The Plan Committee

Brinker International, Inc. 401(k) Savings Plan and Trust:

We have audited the accompanying statements of net assets available for benefits of the Brinker International, Inc. 401(k) Savings Plan and Trust ("the Plan") as of December 31, 2002 and 2001, and the related statements of changes in net assets available for benefits for the years then ended. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Brinker International, Inc. 401(k) Savings Plan and Trust as of December 31, 2002 and 2001, and the changes in net assets available for benefits for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Our audits were performed for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedule of assets (held at end of year) is presented for the purpose of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The supplemental schedule is the responsibility of the Plan's management. The supplemental schedule has been subjected to the auditing procedures applied in the audits of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

1. DESCRIPTION OF THE PLAN AND ACCOUNTING POLICIES

The following brief description of the provisions of the Brinker International, Inc. 401(k) Savings Plan and Trust (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for more complete information. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

General

The Plan, which was implemented on January 1, 1993, is a qualified defined contribution savings plan available to all salaried and hourly employees of Brinker International, Inc. and subsidiaries ("Company" or "Brinker") who are neither an officer nor a five percent shareholder of the Company and whose annual compensation is not in excess of the threshold set forth in Section 414(q) of the Internal Revenue Code of 1986 (the "Code"), as amended. Employees who have completed one year of service and have attained the age of twenty-one are eligible to participate in the Plan.

Employees who are members of a collective bargaining unit are not eligible to participate in the Plan. The financial statements are prepared on the accrual basis of accounting and include all of the funds which comprise the Plan.

Contributions

Participants are permitted to contribute from 1 to 20% of their annual eligible compensation, as defined, to the Plan on a tax-deferred basis. Participants are permitted to contribute up to 100% of their bonuses, as defined, to the Plan on a tax-deferred basis. Tips are excluded from the definition of eligible compensation. The Company matches 25% of the first 5% a salaried participant contributes. Hourly participants do not receive matching contributions.

Participants' Accounts

Participants' contributions are invested in accordance with their elections in the following funds: the AXP Cash Management Fund (a money market fund), the AXP Bond Fund (invests primarily in intermediate-term corporate bonds), the American Century Equity Growth Fund (invests primarily in the equities of large-cap domestic companies), the Wells Fargo Large Company Growth Fund (invests primarily in the equities of medium-to-large-cap domestic companies), the Janus Overseas Fund (invests primarily in the equities of foreign companies), the Neuberger Berman Genesis Fund (invests primarily in the equities of small-cap domestic companies), the Brown Capital Management Small Company Fund (invests primarily in the equities of small-cap domestic companies), the American Express Trust Equity Index Fund II (invests primarily in the equities of the S&P 500 Index) and the Brinker Stock Fund (consists of Company common stock). Company's matching contributions to the Plan are invested in the Brinker Stock Fund.

Notes to Financial Statements (continued)

1. DESCRIPTION OF THE PLAN AND ACCOUNTING POLICIES (continued)

Vesting

Participants are immediately vested in their contributions and the earnings thereon. Vesting in the Company's matching contributions is graduated at 25% annually, beginning at the end of the second year of eligible service, up to 100% after five full years of eligible service. Participants who separate from service prior to full vesting of their rights forfeit their share of the Company's contributions to the extent that vesting had not occurred. Amounts forfeited are used to reduce future Company contributions. Forfeitures totaled \$36,623 and \$47,030 for the years ended December 31, 2002 and 2001, respectively.

Payments of Benefits

The normal forms of payment upon a participant's separation from the Company are either a lump sum payment in cash for the vested portion of the participant's account (less federal tax withholding and, when applicable, additional penalties for withdrawals made prior to retirement age) or a direct rollover of the vested portion of the participant's account into an Individual Retirement Account or another employer's qualified plan.

Participant Loans

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. A participant may have up to two loans outstanding at a time; however, the total of a participant's loans may not exceed the lesser of \$50,000 or 50% of the participant's vested account balance. Loan terms range from one-half year to 5 years or up to 15 years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate of 1% above the prime lending rate determined at the end of the month prior to the month in which the loan request is made. Interest rates on outstanding loans ranged from 5.25% to 10.5% during 2002 and 6.0% to 10.5% during 2001. Principal and interest payments are made through bi-weekly payroll deductions.

Administrative Expenses

The Company pays all administrative expenses related to the Plan.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires Plan administrators to make estimates and assumptions that affect the reported amounts of net assets available for benefits and disclosure of contingent net assets available for benefits at the date of the financial statements and the reported amounts of changes in net assets available for benefits during the reporting period. Actual results could differ from those estimates.
