cents per share from 73 cents per share for the prior year's comparable quarter due to an increase in net income of 16% and 10% decrease in the weighted average outstanding shares. Membership revenues in the fourth quarter of 2006 increased 3% to \$103.8 million from \$100.6 million for the same period last year.

Net income for the full year of 2006 increased 45% to \$51.8 million from \$35.8 million for 2005. Diluted earnings per share for 2006 increased 53% to \$3.51 per share from \$2.29 per share for the prior year due to increased net income of 45% and a 6% decrease in the weighted average number of outstanding shares. Membership revenues for 2006 were up 6% to \$412.2 million from \$389.3 million for the prior year marking the fourteenth consecutive year of increased membership revenue.

Net cash provided from operating activities increased 11% to \$54.4 million for 2006 from \$48.9 million for 2005, and cash provided from operating activities before changes in assets and liabilities increased 38% to \$60.8 million for 2006 from \$44.2 million for 2005. During 2006 we purchased and formally retired 1,959,487 shares of our common stock for \$73.4 million, or an average price of \$37.47 per share. From April 1999 to year-end 2006, we invested \$296.0 million in the repurchase of 11.4 million shares at an average price of \$26.02 per share, reducing the number of shares outstanding at year-end 2006 to 13.6 million. At December 31, 2006, we had \$92.0 million of debt outstanding and \$81.8 million in cash and cash equivalents and unpledged investments.

Fourth quarter 2006 membership fees remained relatively unchanged while associate services revenues increased 5% vs. the third quarter of 2006. Associate services and direct marketing expenses increased approximately 4%. Membership benefits were 36% and 35%, respectively of membership fees in the two periods. Commissions, as a percent of membership fees, were 30% in both periods while general and administrative expenses were 12% in both periods.

After our earnings conference call later this week, we expect to continue our open market share purchases as we have remaining authorization from the Board to purchase an additional 609,891 shares and unused proceeds of approximately \$22 million from a term loan closed in mid 2006 as well as additional funds that may be used for share purchases of approximately \$10 million which were generated during the last half of 2006.

We will conduct a conference call to present the year end results on Thursday, February 22, 2007 at 8:30 a.m. Eastern Time. The conference call will be web cast on the investor relations' page of www.prepaidlegal.com or may be accessed by dialing (719) 457-2646.
