REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Executive Compensation and Employee Benefits Committee and Participants of

Haverty Furniture Companies, Inc. Thrift Plan

We audited the accompanying statements of net assets available for benefits of **Haverty Furniture Companies, Inc. Thrift Plan** (the Plan) as of December 31, 2006 and 2005 and the related statement of changes in net assets available for benefits for the year ended December 31, 2006. These financial statements are the responsibility of the Plan s management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The Plan is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan s internal control over financial reporting. Accordingly, we express no such opinion. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2006 and 2005, and the changes in its net assets available for benefits for the year ended December 31, 2006, in conformity with accounting principles generally accepted in the United States.

Our audits were performed for the purpose of forming an opinion on the financial statements taken as a whole. The accompanying supplemental schedule of assets held for investment purposes as of December 31, 2006, is presented for the purpose of additional analysis and is not a required part of the basic financial statements. This supplemental schedule is the responsibility of the Plan s management. The supplemental schedule has been subjected to the auditing procedures applied in the audit of the financial statements and, in our opinion, is fairly stated in all material respects in relation to the financial statements taken as a whole.

HAVERTY FURNITURE COMPANIES, INC. THRIFT PLAN

FINANCIAL STATEMENTS

December 31, 2006 and 2005

1. DESCRIPTION OF THE PLAN

The Haverty Furniture Companies, Inc. Thrift Plan (the Plan) is sponsored by Haverty Furniture Companies, Inc. (the Company and Plan Sponsor). The Plan is a qualified cash or deferred arrangement plan under Section 401(k) of the Internal Revenue Code (the Code). The following description of the Plan provides only general information. Further information about the Plan is contained in the Plan document, copies of which are available at the Company s Human Resources office.

Eligibility

Company employees become eligible for participation in the Plan after they attain 21 years of age and complete 60 days of continuous, active employment. Plan entry dates are the first day of each month. An employee who is included in a unit of employees covered by a collective bargaining agreement is excluded from participating in the Plan unless otherwise provided in the written agreement.

Contributions

Eligible employees are automatically enrolled into the Plan, and pre-tax contributions are withheld at 2% of eligible compensation unless the employee elects differently. Eligible employees may elect to defer up to 80% of their compensation as defined by the Plan, generally not to exceed a maximum of \$15,000 in 2006. Participants age 50 and older may make additional catch-up contributions of \$5,000 in 2006 to the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers).

The Company matches employee contributions at the rate of 50% for all contributions up to and including 2%, and 25% of the next 4%, of each participant s annual compensation. Effective January 1, 2007, the Company will increase its matching contribution to 100% of the first 1% of eligible pay and 50% of the next 5% contributed by participants. The Company will also contribute an additional 2% of eligible pay to those individuals with at least 10 years of service and whose age plus years of service equal 65 on December 31, 2006. The Company s matching contributions are allocated to the participant s directed accounts.

FINANCIAL STATEMENTS

December 31, 2006 and 2005

Participant Accounts

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers a money market fund, seven mutual funds, and the Company's common stock via the Haverty Unitized Stock Fund. Participants may change their investment options on a daily basis. Each participant's account is credited with the participant's contributions, rollovers, the Company's contribution, earnings on the investments in their account and charged with specific transaction charges for hardship withdrawals. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

There are restrictions on purchases of Haverty Furniture Companies, Inc. common stock through the Plan via the Haverty Unitized Stock Fund (the Fund). The restrictions are as follows: 1) A maximum of one purchase transaction is allowed each thirty-day period; 2) Sell transactions are allowed each day, but sales out of the Fund may not exceed \$50,000 in a single day; 3) The Fund cannot exceed 30% of a participant's total account balance, or a maximum of \$50,000; and 4) Reporting officers as defined by Section 16(b) of the Securities Exchange Act of 1934 and regional managers are prohibited from investing in the Fund.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the employer contribution portion of their accounts plus actual earnings thereon is based on the number of years of service with the Company. The vesting schedule is as follows:

Years of Service	Percentage of Contributions Vested
Less than 2 years	0%
2	40%
3	60%
4	80%
5	100%

Forfeitures of employer contributions are used to offset employer matching contributions for the same and/or future Plan years. Forfeited non-vested amounts of approximately \$132,278 and \$99,790 were used to reduce employer contributions during the years ended December 31, 2006 and 2005, respectively.
