PROXY STATEMENT

OF

MALVERN BANCORP, INC.

About the Annual Meeting of Shareholders

This proxy statement is furnished to holders of common stock of Malvern Bancorp, Inc. (the “Company”), the holding company of Malvern Federal Savings Bank (the “Bank”). Our Board of Directors is soliciting proxies to be used at the annual meeting of shareholders to be held at the Sheraton Great Valley Hotel, located at 707 East Lancaster Avenue, Frazer, Pennsylvania, on Tuesday, February 10, 2015 at 10:00 a.m., Eastern Time, and any adjournment thereof, for the purposes set forth in the Notice of Annual Meeting of Shareholders. This proxy statement is first being mailed to shareholders on or about January 2, 2015.

Important Notice Regarding the Availability of Proxy Materials for the Shareholder Meeting to Be Held on February 10, 2015. This proxy statement and our Annual Report on Form 10-K for the year ended September 30, 2014 as well as driving directions to the annual meeting are available at <http://www.proxyvote.com> and on our website at www.malvernfederal.com under the “Investor Relations” tab.

What is the purpose of the annual meeting?

At our annual meeting, shareholders will act upon the matters outlined in the Notice of Annual Meeting, consisting of the election of directors, a non-binding resolution to approve the compensation of our named executive officers, approval of our 2014 Long-Term Incentive Compensation Plan and the ratification of our independent registered public accounting firm.

Who is entitled to vote?

Only Malvern Bancorp shareholders of record as of the close of business on the record date for the meeting, December 17, 2014, are entitled to vote at the meeting. On the record date, we had 6,558,473 shares of common stock issued and outstanding and no other class of equity securities outstanding. For each issued and outstanding share of common stock you own on the record date, you will be entitled to one vote on each matter to be voted on at the meeting, in person or by proxy.

How do I submit my proxy?

VOTE BY INTERNET - www.proxyvote.com

Use the Internet to transmit your voting instructions and for electronic delivery of information up until 11:59 P.M. Eastern Time the day before the cut-off date or meeting date. Have your proxy card in hand when you access the web site and follow the instructions to obtain your records and to create an electronic voting instruction form.

VOTE BY PHONE - 1-800-690-6903

Use any touch-tone telephone to transmit your voting instructions up until 11:59 P.M. Eastern Time the day before the cut-off date or meeting date. Have your proxy card in hand when you call and then follow the instructions.

VOTE BY MAIL

Mark, sign and date your proxy card and return it in the postage-paid envelope we have provided or return it to Vote Processing, c/o Broadridge, 51 Mercedes Way, Edgewood, NY 11717.

If my shares are held in “street name” by my broker, could my broker automatically vote my shares for me?

Your broker may not vote on the election of directors, the non-binding proposal on compensation or the 2014 Long-Term Incentive Compensation Plan unless you provide your broker with instructions on how to vote. You should use the voting instruction card provided by the institution that holds your shares to instruct your broker to vote your shares or else your shares will be considered “broker non-votes.”

Broker non-votes are shares held by brokers or nominees as to which voting instructions have not been received from the beneficial owners or the persons entitled to vote those shares and the broker or nominee does not have discretionary voting power under rules applicable to broker-dealers. Under these rules, the proposal to elect directors, the non-binding proposal to approve the compensation of our named executive officers and the proposal to approve our 2014 Long-Term Incentive Compensation Plan are not items on which brokerage firms may vote in their discretion on behalf of their clients if such clients have not furnished voting instructions within ten days of the annual meeting.

Your broker may vote in his or her discretion on the ratification of the appointment of our independent registered public accounting firm if you do not furnish instructions.

Can I attend the meeting and vote my shares in person?

All shareholders are invited to attend the annual meeting. Shareholders of record can vote in person at the annual meeting. If your shares are held in street name, then you are not the shareholder of record and you must ask your broker or other nominee how you can vote at the annual meeting.

Can I change my vote after I return my proxy card?

Yes. If you are a shareholder of record, there are three ways you can change your vote or revoke your proxy after you have sent in your proxy form.

First, you may send a written notice to our Corporate Secretary, Mr. Joseph D. Gangemi, Malvern Bancorp, Inc., 42 East Lancaster Avenue, Paoli, Pennsylvania 19301, in advance of the meeting stating that you would like to revoke your proxy.

Second, you may complete and submit a new proxy card before the annual meeting. Any earlier proxies will be revoked automatically.

Third, you may attend the annual meeting and vote in person. Any earlier proxy will be revoked. However, attending the annual meeting without voting in person will not revoke your proxy.

If your shares are held in “street name” and you have instructed a broker or other nominee to vote your shares, you must follow directions from your broker or other nominee to change your vote.

What constitutes a quorum?

The presence at the meeting, in person or by proxy, of the holders of a majority of outstanding shares that all shareholders are entitled to vote on a particular matter will constitute a quorum. Proxies received but marked as abstentions and broker non-votes will be included in the calculation of the number of votes considered to be present at the meeting.

What are the Board of Directors' recommendations?

The recommendations of the Board of Directors are set forth under the description of each proposal in this proxy statement. In summary, the Board of Directors recommends that you vote **FOR** the nominees for director described herein, **FOR** the non-binding resolution to approve the compensation of our named executive officers, **FOR** approval of the Malvern Bancorp 2014 Long-Term Incentive Compensation Plan and **FOR** the ratification of the appointment of BDO USA, LLP for fiscal 2015.

The proxy solicited hereby, if properly signed and returned to us and not revoked prior to its use, will be voted in accordance with your instructions. If no contrary instructions are given, each proxy signed and received will be voted in the manner recommended by the Board of Directors and, upon the transaction of such other business as may properly come before the meeting, in accordance with the best judgment of the persons appointed as proxies. Proxies solicited hereby may be exercised only at the annual meeting and any adjournment of the annual meeting and will not be used for any other meeting.

What vote is required to approve each item?

The election of directors will be determined by a plurality of the votes cast at the annual meeting. The nominees for director receiving the most "for" votes in each class, up to the number of directors to be elected in such class, will be elected directors. The affirmative vote of a majority of the votes cast on the proposal is required to ratify the appointment of BDO USA, LLP for fiscal 2015, to approve the 2014 Long-Term Incentive Compensation Plan and to approve non-binding resolution approving the compensation of our named executive officers. Under the Pennsylvania Business Corporation Law, abstentions and broker "non-votes" are not counted as votes cast.

Information with Respect to Nominees for Director, Continuing Directors and Executive Officers

Election of Directors (Proposal One)

Our Bylaws provide that the Board of Directors shall be divided into three classes as nearly equal in number as possible. The directors are elected by our shareholders for staggered terms and until their successors are elected and qualified. Generally, one class shall be elected annually. At this meeting, you will be asked to elect four directors for a three-year term expiring in 2018 and until their successors are elected and qualified.

Our Board of Directors has recommended the election of Messrs. Palmer, Jr., Weagley and Yerkes, Jr. and Mrs. Woodman as directors. No director or nominee for director is related to any other director or executive officer by blood, marriage or adoption. Shareholders are not permitted to use cumulative voting for the election of directors. Our Board of Directors has determined that Messrs. Hughes, Scartozzi, Steinmetz, Palmer, O'Grady, Packard, Willson and Yerkes and Ms. Woodman are independent directors, as defined in the Nasdaq listing standards.

Unless otherwise directed, each proxy signed and returned by a shareholder will be voted for the election of the nominees for director listed below. If any person named as a nominee should be unable or unwilling to stand for election at the time of the annual meeting, the proxies will nominate and vote for any replacement nominee or nominees recommended by our Board of Directors. At this time, the Board of Directors knows of no reason why any of the nominees listed below may not be able to serve as a director if elected.

John P. O'Grady initially was nominated for election as a director for a three year term pursuant to a Standstill Agreement, dated October 15, 2013, with Mr. Joseph Stilwell and certain affiliated funds (collectively, "The Stilwell Group") and Mr. O'Grady. While the Standstill Agreement was terminated as of November 25, 2014, Mr. O'Grady continues to serve as a director of the Company and the Bank.

The following tables present information concerning the nominees for director and our continuing directors. The indicated period of service as a director includes, with respect to periods prior to 2008, service as a director of the Bank. Ages are reflected as of September 30, 2014. With the exception of Robert C.F. Willson, all of our current directors also serve as directors of Malvern Federal Savings Bank. The OCC recently provided its non objection to Mr. Willson's appointment to the Bank's board of directors. Mr. Wilson will be appointed to the Bank's Board of Director in January 2015.

All of our directors participate in the consideration of director nominees and will consider candidates for director suggested by other directors, as well as our management and shareholders. A shareholder who desires to recommend a prospective nominee for the Board should notify our Secretary in writing with whatever supporting material the shareholder considers appropriate. Any shareholder wishing to make a nomination must follow our procedures for shareholder nominations, which are described under "Shareholder Proposals, Nominations and Communications with the Board of Directors."

The charter of the Nominating and Corporate Governance Committee sets forth certain criteria the committee may consider when recommending individuals for nomination as a director including: (a) ensuring that the board of directors, as a whole, is diverse and consists of individuals with various and relevant career experience, relevant technical skills, industry knowledge and experience, financial expertise (including expertise that could qualify a director as a “financial expert,” as that term is defined by the rules of the SEC), local or community ties and (b) minimum individual qualifications, including strength of character, mature judgment, familiarity with our business and industry, independence of thought and an ability to work collegially. Board Leadership Structure and the Board's Role in Risk Oversight

Anthony C. Weagley serves as our President and Chief Executive Officer and George Steinmetz serves as Chairman of the Board. The Board of Directors has determined that that separation of the offices of Chairman of the Board and President enhances Board independence and oversight. Further, the separation of the Chairman of the Board permits the President and Chief Executive Officer to better focus on his responsibilities on managing the daily operations of Malvern Bancorp, enhancing shareholder value and expanding and strengthening our franchise while allowing the Chairman to lead the Board of Directors in its fundamental role of providing independent oversight and advice to management. Mr. Steinmetz is an independent director under the rules of the Nasdaq Stock Market.

Risk is inherent with every business, particularly financial institutions. We face a number of risks, including credit risk, interest rate risk, liquidity risk, operational risk, strategic risk and reputational risk. Management is responsible for the day-to-day management of the risks Malvern Bancorp encounters, while the Board, as a whole and through its committees, has responsibility for the oversight of risk management. In its risk oversight role, the Board of Directors has the responsibility to ensure that the risk management processes designed and implemented by management are adequate and functioning as designed. The Board of Directors receives reports on this topic from executive management, other officers of the Company and the Chairperson's of the Audit and Compliance Committees.. The Chairman of the Board and independent directors work together to provide strong, independent oversight of Malvern Bancorp's management and affairs through its committees and meetings of independent directors. The Company believes that its Board leadership structure supports this approach to risk management.

Directors' Attendance at Annual Meetings

Directors are expected to attend the annual meeting of shareholders absent a valid reason for not doing so. In 2014, all of our directors attended our annual meeting of shareholders except Mr. Palmer.

Malvern Bancorp has not implemented any equity awards or stock option plans to date. Malvern Bancorp does not maintain any non-equity incentive plans.

Supplemental Executive Retirement Agreements

In September and October 2004, Malvern Federal Savings Bank entered into Supplemental Executive Retirement Agreements (“SERPs”) with Messrs. Boyle, Anderson and certain other officers. Under the terms of the SERPs, the officer will be entitled to an annual retirement benefit payable over 15 years. In December 2014, the remaining SERPs were amended to freeze the benefits payable under the SERPs to the amounts accrued as of September 30, 2014. The amendments to the SERPs will reduce future compensation expense related to the SERPs. As amended, Mr. Boyle’s SERP will provide him with an annual retirement benefit of \$24,579.47.

Employees’ Savings & Profit Sharing Plan

Malvern Federal Savings Bank maintains an Employees’ Savings & Profit Sharing Plan (the “401(k) Plan”), for its employees including executive officers. Eligible employees may defer up to 6% of their salaries, with a matching contribution made by the Bank up to a specified limit determined annually by the Board of Directors. The Bank also may make additional discretionary contributions. We made 401(k) Plan matching contributions of \$118,000 and \$110,000, respectively, in fiscal 2014 and 2013.

Employee Stock Ownership Plan

In 2008, the Company established an employee stock ownership plan (the “ESOP”) for all eligible employees. As part of the Bank’s mutual holding company reorganization, the ESOP purchased 241,178 shares of common stock of Malvern Federal Bancorp utilizing a \$2.6 million loan from the Company. The loan to the ESOP is being repaid over its term of 18 years and shares are released for allocation to employees’ accounts as debt service payments are made. Shares released from the suspense account are allocated to each eligible participant’s plan account pro rata based on compensation. Forfeitures may be used for the payment of expenses or be reallocated among the remaining participants. Participants become 100% vested after three years of service. Participants also become fully vested in their account balances upon a change in control (as defined), death, disability or retirement. Benefits are payable upon retirement or separation from service. The current ESOP trustee is Pentegra.

Endorsement Split Dollar Insurance Agreements

Malvern Federal Savings Bank has purchased insurance policies on the lives of its executive officers, and has entered into Split Dollar Insurance Agreements with each of those officers. The policies are owned by Malvern Federal Savings Bank which pays each premium due on the policies. Under the agreements with the named executive officers, upon an officer’s death while he/she remains employed by Malvern Federal Savings Bank the executive’s beneficiary shall receive proceeds in the amount of four times the executive’s base salary at the time of death. Malvern Federal Savings Bank is entitled to receive the amount of the death benefits less those paid to the officer’s beneficiary, which is expected to reimburse Malvern Federal Savings Bank in full for its life insurance investment.

The Split Dollar Insurance Agreements may be terminated at any time by Malvern Federal Savings Bank or the officer, by written notice to the other. The Split Dollar Insurance Agreements will also terminate upon cancellation of the insurance policy by Malvern Federal Savings Bank, cessation of Malvern Federal Savings Bank’s business or upon bankruptcy, receivership or dissolution or by Malvern Federal Savings Bank upon the officer’s termination of service to Malvern Federal Savings Bank. Upon termination, the officer forfeits any right in the death benefit and Malvern Federal Savings Bank may retain or terminate the insurance policy in its sole discretion.

Related Party Transactions

Loans and Extensions of Credit. Malvern Federal Savings Bank offers mortgage loans to its directors, officers and employees as well as members of their immediate families for the financing of their primary residences and certain other loans. These loans are generally made on substantially the same terms as those prevailing at the time for comparable transactions with non-affiliated persons except Malvern Federal Savings Bank waives the origination fees on real estate loans made to all employees. It is the belief of management that these loans neither involve more than the normal risk of collectability nor present other unfavorable features to Malvern Federal Savings Bank.

The table below lists the only outstanding loan made by Malvern Federal Savings Bank to a related person, where the amount involved exceeds \$120,000 and the loan origination fee was waived. The loan is to a Director secured by real estate where, consistent with our policy, the typical 3.0% loan origination fee was waived.

Section 22(h) of the Federal Reserve Act generally provides that any credit extended by a savings institution, such as Malvern Federal Savings Bank, to its executive officers, directors and, to the extent otherwise permitted, principal stockholder(s), or any related interest of the foregoing, must be on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions by the savings institution with non-affiliated parties; unless the loans are made pursuant to a benefit or compensation program that (i) is widely available to employees of the institution and (ii) does not give preference to any director, executive officer or principal stockholder, or certain affiliated interests of either, over other employees of the savings institution, and must not involve more than the normal risk of repayment or present other unfavorable features.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the officers and directors, and persons who own more than 10% of Malvern Bancorp’s common stock to file reports of ownership and changes in ownership with the Securities and Exchange Commission. Officers, directors and greater than 10% shareholders are required by regulation to furnish Malvern Bancorp with copies of all Section 16(a) forms they file. We know of no person who owns 10% or more of our common stock.

Based solely on our review of the copies of such forms furnished to us, or written representations from our officers and directors, we believe that during, and with respect to, the fiscal year ended September 30, 2014, other than the initial filing on Form 3 for Mr. Robert C.F. Willson (which was filed late), our officers and directors complied in all respects with the reporting requirements promulgated under Section 16(a) of the Securities Exchange Act of 1934.

Proposal to Adopt a Non-Binding Resolution to Approve the Compensation of our Named Executive Officers
(Proposal Two)

Pursuant to Section 951 of the Dodd-Frank Wall Street Reform and Consumer Protection Act (the Dodd-Frank Act”), the proxy rules of the SEC were amended to require that not less frequently than once every three years, a proxy statement for an annual meeting of shareholders for which the proxy solicitation rules of the SEC require compensation disclosure must also include a separate resolution subject to shareholder vote to approve the compensation of the company’s named executive officers disclosed in the proxy statement. The Company’s Board of Directors previously determined to submit the non-binding resolution on compensation of our named executive officers to our shareholders on an annual basis.

The executive officers named in the summary compensation table and deemed to be “named executive officers” are Messrs. Weagley, Boyle and Neiner. Reference is made to the summary compensation table and disclosures set forth under “Management Compensation” in this proxy statement.

The proposal gives shareholders the ability to vote on the compensation of our named executive officers through the following resolution:

“Resolved, that the shareholders approve the compensation of the named executive officers as disclosed in this proxy statement.”

The shareholder vote on this proposal is not binding on Malvern Bancorp or the Board of Directors and cannot be construed as overruling any decision made by the Board of Directors. However, the Board of Directors of Malvern Bancorp will review the voting results on the non-binding resolution and take them into consideration when making future decisions regarding executive compensation.

The Board of Directors recommends that you vote “FOR” the non-binding resolution to approve the compensation of our named executive officers.

Approval of the Malvern Bancorp, Inc. 2014 Long-Term Incentive Compensation Plan (Proposal Three)

Our board of directors has adopted, subject to shareholder approval at the Annual Meeting, the Malvern Bancorp, Inc. 2014 Long-Term Incentive Compensation Plan (the “2014 Plan”). The 2014 Plan will become effective as of the date it is approved by the shareholders.

To date, we have not implemented any stock option, restricted stock or other equity based incentive plans, and we had no outstanding equity awards at any time during the fiscal year ended September 30, 2014 or as of the date hereof. The 2014 Plan will be the Company’s first equity based incentive compensation plan.

A summary of the 2014 Plan is set forth below. This summary is qualified in its entirety by the full text of the 2014 Plan, which is attached to this proxy statement as Appendix A.

Summary of the 2014 Plan

Purpose. The primary purpose of the 2014 Plan is to promote our success by linking the personal interests of our employees, officers and directors to those of our shareholders, and by providing participants with an incentive for outstanding performance. The 2014 Plan is designed to provide flexibility to the Company in its ability to attract, motivate and retain the services of highly qualified employees, officers and directors.

Administration. The 2014 Plan will be administered by the Compensation Committee (the “Committee”) of the Board of Directors. The Committee will have the authority to designate participants; determine the type or types of awards to be granted to each participant and the number, terms and conditions thereof; establish, adopt or revise any rules and regulations as it may deem advisable to administer the 2014 Plan; and make all other decisions and determinations that may be required under the 2014 Plan.

Eligibility. The 2014 Plan permits the grant of incentive awards to employees, officers or directors of the Company and its affiliates as selected by the Committee. As of December 18, 2014, the number of eligible participants was approximately 89. The number of eligible participants may increase over time based upon future growth of the Company and its affiliates.

Permissible Awards. The 2014 Plan authorizes the granting of awards in any of the following forms:

- options to purchase shares of our common stock, which may be nonstatutory stock options or incentive stock options under the U.S. Internal Revenue Code (the “Code”);
- stock appreciation rights, which give the holder the right to receive the difference (payable in cash or stock, as specified in the award agreement) between the fair market value per share of our common stock on the date of exercise over the grant price;
- restricted stock, which is subject to restrictions on transferability and subject to forfeiture on terms set by the Committee;
- restricted stock units, which represent the right to receive shares of our common stock (or an equivalent value in cash, as specified in the award agreement) in the future, based upon the attainment of stated vesting or performance criteria;
- performance awards, which are payable in cash or stock or a combination of cash and stock (as determined by the Committee) upon the attainment of specified performance goals;
- dividend or dividend equivalent rights, which entitle the participant to payments in cash, stock or a combination of cash and stock equal to any dividends paid on the shares of stock underlying an award;
- other stock-based awards at the discretion of the Committee, including unrestricted stock awards; and
- cash-based awards, including performance-based awards and bonus or other incentive based cash awards.

Shares Available for Awards. Subject to adjustment as provided in the 2014 Plan, the aggregate number of shares of our common stock reserved and available for issuance pursuant to awards granted under the 2014 Plan is 400,000 shares. In addition, awards other than stock appreciation rights and stock options may not exceed 300,000 shares, or 75% of the total number of shares issuable under the 2014 Plan. If an award is canceled, terminates, expires, is forfeited or lapses for any reason, any unissued or forfeited shares subject

to the award will again be available for future awards under the 2014 Plan. In addition, shares withheld from an award or delivered by a participant to satisfy minimum tax withholding requirements or to pay the exercise price of a stock option or stock appreciation right or the settlement in cash in lieu of stock or settlement in a manner such that some or all of the shares covered by an award are not issued to a participant, will remain available for future awards under the 2014 Plan.

Limitations on Individual Awards. The maximum number of shares of common stock subject to stock-based awards that may be granted under the 2014 Plan in any calendar year to any one person is 25,000 shares.

The aggregate dollar value of any performance units or performance shares that may be granted to any one participant during any one calendar year under the 2014 Plan is \$100,000.

Performance Goals. All options and stock appreciation rights granted under the 2014 Plan will be exempt from the \$1,000,000 deduction limit imposed by Code Section 162(m). The Committee may designate any other award granted under the 2014 Plan as a qualified performance-based award in order to make the award fully deductible without regard to the \$1,000,000 deduction limit imposed by Code Section 162(m). If an award is so designated, the Committee must establish objectively determinable performance goals for the award based on one or more of the following business criteria:

- . total shareholder return;
- . earnings per share;
- . net income;
- . expenses;
- . market share;
- . customer satisfaction measures;
- . customer profitability measures;
- . charge-offs;
- . loan loss reserves;
- . non-performing assets;
- . return on assets;
- . return on equity;
- . return on tangible equity;
- . one or more operating ratios;
- . assets;
- . deposits;
- . loans;

asset quality levels;
interest-sensitivity gap levels;
fair market value of the Company's common stock;
value of assets;
investment return;
regulatory compliance;
satisfactory internal or external audits;
achievement of balance sheet objectives;
achievement of income statement objectives; or
achievement of mergers, acquisitions or similar business combinations.

Performance goals with respect to the foregoing criteria may be specified in absolute terms or measured relative to the performance of other companies comparably or similarly situated or other external or internal measures. If performance goals are established by the Committee, such performance goals must be achieved or satisfied during the applicable restricted period or performance period as a condition for a participant to receive shares of stock, restricted stock units or cash with respect to an award under the 2014 Plan.

The Committee must establish such goals not later than 90 days after the beginning of the period for which such performance goal relates (or if such period is for less than one year, not later than the date on which 25% of such period has elapsed). Performance goals may include or exclude extraordinary charges, losses from discontinued operations, restatements and accounting changes and other unplanned special charges such as restructuring expenses, acquisitions, acquisition expenses, stock offerings, stock repurchases and loan loss provisions. Performance criteria may be particular to a business or operating segment or line of business and may, but need not be, based upon a change or an increase or positive result. It is intended that, if utilized, performance goals will conform to the standards and provisions of Section 162(m) of the Code and regulations thereunder in order to exempt compensation from the \$1.0 million deduction limit under such section of the Code.

Limitations on Transfer; Beneficiaries. No award will be assignable or transferable by a participant other than by will or the laws of descent and distribution. A participant may, in the manner determined by the Committee, designate a beneficiary to exercise the rights of the participant and to receive any distribution with respect to any award upon the participant's death.

Treatment of Awards upon a Participant's Termination of Service. Unless otherwise provided in an award agreement, if a participant's service terminates by reason of death, disability or retirement:

all of such participant's outstanding options and stock appreciation rights will become fully vested and remain exercisable for a period of three years or until the earlier expiration of the original term of the option or stock appreciation right;
any unvested shares of restricted stock or restricted stock units will become fully vested and earned and will be distributed; and

each performance unit or performance share will be deemed earned on a pro-rated basis and a pro-rated payment, as adjusted for the achievement of performance goals, will be made following the end of the performance period. However, no options or stock appreciation rights shall become vested and exercisable, no shares of restricted stock or restricted stock units will be deemed earned and no performance shares or performance units will be deemed earned as a result of a participant's termination of employment or service as a director (except due to the participant's death or disability) at a time when the Company is subject to restrictions on its ability to make certain "golden parachute" payments, as defined under federal banking laws.

Treatment of Awards upon a Change in Control. Unless otherwise provided in an award agreement or any special plan document governing an award, upon the occurrence of a change in control of the Company (as defined in the 2014 Plan):

all outstanding options, stock appreciation rights, restricted stock, restricted stock units and other stock based awards will become fully vested and exercisable; and
all performance-based awards, including performance units and performance shares, will be immediately paid out based on the higher of (i) the attainment of performance goals during the performance period in progress as of the change in control date and (ii) 100% of the value on the date of grant of the performance units or performance shares. However, no awards shall vest and no performance-based awards shall be paid out in the event that the change in control of the Company occurs when it is subject to restrictions on its ability to make certain "golden parachute" payments, as defined under federal banking laws.

Adjustments. If we are involved in a corporate transaction between us and our shareholders that causes the value of a share of our common stock to change, such as a stock dividend, stock split, spin-off or dividend or if we are involved in a merger, reorganization or other corporate transaction that affects our common stock, then, the share authorization and annual grant limits under the 2014 Plan will be adjusted proportionately, and the Committee shall make such adjustments to the 2014 Plan and outstanding awards as it deems necessary to preserve the benefits or potential benefits of the awards. In the event of a stock split, a declaration of a dividend payable in shares of common stock, or a combination or consolidation of our common stock into a lesser number of shares, the share authorization and annual grant limits under the 2014 Plan will automatically be adjusted proportionately, and the shares then subject to each award and any applicable per share exercise price will automatically be adjusted proportionately without any change in the aggregate purchase price for such award. Notwithstanding the foregoing, the 2014 Plan provides that in the event of a change in control, the terms of stock options and stock appreciation rights which remain outstanding and unexercised upon consummation of the change in control shall be governed by the provisions governing such awards in any definitive agreement entered into by us in connection with such change in control.

Termination and Amendment. Our Board of Directors may, at any time and from time to time, terminate or amend the 2014 Plan, but if an amendment would constitute a material amendment requiring shareholder approval under applicable listing requirements, laws, policies or regulations, then such amendment will be subject to shareholder approval. In addition, the Board of Directors may condition any amendment on the approval of the shareholders for any other reason. No termination or amendment of the 2014 Plan may materially adversely alter or impair any outstanding award without the consent of the participant affected thereby.

The Committee may amend or modify outstanding awards. However, such amendments may require the consent of the participant and, unless approved by the shareholders, the aggregate exercise price of an outstanding option or stock appreciation right may not be reduced, directly or indirectly, and the original term of an option or stock appreciation right may not be extended.

Prohibition on Repricing. Outstanding stock options cannot be repriced, directly or indirectly, without the prior consent of our shareholders. The exchange of an “underwater” option (i.e., an option having an exercise price in excess of the current market value of the underlying stock) for another award would be considered an indirect repricing and would, therefore, require the prior consent of our shareholders.

Certain Federal Tax Effects

Nonstatutory Stock Options. There will be no federal income tax consequences to the optionee or to us upon the grant of a nonstatutory stock option under the 2014 Plan. When the optionee exercises a nonstatutory option, however, he or she will recognize ordinary income in an amount equal to the excess of the fair market value of the common stock received upon exercise of the option at the time of exercise over the exercise price, and we will be allowed a corresponding federal income tax deduction. Any gain that the optionee realizes when he or she later sells or disposes of the option shares will be short-term or long-term capital gain, depending on how long the shares were held.

Incentive Stock Options. There typically will be no federal income tax consequences to the optionee or to us upon the grant of an incentive stock option. If the optionee holds the option shares for the required holding period of at least two years after the date the option was granted and one year after exercise, the difference between the amount realized upon sale or disposition of the option shares and the exercise price will be long-term capital gain or loss, and we will not be entitled to a federal income tax deduction. If the optionee disposes of the option shares in a sale, exchange or other disqualifying disposition before the required holding period ends, he or she will recognize taxable ordinary income in an amount equal to the excess of the fair market value of the option shares at the time of exercise over the exercise price, and we will be allowed a federal income tax deduction equal to such amount; provided, however, that if the amount realized in the disqualifying disposition is less than the fair market value of the option shares at the time of exercise, then the optionee will recognize taxable income in an amount equal to the excess (if any) of the amount realized in the disqualifying disposition over the exercise price, and we will be allowed a federal income tax deduction equal to such amount. If the amount realized in the disqualifying disposition exceeds the fair market value of the option shares at the time of exercise, then the optionee will recognize short-term or long-term capital gain equal to such excess, depending on how long the shares were held. While the exercise of an incentive stock option does not result in current taxable income, the excess of the fair market value of the option shares at the time of exercise over the exercise price will be an item of adjustment for purposes of determining the optionee’s alternative minimum taxable income.

Stock Appreciation Rights. A participant receiving a stock appreciation right under the 2014 Plan will not recognize income, and we will not be allowed a tax deduction, at the time the award is granted. When the participant exercises the stock appreciation right, the amount of cash and the fair market value of any shares of common stock received will be ordinary income to the participant and we will be allowed a corresponding federal income tax deduction at that time.

Restricted Stock. Unless a participant makes an election to accelerate recognition of the income to the date of grant as described below, a participant will not recognize income, and we will not be allowed a tax deduction, at the time a restricted stock award is granted, provided that the award is nontransferable and is subject to a substantial risk of forfeiture. When the restrictions lapse, the participant will recognize ordinary income equal to the fair market value of the common stock as of that date (less any amount he or she paid for the stock), and we will be allowed a corresponding federal income tax deduction at that time, subject to any applicable limitations under Code Section 162(m). If the participant files an election under Code

Section 83(b) within 30 days after the date of grant of the restricted stock, he or she will recognize ordinary income as of the date of grant equal to the fair market value of the stock as of that date (less any amount paid for the stock), and we will be allowed a corresponding federal income tax deduction at that time, subject to any applicable limitations under Code Section 162(m). Any future appreciation in the stock will be taxable to the participant at capital gains rates. However, if the stock is later forfeited, the participant will not be able to recover the tax previously paid pursuant to the Code Section 83(b) election.

Restricted Stock Units. A participant will not recognize income, and we will not be allowed a tax deduction, at the time a stock unit award is granted. Upon receipt of shares of common stock (or the equivalent value in cash) in settlement of a stock unit award, a participant will recognize ordinary income equal to the fair market value of the common stock or cash as of that date (less any amount he or she paid for the stock or property), and we will be allowed a corresponding federal income tax deduction at that time, subject to any applicable limitations under Code Section 162(m).

Performance Awards. A participant generally will not recognize income, and we will not be allowed a tax deduction, at the time performance awards are granted, so long as the awards are subject to a substantial risk of forfeiture. When the participant receives or has the right to receive cash or stock in settlement of a performance award, the cash amount or the fair market value of the stock will be ordinary income to the participant, and we will be allowed a corresponding federal income tax deduction at that time, subject to any applicable limitations under Code Section 162(m).

Code Section 162(m). Section 162(m) of the Code generally limits the deduction for certain compensation in excess of \$1.0 million per year paid by a publicly-traded corporation to its chief executive officer and the three other most highly compensated executive officers (“covered executive”). Certain types of compensation, including compensation based on performance goals, are excluded from the \$1.0 million deduction limitation. In order for performance-based compensation to qualify for this exception: (i) it must be paid solely on account of the attainment of one or more pre-established, objective performance goals; (ii) the performance goal must be established by a compensation committee consisting solely of two or more outside directors, as defined; (iii) the material terms under which the compensation is to be paid, including performance goals, must be disclosed to and approved by stockholders in a separate vote prior to payment; and (iv) prior to payment, the compensation committee must certify that the performance goals and any other material terms were in fact satisfied.

The 2014 Plan has been designed to meet the requirements of Code Section 162(m) and, as a result, the Company believes that compensation attributable to performance share awards granted under the 2014 Plan in accordance with the foregoing requirements will be fully deductible under Code Section 162(m). If the non-excluded compensation of a covered executive exceeds \$1.0 million, however, compensation attributable to other awards, such as restricted stock, may not be fully deductible unless the grant or vesting of the award is contingent on the attainment of a performance goal determined by the Committee meeting specified requirements and disclosed to and approved by the stockholders of the Company. The Board of Directors believes that the likelihood of any impact on the Company from the deduction limitation contained in Code Section 162(m) is remote at this time.

Code Section 409A. The 2014 Plan permits the grant of various types of incentive awards, which may or may not be exempt from Code Section 409A. If an award is subject to Section 409A, and if the requirements of Section 409A are not met, the taxable events as described above could apply earlier than described, and could result in the imposition of additional taxes and penalties. Restricted stock awards, and stock options and stock appreciation rights that comply with the terms of the 2014 Plan and do not have a deferral feature, are generally exempt from the application of Code Section 409A. Stock units, other stock-based awards and cash-based awards generally are subject to Section 409A unless they are designed to satisfy the short-term deferral exemption from such law. If not exempt, such awards will be specially designed or may be amended, or the 2014 Plan may be amended, to meet the requirements of Section 409A in order to

avoid early taxation and penalties. The 2014 Plan permits participants to defer the receipt of payment of cash or delivery of shares of our common stock that would otherwise be due pursuant to an award in accordance with the terms of any applicable deferral plan that may be established by us, provided that no deferral elections may be made with respect to options, stock appreciation rights or restricted stock awards.

Tax Withholding. The Company or any affiliate has the right to deduct or withhold, or require a participant to remit to the Company, an amount sufficient to satisfy federal, state and local taxes (including employment taxes) required by law to be withheld with respect to any exercise, lapse of restriction or other taxable event arising as a result of the 2014 Plan.

The above description of tax consequences under federal income tax law is necessarily general in nature and does not purport to be complete. Moreover, statutory provisions are subject to change, as are their interpretations, and their application may vary in individual circumstances. Finally, the consequences under applicable state and local income tax laws may not be the same as under the federal income tax laws.

Benefits to Named Executive Officers and Others

As of the date hereof, no awards have been granted under the 2014 Plan. Awards will be made at the discretion of the Committee or pursuant to delegated authority. Therefore, it is not presently possible to determine the benefits or amounts that will be received by such persons or groups pursuant to the 2014 Plan in the future.

The Board of Directors unanimously recommends that you vote FOR the approval of the 2014 Long-Term Incentive Plan.

Ratification of the Appointment of our Independent Registered Public Accounting Firm (Proposal Four)

The Audit Committee of the Board of Directors of Malvern Bancorp has appointed BDO USA, LLP, independent registered public accounting firm, to perform the audit of our financial statements for the year ending September 30, 2015, and further directed that the selection of auditors be submitted for ratification by the shareholders at the annual meeting.

We have been advised by BDO USA, LLP that neither that firm nor any of its associates has any relationship with Malvern Bancorp or its subsidiaries other than the usual relationship that exists between an independent registered public accounting firm and its clients. BDO USA, LLP will have one or more representatives at the annual meeting who will have an opportunity to make a statement, if they so desire, and will be available to respond to appropriate questions.

Change in Auditors

The Company's financial statements for the fiscal years ended September 30, 2012 and 2011 were audited by ParenteBeard LLC. In July 2013, the Company dismissed ParenteBeard LLC and engaged BDO USA, LLP to serve as the Company's independent registered accounting firm for the fiscal year ending September 30, 2013. The decision to change the Company's independent registered public accounting firm was approved by the Audit Committee of the Board of Directors. In connection with their audit for the years ended September 30, 2012 and 2011 and during the subsequent interim period until the engagement of BDO USA, LLP, there were no disagreements with ParenteBeard LLC on any matter of accounting principles or practices, financial statement disclosures, or auditing scope or procedure. The report on the financial statements for fiscal 2012 and 2011 of ParenteBeard LLC did not contain an adverse opinion or disclaimer of opinion and was not qualified or modified as to uncertainty, audit scope or accounting

principles. During fiscal 2012 and 2011, BDO USA, LLP, did not advise, and has not indicated to the Company that it had reason to advise, the Company of any “reportable event,” as defined in Item 304(a) of Regulation S-K of the Exchange Act. During fiscal 2012 and 2011, the Company had not consulted BDO USA, LLP, regarding the application of accounting principles, either contemplated or proposed, the type of audit opinion that might be rendered on the Company’s financial statements or any other matters of a “reportable event.”

Audit Fees

The following table sets forth the aggregate fees paid by us to BDO USA, LLP, and ParenteBeard LLC for professional services rendered by them in connection with the audit of Malvern Bancorp’s consolidated financial statements for fiscal 2014 and 2013, respectively as well as the fees paid by us to BDO USA, LLP and ParenteBeard LLC for audit-related services, tax services and all other services rendered by BDO USA, LLP and ParenteBeard LLC to us during fiscal 2014 and 2013.

	Year Ended	
	September 30,	
	2014	2013
Audit fees (1)	\$149,858	\$160,899
Audit-related fees	—	—
Tax fees	28,968	33,375
All other fees	—	11,170
Total	\$178,826	\$205,444

Audit fees consist of fees incurred in connection with the audit of our annual consolidated financial statements and the review of the interim consolidated financial statements included in our quarterly reports filed with the (1) Securities and Exchange Commission, as well as work generally only the independent auditor can reasonably be expected to provide, such as statutory audits, consents and assistance with and review of documents filed with the Securities and Exchange Commission.

The Audit Committee selects our independent registered public accounting firm and pre-approves all audit services to be provided by it to Malvern Bancorp. The Audit Committee also reviews and pre-approves all audit-related and non-audit related services rendered by our independent registered public accounting firm in accordance with the Audit Committee’s charter. In its review of these services and related fees and terms, the Audit Committee considers, among other things, the possible effect of the performance of such services on the independence of our independent registered public accounting firm. The Audit Committee pre-approves certain audit-related services and certain non-audit related tax services which are specifically described by the Audit Committee on an annual basis and separately approves other individual engagements as necessary.

Each new engagement of the Company’s independent registered public accounting firm was approved in advance by the Audit Committee or its Chair, and none of those engagements made use of the *de minimis* exception to pre-approval contained in the Securities and Exchange Commission’s rules.

The Board of Directors recommends that you vote FOR the ratification of the appointment of BDO USA, LLP as our independent registered public accounting firm for the fiscal year ending September 30, 2015.

2014 LONG-TERM INCENTIVE COMPENSATION PLAN

(As adopted by the Board of Directors)

ARTICLE 1. ESTABLISHMENT, PURPOSE, AND DURATION

1.1

Establishment of the Plan. On December 18, 2014, the Board of Directors of Malvern Bancorp, Inc. All authority delegated by the Committee under this Section 3.3 shall be exercised in accordance with the provisions of the Plan and any guidelines for the exercise of such authority that may be established by the Committee from time to time.

A-6

ARTICLE 4. STOCK SUBJECT TO THE PLAN

4.1

Number of Shares.

(a)

Subject to adjustment as provided in Section 4.2, the total number of shares of Stock subject to Awards under the Plan shall be 400,000 shares. Stock delivered under the Plan may consist, in whole or in part, of authorized and unissued shares or treasury shares.

(b)

To the extent that shares of Stock subject to an outstanding Award are not issued by reason of:

(i)

The forfeiture, termination, surrender, cancellation or expiration while unexercised of such award;

(ii)

The tendering (by either actual delivery or by attestation if permitted by the Committee) or withholding of shares of Stock to pay all or a portion of the purchase price or to satisfy all or a portion of the tax withholding obligations relating to an Award;

(iii)

The settlement in cash in lieu of Stock or settlement in a manner such that some or all of the shares of Stock covered by the Award are not issued to a Participant; or

(iv)

An exchange for a grant under the Plan that does not involve Stock;

then such shares of Stock shall immediately again be available for Awards under the Plan. The Committee may from time to time adopt and observe such procedures concerning the counting of shares against the Plan maximum, as it may deem appropriate.

(c)

Subject to adjustment as provided in Section 4.2, the following limitations shall apply to Awards under the Plan:

(i)

All shares of Stock that may be issued under the Plan may be issued pursuant to SARS or Options, and all Options may be ISOs.

(ii)

With respect to Awards other than SARs and Options, not more than 75% of the total number of shares of Stock that may be issued under the Plan may be issued pursuant to such other Awards.

(iii)

The maximum number of shares of Stock that may be covered by Awards granted under the Plan to any single Participant shall be 25,000 shares during any one calendar year. For purposes of applying the limitations set forth in this subparagraph (iii), if an Award, including without limitation Options SARs Restricted Stock, Restricted Stock Units and Performance Shares is denominated in shares of Stock or the amount of the payment to be made thereunder shall be determined by reference to the value of shares of Stock, then such Award shall be counted in the year the Award is granted as covering the number of shares set forth in the Award. If an Award is granted in tandem with a SAR so that the exercise of the Award right or SAR with respect to a share of Stock cancels the tandem SAR or Award right respectively, with respect to such share, the tandem Award right and SAR with respect to each share of Stock shall be counted as covering but one share of Stock for purposes of applying the limitations of this subparagraph (iii).

4.2

Adjustments in Authorized Shares. If any merger, reorganization, consolidation, recapitalization, separation, liquidation, Stock dividend, split- up, share combination, or other change in the corporate structure of the Company affecting the Stock shall occur, such adjustment shall be made in the number of shares of Stock set forth in Section 4.1(a), in the number of shares of Stock set forth in Section 4.1(c)(iii),

A-7

and in the number and class of and/or price of shares subject to outstanding Awards granted under the Plan, as may be determined to be appropriate and equitable by the Committee, in its sole discretion, to prevent dilution or enlargement of rights, and provided that the number of shares subject to any Award shall always be a whole number. Any adjustment of an Incentive Stock Option under this Section shall be made in such a manner so as not to constitute a modification within the meaning of Section 424(h)(3) or Section 409A of the Code.

ARTICLE 5. ELIGIBILITY AND PARTICIPATION

5.1

Eligibility. Persons eligible to participate in the Plan include all Employees and Directors as selected and approved by the Committee in its sole discretion.

5.2

Actual Participation. Subject to the provisions of the Plan, the Committee may from time to time select those Employees and Directors to whom Awards shall be granted and determine the nature and amount of each Award.

ARTICLE 6. OPTIONS

6.1

Grant of Options. Subject to the terms and conditions of the Plan, the Committee, at any time and from time to time, may grant Options to such Employees and/or Directors in such amounts and on such terms and conditions as it shall determine. The Committee shall have the sole discretion, subject to the requirements of the Plan, to determine the actual number of shares of Stock subject to Options granted to any Participant. The Committee may grant any type of Option to purchase Stock that is permitted by law at the time of grant including, without limitation, ISOs and NQSOs. Only Employees may receive an Award of ISOs.

6.2

Option Award Agreement. Each Option grant shall be evidenced by an Award Agreement that shall specify the type of Option granted, the Option price, the duration of the Option, the number of shares of Stock covered by the Option, the vesting schedule by which the Option becomes exercisable, and such other provisions as the Committee shall determine. Unless the Award Agreement shall specify that the Option is intended to be an Incentive Stock Option, the Option shall be a Nonqualified Stock Option.

6.3

Option Price. The exercise price per share of Stock covered by an Option shall be determined by the Committee but shall not be less than 100% of Fair Market Value on the date the Option is granted. Notwithstanding the authority granted to the Committee pursuant to Section 3.1 of the Plan, once an Option is granted, the Committee shall have no authority to reduce the Option exercise price, nor may any Option be surrendered to the Company as consideration for the grant of a new Option with a lower exercise price without the approval of the Company's shareholders, except under Section 4.2 of the Plan.

6.4

Duration of Options. Each Option shall expire at such time as the Committee shall determine in the Award Agreement; provided, however, that no ISO shall be exercisable later than ten years after the date of its grant, and no NQSO shall be exercisable later than ten years and one month after the date of its grant.

6.5

Exercise of Options. Options shall vest and be exercisable at such times and be subject to such restrictions and conditions as provided in the Award Agreement, which need not be the same for all Participants; provided, however, that no Option shall vest in whole or in part before one year from the date of grant or later than eight years from the date of grant.

6.6

Payment. Options shall be exercised by the delivery of a written notice to the Company setting forth the number of shares of Stock with respect to which the Option is being exercised, accompanied by full payment of the Option exercise price for such shares. Full payment shall be made:

A-8

(a)

In cash or its equivalent, including, without limitation, delivery of a properly completed exercise notice and any withholding taxes due;

(b)

By delivery (or deemed delivery through attestation if permitted by the Committee) of Previously-Acquired Shares having a Fair Market Value at the time of exercise equal to the total Option exercise price;

(c)

By having the Company withhold from delivery shares of Stock having a Fair Market Value on the date the Option is exercised equal to the total Option exercise price, if permitted by the Committee;

(d)

By such other methods as the Committee deems appropriate; or

(e)

By any combination of (a), (b), (c) or (d).

As soon as practicable after receipt of written notification and payment, the Company shall deliver to the Participant certificates representing the shares of Stock purchased by the Option exercise, issued in the Participant's name.

6.7

Restrictions on Stock Transferability. The Committee may impose such restrictions on any shares of Stock acquired pursuant to the exercise of an Option as it may deem advisable, including, without limitation, restrictions under applicable federal or state securities laws or such restrictions as are referred to in Section 13.7.

6.8

Special Provisions Applicable to ISOs. To the extent provided or required under Section 422 of the Code or regulations thereunder (or any successor section or regulations), an Award of Incentive Stock Options shall be subject to the following:

(a)

If the total Fair Market Value of the shares of Stock (determined at the time the Options are granted) subject to ISOs held by a Participant that first become exercisable during any calendar year exceeds \$100,000 (or such other amount as shall then be the maximum allowable under the Code for ISO treatment of such Options), then the portion of such ISOs equal to such excess shall be NQSOs.

(b)

An Incentive Stock Option granted to an Employee who, at the time of grant, owns (within the meaning of Section 424(d) of the Code) shares of Stock possessing more than 10% of the total combined voting power of all classes of stock of the Company, shall have an exercise price which is at least 110% of Fair Market Value.

(c)

No ISO granted to an Employee who, at the time of grant, owns (within the meaning of Section 424(d) of the Code) shares of Stock possessing more than 10% of the total combined voting power of all classes of stock of the Company, shall be exercisable later than five years after the date of its grant.

6.9

Termination of Employment or Service. The disposition of Options held by a Participant at the time of termination of employment or termination of service as a Director shall be determined in accordance with Article 11.

6.10

Non-Transferability of Options. No Option granted under the Plan may be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated, other than by will or by the laws of descent and distribution. All Options granted to a Participant shall be exercisable during the Participant's lifetime only by the Participant.

A-9

ARTICLE 7. STOCK APPRECIATION RIGHTS

7.1

Grant of Stock Appreciation Rights. Subject to the terms and conditions of the Plan, the Committee, at any time and from time to time, may grant Stock Appreciation Rights to such Employees and/or Directors in such amounts and on such terms and conditions as it shall determine. The Committee shall have the sole discretion, subject to the requirements of the Plan, to determine the actual number of shares of Stock subject to SARs granted to any Participant.

7.2

Exercise of SARs. SARs may be exercised upon whatever terms and conditions the Committee, in its sole discretion, imposes upon the SARs, which may include, but are not limited to, a corresponding proportional reduction in Options or other Awards granted in tandem with such SARs.

7.3

Payment of SAR Amount. Upon exercise of a SAR, the holder shall be entitled to receive payment of an amount determined by multiplying:

(a)

The difference between the Fair Market Value of a share of Stock on the date of exercise and the price fixed by the Committee at the date of grant (which price shall not be less than 100% of the Fair Market Value of a share of Stock on the date of grant); by

(b)

The number of shares of Stock with respect to which the SAR is exercised.

7.4

Form of Payment. Payment to a Participant of the amount due upon exercise of a SAR will be made in shares of Stock having a Fair Market Value as of the date of exercise equal to the amount determined under Section 7.3, unless the Committee otherwise provides for payment in cash in the applicable Award Agreement or any amendment or modification of the Award Agreement.

7.5

Duration of SAR. Each SAR shall expire at such time as the Committee shall determine in the Award Agreement; provided, however, that no SAR shall be exercisable later than ten years after the date of its grant.

7.6

Termination of Employment or Service. The disposition of SARs held by a Participant at the time of termination of employment or service as a Director shall be determined in accordance with Article 11.

7.7

Non-Transferability of SARs. No SAR granted under the Plan may be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated other than by will or by the laws of descent and distribution. All SARs granted to a Participant under the Plan shall be exercisable during the Participant's lifetime only by the Participant.

ARTICLE 8. RESTRICTED STOCK AND RESTRICTED STOCK UNITS

8.1

Grant of Restricted Stock and Restricted Stock Units. Subject to the terms and conditions of the Plan, the Committee, at any time and from time to time, may grant shares of Restricted Stock and Restricted Stock Units to such Employees and/or Directors in such amounts and on such terms and conditions as it shall determine.

8.2

Restrictions on Transfer. Shares of Restricted Stock and Restricted Stock Units may not be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated until the termination of the applicable Restricted Period or for such period of time as shall be established by the Committee and as shall be specified in the Award Agreement, or upon earlier satisfaction of other conditions (which may include the attainment of Performance Goals) as specified by the Committee in its sole discretion and set forth in the Award Agreement. All rights with respect to Restricted Stock or Restricted Stock Units granted to a Participant shall be exercisable during the Participant's lifetime only by the Participant.

A-10

8.3

Other Restrictions. The Committee may impose such other restrictions on any shares of Restricted Stock or Restricted Stock Units as it may deem advisable. The Committee may place restrictive legends on certificates representing shares of Restricted Stock and/or record stop transfer orders with respect to such shares to give appropriate notice of such restrictions.

8.4

Custody. Any stock certificates evidencing such shares of Restricted Stock shall be held in custody by the Company until the restrictions thereon shall have lapsed, and, as a condition of any grant of Restricted Stock, the Participant shall deliver a duly signed stock power, endorsed in blank, relating to the Common Stock covered by such Award.

8.5

End of Restricted Period. Except as otherwise provided in this Article 8, after the last day of a Restricted Period, shares of Restricted Stock covered by such Restricted Period shall become freely transferable by the Participant, and the Participant shall be entitled to receive one share of Stock with respect to each Restricted Stock Unit covered by such Restricted Period, unless the Committee otherwise provides for payment in cash in the applicable Award Agreement or any amendment or modification of the Award Agreement. Once the shares are released from the restrictions, the Participant shall be entitled to have any restrictive legend removed from the certificates and any stop transfer order regarding such shares cancelled. If delivery of the shares is to be made on a deferred basis pursuant to Section 13.6, the Committee shall provide for the crediting or payment of Dividend Equivalents during the deferral period.

8.6

Voting Rights. During the Restricted Period, Participants holding shares of Restricted Stock may exercise full voting rights with respect to those shares, unless otherwise specified in the applicable Award Agreement.

8.7

Dividends and Other Distributions. During the Restricted Period, Participants holding shares of Restricted Stock or Restricted Stock Units shall be entitled to receive all dividends and other distributions paid with respect to those shares while they are so held in accordance with Section 10(a), unless otherwise specified by the Committee in the applicable Award Agreement. If any such dividends or distributions are paid in shares of Stock, the shares or, if applicable, Restricted Stock Units equal to the number of such shares, shall be subject to the same restrictions on transfer as the shares of Restricted Stock or Restricted Stock Units with respect to which they were paid.

8.8

Termination of Employment or Service. The disposition of shares of Restricted Stock and/or Restricted Stock Units held by a Participant at the time of termination of employment or termination of service as a Director shall be determined in accordance with Article 11.

ARTICLE 9. PERFORMANCE UNITS AND PERFORMANCE SHARES

9.1

Grant of Performance Units or Performance Shares. Subject to the terms and conditions of the Plan, the Committee, at any time and from time to time, may grant Performance Units or Performance Shares to such Employees and/or Directors in such amounts and on such terms and conditions as it shall determine. The Committee shall have complete discretion in determining the number of Performance Units or Performance Shares granted to each Participant and the terms and conditions of such Awards, except that the maximum dollar amount of Performance Units that may be granted to any single Participant shall be \$100,000 during any one calendar year.

9.2

Value of Performance Units and Performance Shares. The Committee shall set Performance Goals over Performance Periods, with the Performance Goals to be established by the Committee not later than 90 days after the Performance Period applicable to the Award has commenced (or, if such Performance Period is less than one year, not later than the date on which 25% of such period has elapsed). Prior to each grant of Performance Units or Performance Shares, the Committee shall establish an initial value for each Performance Unit and an initial number of shares of Stock for each Performance Share granted to each

A-11

Participant for that Performance Period. Prior to each grant of Performance Units or Performance Shares, the Committee also shall set the Performance Goals that will be used to determine the extent to which the Participant receives a payment of the value of the Performance Units or number of shares of Stock for the Performance Shares awarded for such Performance Period. These goals will be based on the attainment, by the Company and/or Bank, of one or more certain performance criteria and objectives described in Section 9.8. With respect to each such performance measure utilized during a Performance Period, the Committee shall assign percentages to various levels of performance, which shall be applied to determine the extent to which the Participant shall receive a payout of the values of Performance Units and number of Performance Shares awarded.

9.3

Payment of Performance Units and Performance Shares. After a Performance Period has ended, the holder of a Performance Unit or Performance Share shall be entitled to receive its value as determined by the Committee. The Committee shall make this determination by first determining the extent to which the Performance Goals set pursuant to Section 9.2 have been met. It will then determine the applicable percentage to be applied to, and will apply such percentage to, the value of Performance Units or number of Performance Shares to determine the payout to be received by the Participant. In addition, with respect to Performance Units and Performance Shares granted to any Covered Employee, no payout shall be made except upon written certification by the Committee that the applicable Performance Goal or Goals have been satisfied to a particular extent.

9.4

Committee Discretion to Adjust Awards. Subject to limitations applicable to payments to Covered Employees, the Committee shall have the authority to modify, amend or adjust the terms and conditions of any Award of Performance Units or Performance Shares, at any time or from time to time, including, without limitation, the Performance Goals.

9.5

Form and Timing of Payment. The payment described in Section 9.3 shall be made in cash, Stock, or a combination of cash and Stock as determined by the Committee. Payment may be made in a lump sum or installments as prescribed by the Committee. If any payment is to be made on a deferred basis pursuant to Section 13.6, the Committee shall provide for the crediting or payment of Dividend Equivalents or interest during the deferral period.

9.6

Termination of Employment or Service. The disposition of Performance Shares and Performance Units held by a Participant at the time of termination of such Participant's employment or termination of service as a Director shall be determined in accordance with Article 11.

9.7

Non-Transferability. Performance Units and Performance Shares may not be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated, other than by will or by the laws of descent and distribution until termination of the applicable Performance Period. All rights with respect to Performance Units and Performance Shares granted to a Participant under the Plan shall be exercisable during the Participant's lifetime only by the Participant.

9.8

Performance Goals.

(a)

For purposes of the Plan, including, without limitation, Awards of Performance Shares and Performance Units and other performance-based Awards, "Performance Goals" means the criteria and objectives, determined by the Committee, which shall be satisfied or met during the applicable Restricted Period or Performance Period, as the case may be, as a condition to the Participant's receipt of shares of Stock, Restricted Stock Units, or cash with respect to such Award.

(b)

The criteria or objectives for an Award shall be determined by the Committee in writing; shall be measured for achievement or satisfaction during the Restricted Period or Performance Period which the Committee established for such Participant to satisfy or achieve such criteria and objectives; may be

A-12

absolute in their terms or measured against or in relationship to other companies comparably, similarly or otherwise situated or other external or internal measure; and may be based on or adjusted for any other objective goals, events, or occurrences established by the Committee; provided, however, that such criteria and objectives relate to one or more of the following:

- total shareholder return;
- earnings per share;
- net income;
- expenses;
- market share;
- customer satisfaction measures;
- customer profitability measures;
- charge-offs;
- loan loss reserves;
- non-performing assets;
- return on assets;
- return on equity;
- return on tangible equity;
- one or more operating ratios;
- assets;
- deposits;
- loans;
- asset quality levels;
- interest-sensitivity gap levels;
- Fair Market Value of the Stock;
- value of assets;
- investment return;

- regulatory compliance;
- satisfactory internal or external audits;
- achievement of balance sheet objectives;

A-13

- achievement of income statement objectives; or
- achievement of mergers, acquisitions or similar business transactions.

(c)

Performance criteria and objectives may include or exclude extraordinary charges, losses from discontinued operations, restatements and accounting changes and other unplanned special charges such as restructuring expenses, acquisitions, acquisition expenses, including expenses related to goodwill and other intangible assets, stock offerings, stock repurchases and loan loss provisions. Such performance criteria and objectives may be particular to a business or operating segment, line of business, other unit or the Company or Bank generally, and may, but need not be, based upon a change or an increase or positive result.

(d)

In interpreting Plan provisions applicable to performance criteria and objectives and to performance-based Awards to Participants who are Covered Employees, it is the intent of the Plan to conform to the standards and provisions of Section 162(m) of the Code and the regulations thereunder. The Committee, in establishing performance criteria and objectives applicable to such performance-based Awards, and in interpreting the Plan, shall be guided by such standards and provisions, including, without limitation, providing that the performancebased Award shall be paid, vested or otherwise delivered solely as a function of attainment of objective performance criteria and objectives based on one or more of the specific criteria and objectives set forth in this Section 9.8 established by the Committee not later than 90 days after the Performance Period or Restricted Period applicable to the Award has commenced (or, if such period of service is less than one year, not later than the date on which 25% of such period has elapsed). For purposes of this Section 9.8, performance criteria and objectives will be deemed to be objective if, and only if, an independent third party having knowledge of the relevant facts would be able to determine whether the goal has been met. Prior to the payment of any compensation based on achievement of performance criteria and objectives to any such Covered Employee, the Committee must certify in writing the extent to which the applicable performance criteria and objectives were, in fact, achieved and the amounts to be paid, vested or delivered as a result of such achievement, provided the Committee may reduce, but not increase, such amount.

ARTICLE 10. OTHER INCENTIVE AWARDS

10.1

Grant of Other Incentive Awards. Subject to the terms and conditions of the Plan, the Committee may, at any time and from time to time, grant Other Incentive Awards to such Employees and/or Directors in such amounts and on such terms and conditions as it shall determine. Other Incentive Awards include, without limitation:

(a)

Dividend or Dividend Equivalent Right. A right to receive dividends or their equivalent in value in shares of Stock, cash or in a combination of both, with respect to any new or previously existing Award, provided that no Dividend Equivalent Rights shall be granted with respect to Options or SARs. The Committee may provide that Dividend Equivalents (i) be paid or distributed when accrued, (ii) be paid when the respective shares of Stock underlying the Award are deemed vested or earned, or (ii) be deemed to have been reinvested in additional Shares, or otherwise reinvested. Unless otherwise provided in the applicable Award Agreement, Dividend Equivalents will be paid or distributed no later than the 15th day of the 3rd month following the later of (i) the calendar year in which the

corresponding dividends were paid to shareholders, or (ii) the first calendar year in which the Participant's right to such Dividends Equivalents is no longer subject to a substantial risk of forfeiture.

(b)

Stock Award. An unrestricted transfer of ownership of shares of Stock.

(c)

Cash Award. An award denominated in cash, subject to the achievement of Performance Goals during a Performance Period, or that may be earned under a bonus or incentive plan or program.

A-14

(d)

Other Incentive Awards. Other Incentive Awards that are related to or serve a similar function to those Awards set forth in this Section 10.1.

10.2

Terms of Other Incentive Awards. Other Incentive Awards may be made in tandem with, in replacement of, or as alternatives to, Awards under Articles 6, 7, 8 or 9 of the Plan or of any other incentive or employee benefit plan of the Company or Bank. An Other Incentive Award may provide for payment in cash or in shares of Stock or a combination thereof.

10.3

Limitations. The number of shares of Stock covered by any Other Incentive Awards granted to a Participant during a calendar year shall be taken into account for purposes of the annual limitation set forth in Section 4.1(c)(iii). The dollar amount covered by any Cash Award or Other Incentive Award granted to a Participant during a calendar year shall be taken into account for purposes of the annual limitation set forth in Section 9.1.

10.4

Termination of Employment or Service. The disposition of Other Incentive Awards held by a Participant at the time of termination of employment or termination of service as a Director shall be determined in accordance with Article 11.

ARTICLE 11. TERMINATION OF EMPLOYMENT OR SERVICES

11.1

Voluntary Termination, Involuntary Termination or Other Termination Not Due to Death, Disability or Retirement.

Subject to Section 11.3, if a Participant voluntarily terminates employment not qualifying as Retirement, or if the Company or Bank terminates a Participant's employment or service as a Director with or without Cause, or if a Participant's employment or service as a Director terminates for any reason other than death, Disability or Retirement, then:

(a)

Each vested SAR and each vested Option may be exercised on or before the earlier of the expiration date of the SAR or Option or three months following the date of termination, except that any SAR and/or Option held by a Participant who is terminated for Cause shall immediately lapse and be cancelled;

(b)

Any shares of Restricted Stock or Restricted Stock Unit, still subject to restrictions as of the date of such termination, shall automatically be forfeited and returned to the Company or cancelled, as applicable;

(c)

All Performance Units and Performance Shares shall be forfeited and no payment shall be made with respect thereto;
and

(d)

No amounts shall be earned or payable under any Other Incentive Award, except as may be otherwise determined by the Committee.

11.2

Termination Due to Death, Disability or Retirement. Subject to Section 11.3, if a Participant's employment or a Participant's service as a Director terminates due to death, Disability or Retirement, then:

(a)

Each SAR and Option held by the Participant (whether or not exercisable prior to the date of termination) may be exercised on or before the earlier of the expiration date of the SAR or Option or three years following the date of termination;

(b)

Any unvested shares of Restricted Stock or unvested Restricted Stock Units under Section 8.2 shall be deemed fully vested and earned, and the shares of Restricted Stock shall thereby be free of restrictions and be fully transferable and distribution of shares with respect to Restricted Stock Units shall occur pursuant to Section 8.5, in each case unless otherwise specified by the Committee in the applicable Award Agreement;

A-15

(c)

Each Performance Unit or Performance Share held by the Participant shall be deemed earned on a pro-rated basis and a pro-rated payment based on the Participant's number of full months of service during the Performance Period, further adjusted based on the achievement of the Performance Goals during the entire Performance Period, as computed by the Committee, shall be made at the time the payment would have been made if the Participant did not terminate service during the Performance Period; and

(d)

No amounts shall be earned or payable under any Other Incentive Award except as may be otherwise determined by the Committee.

11.3

Effect of Termination of Employment or Service.

(a)

Subject to the provisions of subparagraphs (b) and (c), the disposition of each Award held by a Participant if there is a termination of the Participant's employment or a termination of the Participant's service as a Director shall be as determined by the Committee and set forth in the applicable Award Agreement or in any amendment or modification of an Award Agreement, which disposition may differ from the provisions of Sections 11.1 and 11.2. To the extent the applicable Award Agreement or an amendment or modification of an Award Agreement does not expressly provide for such disposition, the disposition of the Award shall be determined in accordance with Sections 11.1 and 11.2.

(b)

Notwithstanding anything to the contrary contained herein:

(1) no SAR or Option shall become exercisable prior to the date set forth in the original Award Agreement relating to such SAR or Option as a result of the Participant's termination of employment or service as a Director if such termination of employment or service is for a reason other than death or Disability and occurs at a time when the Company is prohibited, pursuant to 12 C.F.R. Part 359, from making or agreeing to make a "golden parachute payment" as defined in 12 C.F.R. §359.1(f) without prior regulatory approval (the period of such prohibition being a "period when the Company is subject to Part 359"), and any such unexercisable SARs and Options shall be forfeited upon such termination of employment or service;

(2) no shares of Restricted Stock or Restricted Stock Units shall be deemed to be earned on a pro rata basis or otherwise prior to the date set forth in the original Award Agreement relating to such Restricted Stock or Restricted Stock Unit as a result of the Participant's termination of employment or service as a Director if such termination of employment or service is for a reason other than death or Disability and occurs at a time when the Company is subject to Part 359, and such unearned shares of Restricted Stock or Restricted Stock Units shall be forfeited upon such termination of employment or service; and

(3) no Performance Share or Performance Unit shall be deemed to be earned on a pro rata basis or otherwise prior to the expiration of the Performance Period relating to such Performance Share or Performance Unit as a result of the Participant's termination of employment or service as a Director if such termination of employment or service is for a

reason other than death or Disability and occurs at a time when the Company is subject to Part 359, and any unearned portion of the Performance Share or Performance Unit shall be forfeited upon such termination of employment or service.

A-16

ARTICLE 12. BENEFICIARY DESIGNATION

Each Participant may, from time to time, name any beneficiary or beneficiaries (who may be named contingently or successively and who may include a trustee under a will or living trust) to whom any benefit under the Plan is to be paid in case of the Participant's death before receipt of any or all of such benefit. Each designation will revoke all prior designations by the same Participant, shall be in a form prescribed by the Committee, and will be effective only when filed by the Participant in writing with the Committee during his or her lifetime. In the absence of any such designation or if all designated beneficiaries predecease the Participant, benefits remaining unpaid at the Participant's death shall be paid to the Participant's estate.

ARTICLE 13. RIGHTS OF PARTICIPANTS

13.1

Employment or Service. Nothing in the Plan shall interfere with or limit in any way the right of the Company or Bank to terminate any Participant's employment or service as a Director at any time, nor confer upon any Participant any right to continue in the employ or to so serve as a Director of the Company or Bank.

13.2

Participation. No Employee or Director shall have a right to be selected as a Participant, or, having been so selected one or more times, to be selected again as a Participant.

13.3

No Implied Rights. Neither the establishment of the Plan nor any amendment to the Plan shall be construed as giving any Participant, beneficiary or any other person any legal or equitable right unless such right shall be specifically provided for in the Plan or conferred by specific action of the Committee in accordance with the terms and conditions of the Plan. Except as expressly provided in the Plan, the Bank shall not be required or be liable to make any payment under the Plan.

13.4

No Right to Company or Bank Assets. No Participant or any other person shall acquire, by reason of the Plan, any right in or title to any assets, funds or property of the Company or Bank whatsoever including, without limitation, any specific funds, assets, or other property which the Company or Bank, in its sole discretion, may set aside in anticipation of a liability under any Award. Any benefits which become payable under any Award shall be paid from the general assets of the Bank. The Participant shall have only a contractual right to the amounts, if any, payable to the Participant, unsecured by any asset of the Bank. Nothing contained in the Plan constitutes a guarantee by the Bank that the assets of the Bank shall be sufficient to pay any benefit to any person.

13.5

Rights as Shareholder: Fractional Shares. Except as otherwise provided under the Plan, a Participant or Beneficiary shall have no rights as a holder of shares of Stock with respect to any Award unless and until shares are issued, as evidenced by the appropriate entry on the books of the Company or of a duly authorized transfer agent of the Company. Fractional shares shall not be issued or transferred under an Award, but the Committee may authorize payment of cash in lieu of a fraction, or round the fraction down. To the extent the shares of Stock are uncertificated,

references in the Plan to certificates shall be deemed to include references to any book-entry evidencing such shares.

13.6

Election to Defer. The receipt of payment of cash or delivery of shares of Stock that would otherwise be due to a Participant pursuant to an Award (other than Options, SARs and Restricted Stock) may be deferred at the election of the Participant pursuant to any applicable deferral plan that may be established by the Company and which meets the requirements of Code Section 409A. Such deferrals shall be made in accordance with such rules and procedures as the Committee may establish under the Plan or under the applicable deferral plan (taking into account potential tax treatment under the provisions of Code Section 409A).

A-17

13.7

Other Restrictions and Limitations. The Committee may impose such restrictions and limitations on any Awards as it may deem advisable, including, without limitation, restrictions under applicable federal or state securities laws, Stock ownership or holding period requirements, or requirements to enter into or to comply with confidentiality, non-competition and/or other restrictive or similar covenants, and may place restrictive legends on certificates representing shares of Stock issued in connection with an Award and/or issue stop transfer orders with respect to such shares to give appropriate notice of any such restrictions.

ARTICLE 14. CHANGE IN CONTROL

14.1

Stock-Based Awards. Notwithstanding any other provisions of the Plan, and except as otherwise provided in an Award Agreement, if there is a Change in Control, all Stock-based Awards shall immediately vest 100% in each Participant, including Incentive Stock Options, Nonqualified Stock Options, Stock Appreciation Rights, Restricted Stock and Restricted Stock Units, provided, however, that, no Stock-based Awards, whenever granted or made, shall vest pursuant to this section if the Change in Control occurs during a period when the Company is subject to Part 359. To the extent that this provision causes Incentive Stock Options to exceed the dollar limitation set forth in Code Section 422(d), the excess Options shall be deemed to be Nonqualified Stock Options. Notwithstanding any provision to the contrary herein, the term of any Option or SAR granted hereunder and the property which the holder thereof shall receive upon the exercise or termination thereof shall be subject to and be governed by the provisions regarding the treatment of any such Options or SARs set forth in the definitive agreement entered into by the Company with respect to a Change in Control to the extent such Options or SARs remain outstanding and unexercised upon consummation of the transactions contemplated by such definitive agreement.

14.2

Performance-Based Awards. Notwithstanding any other provisions of the Plan, and except as otherwise provided in an Award Agreement, if there is a Change in Control, all Awards granted under the Plan which are subject to Performance Goals shall be immediately paid out, including Performance Units and Performance Shares. The amount of the payout shall be based on the higher of (i) the extent, as determined by the Committee, to which Performance Goals, established for the Performance Period then in progress have been met up through and including the effective date of the Change in Control; or (ii) 100% of the value on the date of grant of the Performance Units or number of Performance Shares, provided, however, that, no Awards subject to Performance Goals, whenever granted or made, shall be immediately paid out pursuant to this section if the Change in Control occurs during a period when the Company is subject to Part 359.

ARTICLE 15. AMENDMENT, MODIFICATION, AND TERMINATION

15.1

Amendment, Modification and Termination of Plan. The Board may terminate the Plan in whole or in part at any time. The Board may amend or modify the Plan from time to time in such respects as the Board may deem advisable in order that any Awards shall conform to any change in applicable laws or regulations or in any other respect the Board may deem to be in the best interests of the Company; provided, however, that no such amendment or modification shall, without shareholder approval:

(i)

Except as provided in Section 4.2, increase the number of shares of Stock which may be issued under the Plan;

(ii)

Expand the types of Awards available to Participants under the Plan;

(iii)

Materially expand the class of persons eligible to participate in the Plan;

(iv)

Delete or limit the provisions in Section 6.3 prohibiting the repricing of Options or reduce the price at which shares of Stock may be offered under Options; or

(v)

Extend the termination date for making Awards under the Plan.

A-18

In addition, the Plan shall not be amended without approval of such amendment by the Company's shareholders if such amendment is required under applicable law, rules or regulations.

15.2

Amendment or Modification of Awards. The Committee may amend or modify any outstanding Awards in any manner to the extent that the Committee would have had the authority under the Plan initially to make such Award as so modified or amended, including, without limitation, to change the date or dates as of which Awards may be exercised, to remove the restrictions on Awards, or to modify the manner in which Awards are determined and paid.

15.3

Effect on Outstanding Awards. No amendment, modification or termination of the Plan pursuant to Section 15.1, or amendment or modification of an Award pursuant to Section 15.2, shall materially adversely alter or impair any outstanding Award without the consent of the Participant affected thereby. The Board may not unilaterally revoke, cancel or terminate any outstanding Options, Restricted Stock, Restricted Stock Units, Performance Shares, Performance Units or Other Incentive Awards granted under this Plan.

ARTICLE 16. WITHHOLDING

16.1

Tax Withholding. The Company shall have the power and the right to deduct or withhold, or require a Participant to remit to the Company or Bank, an amount sufficient to satisfy federal, state and local taxes (including the Participant's FICA obligation) required by law to be withheld with respect to any grant, exercise or payment made under or as a result of the Plan.

16.2

Stock Delivery or Withholding. With respect to tax withholdings required upon the exercise of Options or SARs, upon the lapse of restrictions on Restricted Stock or Restricted Stock Units, or upon any other taxable event arising as a result of Awards, Participants may elect to satisfy the withholding requirement, in whole or in part, by having the Company or Bank withhold from delivery shares of Stock having a Fair Market Value on the date the tax is to be determined equal to the minimum statutory total tax which would be imposed on the transaction (or such greater amount as the Committee may permit). All such elections shall be irrevocable, made in writing, signed by the Participant, and shall be subject to any restrictions or limitations that the Committee, in its sole discretion, deems appropriate.

ARTICLE 17. SUCCESSORS

All obligations of the Company under the Plan and under all Awards shall be binding on any successor to the Company, whether the existence of such successor is the result of a direct or indirect purchase, merger, consolidation or other acquisition of all or substantially all of the business and/or assets of the Company.

ARTICLE 18. GOVERNING LAW

18.1

Requirements of Law. The granting of Awards and the issuance of shares of Stock under the Plan shall be subject to all applicable laws, rules and regulations, and to such approvals by any governmental agencies as may be required.

18.2

Governing Law. The Plan, and all Award Agreements, shall be construed in accordance with and governed by the laws of the Commonwealth of Pennsylvania.

18.3

Code Section 409A. All Options, SARs and Restricted Stock (as well as other Awards which do not provide the Participant with a deferred election pursuant to Section 13.6 hereof) are intended to be exempt from the definition of “nonqualified deferred compensation” within the meaning of Code Section 409A, and this Plan and such Awards made hereunder shall be interpreted accordingly. To the extent any Award or payment under this Plan or under any Award constitutes “nonqualified deferred compensation,” then this Plan and the Award are intended to comply with Code Section 409A and shall be interpreted accordingly.
