PROXY STATEMENT

To the Shareholders of Tri-Valley Corporation:

The only items of business which management intends to present at the meeting are listed in the Notice of Annual Meeting of Shareholders. This proxy statement provides details about the meeting.

The enclosed proxy material relating to Tri-Valley Corporation from our Board of Directors is sent to you as the direct or beneficial owner of our common stock, with our sincere request that you give those materials your prompt and thorough consideration. Your vote at the annual meeting is important to Tri-Valley.

The board of directors of Tri-Valley Corporation hereby solicits your proxy (on the enclosed proxy form) for use at our Annual Meeting of Shareholders to be held October 28, 2006, at 10:00 A.M. (local time) at the Bakersfield Petroleum Club, 5060 California Avenue, 12th Floor, Bakersfield, California 93309.

By returning your signed proxy, you authorize management to vote your shares as you indicate on these items of business and to vote your shares in accordance with management's best judgment in response to proposals initiated by others at the meeting.

Our administrative office is located at 4550 California Avenue, Suite 600, Bakersfield, California 93309. The approximate date on which this proxy statement and proxy will first be sent to the shareholders is August 29, 2006. The costs of this proxy notification will be paid by the company and are estimated to be approximately \$9,000. A professional proxy solicitor has not been engaged.

If you are unable to attend this meeting, we request that you return the enclosed proxy form, properly executed, in order that your shares will be represented and voted at the meeting.

Changing or Revoking Your Proxy Vote

You may revoke your signed proxy at any time before it is exercised at the annual meeting. You may do this by advising our secretary in writing of your desire to revoke your proxy, or by submitting a duly executed proxy bearing a later date. We will honor the proxy card with the latest date. You may also revoke your proxy by attending the annual meeting and indicating that you wish to vote in person.

Who May Vote

As of August 4, 2006, 23,192,831 shares of our common stock were outstanding. Each share is entitled to one vote per director in the election of directors and one vote in all other matters to be voted upon at the meeting. **Shareholders of record as of the close of business at 5:00 P.M. on Tuesday, August 22, 2006, are the only persons entitled to vote at this meeting.**

Voting in Person

Although we encourage you to complete and return your proxy to ensure that your vote is counted, you can attend the annual meeting and vote your shares in person.

How Your Votes Are Counted

We will hold the annual meeting if holders of not less than one-half the outstanding shares are present either in person or by proxy. If you sign and return your proxy card, your shares will be counted to determine whether we have a quorum even if you abstain or fail to vote on any of the matters listed on the proxy card.

The vote of a plurality of the shares present at the meeting, in person or by proxy, is necessary to elect directors.

ABSTAINING IS THE SAME AS VOTING “NO”

If you mark "Abstain" with respect to any proposal on your proxy, your shares will be counted in the number of votes cast. **However, a vote to “Abstain” has the same effect as voting no. Management requests that you vote either “For” or “Against” on each proposal to come before the meeting.** If a broker or other nominee holding shares for a beneficial owner does not vote on a proposal, the shares will not be counted in the number of votes cast.

A "broker non-vote" occurs when your broker submits a proxy for your shares but does not indicate a vote for a particular proposal because the broker does not have authority to vote on that proposal and has not received voting instructions from you. "Broker non-votes" are not counted as votes against the proposal in question or as abstentions, nor are they counted to determine the number of votes present for the particular proposal.

ITEMS OF BUSINESS

Proposal 1: ELECTION OF DIRECTORS

The Board of Directors consists of seven (7) members. Each director serves for a term of one (1) year. All seven (7) director positions are up for election at the meeting. All seven of the currently serving directors have been nominated for election. Five of the directors were elected by the shareholders at the 2005 annual meeting. The sixth director, William H. Marumoto, was appointed to the board by the remaining directors in November 2005 to fill a vacancy created by the resignation of an outside director. The seventh director, G. Thomas Gamble, was appointed to the board by the remaining directors in January 2006 to fill a vacancy created by the resignation of an outside director.

Voting

The seven nominees receiving the highest number of votes will be elected. Proxies solicited by the board of directors will be voted in favor of each nominee unless shareholders specify otherwise in their proxies. Should any of the nominees become unavailable at the time of the meeting to accept nomination or election as a director, the proxy holders named in the enclosed proxy will vote for substitute nominees at their discretion. Votes withheld for a nominee will not be counted. Our articles of incorporation do not provide for cumulative voting in elections for director, and cumulative voting for directors will not be permitted at the annual meeting.

Nominees for the Board of Directors

The board of directors recommends a vote FOR the election of each of the following seven nominees for director.

Each director must be elected by a plurality vote of the shares represented at the meeting.

Each nominee for director was unanimously nominated by the board of directors, including all of the independent directors.

The following pages describe the nominees for director, including their principal occupations for the past five years, certain other directorships, age, length of service as a Tri-Valley director, membership on the audit committee, attendance at board and committee meetings, and ownership of our stock. Each nominee has agreed to be named in this proxy statement and to serve as a director if elected. The ages listed are as of August 4, 2006.

REPORT OF THE PERSONNEL AND COMPENSATION COMMITTEE ON ANNUAL COMPENSATION OF EXECUTIVE OFFICERS

The Board's personnel and compensation committee, currently composed of Messrs. William H. "Mo" Marumoto, Chair and Dr. Henry Lowenstein, administers the Company's compensation plans, reviews and approves executive compensation and makes recommendations to the Board concerning such compensation and related matters. This report relates to the personnel and compensation committee's policies for the Company's executive officers, including the Named Executive Officers, for fiscal year 2005.

Overview. In fiscal year 2005, the committee undertook a strategic review of the Company's total officer compensation, which was performed in consultation with the committee by a team comprised of representatives of the Company's executive management, finance department and outside compensation consultants. This strategic review was initiated by the committee in response to the Company's long range business plan and involved an review of market benchmarks for competitive pay and benefits policies, the Company's long range business plan and the Company's culture and values. Based on this review, the committee's and the Company's policies and goals for executive compensation include assuring that total executive compensation is:

- competitive to attract and retain the best officer talent;
- affordable to the Company and appropriately aligned with shareholder interests;

- consistent with the Company's long-range business plans;
- designed to consider individual value and contribution to the Company's success;
- sensitive to, but not exclusively reliant upon, market benchmarks;
- reasonably sensitive to the needs of the Company's executive officers, as those needs change over time; and
- flexible with regard to the Company's succession planning objectives.

The committee expects to continue its review of total officer compensation in fiscal year 2006, which may lead to additional changes to the Company's policies and overall approach to executive compensation. The Company has retained the human relations independent firm of Thomas See & Associates to assist in its review.

Base Salaries. Base salaries for the Company's executive officers, including Mr. Blystone and the Named Executive Officers, were adjusted from the prior year. The committee periodically reviews base salary levels for the Company's executive officers in comparison with those of other companies in oil, gas and minerals industries, as well as other industries, and in light of its overall strategic goals for executive officer compensation. The Company strives to maintain executive base salaries at a level that will permit it to compete with other major companies for managers with comparable qualifications and abilities. Based on information contained in the various surveys, the committee believes that the overall compensation of the Company's executive officers generally places them below the median salary compensation of similarly situated executives in all industries covered by the surveys. But the Company offers a stock option plan it believes mitigates this at this time as well as directing the attention of the eligible officers to increase shareholder value.

With respect to base salaries for fiscal year 2006, the committee will continue to consider market benchmarks along with the Company's other strategic goals for executive compensation.

We have an employment agreement with F. Lynn Blystone, our President and Chief Executive Officer, until December 31, 2006, unless terminated by giving 90 days written notice. The base salary amount is \$159,000 per year plus 5,000 shares of our common stock at the end of each year of service. Mr. Blystone is also entitled to a bonus (not to exceed \$25,000) equal to 10% of net operating cash flow before taxes, including interest income and excluding debt service. Mr. Blystone is also entitled to a bonus of 4% of the company's annual net after-tax income. The total of the bonuses from cash flow and net income may not exceed \$50,000 per year. The employment agreement also provides a severance payment to Mr. Blystone if he is terminated within 12 months after a sale of control of Tri-Valley. The severance payment equals \$150,000. For purposes of the severance provision, a sale of control is deemed to be the sale of ownership of 30% of the outstanding stock of Tri-Valley or the acquisition by one person of enough stock to appoint a majority of the board of directors of the Company.

Section 162(m). The Company believes that all compensation paid or payable to its executive officers covered under Section 162(m) of the Internal Revenue Code will qualify for deductibility under such Section.

Submitted by the personnel and compensation committee of the board of directors.

William H. "Mo" Marumoto, Chair
Dr. Henry Lowenstein
G. Thomas Gamble
