Unilever N.V. and Unilever PLC announce Consent Solicitations

London/Rotterdam, 30 May 2018 -

Unilever N.V. ("NV") and Unilever PLC ("PLC") (each, an "Issuer" and together, the "Issuers") today announce invitations to holders of the outstanding notes listed in the table below (each a "Series" and together, the "Notes") to consent to certain modifications of the terms and conditions (the "Conditions") of the relevant Series and related programme documents in connection with the proposed simplification of the dual-parent structure of the Unilever Group (being NV, PLC and their group companies) under a new single parent company, New NV, by approving an extraordinary resolution of the holders of such Series (an "Extraordinary Resolution"), all as further described in the Consent Solicitation Memorandum prepared by the Issuers dated 30 May 2018 (the "Consent Solicitation

Edgar Filing: UNILEVER PLC - Form 6-K

(1) Notes of any Series which are held by or on behalf of the relevant Issuer, the Guarantors or any Group Company (as defined in the Applicable Trust Deed), in each case as beneficial owner, are deemed not to be outstanding.

Early Participation Fee

Pursuant to each Consent Solicitation, each Noteholder who validly submits a Consent Instruction in favour of the relevant Extraordinary Resolution by the Early Instruction Deadline may be eligible to receive an Early Participation Fee.

Each Noteholder from whom a valid Consent Instruction in favour of the relevant Extraordinary Resolution is received by the Tabulation Agent by 4.00 p.m. (London time) on 13 June 2018 (such time and date with respect to each Series, as the same may be extended, the "Early Instruction Deadline") will be eligible to receive payment of an amount equal to 0.05 per cent. of the principal amount of the Notes that are the subject of such Consent Instruction (the "Early Participation Fee").

Noteholders may continue to submit Consent Instructions after the Early Instruction Deadline and up to the Expiration Deadline or attend the Meetings but such Noteholders will not be eligible to receive the Early Participation Fee in respect of those Consent Instructions.

Subject to the satisfaction of the Fee Conditions described below, the Payment Date for the Early Consent Fee will be no later than the fifth Business Day following the date of the relevant Shareholder Meeting, which is expected to be held in Q3 2018.

Background to the Consent Solicitations

On 15 March 2018, Unilever announced the next steps in its transformation into a simpler, more agile and more focused business. The proposed Simplification will provide greater flexibility for strategic portfolio change and help drive long-term performance. Simplification will introduce a single holding company, New NV, with one class of shares and a global pool of liquidity.

Following Simplification, the Unilever group will produce a set of consolidated accounts for New NV and its subsidiaries (the "Consolidated Accounts"). Each of PLC and New Sub will produce standalone entity financial statements (the "Entity Accounts"), which are not consolidated accounts. The Entity Accounts together with the Consolidated Accounts are referred to as the "Accounts".

In conjunction with Simplification, Unilever intends to simplify its debt structure by seeking approval from the relevant Noteholders of the Proposed Amendments. Unilever is seeking approval by the Noteholders of (i) the substitution of New NV as issuer of the Notes, with a guarantee provided by the retiring issuer (New Sub (as successor to NV) or PLC, as the case may be), in addition to the existing guarantees which will remain in force, and (ii) such other consequential amendments to the relevant Conditions in order to facilitate such substitution.

If Noteholders of any Series of Notes do not approve the Proposed Amendments, Unilever intends to transfer the listing of such Series of Notes to a multi-lateral trading facility such as the Global Exchange Market (the "GEM") in Ireland. Implementation of the Proposed Amendments and/or a transfer of the listing of the Notes to a multi-lateral trading facility would enable Unilever to produce the Accounts as discussed above. It is not practicable or desirable to retain the Notes at the current NV and PLC level post-Simplification if they remain admitted to trading on a regulated

market as this would result in an unduly onerous requirement, which Unilever group has never previously had, to produce separate consolidated accounts for each of New Sub (as successor to NV) and PLC in addition to the Accounts.

It is intended that new debt issued pursuant to Unilever's European debt issuance programme will have (i) New N.V. as issuer and (ii) the benefit of guarantees by New Sub, PLC and UNUS. The intended consequence of the Proposed Amendments is that Notes of each Series will be structured in the same manner. For the avoidance of doubt, Unilever Capital Corporation will remain issuer in respect of notes currently outstanding from Unilever's SEC-registered shelf and these notes will also benefit from an additional guarantee provided by New NV in due course.

For the avoidance of doubt, the outcome of the Consent Solicitations will have no impact on the timing or process of Simplification.

Key Terms and Conditions of the Consent Solicitations

Proposed Amendments

The purpose of each Consent Solicitation is to modify the Conditions of the relevant Series and the related documents as described below and as more fully set out in the Consent Solicitation Memorandum (the "Proposed Amendments").

Noteholders are requested to approve the following:

In respect of Notes issued by NV and PLC:

The substitution of New NV in place of NV or PLC, as the case may be, as the relevant Issuer of the Notes (the "Substitution");

Amendments to the definition of "Unilever Group" in the relevant terms and conditions, such that "Unilever Group" is defined as New NV and its subsidiaries (including PLC and New Sub) and "Group Company" is construed accordingly by reference to the amended Unilever Group definition;

Consequential amendments to the terms and conditions of the relevant Notes to reflect the new group structure following Simplification and the Dutch Merger.

In addition, in respect of Notes issued by NV only:

A new guarantee by Unilever International Holding B.V. (being the successor entity of NV pursuant to the Dutch Merger) ("New Sub").

In addition, in respect of Notes issued by PLC only:

A new guarantee by PLC (together with New Sub in this context, the "New Guarantors");

Updates to the existing guarantee by NV to replace references to NV with New Sub (being the successor entity of NV pursuant to the Dutch Merger).

For the avoidance of doubt, the existing guarantees under the relevant Notes will remain in full force and effect at all times.

Edgar Filing: UNILEVER PLC - Form 6-K

The intended consequence of the Proposed Amendments is that Notes of each Series will have (i) New N.V. as Issuer and (ii) the benefit of joint and several guarantees from each of PLC, New Sub and UNUS.

The Proposed Amendments will be implemented pursuant to a Supplemental Trust Deed, the forms of which are set out in Schedules I and II to Annex I of the Consent Solicitation Memorandum subject to satisfaction of the Implementation Conditions listed below, which include the successful completion of Simplification on the Simplification Date.

Fee Conditions

Payment of the Early Participation Fee will be conditional on:

- (a) the relevant Consent Solicitation not having been terminated;
- (b) the passing of the relevant Extraordinary Resolution; and
- (c) the passing of the relevant Shareholder Resolutions,

(together, the "Fee Conditions")

Conditions to Implementation

The implementation of the Proposed Amendments in respect of each Series will be conditional on:

- (a) the relevant Consent Solicitation not having been terminated;
- (b) the passing of the relevant Extraordinary Resolution;
- (c) the successful completion of Simplification on the Simplification Date; and
- (d) the agreement of (i) New NV to assume all obligations of the relevant Issuer as issuer in respect of the Notes; and (ii) the relevant New Guarantor to agree to provide the New Guarantee in respect of the Notes, in each case pursuant to a Supplemental Trust Deed,

(together, the "Implementation Conditions").

For the avoidance of doubt, there is no inter-conditionality between the Extraordinary Resolutions in respect of any Series.

The relevant Issuer will announce the results of each Meeting and whether the relevant Extraordinary Resolution has been passed as soon as reasonably practicable after the relevant Meeting. If the relevant Extraordinary Resolution has been passed, the relevant Issuer will announce the satisfaction (or otherwise) of the Fee Conditions as soon as reasonably practicable on or after the date of the relevant Shareholder Meeting. If the Fee Conditions have been satisfied, the relevant Issuer will announce the satisfaction (or otherwise) of the other Implementation Conditions relating to that Extraordinary Resolution and implementation of the Proposed Amendments as soon as reasonably practicable on or after the Simplification Date.

Meetings

A notice (the "Notice") convening the Meetings to be held at the offices of Linklaters LLP, One Silk Street, London EC2Y 8HQ on 26 June 2018 has been given to Noteholders in accordance with the Conditions on the date of the Consent Solicitation Memorandum.

The initial Meeting (in respect of the April 2020 Notes) will commence at 9.30 a.m. (London time), with subsequent Meetings in respect of each other Series (in chronological order of scheduled maturity date of Notes issued by NV and then Notes issued by PLC) being held at 5 minute intervals thereafter or after the completion of the preceding Meeting (whichever is later).

General

The relevant Issuer may, at its option and in its sole discretion, extend, or waive any condition of, any Consent Solicitation at any time and may amend or terminate such Consent Solicitation at any time (subject in each case to applicable law and the relevant Meeting Provisions, and provided that no amendment may be made to the terms of the relevant Extraordinary Resolution). Details of any such extension, waiver, amendment or termination will be announced as promptly as practicable after the relevant decision is made.

Indicative Timetable

Set out below is an indicative timetable showing one possible outcome for the timing of the Consent Solicitations, which will depend, among other things, on timely receipt (and non-revocation) of instructions, the rights of the relevant Issuer (where applicable) to extend, waive any condition of, amend and/or terminate any Consent Solicitation (other than the terms of the relevant Extraordinary Resolution) and the passing of each Extraordinary Resolution at the initial Meeting for the relevant Series. Accordingly, the actual timetable may differ significantly from the timetable below.
