ABOUT THIS PROSPECTUS

This prospectus is part of a registration statement on Form S-3 that we have filed with the Securities and Exchange Commission, or the SEC, using a “shelf” registration for continuous offering process. Under the shelf process, from time to time, we may, but are not required to, sell the securities offered in supplements to this prospectus in one or more offerings.

This prospectus provides you with a general description of our company. Whenever we decide to offer one of the types of securities noted on the cover page of this prospectus, we will provide you with a prospectus supplement containing specific information about the terms of the offering and the means of distribution. A prospectus supplement may include other special considerations applicable to that specific offering. A prospectus supplement may also add, update or change information in this prospectus. If there is any inconsistency between the information in this prospectus and any prospectus supplement, you should rely on the information in the prospectus supplement. You should read carefully this prospectus and any prospectus supplement together with the additional information described under the heading “Where You Can Find More Information.”

SUMMARY OF THE PROSPECTUS

This summary highlights information from this prospectus and may not contain all the information that is important to you. Accordingly, we encourage you to carefully read this entire prospectus, including the documents that are incorporated by reference. You may obtain a copy of the documents that we have incorporated by reference without charge by following the instructions in the section entitled “Where You Can Find More Information” beginning on page 5 of this prospectus.

Our Business

We are a Chicago-based insurance holding company with subsidiaries engaged mainly in the general (property and liability), mortgage guaranty and title insurance businesses. Our subsidiaries market, underwrite and manage a wide variety of specialty and general insurance coverages. We primarily serve the insurance and the related needs of commercial and financial enterprises and governmental units. In particular, we provide specialty insurance programs to the transportation, coal and energy services, construction, forest products, consumer and mortgage credit, banking, and housing industries, and to a variety of other manufacturing and service companies.

Our business segments are organized as the General Insurance, Mortgage Guaranty, Title Insurance and Corporate and Other Groups.

Our General Insurance Group assumes risks and provides related risk management services that encompass a large variety of property and liability insurance coverages. We do not have a meaningful exposure to personal lines of insurance such as homeowners and private automobile coverages, and do not insure significant amounts of commercial buildings and related property. A significant majority of our General Insurance business is produced through independent agency and brokerage channels, while the balance is obtained through direct production facilities.

Private mortgage insurance protects mortgage lenders and investors from default related losses on residential mortgage loans made primarily to home buyers who make down payments of less than 20% of the home’s purchase price. The Mortgage Guaranty Group insures primarily first mortgage loans on residential properties incorporating one-to-four family dwelling units.

The title insurance business consists primarily of the issuance of policies to real estate purchasers and investors based upon searches of the public records, which contain information concerning interests in real property. The policy ensures against losses arising out of defects, liens and encumbrances affecting the insured title and not excluded or excepted from the coverage of the policy.

We also have a relatively small life and health insurance business as well as several internal services subsidiaries that perform investment management, payroll, administrative and minor marketing services.

Our Corporate Information

Our executive offices are located at 307 North Michigan Avenue, Chicago, Illinois 60601, and our telephone number at that location is (312) 346-8100. Our website can be accessed at www.oldrepublic.com. Information contained on our website does not constitute part of this prospectus.

THE OFFERING

The securities which we offer for sale from time to time pursuant to this prospectus will be described in more detail in one or more prospectus supplements.

The maximum dollar amount of securities which we propose to sell pursuant to this offering is \$1 billion; however, we may elect to amend the registration statement to increase that amount.

CAUTIONARY STATEMENT CONCERNING FORWARD-LOOKING STATEMENTS

This prospectus and the documents incorporated by reference in this prospectus include forward-looking statements as defined in the Private Securities Litigation Reform Act of 1995. All statements regarding our expected financial position, strategies and growth prospects and general economic conditions we expect to exist in the future are forward-looking statements. Any words such as, without limitation, “anticipates,” “believes,” “expects,” “estimates,” “plans,” “intends,” “outlook,” “forecast,” “assume,” “achievable,” “potential,” “strategy,” “goal,” “outcome,” “trend,” and variations and similar expressions, or future or conditional verbs such as “will,” “would,” “should,” “could,” “might,” “may,” or similar expressions as they relate to us or our management, are intended to identify forward-looking statements.

We caution that forward-looking statements are subject to numerous assumptions, risks, and uncertainties, which change over time. Forward-looking statements speak only as of the date the statement is made, and we do not undertake to update forward-looking statements to reflect facts, circumstances, assumptions or events that occur after the date the forward-looking statements are made. Actual results could differ materially from those anticipated in forward-looking statements, and future results could differ materially from historical performance. Uncertainties and other factors that could cause actual results to differ materially from historical or forward-looking statements are described in more detail in “Item 1A-Risk Factors” in our Annual Report on Form 10-K for the year ended December 31, 2006 which is incorporated herein by reference in this prospectus. We do not have any intention or obligation to update forward-looking statements after we distribute this prospectus; however, any material changes to the risk factors noted in our Annual Report on Form 10-K are included from time to time in our Quarterly Reports on Form 10-Q.

RISK FACTORS

Investing in our securities involves risks. Potential investors are urged to read and consider the risk factors relating to an investment in our company described in our Annual Report on Form 10-K and our Quarterly Reports on Form 10-Q, each filed with the SEC and incorporated by reference in this prospectus. Before making an investment decision, you should carefully consider those risks as well as other information we may incorporate by reference in this prospectus or in any prospectus supplement. The risks and uncertainties we have described are not the only ones facing our company. Additional risks and uncertainties not presently known to us or that we currently consider immaterial may also adversely affect our business operations. To the extent a particular offering implicates additional risks, we will include a discussion of those risks in the applicable prospectus supplement.

USE OF PROCEEDS

Unless otherwise set forth in a prospectus supplement with respect to the proceeds from the sale of the particular offered securities to which such prospectus supplement relates, the net proceeds from the sale of the offered securities is expected to be used for general corporate purposes.

DESCRIPTION OF SECURITIES

We will describe the terms of the offered securities from time to time in any prospectus supplement for such offer.

PLAN OF DISTRIBUTION

The plan of distribution for each offering of securities pursuant to this prospectus will be described in detail in a prospectus supplement describing each particular offering.

LEGAL MATTERS

Unless otherwise indicated in the applicable prospectus supplement, the validity of the offered securities of Old Republic International Corporation will be passed on for us by Spencer LeRoy, III, Senior Vice President, General Counsel, and Secretary of the corporation, and by Lord, Bissell & Brook LLP, Chicago, Illinois, counsel to the corporation. Mr. LeRoy holds stock and options to purchase stock granted under our employee stock plans, which in the aggregate represent less than 1% of our outstanding common stock.

ERISA MATTERS

Old Republic and certain of our affiliates may each be considered a “party in interest” within the meaning of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”), or a “disqualified person” within the meaning of the Internal Revenue Code of 1986, as amended (the “Code”), with respect to many employee benefit plans. Prohibited transactions within the meaning of ERISA or the Code may arise, for example, if the offered securities are acquired by a pension or other employee benefit plan with respect to which Old Republic or any of its affiliates is a service provider (or otherwise is a “party in interest” or a “disqualified person”), unless such offered securities are acquired pursuant to an exemption for transactions effected on behalf of such plan by a “qualified professional asset manager” or pursuant to any other available exemption. Any such pension or employee benefit plan proposing to invest in the offered securities should consult with its legal counsel.

As permitted by Section 102(b)(7) of the Delaware General Corporation Law, or DGCL, our certificate of incorporation provides that a director of Old Republic shall not be personally liable to Old Republic or its stockholders for monetary damages for breach of fiduciary duty as a director, except for liability (a) for any breach of the director's duty of loyalty to us or our stockholders, (b) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (c) pursuant to Section 174 of the General Corporation Law of the State of Delaware, or (d) for any transaction from which a director derived an improper personal benefit.

As permitted by Section 145(e) of DGCL, we may pay expenses incurred by a director or officer in advance, upon receipt of an undertaking that the advance will be repaid if it is ultimately determined that the director or officer is not entitled to indemnity.

ITEM 17. UNDERTAKINGS

The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) to include any prospectus required by Section 10(a)(3) of the Securities Act of 1933, as amended;

(ii) to reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

(iii) to include any material information with respect to the plan of distribution not previously disclosed in this registration statement or any material change to such information in this registration statement;

provided, however, that paragraphs (i), (ii) and (iii) above do not apply if the information required to be included in a post-effective amendment by those clauses is contained in reports filed with or furnished to the Securities and Exchange Commission by Old Republic pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934, as amended, that are incorporated by reference in this registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, as amended, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933, as amended, to any purchaser:

(i) Each prospectus filed by the Registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5) or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii) or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which the prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(5) That, for the purpose of determining liability of a registrant under the Securities Act of 1933, as amended, to any purchaser in the initial distribution of the securities, the undersigned Registrant undertakes that in a primary offering of securities of the undersigned Registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned Registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of an undersigned Registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of an undersigned Registrant or used or referred to by an undersigned Registrant;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about an undersigned Registrant or its securities provided by or on behalf of an undersigned Registrant; and

(iv) Any other communication that is an offer in the offering made by an undersigned Registrant to the purchaser.

(6) That, for purposes of determining any liability under the Securities Act of 1933, as amended, each filing of Old Republic's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934, as amended, (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934, as amended) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(7) To file an application for the purpose of determining the eligibility of the trustee to act under subsection (a) of Section 310 of the Trust Indenture Act in accordance with the rules and regulations prescribed by the Commission under Section 305(6)(2) of the Trust Indenture Act.

II-3

Insofar as indemnification for liabilities arising under the Securities Act of 1933, as amended may be permitted to directors, officers and controlling persons of the Registrant pursuant to the provisions described in Item 15 above, or otherwise, Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by registrant of expenses incurred or paid by a director, officer or controlling person of Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.
