses both the committee's purpose and responsibilities and the need for an annual performance evaluation by the committee. While we have a nominating and corporate governance committee and a compensation committee, we are not required to and do not comply with all of the provisions of Sections 303A.04 and 303A.05. We are a "controlled company" because a group that includes the Company's Chairman, R. Randall Rollins and his brother, Gary W. Rollins, who is the Company's Vice Chairman and Chief Executive Officer of the Company and certain companies under their control, possesses in excess of fifty percent of our voting power. This means that they have the ability to determine the outcome of the election of directors at our annual meetings and to determine the outcome of many significant corporate transactions, many of which only require the approval of a majority of our voting power. Such a concentration of voting power could also have the effect of delaying or preventing a third party from acquiring us at a premium.

The Company's Audit Committee is composed of four "independent" directors as defined by the Company's Corporate Governance Guidelines, the New York Stock Exchange rules, the Securities Exchange Act of 1934, SEC regulations thereunder, and the Company's Audit Committee Charter. The members of the Compensation and Nominating and Corporate Governance Committees are also entirely composed of "independent" directors. The Board of Directors has also concluded that all of the members of the Audit Committee and Thomas J. Lawley are "independent directors" under the Company's Corporate Governance Guidelines and the New York Stock Exchange listing standards.

Independence Guidelines. Under New York Stock Exchange listing standards, to be considered independent, a director must be determined to have no material relationship with the Company other than as a director. The New York Stock Exchange standards set forth a nonexclusive list of relationships, which are conclusively deemed material.

The Company's Independence Guidelines (Appendix A to the Company's Corporate Governance Guidelines) are posted on the Company's website at www.rollins.com under the Governance section.

Audit Committee Charter. Under the Company's Audit Committee Charter, in accordance with New York Stock Exchange listing requirements and the Exchange Act, all members of the Audit Committee must be independent of management and the Company. A member of the Audit Committee is considered independent as long as he or she (i) does not accept any consulting, advisory, or compensatory fee from the Company, other than as a director or committee member; (ii) is not an affiliated person of the Company or its subsidiaries; and (iii) otherwise meets the independence requirements of the New York Stock Exchange and the Company's Corporate Governance Guidelines.

Nonmaterial Relationships. After reviewing all of the relationships between the members of the Audit Committee, and Thomas J. Lawley, M.D., on the one hand, and the Company, on the other hand, the Board of Directors determined that none of them had any relationships not included within the categorical standards set forth in the Independence Guidelines and disclosed above except as follows:

1. Mr. Tippie was employed by the Company from 1953 to 1970, and held several offices with the Company during that time, including as Executive Vice President – Finance, Secretary, Treasurer and Chief Financial Officer.
2. Mr. Tippie is Chairman of the Board of Directors of Dover Motorsports, Inc. and Dover Downs Gaming and Entertainment, Inc. R. Randall Rollins is also a director of these companies.
Mr. Tippie is the trustee of the O. Wayne Rollins Foundation and of the Rollins Children's Trust. O. Wayne Rollins is the father of Gary and Randall Rollins. The beneficiaries of the Rollins Children's Trust include the immediate family members of Gary and Randall Rollins.
4. Mr. Dismuke was employed by the company from 1979 to 1984, and held several offices with the Company during that time, including Senior Vice President.
5. Each of Messrs. Dismuke, Prince, Tippie and Williams also serve on the Boards of RPC, Inc. and Marine Products Corporation. Messrs. Gary and Randall Rollins are directors of RPC, Inc. and Marine Products Corporation, and

have voting control over these companies. These companies are held by a control group of which Messrs. Randall and Gary Rollins are a part. Mr. Randall Rollins is an executive officer of Marine Products Corporation.

Thomas J. Lawley, M.D. was the Dean of the Emory University School of Medicine from 1996 to 2013. Various charitable contributions have been made by the O. Wayne Rollins Foundation to Emory University in the past, including charitable contributions made by the Foundation to the Emory University School of Medicine and to the Emory University School of Public Health. Gary Rollins is a director of Emory University.

Corporate Governance and Board of Directors' Committees and Meetings

Thomas J. Lawley, M.D. was appointed to the Board of Trustees for the Woodruff Foundation, the Ichauway Foundation and the Woodruff Fund, Inc. in 2015. Mr. James B. Williams is the Chairman of all three boards and Mr. R. Randall Rollins serves on the Woodruff Fund board.

As required by the Independence Guidelines, the Board of Directors unanimously concluded that the above listed relationships would not affect the independent judgment of the independent directors, based on their experience, character and independent means, and therefore do not preclude an independence determination. All of the members of the Audit Committee are also independent under the heightened standards required for Audit Committee members.

In accordance with the NYSE corporate governance listing standards, Mr. Henry B. Tippie was elected as the Presiding Director. The Company's non-management directors meet at regularly scheduled executive sessions without management. Mr. Tippie presides during these executive sessions.

We have adopted Corporate Governance Guidelines to promote better understanding of our policies and procedures. At least annually, the Board reviews these guidelines. At the Company's website (www.rollins.com), under the heading "Governance," you may access a copy of our Corporate Governance Guidelines, our Audit Committee Charter, our Code of Business Conduct and our Code of Business Conduct and Ethics for Directors and Executive Officers and Related Party Transaction Policy.

Both codes are available on the Company's website at www.rollins.com.

Report of the Audit Committee

Management is responsible for the Company's internal controls and the financial reporting process. The Company's independent public accounting firm is responsible for performing an independent audit of the Company's consolidated financial statements in accordance with the standards of the Public Company Accounting Oversight Board (United States) and for issuing a report thereon. The Audit Committee's responsibility is generally to monitor and oversee these processes, as described in the Audit Committee Charter. It is not the duty of the Audit Committee to plan or conduct audits or to determine that the Company's financial statements are complete and accurate and in accordance with generally accepted accounting principles, that is the responsibility of management.

In fulfilling its oversight responsibilities with respect to the year ended December 31, 2015, the Audit Committee:

• Approved the terms of engagement of Grant Thornton LLP as the Company's independent registered public accounting firm for the year ended December 31, 2015;

Compensation Discussion and Analysis

Compensation Discussion and Analysis Compensation Committee

During the fiscal year ended December 31, 2015, the members of our Compensation Committee held primary responsibility for determining executive compensation levels. The Committee is composed of three of our non-management directors who do not participate in the Company's compensation plans. The Committee determines the compensation and administers the performance-based cash compensation plan for our executive officers. In addition, the Committee also administers our Stock Incentive Plan for all the employees.

The members of our Compensation Committee have extensive and varied experience with various public and private corporations as investors and stockholders, as senior executives, and as directors charged with the oversight of management and the setting of executive compensation levels. Henry B. Tippie, the Chairman of the Compensation Committee, has served on the board of directors of twelve different publicly traded companies and has been involved in setting executive compensation levels at all of these companies. Messrs. James B. Williams and Larry L. Prince have served on the board of directors of several different publicly traded companies and have similarly been involved in setting executive compensation levels at many of these companies.

The Compensation Committee has authority to engage attorneys, accountants and consultants, including executive compensation consultants, to solicit input from management concerning compensation matters, and to delegate any of its responsibilities to one or more directors or members of management where it deems such delegation appropriate and permitted under applicable law. The Committee has not used the services of any compensation consultants in determining or recommending the amount of form of executive compensation.

The Compensation Committee believes that determinations relative to executive compensation levels are best left to the discretion of the Committee. In addition to the extensive experience and expertise of the Committee's members and their familiarity with the Company's performance and the performance of our executive officers, the Committee is able to draw on the experience of other directors and on various legal and accounting executives employed by the Company, and the Committee has access to the wealth of readily available public information relative to structuring executive compensation programs and setting appropriate compensation levels. The Committee also believes that the structure of our executive compensation programs should not become overly complicated or difficult to understand. The Committee solicits input from our Chief Executive Officer with respect to the performance of our executive officers and their compensation levels.

The Role of Shareholder Say-on-Pay Votes

The Company provides its shareholders with the opportunity to cast an every three years advisory vote on executive compensation (a "say-on-pay proposal"). At the Company's annual meeting of shareholders held in April 2014, a substantial majority of the votes cast on the say-on-pay proposal at that meeting were voted in favor of the proposal. The Compensation Committee believes this affirms shareholders' support of the Company's approach to executive compensation. The shareholders voted to hold a say-on-pay advisory vote on executive compensation every three years, and the Board resolved to accept the shareholders' recommendation. As a result, the advisory vote on executive compensation will be held again at the 2017 Annual Meeting. The Compensation Committee will continue to consider the outcome of the Company's say-on-pay votes when making future compensation decisions for the named executive officers.

General Compensation Objectives and Guidelines

The Company is engaged in a highly competitive industry. The success of the Company depends on our ability to attract and retain highly qualified and motivated executives. In order to accomplish this objective, we have endeavored to structure our executive compensation in a fashion that gives our Compensation Committee the flexibility to take into account our operating performance and the individual performance of the executive.

The Compensation Committee endorses the philosophy that executive compensation should reflect Company performance and the contribution of executive officers to that performance. The Company's compensation policy is designed to achieve three fundamental objectives: (i) attract and retain qualified executives, (ii) motivate performance to achieve Company objectives, and (iii) align the interests of our executives with the long-term interests of the Company's stockholders.

The Committee recognizes that there are many intangibles involved in evaluating performance and in motivating performance, and that determining an appropriate compensation level is a highly subjective endeavor. The analysis of the Committee is not based upon a structured formula and the objectives referred to above are not weighted in any formal manner.

16 Rollins, Inc. 2016 Proxy Statement

Compensation Discussion and Analysis

Pursuant to our compensation philosophy, the total annual compensation of our executive officers is primarily made up of one or more of three elements. The three elements are salary, annual performance-based incentive compensation and grants of stock based awards such as restricted stock. In addition, the Company provides retirement compensation plans, group welfare benefits and certain perquisites.

We believe a competitive base salary is important to attract, retain and motivate top executives. We believe annual performance-based incentive compensation is valuable in recognizing and rewarding individual achievement. Finally, we believe equity-based compensation makes executives “think like owners” and, therefore, aligns their interests with those of our stockholders.

Effective November 1, 2006, we adopted a formal Stock Ownership Guidelines for our executive officers and note that our executive officers are significant stockholders of the Company, as disclosed elsewhere in this Proxy Statement. The purpose of these Guidelines is to align the interests of executives with the interests of stockholders and further promote our longstanding commitment to sound corporate governance.

The Committee is mindful of the stock ownership of our directors and executive officers but does not believe that it is appropriate to provide a mechanism or formula to take stock ownership (or gains from prior option or stock awards) into account when setting compensation levels. As do many public companies, we have historically provided in our insider trading policies that directors and executive officers may not sell Company securities short and may not sell puts, calls or other derivative securities tied to our Common Stock.

We expect that the salary and other compensation paid to our executive officers will qualify for income tax deductibility under the limits of Section 162(m) of the Internal Revenue Code. However, the Committee may authorize compensation, which may not, in a specific case, be fully deductible by the Company.

The Company does not have a formal policy relative to the adjustment or recovery of incentives or awards in the event that the performance measures upon which incentives or awards were based are later restated or otherwise adjusted in a manner that would have reduced the size of an incentive or award. However, as all incentives and awards remain within the discretion of the Compensation Committee, the Committee retains the ability to take any such restatements or adjustments into account in subsequent years. In addition, the Sarbanes-Oxley Act requires in the case of accounting restatements that result from material non-compliance with SEC financial reporting requirements, that the Chief Executive Officers and Chief Financial Officers must disgorge bonuses and other incentive-based compensation and profits on stock sales, if the non-compliance results from misconduct.

Salary

The salary of each executive officer is determined by the Compensation Committee. In making its determinations, the Committee gives consideration to our operating performance for the prior fiscal year and the individual executive’s performance. The Committee solicits input from our Chief Executive Officer with respect to the performance of our executive officers and their compensation levels. Effective January 1, 2016, the following adjustments were made to the base salaries of our executive officers: Gary W. Rollins \$1,000,000 (no change from 2015); Paul E. Northen \$400,000 (\$50,000 increase from 2015); R. Randall Rollins \$900,000 (no change from 2015); John F. Wilson \$650,000 (\$50,000 increase from 2015); and Eugene A. Iarocci \$493,500 (\$23,500 increase from 2015). Harry J. Cynkus was no longer serving as an executive officer of the Company at December 31, 2015.

Performance-Based Plan

At the annual meeting of stockholders held on April 23, 2013, the stockholders approved the terms of the Company's Performance-Based Incentive Cash Compensation Plan for Executive Officers (the "Cash Incentive Plan"). Under the Cash Incentive Plan, executive officers have an opportunity to earn bonuses of up to 100 percent of their annual salaries, not to exceed a maximum amount of \$2 million per individual per year, upon achievement of bonus performance goals which are pre-set every year by the Compensation Committee upon its approval of the performance bonus program for that year. For 2015, these performance goals were based on targeted revenue growth, targeted pre-tax profit growth, and increase in pre-tax profits over the previous year's pre-tax profit base.

For 2015, these performance goals for Messrs. R. Randall Rollins, Gary W. Rollins, John F. Wilson and Paul E. Northen were based on targeted revenue growth of the Company, targeted pre-tax profit of the Company, and increased pre-tax profits over the previous year's pre-tax profit base of the Company. For 2015, the performance goals for Eugene A. Iarocci were based on targeted revenue growth of his divisional responsibilities, targeted pre-tax profit of the Company, increased pre-tax profits over the previous year's pre-tax year profit base of his divisional responsibilities and divisional pre-tax profit compared to plan. In anticipation of Harry J. Cynkus's retirement in May 2015, Mr. Cynkus did not receive a bonus opportunity with respect to 2015.

Compensation Discussion and Analysis

For the Company revenue performance goal, Messrs. R. Randall Rollins, Gary W. Rollins, and John F. Wilson were eligible to earn bonuses of between 10 and 35 percent of their respective annual base salary. Paul E. Northen was eligible to earn a bonus of between 2.5 percent and 15 percent of his annual base salary. The minimum growth in revenue over prior year for these persons to be eligible to earn a bonus under this element of the Cash Incentive Plan for 2015 was 0.23 percent. Because the actual increase in Company revenues in 2015 over base year revenues was 5.2 percent, this resulted in bonuses of 35 percent of salary for Messrs. R. Randall Rollins, Gary W. Rollins, and John F. Wilson and 15 percent of salary for Paul E. Northen.

For the divisional revenue performance goal, Eugene A. Iarocci was eligible to earn a bonus of between 2.5 percent and 15 percent of his annual base salary. The minimum growth in divisional revenue over the prior year revenue base to earn a bonus under this element under the Cash Incentive Plan for 2015, which was 4.75 percent, was set at a level that the Company believes was moderately difficult to achieve. Based upon the actual increase in his divisional revenues, this resulted in a bonus of 15 percent of salary for Eugene A. Iarocci.

For the Company pre-tax profit to plan performance goal, Messrs. R. Randall Rollins, Gary W. Rollins, and John F. Wilson were eligible to earn bonuses of between 15 and 40 percent of their respective annual base salary. Paul E. Northen was eligible to receive a bonus of between 7.5 and 20 percent of his annual base salary. Eugene A. Iarocci was eligible to receive a bonus of between 2.5 and 10 percent of his annual salary. The minimum growth in the Company's pre-tax profit for 2015 was 2.5 percent of the corresponding amount for 2014. The Company's 2015 performance resulted in an actual increase in pre-tax profit over the 2014 base amount of 10.8 percent. This resulted in bonuses of 40 percent of salary for Messrs. R. Randall Rollins, Gary W. Rollins, and John F. Wilson and 20 percent of salary for Paul E. Northen and 10 percent of salary for Eugene A. Iarocci.

For the element of the Cash Incentive Plan tied to the increase in Company pre-tax profit over the prior year base amount, Messrs. R. Randall Rollins, Gary W. Rollins, Paul E. Northen and John F. Wilson were eligible to participate in the bonus pool at the rate specified below.

	Rate of Participation in Increase in Pre-Tax Profits Exceeding 2014 Pre-Tax Profit Base		Amount of Participation as Percentage of Annual Salary @ 102.9% of Plan	
Gary W. Rollins	1.089	%	25	%
R. Randall Rollins	0.980	%	25	%
John F. Wilson	0.654	%	25	%
Paul E. Northen	0.229	%	15	%

The Company's 2014 pre-tax profit base was \$219,484,000. For this element of the Cash Incentive Plan, the Company's 2015 performance resulted in bonuses of 25.8 percent of salary for Messrs. R. Randall Rollins, Gary W. Rollins, and John F. Wilson and 15.5 percent of salary for Paul E. Northen.

For the element of the Cash Incentive Plan tied to the increase in divisional pre-tax profit before corporate overhead over the prior year base amount, Eugene A. Iarocci was eligible to participate in the bonus pool at the rate specified below up to the maximum amount specified below:

Rate of Participation	Amount of Participation as
--------------------------	-------------------------------

	in Increase in Brand Pre-Tax Profit before Overhead		Percentage of Annual Salary @102.9% of Plan	
Eugene A. Iarocci	0.309	%	15	%

Based on the actual increases in divisional pre-tax profit over the prior year base amount, Eugene A. Iarocci earned 13.8 percent of his salary. The Compensation Committee recommended and the Board of Directors approved that Eugene A. Iarocci receive the full 15 percent of his salary for this component.

Eugene A. Iarocci has a component of his bonus under the Cash Incentive Plan based on his divisional pre-tax profit before corporate overhead to plan, for which he is eligible to earn bonus of between 5 and 20 percent of his annual salary. The minimum growth in divisional pre-tax profit to earn a bonus under this element of the Cash Incentive Plan for 2015 was set at a level that the Company believes was moderately difficult to achieve. Actual performance resulted in bonus of 20 percent of salary for Eugene A. Iarocci.

The amount of bonuses under each performance component of the Company's Cash Incentive Plan is determined based upon straight-line interpolation of the applicable formula for each such component without the use of discretion. In addition to any bonuses earned under the Cash Incentive Plan or Home Office Plan, the Compensation Committee has the authority to award discretionary bonuses.

Equity Based Awards

Our Stock Incentive Plan allows for a wide variety of stock based awards such as stock options and restricted stock awards. We last issued stock options in fiscal year ended 2003 and have no immediate plans to issue additional stock options. Partially in response to changes relative to the manner in which stock options are accounted for under generally accepted accounting principles, we have modified the structure and composition of the long-term equity based component of our executive compensation. In recent

Compensation Discussion and Analysis

years, we have awarded time-lapse restricted stock in lieu of granting stock options. The terms and conditions of these awards are described in more detail below.

Awards under the Company's Stock Incentive Plan are purely discretionary, are not based upon any specific formula and may or may not be granted in any given fiscal year. For the past three years, we have granted time-lapse restricted stock to various employees, including our executive officers, in early January during our regularly scheduled meeting of the Compensation Committee during which the Committee reviews executive compensation. Consistent with this practice, we granted restricted stock awards to our executive officers in January 2014, 2015 and 2016 as follows:

Name	2014	2015	2016
Gary W. Rollins	63,000	63,000	63,000
R. Randall Rollins	57,000	57,000	57,000
Harry J. Cynkus	18,750	—	—
Paul E. Northen	—	15,000	12,500
John F. Wilson	30,000	30,000	30,000
Eugene A. Iarocci	22,500	22,500	—

The amount of the aggregate stock based awards to our executive officers in any given year is influenced by the Company's overall performance. The amount of each grant to our executive officers is influenced in part by the Committee's subjective assessment of each individual's respective contributions to achievement of the Company's long-term goals and objectives. In evaluating individual performance for these purposes, the Committee considers the overall contributions of executive management as a group and the Committee's subjective assessment of each individual's relative contribution to that performance rather than specific aspects of each individual's performance over a short-term period. It is our expectation to continue yearly grants of restricted stock awards to selected executives although we reserve the right to modify or discontinue this or any of our other compensation practices at anytime.

To date, all of our restricted stock awards have had the same features. The shares vest one-fifth per year beginning on the second anniversary of the grant date. Restricted shares have full voting and dividend rights. However, until the shares vest, they cannot be sold, transferred or pledged. Should the executive leave our employment for any reason prior to the vesting dates (other than due to death, disability or retirement on or after age 65), the unvested shares will be forfeited. In the event of a "change in control" as determined by the Board of Directors, all unvested restricted shares shall vest immediately.

Grants are made under our Stock Incentive Plan and the plan is administered pursuant to Rule 16b-3 of the Securities Exchange Act of 1934. When considering the grant of stock based awards, the Committee considers the overall performance and the performance of individual employees.

There are no agreements or understandings between the Company and any executive officer that guarantee continued employment or guarantee any level of compensation, including incentive or bonus payments, to the executive officer. All of the named executive officers participate in the Company's Cash Incentive Plan. Bonus awards under the Cash Incentive Plan provide participants an opportunity to earn an annual bonus in a maximum amount of 100 percent of base salary or \$2 million per individual per year, whichever is less. Under the Cash Incentive Plan, whether a bonus is payable, and the amount of any bonus payable, is contingent upon achievement of certain performance goals, which are set in the annual program adopted under the plan. Performance goals are measured according to one or more of the following three targeted financial measures: revenue growth, achievement of preset pretax profit targets, and pretax profit improvement over the prior year. For 2015, these performance goals were measured by obtaining specific levels of the following: revenue growth, pre-tax profit plan achievement, and pre-tax profit improvement over the prior year. The Compensation Committee set a maximum award for fiscal year 2015 of 100 percent of the executive's base

salaries for Messrs. R. Randall Rollins, Gary W. Rollins, and John F. Wilson. Messrs. Paul E. Northen and Eugene A.
