NEWS RELEASE

**A.M. BEST COMPANY GRANTS GROUP RATING OF A- (EXCELLENT) TO
ALL CARRIERS IN INDEPENDENCE HOLDING GROUP AND
REVISES NEGATIVE OUTLOOK TO STABLE**

Stamford, Connecticut, November 19, 2007. A.M. Best Company, Inc. has issued a group rating of A- (Excellent) to the insurance carriers in the Independence Holding Group: Standard Security Life Insurance Company of New York (Standard Security Life); Madison National Life Insurance Company, Inc. (Madison National Life); and Independence American Insurance Company (Independence American). The actions by A.M. Best Company represent an upgrade for Independence American from B++ (Good) to A- (Excellent), no change for Madison National Life, and a downgrade for Standard Security Life from A to A-. The outlook for all three companies is now stable, reflecting revisions from negative to stable for Standard Security Life and Madison National Life. According to A.M. Best Company, these rating actions harmonize the ratings of Standard Security Life, Madison National Life and Independence American.

Roy T.K. Thung, Chief Executive Officer of both Independence Holding Company and American Independence Corp. (AMIC), commented, "A.M. Best Company has granted a group rating of (A-) Excellent for all three insurance companies in the Independence Holding Group and has changed the outlook of Standard Security Life and Madison National Life from negative to stable. We expect it will be business as usual for Standard Security Life and Madison National Life. We are pleased with the upgrade of Independence American, which is a wholly owned subsidiary of our affiliate, American Independence Corp. (NASDAQ: AMIC). Its new rating of Excellent will enable Independence American to expand its presence in both medical stop-loss and fully insured health insurance, with respect to existing relationships and new opportunities. In fact, the managing general underwriters (MGUs) owned by AMIC have already indicated their intent to write medical stop-loss business on Independence American's paper in response to today's upgrade."
