Item 5.02.

Departure of Directors or Certain Officers; Election of Directors;  
Appointment

of Certain Officers; Compensatory Arrangement of Certain Officers.

(e) On March 24, 2006, the Compensation and Management Development Committee of the Board of Directors of Macy's, Inc. (the "Company") authorized a stock credit plan for its senior executives, including fifteen of its Section 16 reporting officers (which includes the named executive officers in the Company's March 31, 2010 proxy statement), for the performance period covering fiscal years 2006 and 2007. Pursuant to the stock credit plan, the executives received phantom stock units hereinafter referred to as stock credits. The purpose of the stock credit plan was to align senior management's compensation with the interests of the Company's shareholders and the Company's performance, including achievement of objectives relating to the Company's Four Priorities for the 2006 and 2007 fiscal years and certain financial objectives resulting from the merger with The May Department Stores Company.

In accordance with the terms of the 2006-2007 stock credit plan, earned performance-based stock credits and time-based stock credits were all subject to two-year and three-year holding periods commencing on February 3, 2008, with their ultimate value to the participants dependent on Macy's stock price. The value of one-half of the stock credits, with dividend equivalents accrued during the holding period, was paid in cash to the senior executives following the end of fiscal 2009 when the two-year holding period expired. The value of the remaining one-half of the stock credits, with dividend equivalents accrued during the holding period, was paid in cash to the senior executives when the three-year holding period expired at the end of fiscal 2010 (with an automatic payment on or about January 31, 2011).

The stock credit plan provides that the value of the stock options is determined on the basis of the average closing price of Macy's common stock as reported on the New York Stock Exchange for the 20 business days preceding a payment date. For the January 31, 2011 payment, this value was \$23.71 per share.

The named executive officers received the amounts shown below with respect to the 2006-2007 stock credits for which the three-year holding period ended as of the end of fiscal year 2010. Susan Kronick, a named executive officer in the March 31, 2010 proxy statement, retired during fiscal 2010 and is not listed below.
