SPECIAL MEETING OF UNITHOLDERS OF SAN JUAN BASIN ROYALTY TRUST

**PROXY STATEMENT OF
SOUTHWEST BANK AND ROBERT LANSFORD**

Please sign, date and mail the enclosed WHITE proxy card today.

This Proxy Statement (the “*Proxy Statement*”) and the enclosed WHITE proxy card are being furnished to unitholders of San Juan Basin Royalty Trust (the “*Trust*”) in connection with the solicitation of proxies by Southwest Bank (“*Southwest Bank*”) and Robert Lansford (collectively with Southwest Bank, unless the context requires otherwise, “*we*,” “*our*,” “*us*” or the “*Southwest Bank Participants*”). Those proxies will be used to vote units of beneficial ownership interest in the Trust (the “*Units*”) at a special meeting of unitholders of the Trust (the “*Special Meeting*”) in the manner described in this Proxy Statement. The Trust has not yet announced the date, time and location of the Special Meeting. Once the Trust announces such information, we will supplement this Proxy Statement to include such information. This Proxy Statement and the enclosed WHITE proxy card are first being sent to unitholders on or about October __, 2016.

We are soliciting your proxy to vote “**FOR**” the following proposals at the Special Meeting (collectively, the “*Proposals*”):

1. To remove Compass Bank as the trustee of the Trust (the “*Compass Bank Removal Proposal*”);
2. To nominate Southwest Bank as the successor trustee of the Trust (the “*Southwest Bank Nomination Proposal*”) (conditioned upon unitholder approval of the Compass Bank Removal Proposal); and
3. To appoint Southwest Bank as the successor trustee of the Trust (the “*Southwest Bank Appointment Proposal*”) (conditioned upon unitholder approval of both the Compass Bank Removal Proposal and the Southwest Bank Nomination Proposal).

The Special Meeting has been called at the request of Mr. Lansford and other unitholders of the Trust who represent the holders of over 22% of the Trust’s aggregate outstanding Units in accordance with the procedures of the San Juan

Basin Amended and Restated Royalty Trust Indenture (the “*Trust Indenture*”). As of the date of this Proxy Statement, Mr. Lansford owns, and the Southwest Bank Participants may be deemed to beneficially own, an aggregate of 2,000 Units, representing approximately 0.0004% of the Trust’s outstanding Units (based on 46,608,796 Units outstanding as of September 22, 2016, as disclosed in the Trust’s preliminary proxy statement for the Special Meeting, filed with the Securities and Exchange Commission (the “*SEC*”) on September 26, 2016).

The Trust has set the record date for determining unitholders entitled to notice of and to vote at the Special Meeting as October 24, 2016 (the “*Record Date*”). Unitholders of record of the Trust at the close of business on the Record Date will be entitled to vote at the Special Meeting.

We urge you NOT to sign the blue proxy card or return any voting instructions that may be sent to you by the Trust or Compass Bank. If you have already done so, you may revoke any proxy that you previously signed and returned to Compass Bank or the Trust by signing, dating and mailing a later-dated **WHITE** proxy card in the enclosed postage-paid envelope, by voting by proxy over the Internet using the Internet address on the **WHITE** proxy card or by voting by proxy by telephone using the toll-free number on the **WHITE** proxy card.

IMPORTANT

Your vote is important, no matter how few Units you own. Whether or not you plan to attend the Special Meeting, we urge you to vote “FOR” the Proposals at the Special Meeting.

If your Units are registered in your own name, please sign and date the enclosed **WHITE** proxy card and return it in the postage-paid envelope provided or you may submit your proxy by telephone or via the Internet by following the instructions on the **WHITE** proxy card.

If your Units are held through a broker, bank or other nominee, you are considered the beneficial owner of the Units, and these proxy materials are being forwarded to you by your broker, bank or other nominee. As a beneficial owner, only your broker, bank or other nominee can execute a **WHITE** proxy card for your Units and will do so only upon receipt of specific instructions from you. You should receive voting instructions from your broker, bank or other nominee which you must return in order to have your Units voted. If you have not received voting instructions from your broker, bank or other nominee, please contact it directly to provide it with instructions on how you wish to vote.

REASONS FOR THE SOLICITATION

As the trustee or disbursing agent for eight royalty trusts in the energy sector, Southwest Bank has a team of nine professionals with extensive experience in the administration of royalty trusts including nearly thirty years of experience with this Trust in particular. We strongly believe that combining the independence and experience of Southwest Bank with the extensive historical knowledge of the Trust's operations possessed by Southwest Bank's royalty trust group professionals would be beneficial for the unitholders of the Trust.

Continuity of Administration and Actual Royalty Trust Management Experience Valuable

In November of 2015, Southwest Bank announced that Lee Ann Anderson had joined its royalty trust group following her departure from Compass Bank. Prior to joining Southwest Bank, Ms. Anderson served as the principal trust officer responsible for the Trust at the Trust's current and predecessor bank trustees for approximately thirty years. We believe that Ms. Anderson's significant history and experience with the Trust coupled with that of the tenured staff of Southwest Bank's royalty trust management group are compelling reasons for unitholders to now desire a change in trusteeship for the Trust.

Without Ms. Anderson, Compass Bank offers little experience to reassure unitholders at a time when the stock market performance of the Trust is under pressure during a period of low natural gas prices. Moreover, considering the ongoing litigation with Burlington Resources Oil & Gas Company LP, the operator of the Trust's underlying properties, regarding alleged underpayments and overcharges made by Burlington, we think Compass Bank's ability to pursue the strongest case on behalf of the Trust appears weakened with the loss of Ms. Anderson as a long-standing trust officer with extensive knowledge of the Trust's historical operations, the issues underlying the pending litigation (as well as the prior legal disputes with Burlington) and the natural gas industry generally and in the San Juan Basin as well as personal experience managing the Trust's relationship with Burlington.

Royalty Trusts are a Core Business for Southwest Bank

Southwest Bank has made the commitment to the administration of royalty trusts as part of its core business and is providing the resources and management that are required by that commitment. With a dedicated royalty trust group of nine employees with over 160 combined years of experience in administration of royalty trusts, Southwest Bank currently serves as the trustee for the following seven royalty trusts in the energy sector: Permian Basin Royalty Trust, Sabine Royalty Trust, Hugoton Royalty Trust, Cross Timbers Royalty Trust, Tidelands Royalty Trust "B", Marine Petroleum Trust and Dominion Resources Black Warrior Trust. Southwest Bank also currently serves as the disbursing agent for the Westbrook-Thompson Royalty Trust.

In contrast, the Trust is the **only** royalty trust for which Compass Bank serves as trustee. We contend that the administration of a single royalty trust is not a core component of the business of Compass Bank or the global business of its parent entity, the multinational banking group Banco Bilbao Vizcaya Argentaria, N.A. ("**BBVA**").

Reduced Potential for Conflicts of Interest

Southwest Bank has been an independent community bank for 50 years. We believe that Southwest Bank, as a qualified independent bank with a reduced potential for conflict of interest, would be a more suitable trustee for the Trust than a large global bank. We contend that BBVA as a large global bank presents the potential for more conflicts of interest that could impact the ability of Compass Bank to serve the best interests of the unitholders.

At times, the trustee of a royalty trust may be required to pursue legal action on behalf of the royalty trust against the operator of the royalty trust's properties to resolve a dispute. Conflicts may arise for the trustee if the operator or its affiliates are also significant banking customers of the trustee or its affiliates. We believe that large producers are more likely to conduct their banking business with large national or global banks than with an independent regional bank such as Southwest Bank. These banking relationships or opportunities can create a conflict of interest for the trustee which may consider the royalty trust to be less important to its business and profits.

We have already seen evidence of the abandonment by larger global banks of royalty trust operations inherited through acquisition activity. After serving as trustee of the Trust since 1994, the large global Bank One, N.A. resigned as trustee of the Trust in 2002 based on its determination that the administration of royalty trusts was not core to its long-term strategy. Bank One nominated TexasBank, an independent community bank, as successor trustee for the Trust. After 2006, the trustee for the Trust again evolved into a large global bank through a series of mergers or acquisitions when TexasBank was acquired by the large regional Compass Bank in 2006 that in turn was acquired in 2007 by the multinational BBVA based in Madrid, Spain. As another example, after U.S. Trust, another royalty trust trustee, was acquired by Bank of America, N.A. in 2007, Bank of America determined that administration of royalty trusts was not part of its core business, and in 2014 Bank of America resigned as the trustee of seven royalty trusts and nominated Southwest Bank as successor trustee.

In addition, while we are not aware of any actual current conflicts that exist with respect to Southwest Bank or any of its directors or executive officers through Southwest Bank's role as successor trustee for the Trust, we are aware that Charles McMahan, one of the members of the board of directors of Compass Bank's direct parent, BBVA Compass, is also a member of the board of directors of the general partner of Enterprise Products Partners LP. According to the Trust's most recent Form 10-K filed with the SEC, Burlington as the operator of the Trust's underlying properties has entered into contracts with Enterprise Field Services, LLC, a subsidiary of Enterprise Products, and one other mid-stream company for the gathering and processing of virtually all of the gas produced by the Trust's underlying properties. In addition, Enterprise Products reports in its own SEC filings that it owns 100% of the Chaco gas processing facility in New Mexico where the gas is processed. We believe that Mr. McMahan's position with Enterprise Products creates an increased potential for a conflict of interest for BBVA and Compass Bank as the revenues received from Enterprise Products and its subsidiaries under the agreement impact the amounts received by the Trust's unitholders.

BACKGROUND OF THE SOLICITATION

The following is a description of the events and circumstances, including contacts that we have had with representatives of the Trust and Compass Bank, that have preceded the filing of this Proxy Statement:

In 1985, Lee Ann Anderson began working on administration of the Trust at Texas American Bank/Fort Worth, and in 1986 she was assigned primary responsibility for its administration. In 2002, Bank One, successor to Texas American Bank/Fort Worth, resigned as trustee of the Trust and TexasBank became the successor trustee. Ms. Anderson joined TexasBank at that time to continue her role as principal trust officer for the Trust.

From 1989 to March 2006, Vernon Bryant, the current Chairman and Chief Executive Officer of Southwest Bank, served as Chief Executive Officer of TexasBank. In March 2006, Compass Bank acquired TexasBank.

In late 2006, Mr. Bryant formed a holding company that acquired Southwest Bank in 2007, and Mr. Bryant became the Chairman and Chief Executive Officer of Southwest Bank.

In February of 2007, BBVA acquired the parent company of Compass Bank.

In July of 2014, Southwest Bank expanded its royalty trust operations and succeeded Bank of America as trustee of seven royalty trusts. In addition, the royalty trust team at Bank of America joined Southwest Bank.

In August of 2014, Southwest Bank approached BBVA Compass and expressed an interest in a transaction that would transfer the trustee position for the Trust to Southwest Bank's royalty trust management group. Shortly thereafter, representatives of Southwest Bank and BBVA Compass met to discuss whether BBVA Compass had any interest in a transaction, but no decisions were made at that meeting. Southwest Bank continued over the following months to follow up with BBVA Compass regarding a transaction, but BBVA Compass declined to engage in further discussions other than to advise Southwest Bank that BBVA Compass would contact them with any interest.

In October of 2015, Ms. Anderson resigned from Compass Bank and subsequently joined the trust department and royalty trust group of Southwest Bank.

On August 5, 2016, Mr. Lansford submitted a letter (the "***Information Request***") to Compass Bank pursuant to Section 11.01 of the Trust Indenture requesting access to certain books and records of the Trust, including a complete record or list of the unitholders of the Trust.

On August 12, 2016, Compass Bank informed Mr. Lansford that it was unable to determine whether the Information Request was made for an improper purpose and noted that it would respond to the request upon receipt of advice from its counsel.

On August 16, 2016, we filed our preliminary proxy solicitation materials with the SEC for our solicitation of proxies to call the Special Meeting.

On August 18, 2016, after receiving no follow up communications from Compass Bank regarding the Information Request, Southwest Bank submitted another request to Compass Bank in which it requested that Compass Bank deliver a registered unitholder list and the other items in the Information Request that Compass Bank either had on hand or which could be readily obtained.

On August 29, 2016 we filed our definitive proxy solicitation materials with the SEC for our solicitation of proxies to call the Special Meeting.

On August 29, 2016 the Trust filed a preliminary revocation solicitation statement with the SEC.

On August 31, 2016, we received a registered unitholder list from Compass Bank. Compass Bank also advised us that it would forward the invoice for the requested “non-objecting beneficial owner” list upon receipt and would then provide us with the requested list once payment was received.

On September 9, 2016, the Trust filed a revised preliminary revocation solicitation statement with the SEC, and subsequently filed a definitive revocation solicitation statement on the same date.

On September 21, 2016, we sent by registered mail to Compass Bank the request of unitholders holding in excess of 22% of the outstanding Units to call the Special Meeting.

On September 26, 2016, Compass Bank filed its preliminary proxy solicitation materials for the Special Meeting with the SEC.

On September 30, 2016, we filed our preliminary proxy solicitation materials for the Special Meeting with the SEC.

**PROPOSAL 1
COMPASS BANK REMOVAL PROPOSAL**

As discussed in further detail in this Proxy Statement under “Reasons for the Solicitation,” we are asking unitholders to vote at the Special Meeting to remove Compass Bank as the trustee of the Trust. The following is the text of the Compass Bank Removal Proposal:

RESOLVED that Compass Bank is hereby removed from its position as trustee of the Trust.

Section 6.04 of the Trust Indenture provides that the trustee of the Trust may be removed, with or without cause, at a meeting held in accordance with the Trust Indenture by the affirmative vote of the holders of a majority of the outstanding Units. Approval of the Compass Bank Removal Proposal at the Special Meeting will require the affirmative vote of the holders of a majority of the outstanding Units. Abstentions, failures to vote and broker non-votes with respect to the Compass Bank Removal Proposal will have the same effect as a vote against this Proposal.

WE STRONGLY URGE YOU TO VOTE “FOR” PROPOSAL 1 (THE COMPASS BANK REMOVAL PROPOSAL) ON THE ENCLOSED WHITE PROXY CARD.

PROPOSAL 2
SOUTHWEST BANK NOMINATION PROPOSAL

As discussed in further detail in this Proxy Statement under “Reasons for the Solicitation,” we are asking unitholders to vote at the Special Meeting to nominate Southwest Bank as the successor trustee of the Trust. The following is the text of the Southwest Bank Nomination Proposal, which is conditioned upon unitholder approval of the Compass Bank Removal Proposal:

RESOLVED that Southwest Bank is hereby nominated as successor trustee of the Trust.

Section 6.05 of the Trust Indenture provides that nominations for appointment of a successor trustee of the Trust may be made by unitholders owning at least 15% of the Units. Section 6.05 of the Trust Indenture requires that any successor trustee of the Trust shall be a bank or trust company having a capital, surplus and undivided profits (as of the end of its last fiscal year prior to its appointment) of at least \$50,000,000. With a capital, surplus and undivided profits of \$236,590,000 as of December 31, 2015, Southwest Bank meets the criteria established for a successor trustee under the Trust Indenture and agrees to accept the nomination to serve as successor trustee of the Trust if the Southwest Bank Nomination Proposal is presented and approved at the Special Meeting.

Approval of the Southwest Bank Nomination Proposal will require the affirmative vote of the holders of at least 15% of the outstanding Units. Abstentions, failures to vote and broker non-votes with respect to the Southwest Bank Nomination Proposal will have the same effect as a vote against this Proposal.

WE STRONGLY URGE YOU TO VOTE “FOR” PROPOSAL 2 (THE SOUTHWEST BANK NOMINATION PROPOSAL) ON THE ENCLOSED WHITE PROXY CARD.

**PROPOSAL 3
SOUTHWEST BANK APPOINTMENT PROPOSAL**

As discussed in further detail in this Proxy Statement under “Reasons for the Solicitation,” we are asking unitholders to vote at the Special Meeting to appoint Southwest Bank as the successor trustee of the Trust. The following is the text of the Southwest Bank Appointment Proposal, which is conditioned upon unitholder approval of both the Compass Bank Removal Proposal and the Southwest Bank Nomination Proposal:

RESOLVED that Southwest Bank is hereby appointed as successor trustee of the Trust.

Section 6.05 of the Trust Indenture provides that in the event of a vacancy in the position of trustee of the Trust or if a trustee of the Trust has given notice of its intention to resign, the unitholders present or represented at a meeting held in accordance with the Trust Indenture may appoint a successor trustee of the Trust. As described in the Southwest Bank Nomination Proposal above, Southwest Bank meets the criteria established for a successor trustee under the Trust Indenture and agrees to serve as successor trustee of the Trust if the Southwest Bank Appointment Proposal is approved at the Special Meeting.

Approval of the Southwest Bank Appointment Proposal will require the affirmative vote of the holders of a majority of the Units present or represented by proxy and constituting a quorum at the Special Meeting. The presence in person or by proxy of unitholders holding a majority of the outstanding Units will constitute a quorum for purposes of acting at the Special Meeting. Accordingly, once a quorum is established for the Special Meeting, the Southwest Bank Appointment Proposal may be approved by the holders of a majority of the Units present or represented by proxy at the Special Meeting, even though they hold less than a majority of all of the Units at the time outstanding. Abstentions with respect to the Southwest Bank Appointment Proposal will have the same effect as a vote against this Proposal. Failures to vote and broker non-votes will have no effect on this Proposal, assuming a quorum is present at the Special Meeting.

WE STRONGLY URGE YOU TO VOTE “FOR” PROPOSAL 3 (THE SOUTHWEST BANK APPOINTMENT PROPOSAL) ON THE ENCLOSED WHITE PROXY CARD.

EFFECT IF PROPOSALS ARE NOT APPROVED AT THE SPECIAL MEETING

If the Compass Bank Removal Proposal is not approved at the Special Meeting, then Compass Bank will remain as the trustee of the Trust until its subsequent resignation or removal in accordance with the Trust Indenture.

If the Compass Bank Removal Proposal is approved at the Special Meeting, but the Southwest Bank Nomination Proposal and the Southwest Bank Appointment Proposal are not each approved at the Special Meeting, then Compass Bank will be removed as the trustee of the Trust but no successor trustee will be appointed at such time, resulting in a vacancy in the trustee position. Section 6.05 of the Trust Indenture provides that in the event of any vacancy in the position of trustee of the Trust, the unitholders may appoint a successor trustee at a meeting held in accordance with the Trust Indenture. If a vacancy in the position of trustee of the Trust continues for sixty (60) days, then a successor trustee may be appointed by any State or Federal District Court holding terms in Tarrant County, Texas, upon the application of any unitholder. If a unitholder files such application, the court may appoint a temporary trustee at any time after such application is filed. Pending the final appointment of a successor trustee, a temporary trustee will have such powers and duties as the court appointing the temporary trustee provides in its order of appointment, consistent with the provisions of the Trust Indenture.

OTHER PROPOSALS

We do not expect any matters other than the Proposals to be considered and voted upon at the Special Meeting. However, the proxy holders named in the **WHITE** proxy card are authorized to vote on any matters that may properly come before the Special Meeting and at any continuation, postponement, rescheduling or adjournment of the Special Meeting, subject to compliance with Rule 14a-4(c) of the Securities Exchange Act of 1934, as amended. Under the Trust Indenture, only those matters stated in the Trust's notice to unitholders of the Special Meeting may be acted upon at the Special Meeting.

VOTING AND PROXY PROCEDURES

When and where will the Special Meeting be held?

The Trust has not yet announced the date, time and location of the Special Meeting. Once the Trust announces such information, we will supplement this Proxy Statement to include such information. The Trust has set the record date for the Special Meeting (the “*Record Date*”) as October 24, 2016.

Who can attend and vote at the Special Meeting?

All holders of record of the Units as of the close of business on the Record Date for the Special Meeting are authorized to attend and vote at the Special Meeting. If your Units are held of record by a broker, bank or other nominee and you plan to attend the Special Meeting, the Trust’s procedures will require you to bring a brokerage statement, the proxy card mailed to you by your bank or broker or other proof of ownership as of the close of business on the Record Date, as well as a valid government-issued picture identification, in order to be admitted to the Special Meeting. As of September 22, 2016, the Trust reports that there were 46,608,796 Units outstanding. Each Unit is entitled to one vote.

How can I exercise my voting rights?

Voting by proxy for holders of Units registered directly in the name of the unitholder. If you hold your Units registered in your own name as a holder of record, you may vote your Units by marking, signing, dating and mailing the enclosed **WHITE** proxy card in the postage-paid envelope provided as soon as possible but, in any event, prior to the Special Meeting. Alternatively, you may submit your proxy to vote your Units by telephone or via the Internet by following the instructions on the accompanying **WHITE** proxy card. If you submit a proxy by telephone or via the Internet, you do not need to return the **WHITE** proxy card.

Voting by proxy for holders of Units registered in the name of a broker, bank or other nominee. If your Units are held in the name of a broker, bank or other nominee, only the broker, bank or other nominee can execute a **WHITE** proxy card for your Units and will do so only upon receipt of specific instructions from you. You should receive voting instructions from your broker, bank or other nominee which you must return in order to have your Units voted. If you have not received voting instructions from your broker, bank or other nominee, please contact it directly to provide it with instructions on how you wish to vote. If you need assistance in dealing with your broker, bank or other nominee, please contact Okapi Partners at (877) 279-2311.

Vote in person. If you are a registered unitholder and attend the Special Meeting, you may vote in person by completing a ballot provided for this purpose at the Special Meeting. If your Units are held in the name of a broker, bank or other nominee and you plan to attend the Special Meeting in person and wish to vote your Units, you will need to obtain a “legal proxy” form from the broker, bank or other nominee that holds your Units of record and you must bring that document to the Special Meeting. If you need assistance, please contact Okapi Partners at (877) 279-2311.

What happens if I do not give specific voting instructions?

If you are a holder of record of Units and you sign and return the accompanying **WHITE** proxy card, your Units will be voted as you direct. If you are a holder of record of Units and you sign and return the accompanying **WHITE** proxy card without giving specific voting instructions, then the proxy holders will vote your Units “**FOR**” each of the Proposals.

If your Units are held in the name of a broker, bank or other nominee as the record owner of the Units, and you do not provide voting instructions to your broker, bank or other nominee, your Units will not be voted with respect to any proposal for which the bank, broker or other nominee holding of record does not have discretionary authority to vote. Rules of the New York Stock Exchange (“**NYSE**”) determine whether proposals presented at unitholder meetings are “discretionary” or “non-discretionary.” If a proposal is determined to be discretionary, your bank, broker or other nominee is permitted under NYSE rules to vote on the proposal without receiving voting instructions from you. If a proposal is determined to be non-discretionary, your bank, broker or other nominee is not permitted under NYSE rules to vote on the proposal without receiving voting instructions from you. A “**broker non-vote**” occurs when a bank, broker or other nominee holding Units for a beneficial owner returns a valid proxy, but does not vote on a particular proposal because it does not have discretionary authority to vote on the matter and has not received voting instructions from the unitholder for whom it is holding Units. The NYSE rules do not permit discretionary voting by brokers, banks or other nominees on any matters in a contested solicitation and, therefore, discretionary voting is not permitted by banks, brokers or other nominees for any of the matters presented at the Special Meeting. As a result, we encourage you to provide voting instructions with respect to each Proposal to the bank, broker or other nominee that holds your Units by carefully following the instructions provided in their notice to you.

We do not expect any matters other than the Proposals to be considered and voted upon at the Special Meeting. However, the proxy holders named in the **WHITE** proxy card are authorized to vote on any matters that may properly come before the Special Meeting and at any continuation, postponement, rescheduling or adjournment of the Special Meeting, subject to compliance with Rule 14a-4(c) of the Securities Exchange Act of 1934, as amended. Under the Trust Indenture, only those matters stated in the Trust's notice to unitholders of the Special Meeting may be acted upon at the Special Meeting.

What constitutes a quorum and why is a quorum required?

The Trust Indenture requires the Trust to have a quorum of unitholders present to conduct business at the Special Meeting. The holders of record of a majority of the Units outstanding and entitled to vote, present in person or represented by proxy, will constitute a quorum for the transaction of business at the Special Meeting or any adjournment thereof. Abstentions and broker non-votes, if any, will be counted as present at the Special Meeting for quorum purposes.

What is the required vote for approval of each of the Proposals?

| Proposal | Vote Required for Approval |
|---|--|
| Proposal 1: Compass Bank Removal Proposal | Majority of Units outstanding |
| Proposal 2: Southwest Bank Nomination Proposal | At least 15% of Units outstanding |
| Proposal 3: Southwest Bank Appointment Proposal | Majority of Units present in person or by proxy and constituting a quorum at the Special Meeting |

Proposal 1: Compass Bank Removal Proposal. The affirmative vote of the holders of a majority of the outstanding Units is required to approve this Proposal. Abstentions, failures to vote and broker non-votes with respect to the Compass Bank Removal Proposal will have the same effect as a vote against this Proposal.

Proposal 2: Southwest Bank Nomination Proposal. This Proposal will require the affirmative vote of the holders of at least 15% of the outstanding Units. Abstentions, failures to vote and broker non-votes with respect to the Southwest Bank Nomination Proposal will have the same effect as a vote against this Proposal. This Proposal is conditioned upon approval of the Compass Bank Removal Proposal.

Proposal 3: Southwest Bank Appointment Proposal. This Proposal will require the affirmative vote of the holders of a majority of the Units present or represented by proxy and constituting a quorum at the Special Meeting. Accordingly, once a quorum is established for the Special Meeting, the Southwest Bank Appointment Proposal may be approved by the holders of a majority of the Units present or represented by proxy at the Special Meeting, even though they hold less than a majority of all of the Units at the time outstanding. Abstentions with respect to this Proposal will have the same effect as a vote against this Proposal. Failures to vote and broker non-votes will have no effect on this Proposal, assuming a quorum is present at the Special Meeting. This Proposal is conditioned upon the approval of both the Compass Bank Removal Proposal and the Southwest Bank Nomination Proposal.

Can I revoke my proxy instructions?

Yes. You may revoke your proxy at any time before it has been voted at the Special Meeting. You can do this in one of three ways:

· submitting a written revocation to us or Okapi Partners at or before the Special Meeting;

· submitting a later-dated proxy by telephone or via the Internet or by timely delivery of a later-dated **WHITE** proxy card; or

· attending and voting in person at the Special Meeting as described above under “How can I exercise my voting rights?—Vote in person.”

Attendance at the Special Meeting will not, without further action, constitute revocation of a previously given proxy. If you hold your Units through a broker, bank or other nominee, you may change your voting instructions by submitting new voting instructions to your broker, bank or other nominee.

Any written notice of revocation or delivery of a subsequent proxy by a unitholder of record may be sent to the Southwest Bank Participants c/o Okapi Partners at the address set forth on the last page of this Proxy Statement, or hand delivered to us at or before the voting of the Special Meeting.

What should I do if I receive a blue proxy card solicited by Compass Bank or the Trust?

If you submit a proxy to us by signing and returning the enclosed **WHITE** proxy card, we urge you **NOT** to sign or return any blue proxy card or follow any voting instructions that you receive from Compass Bank or the Trust unless you intend to change your vote, because only your latest-dated proxy will be counted.

If I plan to attend the Special Meeting, should I still submit a proxy?

Whether you plan to attend the Special Meeting or not, we urge you to submit a proxy to vote “**FOR**” the Proposals. Returning the **WHITE** proxy card or voting by telephone or via the Internet will not affect your right to attend the Special Meeting.

Whom should I call with any questions?

Unitholders should call Okapi Partners, our solicitation agent, toll-free at (877) 279-2311 with any questions about this proxy solicitation, the Special Meeting or how to vote their Units.

INTERESTS OF CERTAIN PERSONS IN THE MATTERS TO BE ACTED UPON

If each of the Compass Bank Removal Proposal, the Southwest Bank Nomination Proposal and the Southwest Bank Appointment Proposal is approved at the Special Meeting, Southwest Bank will be appointed as successor trustee of the Trust. If appointed as successor trustee, Southwest Bank will receive compensation for its services as trustee of the Trust as provided in the Trust Indenture. The terms of the trustee compensation under the Trust Indenture may not be modified without the affirmative vote of a majority of the Units present or represented by proxy and constituting a quorum at a special meeting of the unitholders called in accordance with the terms of the Trust Indenture.

Under the Trust Indenture, the trustee is entitled to an administrative fee for its administrative services and the preparation of quarterly and annual statements, computed as (i) 1/20 of 1% of the first \$100 million of the annual gross revenue of the Trust, and 1/30 of 1% of the annual gross revenue of the Trust in excess of \$100 million and (ii) the trustee's standard hourly rates for time in excess of 300 hours annually.
