Item 2.05 Costs Associated with Exit or Disposal Activities.

On October 18, 2017, SeaWorld Entertainment, Inc. (the “Company”) implemented a restructuring program to reduce costs, increase efficiencies, reduce duplication of functions and improve the Company’s operations. The Company had previously announced in August 2017 that it was identifying an additional \$25.0 million in potential gross cost savings and this restructuring program is a part of those efforts.

The restructuring program involves the elimination of approximately 350 positions by the end of the fourth quarter of fiscal year 2017 across certain of the Company’s theme parks and its corporate headquarters. As a result, the Company expects to record approximately \$5.1 million in pre-tax restructuring charges (the “Restructuring Charges”) in the third quarter of 2017. The Restructuring Charges relate to severance and other expenses incurred in connection with the restructuring program. For the third quarter of 2017 and for the nine month period ended September 30, 2017, these Restructuring Charges will reduce the Company’s reported earnings but will not impact the Company’s Adjusted EBITDA (as defined and reconciled in the Company’s SEC filings).

Forward-Looking Statements

This Current Report on Form 8-K contains statements that are “forward-looking statements” within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended, which are subject to the “safe harbor” created by those sections. The Company generally uses the words such as “might,” “will,” “may,” “should,” “estimates,” “expects,” “continues,” “contemplates,” “anticipates,” “projects,” “plans,” “predicts,” “intends,” “believes,” “forecasts,” “future,” “guidance,” “targeted” and variations of such words or similar expressions in this Current Report on Form 8-K to identify forward-looking statements. All statements, other than statements of historical facts included in this Current Report on Form 8-K, including statements concerning plans, objectives, goals, expectations, beliefs, business strategies, future events, business conditions, results of operations, financial position, business outlook, earnings guidance, business trends and other information are forward-looking statements. The forward-looking statements are not historical facts, and are based upon current expectations, estimates and projections, and various assumptions, many of which, by their nature, are inherently uncertain and beyond management’s control. All expectations, beliefs, estimates and projections are expressed in good faith and the Company believes there is a reasonable basis for them. However, there can be no assurance that management’s expectations, beliefs, estimates and projections will result or be achieved and actual results may vary materially from what is expressed in or indicated by the forward-looking statements.

These forward-looking statements are subject to a number of risks, uncertainties and other important factors, many of which are beyond management’s control, that could cause actual results to differ materially from the forward-looking statements contained in this Current Report on Form 8-K, including among others: a decline in discretionary consumer spending or consumer confidence; various factors beyond management’s control adversely affecting attendance and guest spending at the Company’s theme parks, including the potential spread of contagious diseases; any risks affecting the markets in which the Company operates, such as natural disasters, severe weather and travel-related disruptions or incidents; increased labor costs and employee health and welfare benefits; complex federal and state regulations governing the treatment of animals, which can change, and claims and lawsuits by activist groups; incidents or adverse publicity concerning the Company’s theme parks; any adverse judgments or settlements resulting from legal proceedings; cyber security risks and the failure to maintain the integrity of internal or guest data; inability to protect the Company’s intellectual property or the infringement on intellectual property rights of others; risks associated with the Company’s cost optimization program, capital allocation plans, share repurchases and financing transactions; and other risks, uncertainties and factors set forth in the section entitled “Risk Factors” in the Company’s most recently available Annual Report on Form 10-K and Quarterly Report on Form 10-Q, as such risks, uncertainties and factors may be updated in the Company’s periodic filings with the Securities and Exchange Commission (“SEC”).

Although the Company believes that these statements are based upon reasonable assumptions, it cannot guarantee future results and readers are cautioned not to place undue reliance on these forward-looking statements, which reflect management's opinions only as of the date of this Current Report on Form 8-K. There can be no assurance that (i) the Company has correctly measured or identified all of the factors affecting its business or the extent of these factors' likely impact, (ii) the available information with respect to these factors on which such analysis is based is complete or accurate, (iii) such analysis is correct or (iv) the Company's strategy, which is based in part on this analysis, will be successful. Except as required by law, the Company undertakes no obligation to update or revise forward-looking statements to reflect new information or events or circumstances that occur after the date of this Current Report on Form 8-K or to reflect the occurrence of unanticipated events or otherwise. Readers are advised to review the Company's filings with the SEC (which are available from the SEC's EDGAR database at www.sec.gov and via the Company's website at www.seaworldentertainment.com).
