Item 7.01. Regulation FD Disclosure

On February 6, 2018, the California Public Utilities Commission (the "Commission") issued a proposed decision in the proceeding to determine the cost of capital for the period 2018 through 2020 for San Jose Water Company, a wholly-owned subsidiary of SJW Group. The cost of capital determination is a triannual regulatory process in which the Commission determines a regulated water utility's cost of long-term debt and common stock and the components of the authorized capital structure. The proposed decision provides for a reduction to San Jose Water Company's authorized return on equity from 9.43% to 8.30% and its overall return on rate base from 8.09% to 7.19%. The proposal is subject to change until a final Commission decision is determined at the full Commission meeting currently scheduled for March 22, 2018. If the proposal is approved without change, the reduction in authorized revenue requirement would be approximately \$10 million for 2018 which could have a material adverse impact on SJW Group's net income.

The information furnished pursuant to Item 7.01 of this Current Report shall not be deemed "filed" for the purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), or incorporated by reference in any filing under the Securities Act of 1933, as amended, or the Exchange Act, except as expressly set forth by specific reference in such a filing.

This report contains certain forward-looking statements including, but not limited to, statements relating to the Commission's proposed decision and final decision regarding the cost of capital for San Jose Water Company and the potential impact of the Commission's decision on SJW Group's authorized revenue requirement and net income, which are made pursuant to the safe harbor provisions of the U.S. Private Securities Litigation Reform Act of 1995. These forward-looking statements involve known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements of SJW Group to be materially different from any future results, performance or achievements expressed or implied by such forward-looking statements. Other factors that may cause actual results, performance or achievements to materially differ are described in SJW Group's most recent reports on Form 10-K, Form 10-Q and Form 8-K filed with the Securities and Exchange Commission.
