EXHIBIT 10.1

STOCK REPURCHASE AGREEMENT

This **STOCK REPURCHASE AGREEMENT**, dated as of June 23, 2006 (this "Agreement"), by and between First Farmers and Merchants Corporation, a Tennessee corporation ("Purchaser"), and The University of Tennessee ("Seller").

WITNESSETH:

WHEREAS, Seller owns 20,000 shares (the "Shares") of the common stock, \$10.00 par value per share (the "Common Stock"), of Purchaser; and

WHEREAS, Seller desires to sell the Shares to Purchaser in order to avoid the costs and commissions that would be charged if it were to sell the Shares on the open market, and Purchaser desires to purchase the Shares, all on the terms and conditions set forth herein.

NOW, THEREFORE, in consideration of the premises and mutual covenants set forth herein and other good and valuable consideration, the receipt and sufficiency of all of which are hereby acknowledged, the parties hereto agree as follows:

Section 1. Sale and Purchase; Closing.

(a) Sale and Purchase. In accordance with the terms and conditions set forth herein, at the Closing (as hereinafter defined), Seller shall transfer, convey, assign and deliver, and Purchaser will purchase, all of the Shares free and clear of any and all liens, claims and encumbrances whatsoever.

(b) Purchase Price. As of the Closing Date (as hereinafter defined), in exchange for the Shares, Seller will receive from Purchaser cash or otherwise immediately available funds in the amount of One Million Dollars (\$1,000,000) representing the product of (i) a purchase price of \$50.00 per share multiplied by (ii) the number of Shares.

(c) Delivery. At Closing, Seller shall cause the Shares to be delivered to Purchaser, acting as its own stock transfer agent, accompanied by a stock transfer power, or other instrument of assignment, authorizing the transfer of the Shares to Purchaser.

(d) Closing. The consummation of the transactions contemplated by this Agreement (the "Closing"), or the waiver thereof, shall take place on June 30, 2006 (the "Closing Date"), at the offices of Purchaser, or such other date, time and place as may be agreed by the parties.

Section 2. Representations and Warranties of Purchaser. Purchaser hereby represents and warrants to Seller as follows as of the date hereof and as of the Closing:

(a) Organization. Purchaser is corporation duly organized and validly existing under the laws of the State of Tennessee.

(b) Authority and Authorization. Purchaser has the requisite power and authority to enter into this Agreement and to carry out its obligations hereunder. The execution, delivery and performance of this Agreement and the consummation of the transactions contemplated hereby have been duly authorized and approved by all necessary

corporate action. This Agreement, when executed, will constitute the legal, valid and binding obligation of Purchaser, enforceable against Purchaser in accordance with its terms, except as may be limited by bankruptcy and insolvency laws and by other laws affecting the rights of creditors generally and except as may be limited by the availability of equitable remedies.

(c) Non-Contravention. The execution, delivery and performance of this Agreement by Purchaser and the consummation of any of the transactions contemplated hereby by Purchaser will not (a) conflict with or result in a breach of any of the terms and provisions of, or constitute a default (or an event which with notice or lapse of time, or both, would constitute a default), under any agreement, instrument, franchise, license or permit to which Purchaser is a party or by which any of its properties or assets may be bound, or (b) violate or conflict with any judgment, decree, order, statute, rule or regulation of any court or any public, governmental or regulatory agency or body applicable to Purchaser or any of its properties or assets. The execution, delivery and performance of this Agreement by Purchaser and the consummation of the transactions contemplated hereby by Purchaser do not violate or conflict with any provision of the organizational documents of the Company, as currently in effect.

(d) No Consents. No consent, authorization or approval of, or filing with, any person or any United States federal, state or local governmental department, commission, board, agency or instrumentality is required to be made or obtained by Purchaser in connection with its execution and performance of this Agreement, except for any filings with federal and state regulatory authorities.

Section 3. Representations and Warranties of Seller. Seller represents and warrants to Purchaser as follows as of the date hereof and as of the Closing:

(a) Title to Shares. Seller is the legal and beneficial owner of and has good and marketable title to the Shares, free and clear of any and all liens, claims, pledges, encumbrances, charges, options and contractual restrictions. Seller has not pledged or otherwise granted any person or entity the right to acquire any of the Shares. Seller has full, absolute and unrestricted right, power, capacity and authority to sell, transfer, assign and deliver the Shares to Purchaser and the delivery of such Shares to Purchaser will convey to Purchaser valid, marketable and indefeasible title to such Shares, free and clear of any and all liens, claims, pledges, encumbrances, charges, options or contractual restrictions whatsoever.

(b) Authority and Authorization. Seller has all requisite capacity and authority to enter into this Agreement and to carry out his obligations hereunder. This Agreement, when executed, will constitute the legal, valid and binding obligation of Seller, enforceable against Seller in accordance with its terms, except as may be limited by bankruptcy and insolvency laws and by other laws affecting the rights of creditors generally and except as may be limited by the availability of equitable remedies.

(c) Non-Contravention. The execution, delivery and performance of this Agreement by Seller and the consummation of the transactions contemplated hereby by Seller will not (a) conflict with or result in a breach of any of the terms and provisions of, or constitute a default (or an event which with notice or lapse of time, or both, would constitute a default), under any agreement, instrument, franchise, license or permit to which Seller is a party or by which any of its properties or assets may be bound or (b) violate or conflict with any judgment, decree, order, statute, rule or regulation of any court or any public, governmental or regulatory agency or body applicable to Seller or any of its properties or assets.

(d) No Consents. No consent, authorization or approval of, or filing with, any person or any United States federal, state or local governmental department, commission, board, agency or instrumentality is required to be made or obtained by Seller in connection with its execution and performance of this Agreement, except for any filings and consents which have already been obtained and are in full force and effect.

(e) No Solicitation. Seller offered to sell the Shares to Purchaser and at no time has Purchaser offered to purchase or solicited an offer for the sale of the Shares from Seller.

(f) No Broker. Seller has incurred no obligation or liability, contingent or otherwise, for brokerage or finders' commissions or fees or similar payment in connection with this Agreement.

Section 4. Covenants of Seller.

(a) Without the prior written consent of Purchaser, which will not be unreasonably withheld, Seller shall not at any time disclose to any person the fact that this Agreement has been entered into or that the transactions contemplated herein have been effected, nor will Seller disclose any of the matters disclosed in this Agreement. Notwithstanding anything in this Agreement to the contrary, Seller acknowledges that Purchaser has an obligation under federal securities laws and rules to disclose the purchase of the Shares by Purchaser. Purchaser acknowledges that Seller, as an instrumentality of the State of Tennessee, is subject to the Tennessee Open Records Statutes.

(b) Seller understands and acknowledges that the purchase or sale of securities by a person that possesses material, non-public information concerning the issuer of the securities may violate federal securities laws. Seller acknowledges that, upon execution of this Agreement, Seller will be in possession of non-public information about Purchaser that may be deemed material and hereby agrees that Seller and its affiliates shall not trade in Purchaser's securities in violation of Section 10(b) of the Securities Exchange Act of 1934, as amended, or Rule 10b-5 thereunder.

(c) This Section 4 shall remain in full force and effect until the earlier of (i) such time as Purchaser releases all material, non-public information related to this Agreement to the public, but only to the extent so released, or (ii) such time as Purchaser notifies Seller that the material, non-public information related to this Agreement is stale, out-of-date or otherwise no longer material, unless and until earlier terminated by Purchaser.
