Credit Facilities

On December 8, 2016, A.M. Castle & Co. (the “Company”) announced the execution and closing of a definitive agreement for new \$112.0 million secured credit facilities (the “Credit Facilities”).

As previously announced on November 4, 2016, the Company entered into two commitment letters with (i) Highbridge Capital Management, LLC (acting on behalf of one or more private investment funds that it advises) (“Highbridge”), Corre Partners Management, LLC (acting individually or through one or more of its affiliates) (“Corre”), Whitebox Credit Partners, L.P. (acting individually or through one or more of its affiliates) (“Whitebox”) and WFF Cayman II Limited and (ii) SGF, LLC (acting individually or through one or more of its affiliates) (each, a “Financial Institution” and collectively, the “Financial Institutions”) in order to replace and repay outstanding borrowings and support the continuance of letters of credit, totaling \$53.2 million in the aggregate under the Company’s former revolving loan and security agreement with Wells Fargo Bank, National Association as lender and administrative agent (the “Former Credit Agreement”). The Company’s Credit Facilities are in the form of senior secured first lien term loan facilities in an aggregate principal amount of up to \$112.0 million. In connection with the closing of the Credit Facilities, commitments pursuant to the Former Credit Agreement were terminated and liens granted to the collateral agent pursuant thereto were released in full.

In connection with the closing of the Credit Facilities, the Financial Institutions were issued warrants (the “Warrants”) to purchase an aggregate of 5,000,000 shares of the common stock of the Company (the “Common Stock”), pro rata based on the principal amount of each Financial Institution’s commitment in the Credit Facilities. The Warrants have exercise prices as follows: (i) 50% of the Warrants have an exercise price of \$0.50 per share and will expire on June 8, 2018; and (ii) the remaining 50% of the Warrants have an exercise price of \$0.65 per share and will expire on June 8, 2018. A form of the Warrant issued to the Financial Institutions is attached hereto as Exhibit 4.1 and incorporated herein by reference.

The shares of Common Stock issuable upon exercise of the Warrants are subject to registration rights under a customary registration rights agreement, dated December 8, 2016 (the “Registration Rights Agreement”), which provides for the filing of a registration statement on Form S-3 (or another appropriate form, if Form S-3 is unavailable) to register the resale of such Common Stock.

The Credit Facilities consist of a \$75,000,000 initial term loan facility funded at closing and a \$37,000,000 delayed-draw term loan facility (the “Delayed Draw Facility”). \$24,500,000 of the loans available under the Delayed

Edgar Filing: CASTLE A M & CO - Form 8-K

Draw Facility was available on December 12, 2016, and \$12,500,000 of the Delayed Draw Facility will be available on or after June 12, 2017. The Borrowers borrowed the \$24,500,000 of the Delayed Draw Facility available on December 12, 2016 in accordance with its terms.

The funding of the Credit Facilities was subject to original issue discount in an amount equal to 3.00% of the full principal amount of the Credit Facilities. The Credit Facilities bear interest at a rate per annum equal to 11.00%, payable monthly in arrears. The outstanding principal amount of the Credit Facilities and all accrued and unpaid interest thereon will be due and be payable on September 14, 2018.

The loans under the Credit Facilities will be made available to the Company and its domestic subsidiary Total Plastics, Inc. (the “Borrowers”) in U.S. dollars. All obligations of the Borrowers under the Credit Facilities are guaranteed on a senior-secured basis by each direct and indirect, existing and future, domestic or Canadian subsidiary of the Borrowers (the “Subsidiary Guarantors” and together with the Borrowers, the “Credit Parties”). All obligations under the Credit Facilities are secured on a first-priority basis by a perfected security interest in substantially all assets of the Credit Parties (subject to certain exceptions for permitted liens). As soon as possible after closing, the Company will add its foreign subsidiaries as guarantors and direct such subsidiaries to grant a security interest in substantially all of their respective assets; provided, that Company shall not be required to grant such guarantees or security with respect to any jurisdictions in which the requisite lenders determine in their sole discretion that the cost or other consequence of obtaining such guarantee, security interest or perfection thereof are excessive in relation to the value afforded thereby.

The Credit Facilities contain a financial covenant requiring the Company to maintain a minimum amount of consolidated adjusted EBITDA during various applicable fiscal periods beginning with the fiscal quarter ending March 31, 2017. In addition, the Company shall not permit its net working capital (as defined in the agreement) at any time to be less than the product of (x) the aggregate principal amount of all outstanding loans at such time and (y) 1.05. The Company also shall not permit its consolidated liquidity (as defined in the agreement) to be less than \$20,000,000 at any time.

The above description of the Credit Facilities and Registration Rights Agreement do not purport to be complete and are qualified in their entirety by reference to the full text of such agreements filed herewith as Exhibits 10.1 and 10.2.

First Amendment to the Intercreditor Agreement

Pursuant to the Former Credit Agreement, U.S. Bank National Association (“U.S. Bank”), in its capacity as trustee and collateral agent for the Senior Secured Notes (as defined below) (the “Second Lien Agent”), U.S. Bank, in its capacity as trustee and collateral agent for the 5.25% Convertible Notes (as defined below) (the “Third Lien Agent”) and Wells Fargo Bank, National Association in its capacity as agent on behalf of the lenders under the Former Credit Agreement (the “Former Agent”), are parties to an amended and restated intercreditor agreement (the “Intercreditor Agreement”) whereby the parties confirmed the relative priority of security interests and provided for the orderly sharing of the proceeds of such assets when and if applicable.

In connection with the closing of the Credit Facilities, on December 8, 2016, Cantor Fitzgerald Securities, in its capacity as agent on behalf of the lenders under the Credit Facilities (“Cantor Fitzgerald”), the Third Lien Agent and the Second Lien Agent entered into a first amendment to the Intercreditor Agreement (the “First Amendment”) whereby the parties agreed to amend the Intercreditor Agreement by (i) replacing the Former Agent with Cantor Fitzgerald and (ii) replacing the Former Credit Agreement with the Credit Facilities.

The parties also agreed, among other things, to require consent of the junior lien secured parties in order to amend the applicable margins of the interest rate under the Credit Facilities if such amendment would increase the interest rate by certain amounts.

The above description of the First Amendment does not purport to be complete and is qualified in its entirety by reference to the full text of such agreement filed herewith as Exhibit 10.3.

The Third Supplemental Indenture amends the Senior Notes Indenture to:

remove from the definition of “Asset Sale” in Section 1.01 of the Senior Notes Indenture the sale of substantially all (i) the assets of Total Plastics, Inc. pursuant to that certain Asset Purchase Agreement, dated March 11, 2016, by and between Total Plastics, Inc. and Total Plastics Resources LLC;

increase the Company’s liquidity by deleting the following from Section 3.09(a) (and related cross-references) of the Senior Notes Indenture: “The Company’s availability under clause (1) of the definition of “Permitted Debt” will be (ii) reduced by the amount of the then outstanding Senior Credit Facility Designated Paydown Amount. The Senior Credit Facility Designated Paydown Amount will be reduced (to an amount not less than zero), from time to time, by the aggregate principal amount of notes that have been subject to Special Redemption as described under this Section 3.09”;

(iii) change the reference to “\$100.0 million” in the definition of “Permitted Debt” set forth in subclause (a) of Section 4.09(b)(1) of the Senior Notes Indenture to “\$112.00 million” to correspond with the Company’s new \$112.0 million

Credit Facilities; and

add a covenant of the Company (a) to cause the inclusion of certain foreign restricted subsidiaries as guarantors (iv) under the Senior Note Indenture and (b) to grant and perfect security interests in the assets of such subsidiaries in the related collateral documents for the benefit of the secured parties named therein.

The foregoing is qualified in its entirety by reference to the Third Supplemental Indenture, the Fourth Supplemental Indenture, and the First Supplemental Indenture contained in this Current Report on Form 8-K, which are filed herewith as Exhibits 4.2, 4.3 and 4.4, respectively, and are incorporated herein by reference.
